

## Jesus speaks about Copyright, Muslim Nations & How self-defeating imminent Rapture Warnings can be

April 19, 2018 - Words from Jesus to Sister Clare

Regarding sharing Dreams about the imminent Rapture

(Clare) 'How do I approach this, Jesus?'

Jesus answered... "State clearly what I have told you and yes, do ask that question. (I had a question in my mind.) 'What have you gotten done in the five years you've postponed your life waiting for the Rapture?'"

(Clare) Ooops! So, in other words, if people who were persecuting our Channel for saying that the Rapture had been delayed for three years, and every day they're waiting for the Rapture to come. What have they gotten done? What did you do with your gifts? How have you served the Lord?

(Jesus) "Yes, I DO want you to speak up about this, Clare. We are at the same exact point now that we were at 5 years ago, and there is still too much to do. I wish for My prophets to have a wider worldview and to understand that salvation is taking place right now in the thousands, because people are out laboring in the fields."

"Place ten people side-by-side — same age, same commitment level to Me, same education and cultural economic background — and present them with this message. Line them up in a row and declare... 'The Rapture is Imminent'. Now, stand back and watch what they do. You will see that nine will react in fear and begin building their shelters, laying up food, warning their relatives and so on. You will see one walk away and go into the mission field or ministry to help with the Harvest of souls."

"Now, place 10 more people more or less of equal value and commitment and tell them, 'The Rapture is postponed for 4-6 years'. Watch what they do. One will go home saying 'Cool!' and play their video games, thinking they have all the time in the world. Six will begin to question... 'Lord, since we have that much time left, what can I do for you?' And three will go into accelerated drive and put their dreams for My Kingdom as their only priority in life."

"I tell you the truth... these continual Rapture warnings, if not presented properly, drive people into fear and self-preservation — which causes them to abandon their dreams and gifts in favor of taking care of loved ones who will not be taken. Speaking mathematically, one out of ten will launch forward to bring more into the Kingdom. The other nine will turn inward to their own families and prepare."

"What I do want is everyone swinging into action, using the gifts they have as they are given opportunity, and as with you, Clare — honing their skills. Do you see how self-defeating urgent warnings can be?"

"Those waiting for the Rapture will not be busy about My business when I come, and they may very well be left behind. Those working hard while they still have time will be rewarded with a flight to Heaven."

"There are many rooftop sitters who will go through the great Tribulation, because they were not clothed for the wedding feast — and there was no oil in their lamps, because they were living for themselves. This is the great danger here."

(Clare) Lord, so, how do we proceed?

(Jesus) "Just as I have taught you. You have very little time left, but enough to do what's been assigned and even cultivate new talents and put them to work to save souls."

"The Muslim nations are crying out for truth. They are disenchanted because of ISIS; they have serious doubts and concerns about what the Koran teaches. And some even wonder if the Christian's God IS the One True God. But there's no Christian there to tell them, because they are all at home working on their shelters and trying to get their families prepared."

"I have told you what qualifies a soul for the Rapture. It can be summed up in one sentence... Love the Lord thy God with all your heart, all your strength. And Love you brother as yourself. In other words, think as I think. Comfort the poor, the lost, the sick with My comfort, My words and prayers. And live for others, not for yourself. Then you will resemble Me when I return and I will recognize you as My Bride immediately."

"Do you see? The affluent, self-preoccupied Christians will be nowhere in sight, because they are at home serving themselves. But those who are out and about, expending themselves for others, those I will see and take immediately."

(Clare) Now, that doesn't mean that if you are affluent, you will be left behind. What He's trying to say is that, if you are affluent and self-serving, then you may very well be left behind. You can be affluent and serve others. There's nothing stopping this.

(Jesus) "And a word to warn you about this, Those who have built up edifices and international ministries based purely on their love for their brother — I will take. Those who have built up edifices and international ministries based on the dollar and their fame — will be left behind."

"Many in that day will say to Me... 'But I prophesied in Your Name, Lord! I healed the sick, I cleansed the leper!' And I will answer them... 'Depart from Me you evil doers. I do not know you.'"

