Jesus says... TIME IS SHORT... What will you be doing when I come?

July 3rd, 2017

Jesus began to speak regarding the Rapture... "The awareness needs to stay current, Clare. People tend to forget and bury themselves in work. And for those who bury themselves in work, I am pleased beyond words. But for those who are still sound asleep as concerns My coming, the alarm should be sounded."

"Those of you, My people, who are working hard for Me, yet knowing I am coming 'soon' - you are doing the right thing. Those who have thrown down their work for Me, because I am coming soon, in you I am disappointed. I have been faithful on this channel to tell you exactly the conditions you are under with time. There is no excuse for writing off the things I gave you to do because there is no more time left. That is a lie from Satan, that you have no time to complete your tasks. I would not have assigned them if you could not get them substantially done, if they would have no impact because of the shortness of time, I never would have assigned them."

"This is precisely what I warned you NOT to do. There is time for you to do what I have asked and I am asking again... PRESS IN. Do not leave off with your labors of Me. Press in. Do not get lost in the expectations of Me returning any moment to the point, that you stop applying yourselves to your assigned tasks."

"Please, My people, I am gathering fruit from your efforts. You are presenting a priceless example to the world. 'Yes the Lord is coming soon, and I am doing all I can for Him until He takes me from the Earth. I am working like I have never worked before, because I know, He would not assign this work to me, if it was going to be fruitless. I am looking at the souls that will benefit from my work for Him, and this keeps me going."

"That is precisely the attitude you are to have in this hour. To a tee. Tell the world I am coming soon, TIME IS SHORT, but make your life count for Me. Do not work for the world, work for Jesus. Do all you can in the time left to you. MAKE EVERY MINUTE COUNT FOR CHRIST."

"That's the message I want to put out. Work mindfully for the good of the kingdom. Be deliberate with your time. Do not waste it. Then you will be balanced and prepared for what is soon to come."

"However, if all you do is tell people that the hour is now, He is coming - you are adding to the discouragement and disillusionment of years of prophetic words that never came to pass and are making a laughing stock of the faith."

"No, it is not your fault they do not believe, but the urgency with which these messages are put out, leaves no room for delays and many are so disillusioned - they ignore you."

"That is what you are encountering now. That is why so many Christians are disillusioned and will not listen to you. However, if you say that I am coming soon and we must work hard to bring in the harvest, we don't know exactly how much time is left, but we know it is short and you accompany this by your productiveness for the kingdom, your witness will be much more powerful and convincing."

"You see, everyone talks. Everyone has something to say. Everyone thinks they have the latest prophetic word, but what others are looking for is your investment in what you believe."

"If you believe that, why are you still spending hours in front of the TV, on the internet, playing video games, going to parties living like the world? That is not a convincing example of life; that's a weak and lukewarm witness to My return."

"But if you are totally committed to furthering the kingdom, both in good deeds and applying yourselves to your gifts in ministry, writing, exhorting and spreading the word on the internet in turning out inspirational materials to draw all men to Me -then they will look at the work you are doing, your commitment, your hard work, the way you use your time, and they will believe you. 'He is coming soon or they wouldn't be this dedicated to their work for him. We'd better listen.'"

"Yes, that's the witness you have. You must always express the possibility that there will be small delays along with the facts that bible prophecy for the first time in history has met the conditions I put forth in Matthew 24."

"Other prophecies, too, are coming from other religious sources - such as the succession of popes by name and number, Israel's statehood, saturation of the earth in evangelistic outreaches. All has been accomplished as I set it forth before My coming. JUST before my coming. So, you may mention the short delays, but be firm in the fact that this is the final 'hour' because the prophecy has been fulfilled, and now it is just a matter of when the Father will say to Me, 'GO!'."

"My people, understand this please. You will catch far more souls with acknowledged biblical truth and historical facts, and your obviously dedicated example than you will from a wave of prophetic words over the body that echoes back and forth, as it has from the middle of the last century, just trying to convince everyone, He's coming! He's coming. He's coming soon!' over and over again. Not only that, but when you tell them time is short, you may add, time is short... What are you doing for the Lord? Are you living for yourself or for God? What will He find you doing in that hour?"

"Do not lay your work down to look at the sky. Complete your work and keep going until I tell you to stop, because there will come a time when very little else can be accomplished. But until that happens, please. If you love Me, get to work. Finish what you started, broadcast it, get it out to the masses. You just don't know, which lost soul you may reach through your efforts, which means the world to Me."

"I will reward the ones that have worked tirelessly for Me with a pure heart. Those who were halfhearted and didn't complete their work will be like the servant who buried his talent - while the other fruitful servant will be acknowledged and given even more exciting work to do."

"Yes, I will reward with a promotion. Those of you, who've given their all to Me, will never believe what I have planned for you, but I'll tell you this much... It is beyond your wildest dreams. You will be given more work to do because you were faithful with the little things I appointed to you. And you didn't stop when everyone else was sitting down and saying... He's coming soon, there's no point in getting started on something. There's no time! That's a lie! It's a lie to stop you. Don't listen to that. Continue on with your work."

"When I come, you will enter into your master's joy - while others, sadly, who refused to listen and apply themselves, will be left behind. Take my words to heart. They are spirit and life. Do not waste time, make it count. Fore-warned is fore-armed. Make it count. Do not look back on your laurels. It is what I find you doing when I return that will have the most substantial impact on

where you go and what you do - and whether or not you're taken. Again, those of you who have worked tirelessly for Me - I am so pleased with you and you will not lose your reward. Continue to be the good example I intended you to be in this world. And for the rest of you, please... Apply yourselves. There is time. There's more time than you think there is. There's time and I need you to be obedient."

Jesus says... The ruling Elite cannot do anything without MY Permission

July 7th, 2017

Jesus began... "There are many preparations for war being made, but they will not be completed anytime soon. Your whole armed services must be revamped, re-dedicated, healed and restored. This process is underway but is lengthy and takes time. They are in no position right now to launch an aggressive attack. So, they are biding their time and rebuilding."

"Nevertheless, the threat of war is always present. What I need you and all Heartdwellers to understand is that nothing happens without My permission and as long as you are all praying and living a life-style of carrying your cross with thanksgiving, I will not give the word."

"Many follow the news and then imagine I am talking to them—when in fact it is in their own heads. That is why internet prophets seem to have the same message. It is a group consciousness, based on what they are fed through the news, even the resistance news. It should be, but is not obvious to most, that excitement attracts listeners, who want to continue to hear the excitement—so they support these channels."

"Heartdwellers, I want to be your 'channel'. I want you to come out of your prayer closets with a "knowing" of what is going to happen and what is not going to happen. But instead of that, many of you still follow the exciting newsy channels that stir your emotions and give you hope that I'm coming tomorrow. Don't you see what a waste of time this is?"

"What I want you to be excited about is your gift, its cultivation and the impact on the lost. That's what truly is exciting to Me. Intercession is tremendously exciting to Me. And also why I have My Divine finger in the dyke, holding back what the ruling elite have planned to carry out. They cannot carry it out without My permission and if you are pressing into Me in prayer and intercession, you will come out of prayer with this sense and the inspiration to move forward with your particular gift, rather than to postpone or tread water waiting for the war to start."

"Well, I know you are tired of Me saying this, but in this particular moment, it needed saying. Press into Me while you are waiting for that day. Let Me dance with you, hold you and empower you with inspiration. How I love you! How I wish the day were closer. But there are still many souls ripe for conversion. Come to Me praying, resting and expecting to be renewed. Graces to overcome old problems and setbacks are being released. There is excitement within the Body of Believers that truly has their finger on My pulse. The gifts are multiplying."

"Those who have been faithful and persevering in the little things will be given more. Barriers are being overcome with grace and I am rewarding My faithful ones. Do not expect this to come with a free ticket. There will still be challenges and opposition. You are targets more than ever now, because you have blasted through the enemies' defenses and taken ground through My anointing."

