

Jesus says... The Poor are My Gift to the World & Financial Collapse clarified

August 26, 2015 - Words from Jesus to Sister Clare

The Lord bless you, Heartdwellers. Tonight I have an important message for you. It's a clarification about my previous message, about the government of the US collapsing. It's a clarification. And, also some other things the Lord had to say.

First, I'm going to start with some of my observations here and share these with you, just to clear up any confusion on your part. It seems that I need to be a little more specific when I give you a message from the Lord, perhaps by clarifying it a little. Several people have written in the comments about the message on the 18th of August this year, when I asked the Lord about an economic collapse.

I had not researched that subject at all, I just happened to hear comments about it on our own channel and the information from other sites that all of you sometimes post on our channel.

So, I wanted to clarify that for you, what He said and what He DIDN'T say. So, here's a quote:

~~~~~

I said, But, Lord, what about the financial collapse?

He turned His head sideways and let out a deep breath, "Have I spoken to YOU about a financial collapse?"

No, Lord, You haven't.

~~~~~

Now, that's the substance of our dialogue on the subject. And, let me explain to you how I interpret what He said there. I have been told not to listen to different prophets and pursue what is being said by whom. He has asked me not to do this, lest I get contamination from what I hear others saying.

So, He was in a sense chiding me, to see if I had been obedient or had been listening to others. "Have I spoken to YOU about a financial collapse?" If you look at the PDF, you'll notice that "YOU" is all in caps. He was stressing that.

That's what He said. He didn't say there will be no financial collapse, He just asked me basically 'where did I hear that, and am I basing my idea that there will be a collapse on other sources?' That I, mixing sources with Him? That's what He does not want from me. So, I am not to tell you about a collapse unless He tells me about one. He is my source. Not the internet nor the good prophets who have become popular.

Now, that said, I need to clarify something else. In this last message, He talked about Government collapse in the United States and a continuation of commerce here, also. In other words, NOT COMPLETE FINANCIAL COLLAPSE. Not complete world collapse in other nations. He specified America. Not only America - but He specified the American Government.

So, in listening, my loved ones, you have to cultivate an ear for details, because Jesus is specific with me almost always. And, it's so easy to jump to conclusions especially, when you've been listening to others. So, please, dear family. Listen carefully. In this last message He did not say there would be a complete financial collapse. If you have heard this from different sources, please keep your sources straight and pay particular attention to what I have been told, so you don't confuse other people's messages with mine. OK??

He has told me that the complete collapse would not come until after the Rapture. So, just before I go on to that, I just want to say. So. This is what He said: He said there would be a government collapse in the United States. Not in Great Britain. Not in Australia. Not in Canada. Not in Ireland. Not in South America.

In the United States. Only. There would be a financial collapse of the government. But, that commerce would continue. In other words, people would continue to buy, sell, and trade. And, the people who would be affected by the government collapse in the United States - He just mentioned that the government wasn't going to be paying out money every month. So, that could have to do with Social Security, but it could also have to do mostly with people who are dependent for an income and have food stamps, and that kind of thing - on the government. That was more my understanding.

Okay, moving on... Now, on to the poor.

In the Book of Acts 2:44-45 it says...

44 All who believed were together and had all things in common.

45 And they were selling their possessions and belongings and distributing the proceeds to all, as any had need.

And, in other places in the Word, it talks about distributing food to the poor.

This has been our responsibility from the beginning, not the Government's. The poor are a gift to us, to exercise ourselves in charity and good works...James says, Faith without works is useless.

He also says, in James 1:27

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.

What is coming to America is a huge opportunity for us to exercise charity and sacrifice.

Many of you who listen here have received from us, so you understand our commitment. Right now our expenses are very low and I'm hoping we won't have to move and have to pay rent, so we can afford to help when it is needed. In fact, some of you have sent in donations that we were able to help others with that very day. So, this is our commitment.

But, we are careful to make sure no one is using this channel selfishly. Unfortunately, we've caught a couple of scammers. The bottom line is that we pray over every person that we see has a need and don't send a thing until the Lord approves it.

