

## Jesus asks us to Go out & Love - One at a Time

November 18th, 2015 - Words from Jesus to Sister Clare

I want to share with you just a little bit of my heart. We were able to provide a wood stove for a single mother out on the Mesa. As I've told you before, Mesa living conditions are third world living conditions. Houses made out of pallets, stacked up cars or living in broken-down trailers or old buses - with children.

No water, no electricity. It's just unbelievable. Very, very difficult conditions. A lot of them have come out of drug situations, others don't even know who their fathers were. Heavily involved in all kinds of drugs - and they're just trying to eke out a living out there and be away from the persecution of "normal" people, as they see it.

Anyway, we were able to provide a wood stove for this mother, and she sent us a very sweet little thank you note, telling us how she had prayed to the Universe to send her one. She was building an extra room on her little trailer, and she had prayed to the universe, that the universe would send her heat, because she didn't have any heat.

I was just in tears. She doesn't know You, Lord! It's unbelievable. She thinks it's a handful of stars and a black void that is responsible for blessing her. It just tore my heart up, to see what she was thinking. It's haunted me for three days now, ever since I got her note.

It hurts so much to think that this woman is without You, Lord! Here she's praying to the Universe or God or Whoever is out there. And all the while You are looking down upon her with such love and compassion. You are there by her side and she doesn't even know You are with her. You've heard every cry of her heart, you've laid out a banquet for her every step and she hasn't a clue Who You are. How can I just sit here in my comfy house and ignore this kind of desperation?

'Please speak to me, I ache inside. Please don't let me be thrown off course from the ones you want me to reach.'

"Oh My Love, My tender-hearted one, I see the desire of your heart. Have I not put it there? Ask of Me and I will give you the heathen as your inheritance."

Yes, Lord, please give me the heathen for my inheritance!

"But this is a tortuous task, not an easy call. You must follow in My footsteps and not move out on your own. There is much at stake, Clare. Little souls, so very, very little - marginalized, forsaken, abandoned and of no account to anyone. Yet full of sweetness and much innocence. Unfit for the world - not always out of lack but out of purity of

heart and wisdom, they shun all the things of the world. Not just out of bitterness, but out of the emptiness they see in the world."

"But if you are to minister to them, you cannot be worldly, not even in the least. They are looking for the rugged Gospel, not the shiny, squeaky-clean thing for sale in the market places.

"You have this in your heart, it is there - a little buried under a pile of worldly rubble, but not impossible to get to. Understand, these feelings arising in your heart are a result of the movement of My grace and the messages I have been giving you. You, too, can reach out. But only as I direct you."

I don't even know where to start, Lord?

"You have the messages for formation, what is missing is the invitation. Yes! The invitation. They must be invited. Leave it in My hands for the moment, let Me give you the message for today."

"My People, many among you are called to minister to the lost. I have held you back for many, many years, intentionally. You have suffered greatly at the hands of the church and people who claimed to know Me, but did not follow My ways."

"You have seen through the facades, the Hollywood productions, the cliques and favored ones in the church. You have been passed over many, many times for those who looked shiny and clean but did not have My Heart. Is it not written in My Word, 'I will give you shepherds after My own Heart?'"

"You are the ones I have been perfecting in this calling. I have given you the tools and understanding to reach the lost for ME - not for a church, not for a denomination, not for organized religion at all. No, you are heartdwellers, souls who have rested their heads upon My bosom and understand My little ways of love."

"I have been preparing you. I have given you the perspective on the Rapture that I wish for you to have. You know you are to proceed with all that is in your heart with not even a glance towards the clock...when it strikes the midnight hour, you will know. Until then, your focus is to be on those AROUND you. What I have begun in you, I will bring to completion. It is not for you to know when you will be perfected in your calling; it is only for you to follow your hearts."

"I have spent much time uncovering your hearts that were constricted by the thorns of worldliness. You have seen first hand, conviction of your involvements in Babylon and Egypt. You have experienced, first hand, My Love for you that is beyond all reckoning or explanation. We truly are one. I have given you the mandate to reach out to others - not with religion, but with My Love. My intimate and growing presence in your lives and the lives of those you are to touch."