"You will have struggles but you are more equipped now than ever to resist evil and continue on with My blessing. Continue to build with one hand and wield the sword with the other. Where there is great spiritual treasure, there is great spiritual opposition and plans to steal it. Therefore, remain vigilant and stand your ground as you pass on higher and higher in your callings."

Jesus says... Unbelief is the Worst... Please uphold My Honor

July 10th, 2017

Jesus began... "Stand firm in Me. Many of you are beginning to see forward movement and breakthroughs in your life. Now you must hold fast to them and stand firm. As always, any movement I make in your lives is countered by the enemy. I give; he tries to take. What can cause you to lose the ground you have been given by steady work and perseverance?"

"Unbelief, laziness, judgment and pride. By the way, Pride always proceeds Judgement. When you look upon others and find fault with them, you open the door for opposition in varying degrees. If you are highly critical and without charity, you will encounter rough winds dead ahead. If you are slightly critical and catch it, repenting immediately, you will immediately close the door. In any case, it is a sense of superiority that even suggests you should find fault with another soul. You have no idea the obstacles they must overcome every day. Only I know that. To think that you are qualified to judge is the fatal poison of Pride."

"Laziness quits prematurely and takes its ease with consolations: food, surfing the internet, whatever else is a pleasant distraction. I am not talking about a legitimate break here. I am talking about the attitude, "Well, I worked hard...I can take it easy now." Saying that while you still have the energy and alertness to work is laziness."

"And last, but truly the worst...unbelief. Unbelief is continually suggested to souls by the demons. It is their favorite and most effective weapon these days of supernatural increase. Unbelief says, 'Well, I'm doing my best, but I'm not seeing improvement. Lord, are you sure this is what you want me to do?'"

"One of the greatest rules of discernment is to discern when you are not being affected by fatigue, distractions, emotional ups and downs, or a recent setback."

"The devils wait for you to have a setback of some kind, then they pounce on your resolve to obey Me and keep going. So when you discern a direction you DO NOT CHANGE COURSE because you have taken the time to know My will. Opposition will come but you will not change course. This is a very important rule of discernment."

(Clare) Wow, Lord, I am guilty of all of these things. But this last one! Wow... It is what I am struggling with daily.

"Yes, that's why I told you to stay out of the world, and given your circumstance with having to move your office, you have done well, My Love."

"Fire-tried Gold... Your teachings are by far your greatest contribution to My Kingdom. At least at this time. They are backed not by knowledge but love and experience being immersed in your own fires of purification."

"I don't want you to be without consolation that you have accomplished something for Me."

(Clare) I was really grieving at this point, because I feel like such a failure at making time for this most important gift.

"Some things, Clare, you cannot avoid. I just want you to know that your life so far has not been in vain and you have helped many souls go through the refining fires and still cleave to Me. That's why you saw the treasure chest in your heart, overflowing with fire-tried gold coins, shining and bright, glowing and golden. Doesn't that make you feel better?"

(Clare) 'It does,' I replied with tears of joy. 'It does.'

"You will be settled in soon and enjoy more time for messages and music. Don't sweat the small stuff. This is just a temporary bump in the road, and we are passing it by soon. Please don't upbraid yourself for using this time. There was no other way."

"Yes, My dearest, I said stand firm. Stand in faith. Do not allow your resolve to be undermined by anything. When you come to the keyboard and flounder, know that you have an enemy assignment to make you fail. Truly, over your left shoulder, this reproachable spirit is taunting you, 'Look how slow you are! You'll never get that melody down. You don't have the experience to do different things with those chords, nor the coordination, and least of all - the talent. Put it up. Why be a failure in front of your audience? Just give them an excuse. Tell them you have to concentrate on the Word, on the Bible, right now and you're taking a break. They'll forget all about your music and you'll look good in the process.'"

(Clare) Uhhhh. Disgusting creature! Those are just some of the lies that are being shot into your head with poisoned tips. My defense is: Jesus said it. I believe it. And that settles it! Go back to the pit, you unclean spirit!

"Clare, I keep waiting for you to uphold My honor. I wait for you to take these gross losers by the horns and fling them into the pit. I wait and wait and wait. Aren't you aware you are being poisoned all day, all night and especially when you want to play? Can't you feel it???"

"Do you know what they are doing? They are accusing Me of being a liar, incompetent, too weak to finish the good work I've begun in you. And I am waiting for you to defend My honor. It hurts Me when you don't believe. Yes, unbelief is terribly dangerous and it's why most never live the life I intended for them, even though I gave them words and confirmations."

"You see, motivation lies in knowing you can do it. So when your underlying thought is 'I will always be a failure.'--your will gives out and you can't work from the fire in your soul, the longing, the interior gifts, because you don't believe in yourself, with My empowerment. So you allow distractions to eat your time and make excuses."

"Other times in your life that I gave you something to do, you were on fire and persevered no matter who said what. You were younger, stronger, and pursued things very energetically. You've fallen for the lie that you can't do it now, because you are older and don't have the same strength. Well, that may be true. But it's not by your power, your might, your own steam you can do this. It's by My power and anointing. So, your problem is unbelief--in Me. How long will you allow this to snag you???"

"Sure, they will lie to you and tell you, 'In Heaven you will play perfectly. Why are you struggling like this down here? Just give it up until Heaven.'"

"Do you know why they say these things? They hate you. They hate what you stand for and they can't stand your message. And worse yet, you are given beautiful melodies so the words will stick in a soul's ear and bring them continuing consolation. That's why. You won't do that in Heaven. That has to be done down here, and they hate you for consoling souls and strengthening their faith."

"So I am waiting for all of you, My Brides, to stand firm against the wiles of the devil."

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this world's darkness, and against the spiritual forces of evil in the heavenly realms. Ephesians 6:12

"You all are under continual attack. The greater your gift is going to impact the kingdom of darkness, the harder they will fight you with poisoned tipped arrows. And they have your number. They know where you stand and where you fall. So, you cannot stand on your own, you must stand in Me. They will never overcome Me. But together we will keep on going without a flinch, let alone a wishful look back behind the plough."

"I am here for you, My Brides. Rest assured you are not doing anything in your own ability or power. I am defending you every step of the way."

"But where is your defense of Me? How many of you have faced off the devils and upbraided them for lying about Me? Because that's what it boils down to: 'You can't do it because God can't do it.' Don't let them get away with that! Turn on them and rebuke them. Please. Uphold My honor."

"It is as I have said before... Your sword - the Word of Truth in one hand, your gift in the other. I am sending out angels now, as we speak, to defend you against these attacks. And My Spirit will impart a greater zeal in you to protect My honor. Do so with great dignity and resolve. I am counting on you."

Jesus says... Let Me be your only Focus & Discover your Uniqueness

July 11th, 2017

Jesus began... "As I promote you, you will have to go deeper and deeper, because the winds will get very turbulent and your only hope for holding on is to be buried in My Heart with no concerns about your own interests."

(Clare) That is what I long for, Jesus. That is truly what I want with all my heart. I hate taking my eyes off you; everything is dead and vain that is not You. It never does me anything but harm when I shift my focus to the world or even myself. You have taught me this lesson over and over again. And it is true, I still struggle, but at least I am beginning to understand.

"You speak well of your situation. It is very accurate and I want My Brides to know that nothing is impossible to them. Nothing. Not even the sins they've struggled with all these years. Together in

My arms, we will overcome those things. You will be so strengthened and enamored of My Love that those attractions will fade away from your lives."

"Anytime you look away from Me, you sink into the mire of this world. That is why it is vital and absolute that you spend so much time with Me in prayer, worship and the Word; that your reality is My reality and the rest of the world is but a passing wind. When you interface with My mind you begin to see those things for what they are and they lose their splendor. The joy in your life comes only from Me. The rest is dross and a heavy weight being dragged along behind you."

