

## Jesus speaks about Transparency & Lessons, that need to sink deep

March 25, 2018 - Words from Jesus to Sister Clare

Jesus began... "I weep for My Church, My Body. I weep, because they do not understand the value of transparency and the necessity of being open and asking for prayers. I want all to see that the attacks launched against you are universal, and if you will stand together as one Body, they can be overcome."

"You will see the tactics you are the victim of, being perpetrated on others. You will see the sweep of the enemy's hand and crushing blows that torment My Body simultaneously. You will then realize it is in unity of purpose, holiness and sticking together in obedience that conquers this."

"Instead of trying to prove that you are steadfast and strong, and have no need for the counsel and prayers of others, you will all see how abysmally the same you are. Multi-millionaire, homeless man; movie star, struggling high school student; farmer, business man. I don't care what your occupation is—you all have the same problems to conquer, the same battles, the same sins and vices, the same resistance to Truth. Those with greater amounts of money and those who are poorer. All of you are wired the very same way and face the very same challenges."

"To know this, in the depth of your souls, is to conquer your ego, pride and passions—which is what Satan uses to control you all, most effectively. How can you look down on another man or woman who is captive to pornography—when you are also? Are you not both equal in your weaknesses? It is about teamwork and overcoming evil through brotherly love and perseverance."

"'Confess your sins, one to another' brings the lofty man down from his isolated mountaintop, and the soul dwelling deep in the desert up to the level plains, where both are equipped to support one another in their challenges. Fear of rejection and vulnerability cause men and women to wall themselves up to protect their tenuous sense of security. So, they paint the acceptable picture and cleave to the status quo."

"But the time is upon you where the status quo can cause you to lose your souls. And those who imagine they can handle their problems all on their own are sadly mistaken. When you all acknowledge your human condition, you come together to support one another — just as they did in the frontier days, when all banded together to fend off the attacks of their enemies."

"The enemy is all around you, My People. And he is counting on your need for security to control your decisions—even the decision to worship Me and only Me, when it brings you into conflict with those closest to you. When it jeopardizes your income. When it may alienate a child or loved one. There are more ways than can be counted to stealthily draw you away from Me— until you are out in the open, unprotected and walking straight into an ambush."

"But the soul that stays close to My heart will hear the quickening of the Spirit when a choice will bring you into danger."

"Many will apostatize — many. Because they will not bear the ridicule of swimming upstream. Once you all join hands and reveal your vulnerability to one another, the enemy loses the key factor of FEAR over you, because you might be rejected."

"Once your transparency reveals your shortcomings to one another, JEALOUSY is overcome by seeing the vulnerability of others. And your transparency makes for equality and understanding that I am no respecter of persons; these problems are universal to mankind."

(Clare) Well dear family, at this point of the message, I sensed that I was missing something. Something a little personal and down to home for me — something the Lord was waiting for me to recognize in myself. I became very shaky and trembling as I realized part of Father's sorrow was over me. And I realized my little project took me away from Him for 3 days, not one. And made us highly vulnerable to spiritual attack, because my attention was watered-down on other things. Compromised.

(Jesus) "Clare, what can I say to you? If you had refused the bait, it would not have been so severe. I look on you with great pity. I allow you to do that which you fancy, and that it will bring you joy, so that you can see what a huge, wide-open trap it is. And to find your joy - without an admixture of sorrow — right here in My arms, Beloved."

"Yes. I want you to enjoy the beauty of nature. But you are all in a war zone, with grenades and bombs going off all around you. It requires ALL of you, My love. ALL of you. Because those who serve in the military do not get entangled in civilian affairs. Can you imagine a soldier in hostile territory admiring the flowers and planting a few more that might bloom on his way back?"

"When I told you to go ahead and plant a few bulbs, I knew exactly what you were about to encounter. Even the small handful you received were inferior. I wanted to demonstrate to you how unstable and futile and frustrating the world can be. I wanted to discourage you in the future from even thinking in that direction."

"In the meantime, Satan — knowing full well how you react every Spring — laid a trap for you. I gave you permission to walk into it, so that you would realize it's just not worth it. In Heaven, I have everything prepared for you. Flowers that will sing to you, Clare. They will turn their heads to follow you, even call out your name, inviting you to worship Me with them. Oh, dearest, unbelievable blessings await you!"

"But now your enemies, and they are many, have drawn a bead on you. They have planned this, deliberately knowing that you would end up in a bigger project than you thought, and it would squeeze our prayer time; you would find it hard to concentrate, because you were so tired. Therefore, you would be weakened. They waited for this time to see if you would walk into the trap you have avoided through obedience for the last two years. This, indeed, is what I am talking about."

"Now you will look back on this time and see how critically painful it was — and you will realize your weapons are loaded with lethal force to hit the demons — not Hyacinth bulbs. And if you load them with flowers, you will have no defense."

"I am telling you for your own good, Beloved. Nothing in this world is worth sacrificing time with Me. NOTHING."

"And if you don't learn from the past, you will repeat it in the future. You must weigh out your options ever so carefully. You cannot afford to take your eyes off the road for one moment. Because I guarantee you... the Lion is waiting."

"Had you been only occupied with prayer, as you usually are, the same events would have taken place — but your reaction would have been much stronger, and it wouldn't have been so severe. I allowed this to show you there is no room for loss of focus and chasing after the winds. No matter how fragrant they are."

"Knowing this, and having learned this very difficult lesson, I do expect in the future that you will ignore those invitations to relax and enjoy the scenery."

"Oh, I love you so dearly, Clare! It truly pains Me to see you in such distress. But I believe, in the future, you will not relax your vigilance, but decline those invitations. There is so much more for you to do, but I need this lesson to sink deep."

(Clare) Thank you, Lord.

(Jesus) "And for the rest of you, My precious Heartdwellers... You are housing passions inside of you that will lure you into anything except My glory — if you give heed to them. I want to see you resolutely walking by these temptations, knowing that they are not worthy of your attention. Nor are they worthy of what I am calling you to do, and they have no place in your lives if you are faithfully striving for the highest and best in Our life together."

"I am praying for you, My blessed ones. Yes, I am interceding that you would receive the most precious graces, to be able to distinguish the vile and corrupt from the precious, and dedicate your lives accordingly."
