

## Prayer is no Luxury! Act responsibly & A Word on America's Future

April 25, 2016 – Words from Jesus to Sister Clare

(Clare) My heart aches with these new developments, the things that you shared yesterday. How do I explain it to them? Here I am referring to the emergence of Donald Trump. A leader who could change America, if he were given more time. If our nation were given more time. (Keep in mind, this message is from April 25, 2016)

So, how do I explain this Lord? 'Cause it seemed to me that it was a contradiction to the Rapture. Like, maybe the Rapture would be delayed for four more years or something. Giving America a chance. It was very painful for me, trying to sort it all out. I couldn't wait to get into prayer and get some clarification. So, here's what He said...

(Jesus) "I have already done that for you. You may simply confess that because of your pride, I do not give you all the answers but pieces of the puzzle, then other pieces come together and make the picture complete. But I want you to understand, what I give you is especially pertinent to those who frequent this channel.

"I am working with them in a special way. Yes, a very special way, and what I give you is for them to grow in holiness, purity, honor and dedication to Me. Unwavering dedication. There are many very talented souls looking in on this channel and I am coaxing them to serve Me with their gift, while there is yet a little time.

"Just like your husband, Satan has made concerted efforts to cause guilt over the very attributes I wish to cultivate in them. For many years when your age group and those over 50 were growing up, the climate was post world war two, there was focus on responsibility for rebuilding society and scorn and contempt for creativity. They were taught that housework, dishes, cooking, laundry and all these other basic things come first.

"No, prayer comes first, then your anointing, then the housework. Of course, when you are raising children, your anointing is as a mother, but still, your gifts are not to be suppressed. I gave them so you could serve Me in unique ways, ways that would bring joy. Not only to you, but to others.

"Do you know how many people equate prayer with recreation? In other words, prayer comes last after all your chores are done, if you're lucky and have time left over. Oh no, no, no. Prayer comes first, above and beyond all activities. In other words, it should occupy the prime part of your day. This is much better, before your head is filled with the busyness of the world, which makes concentration and reception and tuning into Me much more difficult.

"So, for those who have families, going to bed shortly after your children affords you the opportunity to get 2 hours of prayer in the morning, before they awake. Then you are anointed for your homeschooling , or other things pertaining to their growth.

"What I want to discuss is the guilt you are infected with every time you put spiritual priorities at the top of the list. Immediately, you are assailed with demons of condemnation... 'You shouldn't be praying, you haven't done the weeks shopping yet. You shouldn't be playing music, your floors are dirty. You shouldn't be writing, the laundry is not caught up.'

“Do you understand? The devils do all they can using every dirty tactic, to get you to put prayer last when you have no strength left, no time left and no incentive left because of exhaustion. You must fight this lie by refusing to buy into it. Rebuke it in My Name and carry on with what is yours to do. Not only will you find your purpose in life, but you will be able to establish healthy work habits for your children. Always pray first, this brings all My blessings and anointing for the day’s work. And it aligns you with My agenda.

“What you are looking at here is very, very threatening to the enemy. A creative, satisfied and responsible person is very dangerous to the kingdom of darkness. You carry seeds of inspiration that can bring others hope, joy and enthusiasm for life and most of all into relationship with Me. When you find your gift and turn it into a way of life, like Joseph did in the carpentry shop, you enjoy your work, you teach others to reach higher, but most of all when you are where I want you to be, doing what you are to do. You are highly anointed and fulfilled. Satan would see you frustrated, empty, a literal walking dead man, dead to all your hopes and dreams and gifts. That is why musicians and artists of every kind, as well as ministers are so persecuted and denounced for their choices in life.

“Well, My main issue here is NEVER allow yourself to be intimidated or convinced that prayer is a luxury! Don’t fall for that lie. Prayer is your most important necessity every day. Though the world will not understand, if you want to come into the fullness of anointing for your life, make this the top priority and break out of the mold society calls being ‘responsible.’

“I know that some of you were upset with yesterday’s message. Some of you do not grasp what I laid out before you. Did I say the Rapture was far off? No. Did I infer it? Yes. But I am here to clarify that. It is still slated for the near future. My Brides, I wanted you to get your priorities straight. I wanted you to meld into My Heart and seek My will above all else. I wanted you to know that if you love Me, your agenda should be identical with Mine, and Mine is to save as many as possible before events befall the Earth.

“I have hearkened to your prayers, My Bride. A month ago I asked you to press in with repentance and prayer for the nation. Not only this channel, but all through My Body, I planted the word where it would be accepted and acted on. And you all were obedient to apply yourselves to prayer, and as a result, certain things have been mitigated, toned down, cancelled or lessened. That includes your leadership, which is key to your future.

“There is another chance being given to America but that does not negate the Rapture and what must yet be fulfilled on the Earth. It lessens it, it does not negate it. Those who repent will be saved and kept from the wrath, those who do not...”

(Clare) He became silent and choked up...

(Jesus) “There has been a lot of repentance in America in the past month, a lot. Still, what is written must take place. Yet, the repentance has caused many events to be delayed. There must be a continuance of repentance, it must go deeper and deeper. Many are not aware of how they have offended My Father, but this will come with the events.”

(Clare) Lord, what about Donald Trump?

(Jesus) "He is a good man for the job. We will see. I cannot say anything more about this time, everything has not as yet been decided. But he is My Father's choice for America. Yet the church has much left to do, very much. Much more repentance on a wider scale. This will happen after certain events. There is much hope, Clare, much hope. Those who have hearkened to My plea for prayer and repentance have turned the fate of this country around. That does not mean it will be easy. There will be much death and many disasters. These still will occur, but because of the faithfulness of the few who were repentant and repenting for this nation, the effects of these devastations will be far less.

"You know Me. You know I only apply as much pressure as is needed to get the job done. I hate death. I hate sorrow and loss. I hate suffering, especially the suffering of the innocent. Much of the future events have been cast as a result of immorality and corruption even of My people, so certain things must happen. Yet I will show mercy and much tragedy will be averted. The more My People repent, the more tragedy will be averted.

"So now, I ask My People to continue to pray and repent. Engage in those things you know are from Me. Serve Me with all your hearts and strength and mind. The fruits of that service, even in the little time that remains, will be mighty. You do not see as I see. I see the future. I see how these gifts that have manifested throughout the world will bring much conversion and illumination to those who might have otherwise been lost.

"If I have given you the gift of prophecy, prophecy. If I have given you the gift of writing, evangelism, teaching, ministering to the poor – rise up and use your gift, use it until the very last moment of your time here on Earth. Things like books, teachings, art, music and good works; they will bear tremendous fruit in the appointed time of the Harvest. It is coming. Yes, the Harvest is coming, but it shall be preceded by sorrows.

"Do not grow weary in well doing, My People. I know the time is dark and it indeed seems like there is no end to the waiting. But make the most of every minute. Serve, create, admonish, witness, do good wherever you go, and do it in My Name. Oh, how I love My courageous Bride. She is beautiful beyond measure and I long to bring her home and reward her. But first she must make her presence known through various trials. Then all men will see Me. They will see the goodness of My People, and through that I will be revealed to them and there will no longer be any excuse for sin.

"Rise up My Bride, rise up into your calling. Stand fast and see the glory of the Lord. I am still coming."
