

Jesus explains... Halloween & Bondage to Satan... Come, let Me set you free

October 31, 2016 - Words from Jesus to Sister Clare

(Clare) 'Lord, what is Your message today?'

Jesus answered... "Retribution is Mine says the Lord."

"Satan is the criminal, I am God. No weapon formed against you will prosper. You have chosen to follow and serve Me with your entire life. Shall I not then protect you from the evil doers? Because today of all days is Satan's day - October 31 Halloween - to celebrate their defeat."

(Clare) 'Why would they celebrate a defeat?'

(Jesus) "That's just it, they don't understand they are defeated - so they celebrate. I cannot rescue the fallen angels, they have sealed their fate. They will go to the Lake of Fire, sooner or later. But I can rescue those they afflict. I can also rescue those who are deceived by them. This is why you pray for your enemies."

"I saw them when they were innocent and pure, before sin entered in and they made a pact with the Devil. I saw their hurt and woundedness. I pleaded with them not to go the way of retaliation and anger, but to forgive and I would heal them. Some heard Me clearly, and turned away nonetheless. Some had a deep sense of wrong when they followed their fleshly reactions, but still kept going. And some didn't hear Me at all - they were deaf. Yet I touched them all in some way to warn them."

"I know what a soul who has gone astray can become once he or she turns from evil. They can attain to the highest holiness and service in My Kingdom, but first they must forgive their enemies, renounce Satan and all evil-doing, repent thoroughly for every evil deed, then come to Me and I will restore them. Not only will I restore, I will set a guard over them and their families that no evil shall befall them. In other words, they will be protected from retaliation by Satan and their coven. But they must embrace all of My ways and never turn back."

"I cannot protect a soul who turns back. As long as they live in the safety of the sheepfold, no wolf or lion can get them. But if they jump the fence or go back to their old ways, they are quite vulnerable."

"I want a relationship of love between us. I want them to call My Father, their Father - because truly they came originally from Him. He loves them dearly, they are His children, and losing them is the same to Him as losing one who does serve Him. They are loved, unconditionally."

(Clare) Lord, are You making another appeal to the Satanists today?

"I am. And I call upon all My Heartdwellers to devote this day to prayer for them, that they would repent and return to My Father's heart. I will lead them. I will heal them. I will teach them. I will deliver and forgive them. I will do all that a good father would do for His beloved child."

"Yet this concept is foreign to them. If only they will approach Me and give Me a chance, I will show them the meaning, the real meaning of love. And never again will they hunger for that love. I will supply it to them everyday like fresh manna if only they will give Me the chance and come to Me every day."

"Many of you who practice the kraft are called to be prophets and healers in My Kingdom. Many of you have had nothing but tragedy in your lives - unspeakable tragedy - and have never known what it was to have a loving mother or father. Many of you have been cursed, so you would stay in the coven, even though there are times you want out. You are frightened of what will be done to you."

"Your master is a dog on a chain, and I'm the one holding the other end. He can go no further than I allow and if you turn to Me, I will indeed set you free and protect you from him."

"You have seen on this channel how I love you all. You have seen how I instruct you, how I wait to see you, how I triumph over the enemies of My children who are serving Me. You have seen the true Master and Creator who does not lie. And you have seen My personality, and that I am a lovable and approachable God."

"Some of you have turned from me, because you lost a loved one and you continue to ask yourself... 'If You are God why did you let them die. I prayed to You?' Yet you don't have the same information I have. You don't know what might have happened to them if I didn't call them home. You don't understand the overview of why, because you are but a tiny creature and I am the one who fashioned you in your mother's womb."

"My ways are not your ways, and neither will you ever come to understand them. But there was a very good reason for everything I allow, no matter how hard it seems. And some of those reasons have to do with your salvation. For one, souls make an agreement with Me before they come to Earth about the kind of life they will lead. We are agreed on that, and many that seem to die uselessly are martyrs giving their suffering and lives for others that they love. Even the plants and animals understand what I ask of them."

"Everything good that you loved about that person is only a reflection of my love for you. Did they love your company and always want to be with you? Even more, so do I. Would they do anything for you? Even more, so would I - which I proved when I died a tortuous criminal's death on Calvary. Did they protect you? So do I, everyday though you aren't aware of the many times you've come close to death. Were they really fun to be with? So am I - if you want to cultivate that relationship with Me. You are invited. Did they provide for you? So do I, everyday...but you don't notice it. There are no coincidences. There are only God-incidences."

"Do you have dreams? And are there gifts and vocations you have always wanted, but you've been told you were a loser and didn't have talent? Or you tried and kept failing? So you thought casting spells would get you what you wanted? Do you know Satan will take your life and plunge you into Hell and torment when he's done using you. Yes, he's using you. He's using you to spread his religion. Do you know that I can change your DNA and give you the gifts you've always wanted, the talents you've always wanted? I can even teach you how to use them and guide you in paths that will make your life satisfying."

"You think that money, women or men and talent are what you want, but when you have all that and you feel that void inside of yourself, you will see that nothing brings you satisfaction that is lasting. All of it is empty, because your heart was made for Me. And until you have Me living in you, you will feel empty, no matter how much you have."

"There are so many things you don't know about Me and what I do for My children, and Satan is not going to tell you. He's the Father of lies and nothing he tells you can be trusted. I hope you don't wait to find out. I hope you don't wait until it's too late."

"So, again I am calling you who worship Satan and cast spells and incantations. I am calling you to My heart. I truly love you and I want you to be with Me forever. I know what you've done. I've seen it all. I still love you. I still want you. And if you come to Me, I will forgive you and wash you clean of your past life and give new life. Fresh, new life. New Hope. And you will find true joy and love in your life that no one can take from you. And you will have peace. Peace that you've never, ever had."

Come to Me, all you who are weary and burdened, and I will give you rest. Take My yoke upon you and learn from Me; for I am gentle and humble in heart, and you will find rest for your souls. (Matthew 11:28-29)