"The more you release the world from your lives, the lighter and freer will be your steps as you ascend the mountain of holiness and brotherly love. Attachments weigh you down, so you are constantly looking behind yourself to make sure those things are secure and maintained. Oh, how much better off you are when you have NO concerns of this world to entangle you." So much of your time is now Mary time and Martha is on vacation."

"I wish for you all to experience that freedom, but most are so heavily enmeshed in the world - it isn't possible. So the next best posture is a lack of concern for those things, a forgetfulness, so nothing holds your attention but Me and My will for you."

"This state is not easily attained, My Brides. You must fight against the lusts and attachments you have to things, continually. If you give ground back to the enemy, you will have to retrace your steps all over again. It is so much wiser to purpose in your hearts that once you have made yourself free of something, you will never go back to having it again."

"There are of course times and seasons. Times of freedom from responsibilities and times of duty to responsibilities. But what I am saying is, the less you have to say grace over, the more time you will have for Me and the journey of holiness we are climbing towards together."

"Well, enough said about that. I want you all to know that your hearts are beginning to shine in the darkness, as never before. Truly, you are becoming a light set on a very dark hill, and what you don't realize in your day-to-day doings is that people are affected by you. They are feeling your holiness, noticing how they feel around you and becoming hungry to have it. This is my ideal of evangelism, living a life so circumcised to Me that you shine and stand out of the crowd as something different in a wonderful way, and people are drawn to Me living inside of you."

(Clare) I just had to look up 'circumcised' because it came up on my spell check. What should pop up? A Rhema! And this is what I got... 'Bear in mind that never yet have you had dealings with the world without being worse off in God's eyes than when you began.' Wow, that's for sure! Oh what a marvelous gift these Rhemas are to us. How well they reinforce truth! Thank You, Lord, for this wonderful gift to help us navigate these treacherous waters of self-love.

"Of course, there is a time to speak to crowds and preach. But people are more wary now of counterfeits than ever before and they want something solid, something different than the Christian packaging they've been around for decades. They want authentic holiness and that cannot be feigned, because it comes from living My life inside of you."

"My dear ones, it is really quite simple. Live only for Me, stay focused on Me, and do not measure yourselves by anything or anyone in the world. I am forming you perfectly. And when you look at others to imitate them, you lose what I am doing in you. You are the only 'you' in the universe. Uniquely formed in My image and different from everyone else."

"My Clare, when you look at other artists and think about being like them, you are short-changing yourself, My love. Please, keep your focus on Me and allow the beauty I created deep within you to come out. Imitating others will only set you back. Truly, your path is SO unique you spoil it when your gaze wanders off of Me."

"I am not saying not to imitate good when you see it, but keep in mind that you need to come to terms with your own style and be true to that. Anything that forms you in another direction will frustrate My plans and detour you onto the wrong path. What I value in you does not exist in others. That is why you must learn to recognize what I see and allow Me to hone it to its fullness."

"This is sound advice for all of you. Be inspired, but don't imitate; rather work and discover your very own uniqueness that we will cultivate together."

"It doesn't matter that your path is not music. You have your own style in everything you do. Be true to that, don't compromise. I made you to fill a very special need in this world and no one else can do it. It is your destiny, your gift, your inheritance to make use of to minister to My Body."

"When I send you out to do something, it is already in My mind what attributes you have that will open the doors of hearts to reach inside for Me. Every soul is different, has different needs, different tastes. And your uniqueness, when I send you forth, is just what they have longed for."

"So in short, don't worry about looking good. Concentrate on My presence within you and bring that to others. Then you will have fulfilled My deepest desires for you. You are all coming into a season of reaching out, going out to others. Be authentic, be Mine and all the rest will fall into place."

"I bless you now to discover within yourselves that uniqueness and give it voice to touch the world for Me. Amen."

Jesus explains... Anger, Fear & Gossip are Energy Sources for the Demons

July 13th, 2017

Jesus began... "Your trust is so important to Me, My love. So much I want to do that requires your belief in Me and in yourself. So much. And I see you are making valiant efforts to forsake your unbelief. That is very pleasing to Me."

"I love it when you are told something outrageous and you answer, 'Well...He can do anything He wants to, even working with a poor vessel like me.' I love it when you say that, because it shows Me you are abandoned to My will and pleasure, no matter how impossible it seems. Your confidence in Me makes My heart swell with joy."

(Clare) I'm so glad I bring You joy Jesus.

"Oh you do, much joy. Even working with frail souls, you go out of your way to make them comfortable and make amends."

Here He is referring to a situation today where I kind of got impatient and made a remark. I could see it hurt someone, and I came back and apologized afterwards, sigh. Anyway....

"People are so important to Me. Of all the things you do, comforting souls brings Me the most relief. So many hurt and have no one to encourage them. That's your calling. Whether it be in song or spoken word or letters, that is your calling; comfort them for Me."

"I ache for the loneliness and alienation that My children have because they do not know My nature. If only they knew how much I care, Clare. If only they knew. They wouldn't be afraid to come to Me, they wouldn't be afraid to hear Me. Do you know that's the number one issue with My children hearing Me? They are afraid of condemnation and correction."

"And that is SO far from My true nature. You don't rebuke a baby or a broken soul, you comfort them. That's My heart but so few know it. Even the ones who suspect it are still afraid."

"I really want to remedy this. That's what is troubling Me the most. They do not know My character and your sharing has helped break down that wall of separation they have put up. Even the Satanists. They have believed lies about Me and the foundation of their behavior is a misrepresentation of My nature and true compassion for them."

"They are truly wounded and the walking dead with no one to pour oil on their lesions. If they understood how much I cared for them they would quickly turn away from Satan. But they haven't a clue that I am a God of Mercy, full of compassion and gifts of healing for their hearts and souls. They've been brain washed by the enemy who is the father of lies and has completely distorted Who I Am."

"People come to your channel to find Me, to learn about Me, to see how I feel about them by watching you. Your transparency is of the utmost importance. Nothing would please Me more than for just one soul to see and hear Me as I am. And yet, I am blessed with hundreds now who understand Me and My very real need for their fellowship."

"It is excruciating to Me to stand by with a soul and see them suffer, knowing that if they would only reach out to Me I would comfort them, console and heal them. It hurts Me, also, that they do not understand that sin is so damaging to them. It's not that I am a harsh taskmaster that wants My own way. I'm not even as tough as you can be with your employees."

(Clare) Ouch.

"Well I see into their hearts and what's troubling them."

(Clare) May I have this gift, Lord, so I don't hurt anyone?

"Always be suspicious of anger or righteous indignation. Many times that is the enemy provoking you to correct someone - when they are already broken inside. Your restraint there is very pleasing to Me, because I know how much you have to hold down sometimes. And I see that it really is a sacrifice on your part."

"But what you don't see are the devils poking you with pitchforks and arrows. Provoking you to wrath, or discontent, that can be felt by others - thereby making their load even more unbearable. Mostly I send you souls for healing. Yes, they need work to do. They need to do it well. But more important is your loving demeanor to bring comfort to them."

(Clare) Wow. Lord, help me there please.

"I am. Each day I test you with something and watch to see how you will respond. Will you take the bait or will you wait? Waiting. Patience is a big virtue when it comes to human nature and souls. Like the fish that I gently picked up and put in the boat."

(Clare) Well, a little bit of explanation there. Ezekiel had a dream that he was fishing with some pastors. Jesus was in the boat. They would catch something and reel it in, unceremoniously dropping the poor creature hard on the deck. Of course, the fish would die very quickly. But then the Lord was in the boat and He reached out His hands, gently lifted the fish into the holding tank, letting them go gently and they all survived.

"I wish for you, to exercise that virtue more in your dealings with others. It will reflect who I am with much more accuracy. There are several times during the day that you get 'spiked' with provocation. If you could see where it originated from, you wouldn't react. Please pay more attention to that - the enemy is stealing your energy in this way."

