

## Jesus says... Cut off the Noise of the World & Receive the Gift to hear Me

April 2, 2018 - Words from Jesus to Sister Clare

(Clare) Thank you, Jesus, for Your patience and compassion with me. Please make us all stronger in the face of adversity and storms. And make us more clever than the enemies of our souls, who set us up to sin. And grant us the courage and resolve to choose what is right. Always... Amen.

Jesus began... "Clare, self-pity is one way the enemy entices you to sin. 'Poor you! You need comfort, consolation. Surely your loving God will not be offended if you...' do so-and-so. That line of logic is from Satan. And if you are wise, and truly from the heart want to grow into holiness, you will remember that and not buy into it."

"Oh, Clare, we have gone over this subject so many times. You and beauty - and your temptations to beautify your surroundings. And I do understand. I feel so tenderly for you, Clare. Truly, I do understand."

"That is why I have made Heaven so accessible to you. You may go there anytime. You could be sitting in a garbage dump and still be delighted by the fragrances of Heaven, walking with Me. You must learn to live in the invisible realm that is the REAL world. What you have down here is only temporary and will never fully satisfy you."

(Clare) Plus, it comes with all these hooks and glitches!

(Jesus) Did I not take you to the tiny rivulet running from the fourth waterfall and sit with you, enjoying the tiny violets?"

(Clare) Yes, You did Lord!

(Jesus) "Yes, truly I did. That's why they are there - so you won't set your heart on earthly violets, but enjoy everything about them in your own Garden. Let's go there together more often. This is where I need you to find your rest. It is in this place you find your rest and consolation - in Me. Because I have created this tiny pleasure to embrace you as I wash away the misery of this Earth."

"Please, let's do this together more often. Even every day is not too much. You will stay far more balanced this way."

"When you dwell in My heart, you have found the opening to paradise and Heaven. You need only dwell in My Heart, waiting for Me, loving Me, so that I may open the door for you. Once the door is open, you may return over and over again. Not only that, but you will establish relationships with those you meet in Heaven and they will be forever friends - as there are no dimensions separating you. It is merely a matter of you honing your perceptions to be very, very finely tuned to be able to receive from Me and My Spirit - and communicate."

"Do you understand this? My Spirit permeates and holds together all of creation. There is nothing He does not know or cannot transmit, once it comes into being; it permeates the entire universe. It is merely a matter of your fine-tuning your mind."

"This is why, My children, I tell you to withdraw from earthly entertainment. Withdraw your senses from this gross form of communication, because it dulls your ability to hear Me and My Spirit. What amazing things you will see and understand when you learn to reject the world's continual manipulative broadcasts! Especially fear broadcasts that are so disturbing to spiritual perception that they literally make you deaf. Why do you suppose the media is flooded with crass, carnal and violent stories, sights, sounds? Because they dull your senses and prevent you from hearing Me."

"Try this experiment. Turn off all the movies, loud and worldly music. Stay away from the city. Listen to very quiet, soothing music - such as Clare's dwelling music, or recordings of birds and water. Cut off your sensory perception, including reading and pictures from all of this. And after a week, see how much clearer your prayer life becomes."

"And another hint... Seek the wee small hours of the morning, where there is much more clarity, since the invisible buzz of the world's communications are also mostly silent. Become sensitive and you will see a major difference in your ability to hear Me."

(Clare) Well, Lord, that's very interesting. Because I remember when I was in a cabin in the Pocono wilderness with my husband and four children. With only a little holy music. No internet, no communications outside - but long walks in the woods. Then we came into a bustling town and all of a sudden, my mind was hit with an inaudible, naked-to-the-ear FLOOD... Ocean... Tsunami of noises and disturbances that were so painful to my head. Very disorienting. None of that was in the silence of the forest, but once we were out in 'civilization' it was unbearable.

(Jesus) "And to this day, you are sensitive. And it's no mistake that you are living in an adobe house, because this protects you from a rash of electronic noises. Nonetheless, night-time is the most peaceful. That is why I wake many of you up in the wee small hours of the morning; you are hearing and receiving most clearly then."

"My people, so many of you are starving and yearning to experience Me. I am continually talking to you, but you cannot hear, because you have drowned out My voice with the voice of the World. Do not be afraid to be alone or silent. Relish this time, because it is then that you will hear Me most clearly."

"Now I ask of you: reach out. Touch My Heart with your plea to hear Me. I wish to impart this gift to you, but with it must come self-control and developing an exclusive ear for My voice. I will anoint you with this gift now - if you will but ask. Time and space mean nothing. As you are reading this, cry out to Me and I will give it to you. It is My heart's desire to have this relationship with all of you. It is yours for the taking."

"Receive, and now put into practice the discipline of silence and cut out the cacophony of the world. I love you tenderly. Receive this gift from Me now."
