

Jesus says... My Brides, the Fruit from this season will be golden and succulent

May 27, 2017 - Words from Jesus to Sister Clare

The Lord began... "My Bride is entering a much needed time of rest and recompense. I have watched your labors against overwhelming odds. I have heard every cry for help to keep going, I have captured your teardrops in a golden vial. I have missed nothing."

"Now I am going to anoint your heads with the oil of gladness. I am going to pour your tears onto the fertile ground and like nourishing waters from above, your garden will blossom around you. You are coming into a season of reaping for all your labors, My Bride. You have continued on in the dryness, in the pain, in the threatening winds. You have not backed down, but have proven to Me you are ready for greater gifts, anointings and responsibilities. The fruit from this season will be golden and succulent, nourishing even the most depleted and dried-up soul, even to putting flesh on the dried up bones."

"All around you are the ravages of worldly pursuits and world living - especially by the young, who resemble the souls of old and fatigued men rather than being vibrant with life. Graduating from school should be a time of joy, but for many it's a time of darkness and indecision, plagued with unanswered questions. This is the carnage created by a worldly education without Me in mind. Most leave school asking more questions about their future than they had the whole time they were in school learning."

"These souls are hungering for meaning in their lives. Light in their darkness, peace in their turmoil. And you, My Bride, have the wisdom to point the way through your gifts. Make them count, make your time on this Earth count for Me and for those who are on the edge of the abyss, confused about the true meaning of life."

(Clare) And when He was saying that, I was thinking, 'Not only are they confused about the true meaning of life, but they're confused about whether or not to BE alive. With all these death cults that are rising up in different places. Suicide cultures - it's terrible! They should be thinking about a beautiful life ahead of them, and they're thinking of ending their life, before it really begins.'

"Is it making money? Is it love? Is it popularity? Is it creativity being hailed? You had all these questions when you were without My light. Some of you know what it is like to be without Me, how very dark and hopeless it seems."

"Bring light into this world with the example of your lives and how you live them. Pick up your gifts and begin to work them as you never have before, and watch as you bloom into the fullness of life I intended for you from the beginning."

"I have rich beams of sunlight to penetrate the soil and activate the seeds in even greater energy than before. I have your tears to water them with. I have your diligence to protect the garden from encroaching weeds and distractions. I have planted a hedge of angels 'round about you to protect the nursling plants as they grow into maturity and put off the most holy fragrance."

"See to it that you embrace hope and move forward in your gifts. You have weathered many very HARD storms. And now as I water the seeds I have planted in your lives, with tears, they will grow strong, tall and fragrant very quickly. This is a plateau season. Make the best of it, My Brides. We shall be gardening together and rejoicing in the harvest as well."

"You have no idea of what I have planted in that soil, but when it comes to fruition, you will truly be awestruck! Go for it!"
