

Your Prayers hold back The Father's Wrath, My Brides

February 25, 2016 – Words from Jesus to Sister Clare

(Clare) The Lord's blessing is with us, Heartdwelling Family. So, I began my prayer time with the Lord by saying... 'Oh Lord, I'm so wound up you could use me as a sling shot!' And He answered...

(Jesus) "And I will, right into the center of My will and reaching the very center of the wills of others. You are My Little Holy Sling Shot to bring down the Goliath of uncertainties that will most certainly trouble My People."

(Clare) Lord, You call them 'My people'. Can you explain what You mean? Are they a part of the Bride?

(Jesus) "They are a part of Me. I long to have them return to Me and embrace Me as their God, having forsaken the world and all its empty allurements. Yes, indeed they will forsake it – it will be no more. Then they will find what they have always longed for. They will find Me. Not even one will be alone. I will be a Father, a Lover, and a Brother to them, and communication with Me will be so much simpler as a special dispensation of grace will fall on all souls who call on Me in the Tribulation.

"Clare, didn't I tell you not to worry, that My words to you would not return to Me void? Where is your faith, Daughter?"

(Clare) And He was referring there to my head spinning and spinning and these thoughts that keep coming, that I'm wasting my time doing these things – there's not time for anyone to hear them or to be distributed or anything like that. The devils have been plaguing me with those thoughts. And sometimes I get weak, and I give in to them. So, I answered Him... 'My head is still spinning with all that is left to do?'

(Jesus) "My Mercy and understanding are without limit on your behalf. You have given Me so much, Clare. Shall I not humor you for a brief minute?"

(Clare) I have not completed my list, and my head is still swimming.

(Jesus) "Yes, I know. And I am here, holding you, Clare. I am truly bringing you back down to the basics of comforting Me. I long for the day we shall stand face to face."

(Clare) Oh, Lord – the very thought leaves me breathless! I wonder if I will collapse in joy? Please calm me down! I'll be glad when that peace You promised descends on me and I can say... 'It is finished.'

(Jesus) "Until that fateful moment, continue to provide for our children. They continue to come, you know."

(Clare) And, I haven't looked. I didn't know exactly what He was talking about, but then I figured it out... subscribers. I haven't looked at that recently.

(Jesus) "There's no need to look, just continue everyday to bring them fresh manna. I have many angels Clare, more than you could count in an earthly lifetime."

(Clare) Wow! That's a LOT!

(Jesus) "And I want to assure you that every effort you have made and are making will bear good fruit to reach My people with the truth. Please, do not let yourself be intimidated by threats that what you are doing is in vain. It is not in vain, I am with you, Child."

(Clare) Thank you for that, Jesus. Please help me to focus on that truth.

(Jesus) "As for the rest of you My Brides, please do leave ample materials behind for your friends and relatives. If you had but one book to leave, besides My Word, *The Rapture Was Real*, will help them get a handle on what has just taken place and who they are to Me. It is so important they find out how loving and approachable I am, that I can be trusted. That they can count on Me. Plus the thumb drives that Ezekiel and Clare are preparing. Understand that I am holding back situations right now that would make distribution impossible. I cannot do this for long, so see to it that you get what is needed."

(Jackie) Everything, that is published in our Channel, we have prepared as PDF EBooks and Audios on our Website jesus-comes.com – The Link to the EBook Overview is below this Video on Youtube. On Sister Clare's Website heartdwellers.org you find more Infos on books, thumb drives and Amazon.

(Clare) Oh, Lord dealing with all this last minute stuff is so exhausting and tense!

(Jesus) "My Love, the exhaustion and tension you are feeling are nothing compared to the sorrow I must carry in My heart for the souls I will never be able to have with Me in Heaven."

(Clare) When He said that, I saw His heart, and it was torn open and raw, blood flowing copiously.

(Jesus) "The Heart of Your God has been wounded almost beyond repair, if that were possible. Do you understand?"

"These children that will die in this war, I love very tenderly, like innocent babes. I long to gather them into My House where all is safe. But first they must give their consent, and so few are paying any attention at this critical hour. And when they do wake up it will be too late.

"But never underestimate the power of My Mercy. Do you truly believe you can wedge that door of Mercy open with prayers as it tries to close?"

(Clare) Yes, Lord – I believe that you will respond to our prayers with much Mercy, because You Yourself have told me so.

(Jesus) "That's the faith I love to see. I love to hear those words from you My Dear and Precious Love. How you have grown in the faith! Do you hear that My People, the answer is 'YES!' Your prayers ARE holding back the Father's wrath. Continue to prepare and pray and keep your hearts only for Me.

"Do not allow the enemy to sidetrack you, lest your lamp go out. We must work while there is still a sliver of light.

“Do all in your power to make men love Me, My Brides. Do all in your power, and what is not in your power, I will make up with My grace.

“Go now and tend to My flock. Call on Me and I will deliver you from all your fears and crown your every effort with copious fruit for eternity.”