(Clare) Yeah, I'm really wiped out tonight...

"They feed on anger, you know. Not only that, they want to use you to discourage others. By all means, short circuit their access to your buttons and wait on Me. I will tell you what is really going on. Wouldn't you like that more than reacting and having to hold it down?"

(Clare) Yes, Lord, truly I would. Thank You, I need this help.

"Well, that's why we are talking about it. I know your heart and I want to satisfy that desire to care for others. It's hard, very hard to undo an unfair or untimely comment. It stings the other person and they react in discouragement and rejection. That's the last thing they need."

(Clare) Well I've been thinking about a situation that I came across today. And I just wonder what I should do.

"You could lay down the ground rules and let them discover how those dynamics are impacting their lives. But do stay away from condemnation or they won't hear you. You have had a lot of experience with the repercussions of being critical of others. You know well how that opens the door. They don't. It's not in their universe, not in that way. And further, they don't see how much they do it. Just like you, you didn't know how bad of a habit it is, until it was brought to your attention and then you saw it constantly. That's what made you try to stop."

"I do oppose the proud but give grace to the humble. So, if you are having continual obstacles and issues in your life, look for a habit of criticism. And of course, especially with relatives and those you owe the greatest respect for, namely your parents and your husband."

"I cannot bring this lesson up too much Heartdwellers. Many of you are still indulging in judgment and criticism. Do you know, the news is set up to provoke you to judge so the door can swing wide open for oppression? Well, it is true. You see a slanted report, influenced by demons, you become enraged and indignant and pass judgment on the parties that are involved. Yet, you know nothing of the true situation behind the scenes."

"This is how the media exerts mind control over others. It is one among many techniques, but one that is sure to elicit a response. That's why they are shredding the President continually. That's why they publicize the worst stories. And once more the demons feed on your anger. That energy

is like life's blood to them. It comes out of you and they grab hold of it to become stronger. It is energy, electrical energy and they have a way of assimilating it into their own being. You should see the demons that feed on traffic delays. You literally would not believe your eyes."

"An accident creates a serious road block and delay and an army of demons comes in to feed off of the negative energy. People finally get home and they exhausted from anger. This is no exaggeration—it happens every day."

"Anger and fear are powerful energy sources for the evil ones. That is why they are constantly provoking this response in others. Fore-warned is fore-armed. Now I have given you a clue as to where your energy goes when things don't go well or something is left undone or sloppy. How many times today were you provoked to anger or irritation?"

(Clare) Wow. I thought about it for a while. And I thought...maybe...five?

"No, try seven."

(Clare) Seven?

"Yes, seven and almost eight, but you caught yourself. Irritation is a big flashing red light. It shouts, 'Demonic provocation! Demonic provocation!' Pay attention to that and don't go for the bait. I speak to you especially in those times to give you another perspective so you won't go off on someone. If you heed that warning, you only lose a slight bit of energy to the enemy."

"So, I am giving you a lesson Heartdwellers. You are the target, every single day, of bullets and arrows tipped with the poison of anger, pride and judgment. Please have more wisdom than the enemy. Wise as serpents, gentle as doves. Don't fall for their attempts to anger you. If you read something that starts to make you angry, RUN FROM IT!"

"If there is an unjust situation and you need prayer for it, do not go into great detail to stir up anger in others. Touch it lightly and move on. You don't realize that when you go on and on about unfair situations that the devils are actually using you to upset others. You, yourself, are angry and you are passing it onto others. It's like an infection. At the end of the day you're exhausted; you gave it all away to the enemy."

"When you respond in love, you short circuit the enemy's plan to steal from you. You see injustice and instead of getting furious, you ask the Lord, 'Why are you allowing this, Lord?' There is so much you don't understand. There is history, bloodlines, sins of your forefathers which carry curses and open doors. And if you knew the whole situation you would pray for the parties involved but not get carried away with anger and judgment. There is a history as to why that person is in so much trouble and is being treated so unfairly."

"So rather than snapping to conclusions, it is best to say, 'Lord, please intervene here, and keep me from unjust wrath. I know Lord you do not allow situations this bad to happen for no reason at all. You are a just God. Please deliver them from evil.'"

"Then drop it."

"You see this is where the gossip chain steals the most energy from My people. A juicy piece of news is spread and the demons follow the trail as if it were dripping blood. They suck it all in and

walk away from the gossipy phone conversation rejuvenated and re-energized to go out and cause more trouble. That's how they work. They take what you had and provoke others to anger with that, then they feed on that anger. It is a never-ending cycle. That's why I tell you not to listen to the media, not to gossip. That's only one facet of these deadly habits."

"So now, how wise are you in understanding what you are up against today? If you have learned, My dear ones, please put it into practice and conserve your energy for My work. I will remind you of what I have taught you today."

"I love you. Go and be as observant and clever as the snakes. Yet so gentle that, like the dove, you flee at the first sign of dissension and negativity. And by all means, spread My healing and unconditional love to those who are wounded and broken, and aren't able to function the way they should."

A Letter from Jesus... My sweet Child, I've longed to speak with you

July 15th, 2017 - Jesus' Dictation to Clare for one of His Children

(Clare) I've been in touch with a young woman, who is caught in a real mess that is draining the life out of her daily. This resulted from some choices she made that she now regrets. I was praying for her and the Lord began to dictate a letter...

"My Sweet Child, I have longed to speak with you...that you and I could draw closer together and I could share My heartfelt desires for your life. I first want to tell you that there is nothing in this world that you can do to make Me love you more. I'm already way over the top in love with your precious, sweet spirit."

"My child, I have seen your struggles and heard your many cries for the difficult and painful circumstances in your life. I have longed to tell you that I am Mighty to Save on your behalf, but you have seen My arm move and rescue you from many dangerous circumstances. I have led you away from these scenes that would have been your undoing and even premature death."

"There are so many gifts I have placed in your being, so many talents, so many graces. I do not expect you to use them all at once or in a hurry. Each will unfold in its time. As I have worked with Clare, so shall I work with you. She began her life in the world, very proud and determined to make her mark. I had to wait until she was burned out before I could approach her with what she was truly created for. She has learned, also, the very hard way, regarding My wisdom for her - though she fought Me many times - I finally brought her around to a point where I could work with her."

"You are a great deal like her. A very talented and determined young woman. These traits can be harnessed to do tremendous good. But first they must be harnessed. That means that the beautiful horse is still green and hasn't yet been trained to pull the King's Carriage."

"I know you struggle with direction in your life. Many times I have led you and you did follow; for those times I am most grateful. Other times you have rebelled and gone your own way. You are coming into a time now when you are reaping the fruit of your own choices. Some good and not so good."

"This is the time of wisdom I have waited for in your life. I have waited for you to mature enough to realize that you cannot live your life on your own, or you will continue to make foolish and painful choices. That, among others, is the reason I have brought you here. You wonder why it seems to go wrong every time you try to do the right thing in your own wisdom. Yes, there is opposition."

"What is missing is your reliance on Me, precious daughter. You are still trying to do things your way, in your strength, in your wisdom. You are not seeking Me everyday for wisdom. You are not going deep enough. I have allowed these contradictions to bring you to the end of yourself, so you will give your life into My hands, totally, and allow Me to do what I want to do in your life."

"You do not have to convince Me of your beauty and worth. I fashioned you for My own glory, and I do not want to see your life wasted on wrong turns. So I have brought you to a point where you are understanding the past is full of dead ends. There is no sin in being weak, in needing guidance, in needing support, needing love. The real sin is pride and thinking you are independent of these common human needs; you are able to do it on your own. That is why I have opposed you, even as the Scriptures say, 'God opposes the proud but gives grace to the humble.' It is solid truth and in those moments when you have exhausted your own resources, I have gladly come to your rescue."

"I have wonderful plans in store for you. Wonderful joys, a very bright new future. But before I can execute these things, open the doors, I need your cooperation and to yield your life to Me, leaning not on your own understanding, but leaning totally on Me. In this way the precious gifts I have invested in you will not go to waste on dead ends, as it has in the past."

