

Salvation & Rapture... Comfort One Another with these Words

February 13, 2016 – Words from Jesus to Brother Ezekiel

(Ezekiel) The Lord is with us, Heartdwellers. I said... Although I was happy to be coming to have communion with You, I could still feel a heaviness hanging in the air. However, I didn't know if it was just me, or the enemy, or if something was really hurting Your heart.

Lord, we all know what is coming, and we all sense that the days of this free nation (America) are numbered. Many of us are simply numb at the thought of an actual war on this soil, and the beginning of the Great Tribulation. Jesus replied...

(Jesus) "Try to stay calm, My Love. How many times have I told you, that I would NOT allow any of My Brides to be exposed to such carnage and tragedy?"

"Time and time again I have assured you in the Holy Scriptures, that I would take you out of trouble and away from the sinful. (Psalm 37:40) And In the secret place of My tent I will hide you. I will set you high upon a rock. Then your head will be lifted up above all those who hate you! (Psalm 27:5-6)

"Remember Lot and his family. I did not leave them in Sodom and Gomorrah. I did not bring them through the falling brimstone. No, I brought them out before the destruction hit.

"I lifted Noah and his family UP, and OUT OF the flood. I did not make them go through it; rather I set them up and above the raging waters.

"There are so many examples of My Providence – ahead of time. Does it make sense to you that I would have My Precious Bride, She who has been so faithful to Me, go through the same punishment as the sinful of the Earth?"

"By the very nature of a serious and deep love relationship, that is leading up very soon to the Wedding, what Groom would delay their day of joy, only to leave His Bride-to-be out in a barren wilderness, exposed to the harsh climate and surrounded by deadly predators!"

"I tell you that he would waste no time running to her rescue! He would snatch Her away quickly, protecting Her from every potential danger. Then He would whisk Her away to the safe and protected place that He had been preparing for her and their new life together.

"What am I getting at? Earlier you asked Me... 'Lord, what would You like to give us tonight – Your guidance?'"

"My Guidance and Counsel to you tonight is simply, but very intentionally summed up in two words... Salvation and Rapture, yes, Salvation and Rapture. Everything that I have been teaching you in this past year (2015), everything that I have been preparing in you is for the saving of souls for eternity and to make straight the way for Your Lord when He comes to gather His Bride to Himself!"

"For far too long, the enemy has used this magnificent Day of your Lord's coming as a source of division among My People. My Servant Paul says, after laying out exactly what events would take

place when My Faithful Ones are caught up in his first letter to the Thessalonians, Chapter 4:16-18...

“Because the Lord Himself shall come down from the Heavens with a shout, with the voice of an archangel, and with the Trumpet of God, and the dead in Christ shall rise first. Then, we the living who are left over, shall be caught away together with them in the clouds to meet the Lord in the air – and so we shall always be with the Lord. So then, encourage one another with these words.

“Notice, the Holy Spirit does not say... ‘Quarrel and argue, or debate and discourage one another.’ Nor are you to listen to the insinuations of the enemy whispering lies and dissuading you with carefully projected doubts, such as... ‘use your common sense’ or ‘it has already been more than 2000 years’ or ‘many generations also watched and believed’ etc.

“No, you are to build each other up in your most holy Faith. And Yes – comfort one another with these words. My Words to you are Faithful and True!

“My Father is patient and kind, long suffering for ages and ages. But I tell you now, the Time of Mercy is coming to a close rapidly. And the time of Judgment is soon to come. Lift up your eyes and be glad! Your Salvation is close at hand!”