"Why? Because they were serving themselves and making empires out of their ministries. And yes, they oppressed the smaller ministries who tried to take their words and share them around the world."

"Even as you have experienced lately, Clare. Do you understand, this is an abomination to Me?"

(Clare) What He's talking about here is that a very prominent ministry, who I had lifted a section of video from one of their video presentations. And I had put it on my Channel - of course, crediting them. When they found it, they gave me a 'strike' against my Channel. And strikes are serious. You get three of them and you're banned from YouTube. Period. So, yeah - I would have expected this from a Satanist... But from a minister? I was really devastated. I don't mind telling you, it hurt me bad. I walked around for two days with a hole in my gut. I just couldn't believe a minister could do that to another ministry. Of course, the video came down. The Lord goes into this at greater depth here.

(Jesus) "Yes, even as you have experienced lately, Clare. Do you understand, this is an abomination to Me? You were given a strike on YouTube by one of these ministries that could have endangered all your videos on YouTube."

"Why? Because you did not get their permission to share My words. This is a travesty."

"When I anoint a minister, 'his' words are no longer his; they belong to My Holy Spirit. This is Simony — selling the anointing — and it is detestable to Me. These men and women do not need an income from My words. They are already quite wealthy from donations. Why do they want to control My words to them? Are they not Mine to be shared without cost or restriction? But they are blinded by the God of this world, money, and corporate procedures — which are fine for Caesar's palace, but an abomination in the House of God. They are the Temple of the Living God."

"Oh, Clare, so much will be exposed at the Rapture, when these massive ministries are left behind in weeping and gnashing of teeth. Because they did not do My will; they harnessed My word for filthy lucre. It will indeed be a sad day when their shame is exposed."

"I love everyone one of them dearly, but when they are ruthlessly persecuting My little ministers who hear My voice in their messages, and want to pass that on to their little circle. And they take legal action against them? Oh, My Heart is grieved! They are blind and do not see what they are doing. Oh, pray that their blindness will be healed and they will see, and understand and repent, before it is too late for them."

"What shall I say to the members of their ministries left behind? What shall I say? 'You have been ministers of the dollar, not of the Word. Freely I gave; freely you were to give. But you did not. In your greed, you withheld My words from the little ones who could do you no harm and do Me only good. Great good by repeating what was imparted from Heaven."

"It will be a very sad day for the angels in Heaven at that time, because they ministered in your services and conferences, and so many you touched will be with Me because they were not corrupted by your practice."

"Yes, your teachings were fine. But the way you lived your lives — oppressing others and controlling the words inspired by Me — that was an abomination not to be taught to anyone. And you may thank Me that so few know of your sin. Otherwise they, too, would have followed your example."

"That indeed is what I will say to them in the secret place when they come to be with Me."

(Clare) Uh oh! I said... 'Oh Lord, I need to change the copyright information on all my books. They put standard copyrights in them and I thought I had told everyone putting books together that they were to be free to copy or distribute at no charge without my permission. I don't know how that happened.' And that's basically it. You're welcome to use my music, my writings, my teachings - anything the Lord has given me to share with you. Freely. You can use it, freely. Just don't charge money for it. That's my only stipulation. You can copy it, reproduce it, store it and do whatever you want.

(Jesus) "This is something you need to address in the future, Clare. You must be very careful. Though you have publicly stated that and put free downloads on your website, you still need to explicitly say that they are free to use without charging any money or obtaining your permission. You see, they already have My permission to copy what I have given you. What you have shared stopped belonging to you when you gave your life to Me. Now all that you do is free to the whole world, because it came from My Heart going to their heart. Please see to it that is corrected."

(Clare) I will, Lord. I'm so sorry.

(Jesus) "Well, I did not wish to beat anyone here. But I wanted to call your attention to a worldly practice that hurts others. Every one who thirsts, come to the waters; And you who have no money come, buy and eat. Come, buy wine and milk without money and without cost." Isaiah 55:1