"There is no danger here, there is nothing to protect. Everything you are you can entrust into My hands, knowing that in the end you will have made the wisest choice. Your life will begin to bear good fruit, joyful fruit, productive and deeply rewarding. I, alone, know the road you must travel, and I am asking you to allow Me to guide you. I am asking you to trust Me as you never have before. I have placed you here very deliberately, for you have much to learn and you will learn it here. If you are willing. You could search your whole life for a wellspring of wisdom and guidance and you would never find anything as well suited to your nature as you have been given here."

"All I am asking of you, dear child, is your recognition of your need for Me and your agreement to seek My face, seek My will for you, and be yielding. When you hear Me whisper in your mind...please pay attention and follow the way I guide you. Make use of the things around you to get solid confirmations as Clare and Ezekiel do. This way you will KNOW you are on My path for you and My path will ALWAYS TURN OUT BEST. I will many times affirm my love for you through this means, as well as warn you when you are about to make a wrong turn."

"All that you need I have and is yours for the asking. Always ask Me to help you, always ask Me to provide for you and always yield your way and your wisdom to Me. In this way you will make more steady progress in the RIGHT direction for your life."

"Do not be afraid to ask for counsel. Rather, be very afraid of going your own way and stepping out from under My covering. Yes, I cover you and I long to keep you safe under My wings of Love. But for this you must learn to hear My voice, 'This is the right way, walk in it.' And I will guide you daily. To make that easier for you, ask for an increase of the gift of humility and a teachable spirit and things will go much more smoothly for you."

"Please take these words to heart, for they are from My heart to yours, and life to your soul. I am here at your right hand always. Open your spiritual eyes to see Me. Ask and I will reveal My

presence in many different ways. After all, how can you follow a God you cannot hear? I would not ask you to follow if I were not prepared to give you the means to hear. Ask."

"Don't be afraid, I love you so dearly and nothing I ever say to you will be harsh or cruel because I know the tenderness of your heart. Ask."

Jesus asks... Do you still side with Martha? Hearken to My Admonition now...

July 18th, 2017

Jesus began... "I have heard your tears. They, too, have reached My Father's ears and He has great pity on you."

"I know you have the resolve to get to the piano to practice, but your enemy also has the resolve to side-track you. So, be on the watch for him to steal time from this. This most surely is the way he has defeated you for years. Can you imagine if you played two hours steadily for the past seven years...where you would be at? Start this as a new day. And ignore the insinuations of the enemy that it's too late, please. He's a liar, they are all liars, yet My people don't ignore them. They listen or absorb attitudes from these liars. You have got to be smarter in order to succeed."

"This is a good topic. My people, what has been burdening your minds lately? Clare is not the only one she is but one among My children in an epidemic of unbelief and discouraging lies has been launched against you all around the world. This is a giant move of the enemy."

"You were heavily laden with a mass of discouragement from the enemy. You see they transfer their poison to you by thought and unless you are aware of it, they can keep heaping it on until you want to give up."

(Clare) Lord, I was miserable. And I was having thoughts like that, but I rejected them. I am not giving up. But when You and Father came and comforted me during worship, I felt so much better.

"Well, that's why I am reinforcing those hugs with a word... more practice and be on the lookout for distractions. They will surely come and seem insurmountable, unavoidable. But by patience and a wise assessment of priorities, you will defeat them. Just remember how badly you want to be fluent on the piano, and that you can reach that point if you obey what you've been told. They will try to steal it from you, Clare."

"Part of you needs to relinquish your need to see everything orderly. No, there are not crowns in heaven for a clean house. In fact, many who keep their houses spotlessly clean will be seriously disappointed. Anything beyond the necessary and obvious cleaning is most often obsessive-compulsive behavior. I will not discourage you, My love. You really are learning to let go of those compulsions and sit at My feet."

"My people, please beware of the tactics of the enemy to pull you away from that sweet spot. I have given you things to do that may seem extraneous and unnecessary, but those are precisely the things you should be doing for the sake of others. The enemy is trying to convince you that those are pleasurable things, and you can only do them after your work is done."

"They are parroting your parents' voice and their thinking when they trained you as a child... 'You can play after your chores.' Yes! This works very well on most people. Chores are things like dishes and taking the trash out, cleaning the floors, etc. etc. ad nauseum."

"But I say you have duties - and duties come FIRST. Your duty is to love the Lord your God with all Your heart and all your mind and all your strength and your brother as yourself. And this perfectly fits the profile of anything that can be used to minister to others. First and foremost... more important than the air you breathe, is prayer, worship, Bible study and holy reading. If you find pleasure in that, Satan will try to pervert it and tell you it belongs after chores, because you love to do it."

"Answering posts or communicating encouraging words to others, visits to those who are ill, going to the store for them, sitting and listening, writing songs and practicing your instrument, writing letters to encourage people, doing inspiring art - anything that can communicate My Love for them, counts. And does NOT come after the chores!"

"Well, look at how you are lied to. You loved to play your guitar, or write and visit. Now the enemy has cleverly taken those things you liked to do and equated anything you like to do as a pleasure and forbidden until the chores are done."

"So if you enjoy your gift you are prohibited from doing it until you are dead-dog tired and worn out from house cleaning and whatever else the enemy can load onto your back under the guise of 'doing your chores first.' May I say, you can use the scraps of energy at the end of the day for your chores? But please use the prime time to hone your skills and practice or execute your ministry."

"That is the first priority. But the enemy knows well how to play on your guilt buttons, so he uses your good intentions against you. Please ignore him. Ignore the lies that you haven't done such and such yet, you have no business playing your guitar or writing on the internet. This is how he gets you to stop serving Me with all your strength, mind and heart. He takes the lion's share for the mundane things that only benefit you. Then he leaves you with the scraps to improve your gift. LIES!"

"My People. Do not let this line of thinking manipulate you and steal the very thing you were born to do out from under you."

"If you could see all who went to their graves with a clean house and totally unfulfilled life - you would be shocked. I am not saying they are not culpable in some way, but the enemy has used this age-old tactic to manipulate full grown adults for centuries. Do you want to leave this Earth without having done what you were sent to do?"

"Please, don't listen to the lies. I gave you Martha and Mary to reveal this ploy of the enemy, but how many of you side with Martha?"

(Clare) Ouch. Lord, it isn't fair; people are piling into the house and Martha is offering them hospitality and worn out from serving alone while Mary gets to sit at your feet? I don't think that's fair... Just at that point, the Lord gave me a vision of a house with servants. They had put everything in order but Martha was compulsive and wanted to make it better. Oooo...I know what that feels like!

"Martha had all the help she needed to take over so she could sit at My feet. But like you can be sometimes, My dearest, she chose to perfect everything...adding jots and tittles and time wasting frills when all the guests needed was already prepared for them. Martha had all the help she needed to take over."

(Clare) Well, that's a different perspective!

"Had she denied herself the compulsion to make it "better" - which is merely an egocentric attitude, she could have had all the time she needed to sit with Mary. The problem with Martha was that she wanted to go above and beyond what is necessary. The specifics of hospitality reflect on the hostess, and she wanted to look good, out-do herself. When I wanted her to leave off and come and be with Me."

"How many times have people said, 'Clare, please come spend time with us.' While you were busy with this or that?"

"That's why I have taught you the bare-bone basics in providing for guests. Every time you've been elaborate you've lost grace, and wasted energy you needed to be present to your visitors. You have abandoned the better part for the fleeting, worldly pleasure. This is so important for all of you, dear ones. Beware of the enemy feeding you justifications as to why you should do more. It surely is a trap. Access the situation, do the bare bones, then put it down."

