

## Jesus says... Wonderful Doors will open for you

February 21, 2018 - Words from Jesus to Sister Clare

Jesus began... "My precious ones, you are not alone in your sufferings. None of you are alone. I am right there by your side suffering with you, over and over and over again. You do not walk alone."

"And My Bride has met Me in the garden so many times, enjoying the beauty of our love. But there are also times of crucifixion, times when we will suffer together, even as we were intoxicated with the sweetness of our love for one another."

"In so many places, I have taught you the mysteries of suffering in union with Me. To experience true suffering is to enter into the deep reservoirs of My Heart of Love for humanity."

"Without these experiences, you cannot measure the depth of My Love, nor live and walk in My forgiveness, loving your brothers and sisters as I do. You must understand suffering through experience or you remain but a spiritual infant."

"These are the weightier things of this walk with Me. These are the things most avoid and explain away—giving for an excuse, that 'I bore your infirmities.' Indeed, I did!"

"But as My Bride you now also bear the infirmities of your brothers and sisters. Not for opening the gates of Heaven, but for the process of justification by faith and grace—which must be released to bring all souls to Heaven. It is your work of co-redemption to aid in bringing the good news to each generation."

"This is why I am stressing to you, Clare, the need for selflessness in suffering. The need for you to carry your cross without resentment or complaint. It is so unbecoming of you, My Beloved. You know the weightiness of the matters at hand. You know how perilous the times. You know I am just and fair and I do nothing for shallow reasons."

"So, if I am allowing these burdens for you, there must be a very good reason."

"Oh, don't you trust Me??! Please trust Me, that this time of suffering and trial is so very necessary to move forward with My plans. Please know that I have chosen all of you Heartdwellers for a very special work to bring mankind into My Heart, and raise these children up to the full stature I envisioned for them before Time even began."

"Never will I allow you to suffer beyond the grace I have given to sustain you. Trust Me in this. You can still carry on with this cross, and wonderful doors will open for you all."

"Doors of unbelievable blessing and change are coming for My Heartdwellers, but first the arduous climb up the Mountain of Love."

"Trust Me in this and know that every little thing, from a sliver to a major surgery—everything counts for establishing My Kingdom come and My will be done."

"I bless you now, beloved ones. I bless and empower you. I stand ready beside you. I measure out each burden to the capacity of grace I have given you, and I hope for your cheerful and gracious response in carrying these crosses without complaint. But rather, with the joy of knowing that I am using you in this great work and nothing you suffer will fall to the ground unused. All of it shall bear sweet nourishing fruit with seeds, also, for the next generation."

"Be at peace, My beloved ones. The things you suffer are not in vain. They are extremely important for the Kingdom. Call on Me in those moments when it seems like too much to bear, and I will shore you up with My loving presence and My resurrection power."
