

Jesus says... Get ready for your Journey

April 19th, 2016 - Words from Jesus to Sister Clare

The Lord Jesus is preparing us Heartdwellers. He's on His way and wants His Bride ready.

The past week He has been somewhat hidden from me in order to shower consolations on souls who have never known Him. Today He gave me the grace to move past my fears that He was not with me because I couldn't see Him, and I was at peace about that.

So, when it became time to be listening to Him, He immediately said, "I'm here."

Lord, I'm not even trying to really be with You, rather my heart is set on worshipping You, even without a response. And that seems to have really taken the sting out of missing You.

He replied, "Yes, you know I am here, and you are finding your joy in just worshipping Me without anything in return, and that works. In fact, it works very well. Although I will not leave you in this estate for very long, for now it is a precious gift of love from you, My Bride."

And I am happy and at peace about it. I know you are here by faith, and it is enough. Thank You, Jesus, for this grace.

"You're welcome, My dear one."

So, what is on your mind for Your People, Lord?

"Getting ready. Getting ready to meet Me. Preparing their hearts before My mirror and asking forgiveness for what they see that is not right.

"All these years My people have gone one of two ways: being constantly guilty or constantly OK - like, 'nothing wrong here.' But now I am asking for a deeper look. A more candid look, not glossing anything over. It is incomprehensible to you, My children, the demands of personal holiness. Because of My mercy, much is overlooked. But rather than be shocked, as that young boy Nathan was when he stood before his audience and his sins were revealed. I want you to spend time with My Holy Spirit and ask Him to reveal the darkness still inside of you.

"When you discover it, I don't want you going over the deep end. I already knew it was there. All I want for you to do is confess it, ask forgiveness and make a resolution in your heart to avoid those sins and pray for the grace not to repeat them. You see, though you fall and are not perfect, because you confess and work on it I will forgive you and continue to pour out the graces you need to finally overcome your faults. You do not have to be perfect but you do need to be perfectly repentant.

"The heart of this exercise is preparation and readiness to face Me. So much will be forgiven and removed on the way up to Heaven, but I do insist that you forgive everyone that ever offended you. I don't want this experience marred by unforgiveness.

"What may help you in that area is that whoever was a challenge and injured you, had My permission. I am not the author of evil, but I did allow it as a challenge in loving others and dying

to yourself. So, ultimately you can only blame Me for allowing it. Therefore be sure that you forgive the person, that you forgive yourself, and that you forgive Me. Cover all three bases. Ask Me to remove the root of bitterness you allowed to grow in your heart and defile it. There most certainly is a root of bitterness in every one of you. It is your job, with My Holy Spirit to identify it, renounce it and pray I will remove it.

"This exercise should not take you long, and it will not hinder your going into eternity. There are many of you that could be detained for unforgiveness. If you have bitterness in your heart, it is the ugliest of stains and will show right on the front of your wedding gown. So, be sure to rid yourself of that. Disarm it. By that I mean, refuse to allow it to pull you into a fury. Renounce this anger and unforgiveness in My Name, and refuse to connect with it. If you are faithful to make an honest effort, I will surely be faithful to totally remove it.

"Selfishness is another flaw that you should repent of. Look for those times when you could have done something for another but didn't bother. Either because you didn't want to or you didn't feel up to it. Do you know that many times I heal a malady because you went out of yourself to give, even when you were sick? There is a dynamic here.

"Satan knows ahead of time, sometimes, that a test is coming, or that you will rub shoulders with someone really in need. So he sends demons to push all your buttons, get you upset and distracted so you miss the good deed you should have done. This is oh, so common. When you see a multitude of things pushing your buttons, be on the look out for the 'why' of all those distractions. Is there someone coming to you for help, is there a meeting planned, is there an occasion of some sort?"

"Understand that the demons also have limited energy, so they pick their opportunities to trouble you according to the importance of what is coming up in your life. If it is very important and they know about it ahead of time (which they mostly do because they alert one another that such and such is going to happen or so and so is on the way) they quickly put 2 and 2 together, seeing that there is an occasion of virtue and helping another soul in need. They try to distract you or get you to cancel the meeting. Or they wear you out so you have nothing left for that person I'm sending you. Who, by the way, was very important to Me.

"Another thing to be aware of in selfishness is the self-important attitude, 'I'm too busy for the likes of you.' The 'you aren't important enough to me to stop what I'm doing.' attitude. This is abhorrent to Me. Now we are getting into PRIDE, which is truly at the root of all evil. Selfishness will lead to Pride and self-righteousness. Look for those times when your conscience twinged and you ignored it. Those are very good indicators of hidden sin.

