

Jesus says... Seek Me out & Vigilantly await My Coming

November 1st, 2015 - Words from Jesus to Sister Clare

The Lord bless you, Heartdwellers. You have been so kind and loving and prayerful for me, and it's really having an impact, for Ezekiel and I both, thank you so much. And for Carol, too - we really appreciate your prayers.

I've been going through a very dry time, dear friends. I would sit and worship with the Lord but just get droopy until I had to go to sleep. Time of the day didn't seem to matter greatly. It was just as bad in the afternoon as late at night. I know that Lana had talked about an assignment of the enemy to spread sleepiness, lethargy and apathy in the Body of Christ. The antidote against this demon is to worship.

WHY did the Lord allow this assignment to go out against the Body. I know, He's not asleep - it didn't get by Him, He knows very well that this assignment is afoot. What is He doing through that? That's what He shared with me tonight.

I persevered tonight, I wasn't going to give up. I need the Lord too much. And as we know, that all things work for the good of those who love Him and who've been called according to His purpose (Romans 8:28) So, even in those assignments against us, they're working something good.

And finally He became clear. It was just a little glance that I saw. He was holding me as we slow danced and His head was tilted forward so that our foreheads were touching. That was all I needed to glimpse, my little heart just darted and came alive with joy for His holy presence. Funny, the song that was playing was "Here In Your Presence" by Jessica Ketola.

It's so nice to have a family to share these things with. Just really sweet that I know you're all listening, and we all experience the same difficulties and we're all together in this!

Anyway, I did glimpse the Lord for a moment, and that was all I needed for my heart to really become inflamed. His image would fade in and fade out. I knew by past experience that He was dancing with me, so I held to the vision. You who have trouble seeing the Lord, be consoled. I don't see Him very clearly unless I ask to and then, I am so overwhelmed with emotion, I could just about pass out, because He is so beautiful.

And as far as listening for His voice, I hear a faint voice when He speaks and see a faint image or one quick glimpse and back to the veiled image of Him. After a while the worship became noisy, and He let me know it was time for us to talk. And that's usually when I know it's time to put the worship down.

He began...

"I'm not so far away from you as you have imagined. Your mind was just so cluttered. Now that you've moved some of the clutter away, you can hear Me much better."

"Let that be a lesson to all Heart Dwellers. Clutter drowns out My voice. It's not that I don't want to talk with you, it's that you can't hear Me because of the din of the world circulating endlessly in your mind. You are also waging war against unseen enemies of sloth and fatigue. But press in - I am faithful."

And I want to say on that note, as I had mentioned earlier, Lana Vawser saw this assignment against the Body of Christ. But we have to ask ourselves, "Lord, why are You ALLOWING this assignment?" And I think He allowed that assignment to persevere in prayer.

Lord, what would you like to speak to us about?

"Faithfulness. Even when it's a long dry desert walk with not even a drink in sight."

Philipians 3:13-15

13 Brethren, I do not count myself to have laid hold of it yet; but only this: forgetting what is behind and reaching out for to what lies ahead.

14 I press on toward the goal for the prize of the high calling of God in the Messiah YahuShua.

15 As many as are perfect, should have this mind. And if you think differently, God shall also reveal this to you...

"This is what I require of My Bride. That she be steadfast, enduring and persistent. This is what I require and will reward with fresh graces from Heaven. Dear Ones, I do not wish to make it difficult for you, but your mettle must be purified to carry the graces I wish to give you."

"Your will to attain to the high calling...must be strong and persevering in the midst of all kinds of obstacles. This is how your faith is revealed."

James 1:12

Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him.

1 Peter 1:6-7

In this you greatly rejoice, even though now for a little while, if necessary, you have been distressed by various trials, so that the proof of your faith, being more precious than gold which is perishable, even though tested by fire, may be found to result in praise and glory and honor at the revelation of Jesus Christ;

"Just as the wise farmer plants so as to challenge the roots to go deeper, so do I delight in seeing you persevere when the living waters are not readily available on the

surface. Deeper and deeper I call you, My Love. Will you not make that effort to seek Me out and vigilantly await My coming?"

Lord, what is there to do that is more important? Nothing, to me, nothing is more important than finding You.

"That's what I like to hear and that heart attitude I will bless. This attribute of perseverance is of key importance and spills over on every aspect of your lives. Once you have mastered it in one sphere, it is easier to master it in another and another until you've made it a way of life. So many quit way before the finish line."

Oh Lord, lately I've been feeling that way.

"It's nothing more than laziness, Clare. I know you don't want to hear it, but it is. You know Me well enough that when you can't find me immediately, and you search for me diligently, you will find Me...or shall I say, I will find you. This is a way in which you honor Me. You are not willing to give up, I'm just too important to you."

"And for you all, My Brides, this attribute is absolutely necessary if you want to cultivate a relationship with Me. Those who won't take 'no' for an answer, I simply cannot turn down. You will see in your relationship with Me, that from time to time I will seemingly disappear and you won't hear or see Me. But that is only to cultivate grace and virtue in you. It is not a punishment, it is an exercise."

"Other times I will come to you readily, because your heart is broken or hurting. Yes, then My Beloved, I come and wrap My arms around you and warm the chill of sorrow that has taken hold of your heart. I know that at those times you need Me more, so I come to you more readily."

"Even now I am standing by with the graces you are all seeking to be empowered with. But I like to see you rise up and meet Me half way, that I may shower greater and greater abundance on you. Virtue begets virtue."

"Just remember, My Precious Ones, if at first you don't succeed, try again and again. Eventually I will come and reward your efforts and your faith shall shine brighter and brighter for it."

"I bless you now with the grace of perseverance. Take hold of it and apply it to every area of your life. But especially in Our relationship."
