

Prayer Alert to avert a Nuclear War

February 12, 2018

Precious Jesus, thank you so much for having things under control. Please help us to console You in these difficult times, when nuclear war is looming on the surface with North Korea. Please help us to console you and pray for all concerned, that this crisis might pass without souls being hurt... Amen.

Thank you, Lord - that YOU are in charge of our days, and You are so loving and merciful. Thank you for averting all of the things that are going on right now - the potentials with the Olympics and so on. And please, help us all to pray and intercede for the situation.

Well, dear Heartdwellers. We have been having several visions, and we are in grave danger of nuclear war right now. Apparently, North Korea has shot off at least three nuclear warheads that have been taken down, and radiation has been released into the air as a result of it. One over England and another one on the way to Hawaii was taken down. So, there is radiation/fallout that will be happening from this, at least as far as my understanding goes.

I think Kim is using the Olympics as a cover to try and attack the United States without retaliation. So, it's pretty serious right now. We need to be praying the Divine Mercy Prayer, day and night if possible. It really IS serious. But I'm holding on to the Lord's promises to us, that He's going to handle this.

So, please pray for President Trump for tremendous wisdom, and his generals for tremendous wisdom in knowing exactly what to do. And what NOT to do. This is a time of absolute, critical importance with prayer. Because they are using the Olympics like the Taliban and others use innocent families for cover, to be able to do their dirty work.

Let's keep praying and see this thing through to the right conclusion... Amen.
