

## The Order of the Events... Dome of the Rock, WW3, Miami, Comet, Tsunamis & Rapture... Peoples of the Earth...REPENT!

April 8, 2016 – Words from Jesus thru Sister Clare

Clare began... The courage and wisdom of our Lord Jesus Christ be with us all, Heartdwellers.

Tonight, I ran across – or it was brought to my attention, a certain prophecy about an asteroid. And the Lord has not spoken to me in great detail about that. Neither has He spoken to me about the timing. It's needless to say, I was a little confused. So, I came to Him and I said... 'Lord, I don't know what to make of all these things. It is so confusing. We didn't go looking for it, but it came to us. I know You give different pieces of the puzzle to different prophets. I just don't know what to think?'

He answered immediately... "Would you like Me to clarify it for you? This is not my favorite subject, but I don't like to see confusion amongst My People, either.

"There indeed will be a comet and it will hit Puerto Rico. Millions will be killed. For this My heart grieves. This will happen before the Rapture."

(Clare) Before the Rapture?

(Jesus) "Yes. Why do you think I sent you that dream?"

(Clare) He's talking about someone who had a dream a year ago. And this was another one of those things that I couldn't quite make the puzzle pieces fit with the knowledge that the Lord had given me. So, I was waiting for Him to put everything in order.

This is the Dream, He has mentioned...

I was with my family in our house in northern California and we were deeply concerned. Terribly hard times and disasters had taken place in our nation, and we had managed to get through it all, but something had occurred in the east and was heading our direction that was beyond our ability to survive. We knew we only had a few seconds to live.

I looked at my husband and two teens and said... 'Let's ask Jesus to make us ready to meet Him.' We all bowed our heads and as I started to pray, "Jesus, please make us ready to meet You....' there was a loud EXPLOSION OF POWER from within us and we were instantly glowing! I couldn't even see any distinct features of our bodies because we were all like bright white glowing stars!

Try looking at the sun— we were that bright!!! I knew that it was the power of the Holy Spirit within us! It was the power of the resurrection of Christ exploding in us and totally changing us! Like we were wired with all the voltage of a star and God threw the switch!

Then there was a loud boom like a clap of thunder and I saw a blue streak of lightening go through the very center of all of us and instantly we were shot out of our home like rockets going at light speed.

We WERE light and we were traveling at the speed of light. I couldn't open my eyes, but I knew when I did, I would find myself in Heaven. Literally, in the blink of an eye!!! I just shouted out...

'Praise Jesus!' I just couldn't stop praising Him! I woke up with so much joy and peace and excitement! That was the end of my dream.

(Clare) So, You sent that dream, so I could get it?

(Jesus) "That's right. So I could fill you in. You see, the bombs will throw the Earth off its axis; it will reel like a drunkard. Foolish men, did you think your children would survive this? The Earth will be a very different place in the aftermath of this comet. But you will not be there to experience that. Just as in the woman's dream, you will be translated and taken from the Earth. Just as Ezekiel dreamt, I will swoop you up ahead of this monstrosity, just as in his dream."

So this is Ezekiel's dream from December 6, 2015

We were on a highway in a convertible with the top down, going west. All of a sudden strong winds started blowing from behind us from the east. I turned to see what it was and there were dark clouds rolling and swirling in the sky. At first they were grayish and overcast, then they turned to dark, black storm clouds with loud rumbling that saturated and totally overtook the air – it was SO loud and ominous, almost like it had a life of its own. Screams were heard. This blackness swept up everything in its path. The sky above us and out in front of us was clear and sunny like a typical southwestern day.

As the clouds continued to churn and roll they started to take a strange shape and began forming into the well-defined image of a skull. All the clouds in the image were moving at a high speed, almost as if it were going to overtake us. You could hear people screaming behind us as this thing cloaked them in darkness.

At this point, we were accelerating and driving very fast to try and get away from it, along with several other cars. Suddenly, from the NE, you could see a large white horse galloping in the air. It became very clear and there was a chariot behind it and many other horses and riders. As it got closer, you could see that Jesus was in the chariot, wearing all white with a crown on His head. He outran the clouds and the skull and came in behind us. He was waving His arms almost like He was herding sheep and getting us grouped in and moving forward. You could still hear the awful screams and shrieks from behind the Lord's army where blackness was overtaking them.

The Lord and His army had formed a barrier between us and the devastation and we were gaining some distance ahead of it, moving really fast. I had the sense that we were either up in the air or that we were about to be taken up in the air. That's where the dream ended.

Jesus continued... "Well, now you have some details. Are you settled about all of this?"

(Clare) So, the sequence of events is... The Destruction of the Dome of the Rock, World War 3, Peace Treaty, Comet, Rapture?

(Jesus) "No peace treaty before the Rapture, there will not be time for a peace treaty, that happens afterwards. The war will put the Earth in the line of impact for the comet. Miami, the comet – all in the same day. You will not be here for the darkness and the wind. The Earth will be re-ordered: physically, electromagnetically, climate and features. This will be man's doing, Clare. I never intended for this comet to hit Earth. It will happen because ignorant men listened to demons and allowed pride and greed to overrun their consciences, thinking that if they destroyed

2/3 of humanity, somehow the Earth would be a better place to live. (that is with nuclear war) Little did they know that filling Hell would cause the Earth to expand and their underground cities would become their underground tombs. The comet will graze the Earth and keep on going.”

