

Clare's Vision with Jesus & The Tinkling Northern Lights

Well, beloved Heartdwelling family, this little delay in getting this message out to you is definitely been worth it! Because the Lord always seems to give me longer messages when I'm late.

So, the Lord be with you and bless you and keep your hearts steady, in His will and in His peace. Amen.

I want to share a really beautiful experience I had with the Lord last night. My husband very often sees Jesus waiting for me when I go to bed. Many

times He'll be by a swing and I'm seen as a little girl, other times in a jungle hammock listening to the parrots. Well, last night he saw Jesus and I in one of those arctic snow personnel carriers with tracks. Normally, I'm too tired or skeptical to really latch onto the vision and go with it.

But last night was different! I soon found myself out on the arctic ice walking with Jesus to the edge where the ocean began. He called to a mother polar bear with two cubs that was out on a small iceberg. She swiftly jumped into the water, her cubs following and swam to us.

Now, what I was seeing was at night time, but for some reason the sky was light enough that I could actually see some details.

After a few moments of shaking the water off, she came up to us and greeted us with a sniff and a paw, pulling me closer. No sooner had she done that than her two cubs, probably weighing about 60 pounds each, attacked me with glee until I fell to the ground rolling around and giggling as they stuck their cold, wet snouts under my chin. We laughed and played roly-poly for a while. I looked back at Jesus with momma bear and she was up on her rear feet mimicking His movements as He danced back and forth. They were so cute together. He'd put His right hand up she'd put her left paw up. And then He'd put His left hand up, and she'd put her right paw up and they swayed back and forth together.

I didn't hear music, but I heard twinkling sounds and realized the sound was coming from above the Earth with the vibrant Northern lights shifting in curtains of colors. Oh it was mesmerizing! Now I remembered, as I was getting ready for bed, I thought to myself, "Lord, someday would you please let me go to the North Pole and see the northern lights? Oh, I know the rapture is soon and I won't get to see them now... but maybe later? I do so want to experience them." And that thought just sort of drifted off into my 'wish list' for later. I never expected Him to satisfy that life-long desire that very night!

Well, we ALL decided to cuddle up and watch the lights. Momma bear must have weighed a good 600 pounds or more as she spread herself out on the ice sideways, so we could all cuddle up into her belly. I was nearest her head, then a bear cub, then Jesus, then another bear cub snuggled up on His lap. The Lord had also accommodated my

questioning about sitting on the bare ice with a very large and thick rug-like cushion with a quilted, foil top - that just appeared beneath us.

We all became very, very quiet, totally enthralled with Jesus' sweet presence, the dancing curtains of light and the tinkling sounds coming from above. As we nestled in, we saw a brilliant ball of light with somewhat of a tail going whooshing by us, only to disappear somewhere over Russia, I suppose.

I exclaimed, "WOW! Look how close it came to us, I've never seen anything like that before!"

The Lord said something about the atmosphere at the top of the world being thinner and making meteors more closely visible. We continued to snuggle up and watch the dancing curtains turn marvelous phosphorescent colors. After a while another meteor came shooting by us, headed the very same direction.

I wondered about it being cold, 'cause I wasn't feeling at all cold, but suddenly this blanket of white twinkles settled over us like a mist. It was beautiful to watch, sparkles popping off every few seconds...and the Lord made me to understand it was a blanket of warmth He created for us.

You know, this is the way it is in Heaven, guys. You think of something, and it's immediately done. It's just so amazing! I was thinking it was kind of...it must be cold, even though I didn't feel anything - and the Lord accommodated my thought immediately by bringing this beautiful kind of quilted mist over us, with twinkling stars in it.

Then my mind shifted to angels...because I did see orbs of light in different places. I've never seen them with the naked eye, but the Lord has allowed me to capture them on film during important events in my life. The Orthodox Christians call them "uncreated light." They are usually perfectly round and very subtle in contrast to a background, but still clearly visible. I've seen them on photographs taken off the tip of a shofar that was being blown, during worship and even at an ordination.

But this time the Lord allowed me to see angels surrounding us. They were all sitting on the ground as far as the eye could see. And they, too, were resting with us, their wings gracefully folded.

So, I came to the end of this vision, and I said, "Lord, did you have anything to add?"

He said, "My dearest, you have worked very hard, this is something I've wanted to do with you for SO long. The wonders of My Creation are all around you, but your lives are so filled with activities, sometimes the most beautiful and subtle things I have created go right by you." - And then followed the Message [,The coming Conflagration'](#)