"So, this is the season to set your eyes upon the lost, confused and forlorn. It is a Truth that tax collectors, prostitutes and the like will enter Heaven before the Pharisees of your day - those trained in business, not intimate fellowship with Me. I have called you before the foundation of the world. I have knit you together in your mother's womb according to My purposes. And I am now uncovering that purpose to you to ponder and prepare your hearts for action."

"I am not speaking of a high profile revival. I am speaking of a hidden revival, without the fluff and Hollywood hoopla. Rather, something deep and individual, deep calling unto deep; emptiness and longing responding to the Living Waters of My Heart flowing through you. This calling must spring from intimacy and fellowship with Me. It cannot spring from any human motive or device. It must be pure love in action, with no admixture of the world. Done in a way contrary to worldly prudence; one by one by one."

"As I point these little ones out to you, I want you to come to Me and wait on My direction as to how to reach them. Initially yes, step forward with simple gestures of love. But then bring them before Me in your worship and prayer time and wait on My counsel as to how and when to serve up these Living Waters. You have a wellspring of materials for formation on this channel that you can constantly point them to in holy wisdom. Become familiar with the teachings I have given here, and use them to help these little ones be drawn into My Heart."

Here as an aside...

The Lord continued...

"I have waited a long time in preparation for you to obtain that deep desire of your heart. Yes, I have waited. And now, in the time left to you, go out and love. Love your brother as you love yourself. Answer their questions, calm their fears, convince them of their beauty before Me. Educate them on the ways of the serpent. They will be continually opposed, but as you teach them both My ways and the ways of the evil ones, they will be victorious and stand born anew in the love they have always longed for, but never dreamed possible."

"Walk hand in hand with one another. Use this channel as a support system. All of you have been brought together because of your sincerity of heart, and because you have been heartdwellers for a long time. Understand, Heartdwellers is not a name used to identify you with a movement. It's not a new thing. No, "Heartdwellers" is merely a statement of who you are and who you have been in Me for a very long time."

"Those of you who are bound to the home for health reasons - you are among My most powerful game changers in the lives of the lost. Your prayers are the engine behind the forward motion of those whose feet bring the Gospel of Love. You can pray, write letters and stand in My Love like a lighthouse in the storm, shedding your beacon of hope over all the stormy seas of this world. You are indeed My generals and chosen ones, to carry the cross I intended for you when I said, 'Pick up your cross and follow Me.'"

"So, now I have given you My mandate of Love. Come before Me with each soul, in littleness and meekness bring them before Me and wait on My instruction and anointing. Do nothing on your own. Keep your focus little - one by one by one. And you will not be tempted to overwhelm or vainglory, just love one at a time. One step of love here, one step of love there and you will see how I will come forth and blossom in you. Put all your reliance on Me, and when things seem impossible - confess, 'Jesus, I trust in You.'"

Well, Heartdwellers, this message kind of caught me by surprise, but I've also had a sense of fullness - in the sense that the Lord has taught us a great deal. He's given us so much. And, you know, you can sit and receive and listen and listen and listen... and turn into a fossil sitting and listening. Or you can sit and listen, receive everything you need and then take it out and share it with others.

And that's where I think the church goes wrong, because churches tend to teach and teach and teach, and hold everyone at bay as far as their own personal ministries go. What I've seen happen is people become super-saturated with all kinds of teaching, but they're not letting it flow out from them - it's getting all stopped up, and turning into stagnant water.

So, we've had really a good grounding from the Lord in these last few months on how to behave, how to live in the world, how to prepare for Heaven and the Rapture. And I think we've got a lot to share at this time. I've been a little concerned lately, that we might be a little TOO interior, too closed. And not using what we've been given is a sure-fire answer to lukewarmness. I mean, it will happen overnight. 'Cause you become gluttoned on something, you know all the things but you're not really doing anything with it.

So, in retrospect - I was thinking about this even I was recording. I was thinking, 'You know? The Lord's not asking for a lot here, He's not asking for any big door-to-door mission or anything like that. What He's asking is, recognize a soul that is lonely, broken and hurting. Recognize a soul that's been marginalized, that needs Him. Recognize that - and reach out to them in charity. And then take that soul into your prayer closet, into your worship time. And ask the Lord, 'How do I approach this soul, what can I do for them?' and then start sharing as He allows.

God bless you, Heartdwellers! The Lord is with us. This is the time and the season. Let's make this time before the Rapture really count.