(Clare) Keep on going?

(Jesus) “That’s right. It will inflict a gash and continue out into outer space again. It will not stop here. It is 2 miles in diameter, very large. You need to understand there are debris and gasses traveling with this and that will do much of the damage. It will survive past the Earth.”

“This is not fear mongering, My Love. This is simply fact and consequence of man tampering with the Earth, and yes. CERN will also have to do with it as well.”

“The enemy is exultant over this event, knowing that Hell will be filling up very quickly. That will contribute to the shifting of continental plates, land mass movement, earthquakes and devastating tsunamis.”

(Clare) Lord! How do you prepare for such events?

(Jesus) “Put your trust in Me. Confess your sins, forgive your enemies, and stay repentant. Scatter works of mercy all around you, waste no time coming to the aid of your neighbor, whoever they might be. And most of all, pray for Mercy.”

“You were right to equate the final judgment with works that will either condemn or balance the weight of a human’s existence on the Earth. Yes, the Book of Life will be opened, the ledgers will be brought forth and although I paid for your souls in full, your merits during your lifetime will also be weighed against your sins.”

“This is the second judgment which is not meant for My Bride, but for the souls waiting in the bowels of the Earth because they did not accept and live for Me. This will be a time of extreme sorrow for many. Souls either hearken to My warnings in the spirit that ‘they have been judged and found lacking,’ or they ignore the warnings, sealing off their own access to their troubled conscience so it will trouble no more.”

“People of the Earth, you who have not received Me into your hearts, do you know there will come an hour when you stand before the Judge of Heaven and Earth? Do you know that your conscience has been warning you throughout your lives that something is seriously amiss inside of you? Do you know that there are consequences to ignoring Me? I have knocked and knocked at your door, but you refuse to open to Me. Now you are in the anteroom of horrors that are to come upon the Earth, and many of you have obstinately locked the door and ignored Me.”

“If you die in this state, you will not see your relatives that accepted Me again. You will not see your beloved pets that I sent on loan to you to comfort you in your sorrows. You will not see your grand-babies. You will end up in the Lake of Fire with the Devil and his evil angels. The choice is yours. You know you are not right with Me. Your spouses and children and parents have told you about My love over and over again, but you have scorned and rejected Me.”

As the Lord explains it in the 19th Secret of Life...

16. All the absurdities on the part of the materialistic gentlemen will one day be regretted and cursed by them personally, once the moment arrives where the coffin-lid opens and the much celebrated clumsy piece of work, the body, nolens volens (means: whether willing or not) put into the coffin, is returned to the earth to again become that, from which it has gone forth.

17. There at this bridge to eternity they will shudder in view of the desolate prospect, which they have tried to make appear nonexistent to themselves and others and which nevertheless is finally also catching up with them!

18. However, then it will be "too late"; they will be entering a miserable beyond, a "void", just as they have imagined it. There they will be given time until, having discarded their materialistic concept of creation, they will be able to gradually bear a little spiritual light.

19. This will be their fate, a fate which not I, but they have prepared for themselves. Did not the apostle Paul once say: "As the tree falls, so it remains lying!"

20. Without faith they fell, and without faith they will again awaken there. They were compelled to surrender to the earth the life of their brain and intellect, together with the mechanism serving it, and the spiritual life, which during their earthly sojourn they disavowed, has reached zero. You, My children, do not, and cannot, grasp the miserable conditions awaiting them there!

Moving on with the message thru Sister Clare...

(Jesus) "I cannot help you in the day of trouble. It will be too late. You will be petrified at what is coming upon the Earth, heading your way within hours, if you even have that warning. There will be no escape for you. It will be so sudden that your mind will be jammed in overload. You will not repent or receive Me then. Rather you will be dragged down to hell by the demons.

"So, I am making this final appeal to you. I do indeed love you. Every blessing in your life came from the generosity of My heart. I will forgive you for those crimes against mankind if you will but admit your fault and ask Me to grant you the grace of repentance."

"Some of you have run with an evil crowd your entire life, you have stolen from the poor, murdered the innocent, incarcerated those not guilty, and done everything in your lives from a motive of serving yourself and your children. But nonetheless, I went to Calvary and laid down My life for everything you did. Now I am inviting you to repent, because when these catastrophes – which even some of you have been involved in planning...when they occur, there will be no time left for you to repent."

"So, I am asking you – speak to Me, I am listening. Tell Me, 'Jesus, I know I have sinned. I know I have avoided facing what I've done and indeed I know there is little time left. Forgive me, have mercy on me and receive me into Your Kingdom. I know You died for my sins. From this day forth, I turn my back on my sinful ways and with Your help, I will live my life for You. Amen.'"

"What is necessary here is that you say this with all your heart, you truly repent for the evil you have done, you truly want to change and give your life to Me, the Son of the Living God who died for you and rose again. Without true repentance, there is little hope for you. Reach out to Me but one step forward and I will draw you into My everlasting and loving arms and you will find peace

for your soul. My children, do this now. There is little time left and for many of you, there will be no time when calamity hits the Earth.”

“Repent now and I will forgive now. And regardless of what happens on this Earth, you will be in Heaven with Me for eternity.”