"So now you have it. You can see and react responsibly to what the enemy is doing when you are tempted to go beyond the demands of simple hospitality. I will impart this blessing to you, My precious ones. I bless you to see through the tricks of the devils to deprive you of your calling. I bless you to act upon that and put him in his place, while you refocus your entire being on what I have called you to do."

"May you respond faithfully to My warnings when you are going off track. I love you all too dearly, and daily I am by your side and at times I sadly see the enemy - the way he is stealing from you without your knowledge. My prayer is that you will hearken to My admonition now and fulfill your callings without allowing him to pull you off with false guilt and distractions. God bless you, My children. I am walking with you, and I will let you know when you are going in the wrong direction. Please respond."

Jesus asks... Are you groping for Meaning & Destiny in your Life?

July 21st, 2017

(Clare) Lord, You come with healing in Your wings and all Your ways are perfect. I pray you will give us all the gift of trust and putting our lives totally in Your capable hands. Amen

Well, my precious Heartdwellers, thank you for your prayers. We have been helping a couple of friends out and like all of us, they have unsettled issues in their lives...which the Lord allowed for us to learn more.

Jesus began... "My Love, you have much need for patience. They are a handful. It's like a drain...a vortex that sucks everyone and everything down into it. On the outside, beautiful--but inside,

turbulent. And that has affected the peace of the house. Some are gifted at using their beauty and charm to cover that vortex up. But I brought them here to expose and heal them in My loving arms, if they are willing."

"Yes, the centrality of their life must be Me, and that is not happening in the sense that they are holding their life closely and protective of any intrusions. The problem with that is they are a whirlwind of self and not about to relinquish what they consider to be their only protection. Isn't life interesting?"

"Just love them as you can, but do not allow them to suck you into their reality. I know how empathic you are and that is part of the issue. This is your home and you are sensitive to what is going on in your space and this kind of turbulence is highly unsettling--even though you can't really see it."

"I did not abandon you in your preoccupation with yourself. I helped you ascend out of that pit. You were willing and you could see your sin."

"But My problem here is, that they are still not willing to recognize the extent of the disorder in their life and that they need help. Wherever they go, this vortex goes with them."

"They have to be willing, Clare. I can do nothing without their willingness. Those who would keep their own lives will lose them, those who lose them for My sake ,will keep them. Matthew 16:25

"What more is there to say, except, charity covers a multitude of sins."

"My children, you will meet souls along the way who are very confused and live in continual confusion and chaos. They go from one situation to another, bringing with them tremendous disorder. They can be very charming and loving on the outside, but within they are captive to a spinning vortex of problems that they never seem to be able to get free of."

"The issue here is willingness. Can they turn their lives over to Me to be recreated and truly born again? Or are they so wounded that they trust no one and hold onto what they have for dear life. "

"I have tried over the years to help these people, but truly unless they are willing, it is futile. And eventually they move on to another situation until others tire of them there, as well."

"Understand, I want to help them - with all My heart I want to help them. But they are not willing to let go and let God do it. And unfortunately, they may never be willing to let go and let God do it. These are the ones that come to a tragic end, in the sense that all they could have been is stolen from them by the enemy, because of the continual vortex of issues and defensive thinking."

"Many of you have come from this kind of background, but you gave yourself to Me. And now you are a new creation. That is the ONLY difference between you and those who will not surrender to Me, but had to keep complete control of themselves. Unfortunately, relationships do not work out for them, because eventually the other party resents and resists their control, no matter how flattering and seemingly loving they may be."

"Each of you are created to be different and it is in those differences that I bring about a largeness of heart and prepare you for Heaven. But when a soul will not yield control to Me, they

will also not yield control to their spouse and you will find yourself in a continual life-and-death struggle just to breathe, until you are totally burned out. Fore-warned is fore-armed."

"I love them so dearly that My heart is broken every time another opportunity fails for them. Walls that turn in on themselves similar to a tornado."

"If you could see this as I see it, you would see a form of electromagnetic energy isolating a person. They become more and more separated from reality, by way of defensiveness, for anything that threatens their security system. So the problem continues on and on and on until there is no way to reach them. But continuing to look for love and acceptance, they hit a brick wall when they cannot control the other person by having them come into agreement with their way of looking at life. And so marriages fail, friendships fail and they move on taking this interior chaos with them."

"What I have to help them is threatening to their system of defense, so they run from Me. I have nothing but pity for these, but I am especially grieved for the disorder they cause in other lives. They cannot see this, because their emotions are locked in this whirling vortex of self-defense and preoccupation with self, which mirrors back to them what they want to see."

"Dear ones, unless you are willing to give your life up, I promise you will lose it. What I mean is not through death, but through loss of destiny. What could have been yours required a letting go and reformation. It required an end to the vortex, and without being willing to give it up for what I want to give, it will control you for the rest of your life."

"And what I am saying is that the demons have planted these rationales to isolate who you could be, what you have been created to do, while at the same time building you up in confidence that you are always more intelligent and right than others. Therefore you do not need to listen to their counsel. This is how they isolate you and make you want to control others to look at life from within your vortex. This is why marriages fail."

"What is the solution? Pray for these souls that they finally recognize their sickness and isolating lifestyle and have the courage to allow Me into their lives to take it apart, piece by piece, and reconstruct it with My wisdom and the good reality of who they are to Me. Thus setting them on the right path to fulfillment in their relationships and destinies. Pray and treat them with great love, not judging, but knowing that any of you are capable of going astray in this very same and tragic way, even tomorrow."

"One sure sign is despite the reality of their situation, on the outside they present the front of always having it under control, present perfect reasoning and always have the answer, despite the ongoing emotional vortex that's raging inside. And yes, medication can help, but it is more a matter of the will, the willingness to let down the barriers and resolve the issues. And some will not receive medication, because they are convinced that you are wrong."

"I have nothing against antidepressants where they are necessary. It is a chemical issue in the body, just like when you eat the wrong food and you get heartburn. Or just like when the doctor puts you on heart medicine - there is no issue. It would be best if you were to come to Me, and for Me to heal you of these things. But if I don't allow that to happen and I don't do it, I have no qualms about allowing you to take medication. This is a HUGE misunderstanding in the Body of Christ."

"And what I would like you to understand is that there are times that I don't heal a soul because they are interceding for others. And this is a suffering. And there are other times when there is a great deal of pride in their lives, and having to resort to medication because I wouldn't heal them is a humbling process. There's so much guilt, false guilt, that the demons have attached to medication to keep people from getting the help that they need. And this can cause them to be so handicapped that they never fulfill their destinies in Me, but are always troubled."

"The world is full of these souls, dear ones. They shine ever so brightly on the outside, but inside they are a continual collapsing mess groping for meaning and destiny in their lives."

"Allow this to be a lesson to you all on a smaller scale. Be willing to be 'found out' - that is, be willing to have your faults exposed so you may be set free from them. For I am continually refining you out of My great love and devotion."

"I am longing to make you ready for Heaven and even satisfied in this life. So never fear letting Me expose in your life the things that must change for you to move forward. For those of you caught in this trap, you have a decision to make. Look back on the fruit of your life. Is there peace and happiness? Or one failure after another. I want to change that, but you must be willing. I am here at your right hand to walk with you. Please, do not turn away from Me anymore."

Jesus says... Go now and love as never before

July 23rd, 2017

Jesus began... "Where faith is lacking, the flesh takes over. Without faith, what can I do? When souls insist on their own devices and do not look to Me as the authority, they take on themselves a whole world of hurt. No one can cover for themselves adequately, Clare. No one. No matter how hard they try, something else always comes to the surface. I, alone, can control what the soul can handle. That is why it is so imperative to come to Me for protection and health."

"I am your Father. Whatever your need, I am not limited like your earthly fathers were. No, I have total control over everything that happens or doesn't happen to you. What I permit is always for your best; always and forever. Many of you have made agreements with Me in your spirits and yet are not aware of them in your intellect. That can, at times, be painful--when you don't understand why I permitted a terrible circumstance. Remember that when an event occurs you are not the only one impacted by it. There are many layers to your circumstance. If you have given your heart over to prayer on behalf of another soul, many times that event pertains to them in their serious need and you are moving mountains."