So, Heart Dwellers, we are coming into our own. We are all going to be tested on our charity and outreach to others as the disabled, the infirm, and vulnerable elderly are deprived of their regular government income. We can't help everyone, obviously, but we can help some. This may be our last big test before we go Home. We'll just have to wait and see.

Lord, is there anything You want to say?

He began, "My Love, I am very, very pleased that you are looking out for the poor and sick. These are trying times, but I am with each and every one that truly loves Me. Even those who abuse and reject Me, I still provide for, because I hurt for them when they are so desperate."

Rae comes to mind, very definitely.

"In the times that are coming, I want you to pay particular attention to the helpless. There is more than enough to go around, and I will send more. But, wait on Me. Do not be moved by credible stories because indeed there are deceivers and I do not wish to support their manipulative lifestyles. But I will care for those who are sincerely in need."

Then He began to quote Scripture:

2 Corinthians 8:13-15

13 My desire is not that others might be relieved while you are hard pressed, but that there might be equality.

14 At the present time your plenty will supply what they need, so that in turn their plenty will supply what you need. The goal is equality,

15 as it is written: "The one who gathered much did not have too much, and the one who gathered little did not have too little."

And, at that point - I asked the Lord, what about the ones who are lazy and refuse to support themselves?

"I am working with them. I speak to their hearts. But, there will come a time for them when I will allow a disaster, only because they did not put forth the effort to care for themselves and their families. But, even when disaster strikes, I am still there."

"My servants have learned to live on very little. I will continue to provide for them because their agenda is Mine and they are obedient."

"But, those I have nudged in their hearts, wanting them to move forward and care for their own, they will indeed have difficult times ahead. Living off the government has put them at high risk. My children, those of you who are not disabled and sick, those of you who have been lying to the government and using the resources meant for the poor to support your own dishonest and lazy lifestyle, you will be left behind.

I am asking you to repent now, before it is too late for you. You haven't much time left, but if I see a sincere change in your lifestyle, I will forgive your sinful lying and take you in the Rapture. But, do not expect to use others for your own personal gain, misrepresenting yourself or your family and be Raptured at the same time. It will not happen."

Boy, when I heard the Lord say that, I thought about those of you who are going to freak out when they hear this. And, those of you who are scrupulous and prone to false guilt. And so, I said, 'Lord, may I clarify this?'

"You may."

Okay guys, the Lord is not talking about you who are legitimately sick or have disabled children, and truly you can't work. He is talking about those who use the system to accumulate wealth and deceive the government about their needs so they can have more than their share. Most of you have already chosen honesty in your lives, please don't worry, this is not about you.

Those of you who are helpless, and don't have any recourse because you can't work - this is not about you. This is about people who are deliberately deceiving the government and other people so they don't have to put forth any effort to support themselves. They're fully capable - and they just won't do it.

There have been people with \$50,000 in the bank, several cars, holdings, an expensive home and are still appealing to the government for support for food, etc. and have been abusing the system for years. If you are in that category, repent while there is yet time.

There are some who are fully able to work but have filed for disability because they thought they could get away with it, although they are not truly disabled. Please repent while there is time.

The Lord picked up at this point and said, "I will have compassion on whom I will have compassion. I will have mercy on whom I will have mercy, but I will not support or bless stealing and lying, so I appeal to you, My children, mend your ways.

"For the rest, I say thank you for caring about those around you. Your reward in Heaven shall be great. For those who are poor, I say, you are My gift to those around you. Through you, they shall prove their holiness and be My ambassadors of mercy."

"You play a very valuable role in My Kingdom. You teach the selfish to be merciful. You teach the proud to be humble. You teach the rich compassion. Do not be ashamed of who you are. I allowed this circumstance in your life, and I have equipped you to bear the scorn and contempt of men, the way I did. I have allowed you to become very much like Me, that the hearts of men could be revealed."

"I bless you all My children and great is your reward in Heaven for your honesty, your Mercy and your righteousness in Me."
