

Jesus explains... Your Prayers on their Behalf

September 17th, 2015 - Words from Jesus to Sister Clare

The Lord's Mercy and Kindness is with us, Heartdwellers. Here we are Lord. Please, Jesus, would you share something with us?

"My Daughter, it is not every night that you are so stretched in energy and as you come and rely on Me, I will refill you and impart wisdom."

Lord, right now I'm falling asleep. If you want this, I will need You to restore me...and You know I must get up early tomorrow.

"Nevertheless, I am here to help you. I would prefer that you not go to bed until the message is up. My Children and My Brides count on you to bring them fresh manna to share; they are hungry Clare. It is best not to let them down."

I know, Lord, I'm sorry. OK.

"First I want to tell you all that I am so blessed by your perseverance. I have given you many off-putting lessons and it seems that your hearts are so hungry for My love and wisdom, that you persevere and keep coming back. This is a rare quality and I cherish each and every one of you, because your hearts are set on pleasing Me and preparing yourselves for My coming for you."

"Dear ones, I know that some of My teachings are not easy to hear. I know they sometimes assault your sensitivity and cause you to consider capturing more ground from your flesh for My Spirit. To be without sin is a marvel and a tremendous work of grace...sometimes taking years to accomplish after living in sin for a lifetime. But each of you have set aside the ear tickling news about comets, earthquakes, bombs and money collapsing to focus on the interior man, the soul, the very apple of My eye."

"How precious you are to Me because of your preoccupation with personal holiness. How rare and how fragrant are your lives, and every one of your efforts ascends like incense to My Father's throne and is a sweet smelling sacrifice in His nostrils. Oh, how He adores each of you with all your faults, sins and imperfections, simply because you have made holiness the first priority in your lives."

"Not the news, not entertainments, not prophecy, and predictions and digging for which earthquakes, and comets are hanging over the Earth's head. No, many of you have substantially set these things aside, preferring instead to look into My mirror and see yourselves that you might cleanse with My help, the stains remaining on your garment."

"That is why I am so proud of you, so enamored of you, watchful over you, even to the point of getting My servant out of bed for you. Each day when you listen in, My angels are encouraging you and helping you to arrange events that you might get the most mileage out of each message. Yes, I know, many of you are saying, 'I've been asking the Lord about this.'"

"Yes My ways are unfathomable and I do set you up, so to speak, that you might long for the answers I am about to bring you. This is the plus side of staying tuned into the same teacher; I can prepare lessons for you while my angels are giving you inspirations to ask about certain things. Isn't that marvelous? Yes, in Heaven we all work together for the good of a soul."

"I won't go into depth here about what your angels suffer on your behalf, but suffice it to say you've never had a mother as attentive and solicitous for your welfare as each of your angels are. All of Heaven gets excited when a new minister is raised up, because they know there is great need where I raise a new one up. Great indeed for the minister to grow in knowledge of My ways and holiness of life, circumcising the world and the flesh from their lives."

"And a great need for a special group in My Body to be tended to with the greatest care and mercy. An emerging ministry is an exciting thing. It brings joy to My entire Body both here in Heaven and on Earth. And the prayers that you offer on the minister's behalf have great power, as though you were their very own children. Their prayers for you carry the weight of an earthly mother and father's prayers."

"What I have done for you, for her, Ezekiel, Carol and the team is a tremendous blessing and needs to be maintained with your prayers, because the struggles on their end seem endless and they grow weary and your prayers are refreshing them daily. This is what My Body is supposed to look like - united in spirit and in truth with no time for gossip or pettiness."

"The more solid your prayers for them, the more I am able to pour through them onto you. It's just that simple."

Like the gates of a dam the waters rise almost to the top, then the gates are released and the land is flooded with nourishment.

"How beautiful this symbiotic relationship is. As you continue to pray and thank Me for the gifts I am pouring out on you all, I am able to strengthen them for the work ahead. And oh, what a marvelous work this is! In Heaven you will all be knit together into a marvelous design that meets the needs of your sphere of influence as well as theirs."

"So, in short, I am asking you to continue your prayers for them, especially for strength and helpers to pick up on the domestic work that takes so much time and strength to accomplish. I wish to see them staffed with good people committed and reliable. When

that infra structure is more in place, I shall pour out more, even more on you, My children. So lift them up."

And, on my part, I want to say thank you so much, Heartdwellers, for praying for us. I know we couldn't do what we do if it weren't for your prayers and your encouragement. We really, really, really appreciate you -it means everything to us that you care so much.

And we're blessed by the progress that all of you have made, and the progress that I've made just by being with you and around you and your own example. It's just been a wonderful, wonderful relationship. And I continue to look forward to it as the Lord brings us new and exciting things, until He FINALLY comes and gets us!

Thank you so much for your prayer support. And, thank you for hearkening to the Lord's words and sharing the progress that you've made.

God bless you.