Before I formed you in the womb I knew you.... Jeremiah 1:5

"Now I will address charity, Clare. Yes, patience and charity--you are lacking My love. More of Me, less of you. Oh, how I need you to live in My love and bring it to others. Words are cheap, souls are wounded by words, but love goes directly to the wounds of the heart, which only I know about. How easy it is for you to see faults and interpret motives when you know nothing of what that soul has gone through. That is why love is the safest way to the hearts of men. Once My love has touched a soul, how easy it is for them to trust Me. It goes so far beyond words; it is more a magnetic force. Just as iron shavings are drawn to a magnet, love is drawn to the heart of men and there My love seeks out the most wounded areas to heal."

"Once the Love relationship is established, we can move into Trust. So, rather than treating the symptom, you treat the disease - the woundedness, rejection by churches, broken families, loneliness for true understanding and even parents who abuse their children unknowingly speaking word curses, favoring the other siblings. These things go deep and last a very long time. Usually - without healing - it is typical to pass it on to the next generation because it was never resolved in the adult parents; they just pass it on like unfinished business to their children. You are finding out that not only fathers have given the wrong impression of fatherhood, but so have mothers. Therefore, when you are seen as a mother of sorts, there may be a lot of cleaning up to do, a lot of deeply ingrained failures in that relationship that causes the soul to be distrustful and steer away from any authority figure...especially a motherly one."

"For all of you, My dear ones, all of you... take it to heart. Love is the way to the heart of the soul. Love is what opens the door, love is what heals and convinces the soul I am real and I am first and foremost a God of Love. I can be trusted with the most precious commodities a soul has: their heart and their lives. Therefore, little ones, if you wish to foster faith and trust in the heart of a soul, you must first Love them with My Love and never judge, be harsh, or critical. Never. By the time they reach you, they have already had a lifetime of criticism which did them no good, only to drive them further and further into a pit."

"Go forth therefore, My chosen vessels, and Love as you have never loved before. Give until it hurts, encourage and build up. Then the soul will be hungry for what you have to say about Me. They will see Me inside of you. May this anointing rest upon you now. Amen."

Jesus explains the single-minded Soul & Patience Those with a single Eye enter into My Glory

July 24th, 2017

(Clare) The Lord bless you, Heartdwellers. May the Lord find a sweet presence when He lingers with us, and may our eyes be only on Him and not the passing vanities of the world. Amen

Jesus began... "I am here. I have accepted your repentance and I know you want Me with all of your little heart, Clare. And I am stationed here by your side and in Your heart, forever to accomplish just that. I am not giving up on you ever, that I promise you. Each day I wait for you to turn away temptations that are bad for you."

"Some days you do and some days you don't. We are working towards constancy. By that I mean turning away temptations every time. Maintaining your proper place before Me and the souls of the Kingdom is the very thing that protects you. It is when you look down on people that I must pull My protection back...ever so slightly, so you may be sifted by your weaknesses and the enemy's devices."

"Clare, My love, you are doing so much better, so very much better. You just have a little ways to go. Don't give up, My love. Don't be discouraged, don't give up, press in. I show you others who have truly reached the other side in denying themselves and loving Me more than themselves, so that you will press in. All things are possible for the humble soul who has passed through the gates of humiliations and into the courts of Joy."

"I know the longing of your heart is to bring Me happiness and you are right to keep your focus on what I have asked from you and not what you see others do, who are great saints. What made them great was their unflagging obedience and single-minded focus. The single-minded soul turns their attention away from anything having to do with their own desires or wishes. They look only into My eyes, to know what My good pleasure is - and then they do it, without complaint or looking back."

"You don't look back as much as you look to the side when something fancy is dangled in front of you, like a worm on a hook. And you do complain and get short with others when you are tired. When you are well-rested you are more careful and less combative. Part of that, a very large part of that, is not at all your intention. It's just the way of someone who has run out of energy, patience and is very fatigued with responsibilities."

"So, what I am saying is, that can be avoided if you take proper care of yourself. However, when circumstances begin to overwhelm you, I need you to pass those tests of charity as well. Can you do this for Me? Can you just stop in mid-track, recognize your impatience and frustration with others who are demanding more of you than you have to give, and call on Me to make up the difference?"

"You have done this several times during this move. What you are missing is that I immediately hear you and make changes to help you regain your inner peace. You are failing to recognize My intervention and you also are failing to realize that when I don't intervene, you are being tested so you can pass onto the next course. Tests are always hard. They have to be, in order to prove that you've learned what is most important to Me. Layer upon layer, My dear one. Lessons come in layers and I always prepare you in advance. You don't always realize you are being tested - you forget and lose your patience."

"Just say to Me, 'Oh! This must be a test! OK. I will lay down my quills and press in.' And then commit yourself to doing just that. Oh, it will go so much easier for you, Beloved. Moving always entails many tests of patience and is the ideal time to exhibit what you have learned, not just on the outside, but the inside, too. Because I look into the heart to see what you are feeling and how you are dealing with these contradictions."

"So often you see these things as injuries. They are not injuries, they are opportunities to exercise your great love for Me by kindness and patience with others. You really do very well most of the time, but I need you to do very well, ALL the time. You are dealing with the destiny of souls here. Understand, I have sent them to you to bring them more deeply into Me. So, if you demonstrate My nature to them in adverse circumstances, they will love you and love Me all the more."

"If you demonstrate your frustration and displeasure you injure them and set them back further away from Me. So you see, this is not a little thing. This is a critical thing. Soon you will become so in tune with My heart for them that the temptation will not even assail you to be impatient. You will only feel patience inside and there will be no more struggle. That's where we are headed."

(Clare) I am sorry, Lord.

"I know you are; that is why I am restoring that grace to you. But please keep your eyes on Me and My desires for you and ignore the grubby worm the enemy dangles before your face. Just think of it this way: all things of the world are truly grubby worms. They break, fall apart, get dirty and

beaten up. The only thing that stays fresh and wonderful is our relationship and the Love we share, which gets deeper and deeper every day you don't look to the side to gain some personal advantage."

"My Brides, those with a single eye are those who enter into My glory."

"To the single-eyed soul, there is nothing outside of Me worthy of their attention. They spurn all outer things, not because they are evil. Not everything beautiful is evil. But because they want more from life than those transitory created things can give them. Those creations are so limited...and when you come to their limits you seek the deeper things."

"How much better for you to seek those deeper things without having to go through that process of being lured away from Me, time and time again? You see, when you truly walk in the knowledge of who you are, standing naked before Me, I protect you from distractions and you cease looking to the left or the right. But when you lose track of who you are--truly are, before Me--I have to remind you of your frailties, and I remove that hedge of protection."

"It is almost like two roads intersecting. When you are firmly convinced of your identity without Me, to the point where you treat all men as greater than yourself out of sincere conviction, not feigned humility - often that intersects with a complete loss of interest in the beauties of the world, which become bland, stale and worthless to you. Then I don't need to protect you any longer. You have passed the tests. You are walking in this world as an adult, with a single mind, a single agenda, a single vision, only to bring glory to Me. This is our goal, My Beloved Bride. Cleave to Me and keep your eyes on Me at all times, and you will reach this goal quickly."

Jesus says... Love your Children, but do not soft-pedal the Truth

July 26th, 2017

(Clare) Dear Lord, fill us with your gentle conviction and unconditional love, that we may do the right things with our children... Amen.

Well, Heartdwellers, we have been dealing with situations that are painfully close to home and of course I long for the best outcome when it comes to my children finding good spouses. Then again, the fear of God and Hell is not strong enough to keep them pure until they are married. That is painful but there's nothing I can do except state my case and let it go. But I haven't let it go. I have struggled and become embroiled in the potential for my adult child to be hurt again.

