

Warning from Jesus... The threats are very real!

October 6, 2017 - Words from Jesus to Sister Clare

(Clare) A while ago, the Lord gave me a dream about Obama pretending to be an American, but really being a Muslim. And in cahoots with other Muslim nations to destroy the Mosque, to start a war and make way for the Jewish temple - which he, as antichrist and perhaps mahdi, could take up residence and declare himself God.

Things are heating up and I'm not too sure how long we are going to have at this rate. All is dependent on our prayers. I know the Lord said he was going to deliver a blow to this nefarious government against the U.S., but it is difficult for me to piece together all this until He says something.

Lord, please will you straighten all this out for us?

Jesus began... "I am so glad you are asking. I have much to tell. As you see, more and more people are enduring hardships of all kinds and I am using this as a firewall against these plans coming to fruition."

"Still, it is a warning dream that there is still impending danger from outside sources. The Deep State government may receive blows, but certain other peoples are being called upon to join forces in overthrowing America."

"I cannot say at this time you have a full two years. I can say you may be nearing the end of the probation period. Two years is no time at all from now, and while we are holding the flood of evil back, it is still very strong and slowly gaining, using betrayal tactics to infiltrate and destroy."

"While President Putin may not join in on this, many in Russia still hold to the hard-line doctrines and are not at all in agreement with him. His life has been spared many times by your prayers."

"I know, My love, you can only cover so much ground and that is why Ezekiel is getting these dreams and why you have had so many NWO nightmares. They are to warn you that these forces are moving ahead very slowly with their agendas."

"Yet, I promised you a setback and I am holding to that."

"This is why I have told you that North Korea is not as dangerous as the underground, which will use any means to destroy this country - even arming and accessing North Koreans to invade bases and destroy your defense systems."

"Pray more My People, more prayer, more prayer. Yes, this calls for more deliberate and focused prayer. Do not allow family situations or common, everyday things lull you into numbness and false sense of security. The threats are very real."