"My Beautiful Bride, I am not saying these things to make you feel badly. I am saying them so you will stand clean before me. Sin is dirty. Unconfessed sin continues to be dirty. But sin confessed and forgiven exists no longer, it has been cancelled out. I want all My Brides to have their sins cancelled out.

"Self-will, selfish ambition and jealousy that cause you to follow your own path rather than Mine, are also important to confess. If you are not sure, better safe than sorry. Better knowing that you recognized it than hiding it and having Me bring it up. Oh, so much better.

"Here is a list for you to use in checking your behavior: Fear, Pride, Jealousy, Judgment, Anger, Laziness, Greed (acquisition), Gluttony, and Lust.

"Pay particular attention to those things that you do habitually when you know in your spirit you should be doing otherwise. They are an indication of disorder in your life and idolatry, because you put them before Me. These are indeed wrinkles in your dress.

"As I said before, this is not to discourage or reprimand you. It is to prepare you to meet Me without spot, wrinkle or blemish.

"A spot is something you allow to defile you, something you watch you shouldn't have watched, something you said you shouldn't have said, a feeling you engaged that you should have rejected.

"A blemish is an indication of inner contamination of the spirit. It comes up because something isn't right inside. It could be an attitude that contaminates everything you do, like selfishness, fear, retaliation.

"A wrinkle is formed by a long-standing habit of sinful or disordered behavior. Having to work on Sunday, because you are in debt over your head, is the symptom of a wrinkle. The avarice caused you to want and to buy, then to pay it off you must deny Me the time I ask you to set aside every week for rest and rejuvenation with Me.

"Some of you are forced to work on Sunday or the Sabbath because that is the only work you could get. I am not legalistically condemning you for this. Did I not pick grains on the Sabbath? Did I not heal on the Sabbath? There is an attitude of heart that is so greedy that every spare moment is used to procure what is wanted."

Wow...do I know about that...

"There is another attitude of heart that sets aside another day for Me when the appointed days are taken up out of necessity.

"I wish for you not to get into arguments about which day of the week is holy. I will not instruct you on this, because it leads to a religious spirit. I want your heart, not your lip service and obedience to the law. Yes, I can hear the stones flying through the air now. This attitude of heart is deadly to a personal relationship with Me. You will note, it was the scribes and pharisees that refused their hearts to Me, because I did not support their Sabbath rules in a way suitable to them.

"Do you know what one of their main concerns was with Me? I threatened their income from the sale of sacrifices and coin changing. Yes, they garnered quite a nice income on all that went on in the temple precincts and their greatest threat was that they no longer would have an income from these illicit activities. That is a wrinkle. The habit of having more and better caused them to twist their consciences in order to provide for their excesses.

"Some of you, especially the young ones, will over-react in fear to this. Please, My precious dear ones, this is not condemnation of you. It is to make you aware of the righteousness of God and how very deep it goes. Most of you do not have properly formed consciences. You were not raised on the Word in a holy household. So I must take you back to those roots and reveal to you how some of the things you were never taught are important.

"But I am not a legalistic God. I am full of mercy, understanding and forgiveness. I want your heart. I want you to love Me, to trust Me, to come to Me and speak with Me about your weaknesses, your sin and insecurities and fears. I want to help you overcome these things.

"If you have something you cannot change and you fear it is displeasing to Me, talk to Me about it. I will help you. It may not even be wrong-doing on your part. It may very well be from the father of lies, who is continually trying to make you feel badly about yourself.

"Yes! Condemnation is his favorite tool. Why, you ask? Because if he can convince you that you are bad and worthless, and that I am a severe judge, you will avoid Me and never come into My arms and trust Me.

"So, do not over-react to this message. Rather take it as a checklist. You are going on a journey, you need to get your things together. Work on your list and I will help you with each thing you are afraid to face. Use your Bible Promises to verify whether something is right or wrong. Watch for things in your environment, a sign from Me: a bird singing, a heart shape in your food or a leaf on the ground. A love song in the store, a sweet wash of contentment suddenly flooding over your soul. These are ways I encourage you and show you that I am not only with you but I approve of you and all your efforts are indeed pleasing to Me.

"So, what I am telling you, in a nutshell, is simply prepare yourself in repentance to meet Me. Just as you would wash and shower before a big event, wash yourself in My love and forgiveness. Don't be afraid to confess anything. Remember, I was there when it happened and I will forgive what you confess. Let's do this together.

"I am all for you, I will sustain you in your weakness, I will not abandon you. I love you deeply, do not be afraid."