I have seen them hurt recently and now another situation is looming and I feel very uneasy. I've been so disturbed by it that last night I couldn't play the piano, I went to bed early. Tonight again it's crept up on me. Oh, how I hate to see people hurt and of course, especially the ones dearest to me. So I have been harsh and judgmental with the one who is not a family member.

How do I balance that Lord?? You give me readings from the Scriptures about correcting a wrong spirit and I do so in love. And then my mind keeps going and finding other attitudes that possibly lead up to serious faults that could cause my dear ones to be hurt in the long run. So, I judge and judge and judge. And each time I judge You allow me to have an accident or misplace something. So, I'm getting the message that I've gone over the line. And I am truly sorry, Lord, please forgive me.

Jesus began... "It's good to hear you say that. How can you encourage someone you are always judging? Don't you know these pricks are felt by others when you do that? You really have a bad habit when you see something out of place. You need to pray not judge. Pray not judge. More often it is because you feel rejection and even if it is true, it is better for you to be hopeful and pray for the best outcome."

(Clare) How do I handle this sinking feeling inside?

"With Prayer"

(Clare) Jesus, please take this plague of disappointment and fear away.

"I'm glad you identified fear."

(Clare) I'm sorry.

"Have you forgotten that I am in control here?"

(Clare) Have I?

"Yes. Release this to Me and you won't be on an emotional roller coaster. I love them both more than you ever could, Clare. Both have lessons, both have opportunities, both need great wisdom. You backing off until you are really needed is a good thing. It will make for more peace in the house and work environment. Don't you see how tied into this drama you are? I want you to stay as a neutral observer, one who prays the burden away and then moves on. When you feel this sadness and burden, come to Me and allow Me to lift it off your shoulders and onto the Cross."

"So many times, My children, your concerns become overbearing and you cannot function. A sucker punch, so to speak. I know you love your family members but you will never love them more than I do. I want you to understand you are looking at two aspects when you have family members in turmoil. First, you are looking at your child or husband or wife—and then, you are looking at a soul. There are times I must work with them as a soul, and yes, it can be very painful. In that case, I ask you to please release them to Me."

"You cannot handle the pain you feel and you become too interior to the situation. Then it interferes with the work you must do. Step back and realize: I am in control. Because you are Mine, because you Love Me, because you serve Me, I am most solicitous for your children."

(Clare) You see, when you look after My children, I look after yours. And you will never be capable of looking after them as well as I am.

"If you were looking at a stranger in the same circumstances, it would be easier to see that soul objectively and to acknowledge that certain decisions bring with them certain consequences, and you would bring the burden to Me and lay it at the Cross. But as a parent or spouse, you want to protect them. From what? From the lessons they must learn?"

"Look at the whole picture, not just the circumstances. Look at destinies, look at Heaven or Hell, look at their need for repentance. Then allow Me to act in their lives without becoming deeply disturbed, knowing that anything I allow will form them in character and lead to the very best

results. You cannot shield them from the consequences or they will never grow up. And if that has been your pattern in the past, no wonder I am having to work with them as adults. Do you see?"

(Clare) Regrettably, Lord. Yes, I do.

"I am not correcting you, My Precious One. I am helping you to see things from My perspective so you don't come unraveled when painful things must happen. Just pray that THEY will get the message as to why things are going south. Pray that they will turn around and repent, realizing they are in the hands of a just and mighty God, full of mercy, but needing them to live by My rules not what the world calls right."

"Clare, I need someone to stand up for what is right and moral or how will they ever learn. You have done well to explain consequences. Now step back and watch what I do with the situation. Allow characters to come to maturity and motives to be exposed. Allow them to grow up. Be the loving mother and allow them to work through their passions and life decisions with your prayers behind them. Always being loving, cordial, understanding, supportive but moral and standing for what is right in My eyes. That is the very best witness you can give."

"My people, ignoring the sin your children choose to get involved in is not the right way. Compromising your morals and faith is no way to lead them. Be strong in your love for Me and fearless in laying forth the truth, WITHOUT condemnation, which will only drive them further into their own will. Some people think that if they lead a more worldly life in order to satisfy their children, eventually they will come around."

"No, that is not the right way. Lead a life full of devotion and boundaries, allow them to mock you if need be, but live your life without compromise and with full conviction. Then when it is time to make a decision or time for them to stand before Me, you will not be guilty of working against Me by being the liberal parent. Better to lose their respect than to lose their souls. In the end, there will be no excuse, because you lived My life before them. On the other hand, when you compromised you sent a double message and that allows them to tag onto the compromise and justify what they are doing. Do you see, dear ones? Never compromise to keep or gain your children's affection. Always do the right thing and they will remember that at critical moments, when they must make a choice. I am with your children. Love them no matter what, but do not soft-pedal the truth."

Jesus says... You become irresistible to Me, when you seek Me

August 1, 2017

Clare began... My Lord and My God, I wish I could be with you forever. I long for You Jesus.

Jesus answered... "I know, and it will not be long."

(Clare) Oh Lord, how can I believe that? whoops... (I remembered He's dealing with me with Unbelief.)

"Yes, we are having issues with believing, aren't We?"

(Clare) Wrong words. Sorry, Lord.

"I don't make light of how you feel. I know well how you long for Me, as I long for you, too. It is difficult to trim down your schedule, isn't it?"

(Clare) Very, Lord. Very difficult.

"Well, keep trying, you are getting closer. Be more vigilant in the mornings. That is, when you wake up."

(Clare) Yes, I can see there is slack there. And the enemy will try to side-track me. He did this morning.

"That's correct. Be ahead of him, dearest...stay ahead of his schemes. I will whisper in your ear, but you must listen very carefully and you will avoid the pitfalls he has planned for you. If he can steal just one hour he is happy - as happy as pure corruption can possibly be. But seriously, be on the lookout for his morning strategies. My beautiful one, My dove, how I watch you during the day to see how many times your eyes drift off towards Me. I listen to the tender moans in your heart over our separation— and I, too, am pining for you. I also watch your thoughts, your footsteps, your intentions and the ways in which you honor Me and are faithful to Me."

"This is a most painful separation for many of you right now. I know how painful it is, believe Me - because it is excruciating for Me at times. I know how much you fight off the temptations to despair over the length of time you must wait until I come for you. That is one reason I am blessing so many of you with new gifts, so you can be productively distracted to build up My Kingdom on this Earth before you are taken."

"All of you have creative gifts. There is not one soul created in My image that is not endowed with amazing powers of creativity. The main obstacle holding you back is not knowing what your gift is. I know I have said this far too many times to you, but it cannot be said enough. You must seek Me until you find Me and learn to listen very carefully to the little hints. I have said this many times as well: If you see someone with a skill, be it singing, playing, or any other endeavor...preaching, teaching... If you feel stirrings in your heart, 'Gee, I wish I could do that!' you may very well be called to that. In fact, if you are jealous of those gifts in others, I can tell you categorically it is because you are not working hard at your gift; otherwise you would be happy to hear others and not feel that jealousy."

"You must seek Me until you find Me. I respond to the desperately poor soul who cannot go any further without Me. My heart melts to see that kind of devotion and abandonment. How can I resist? When 99.9 percent of the souls on the planet have no inkling of Me. Therefore, how should I respond when I find one that cannot live any longer without Me? Do you see? You become irresistible to Me when your life is put on hold just to find Me, just to have Me."

Warning from Jesus... It is not looking good at this Point... I need your Prayers

August 4, 2017

Jesus began... "There is a life and death struggle going on for that tipping point that will destroy this nation. I need every suffering, Clare, and I know how you have been burdened in trying to do everything I have asked you to do for Me. I know how you suffer because the time slips through your fingers no matter how hard you try to keep it focused. And your pain levels have been almost

intolerable. This, too, I am allowing as a suffering and I am highly pleased with your choice to put this message out over all the other things you could have been doing tonight."

"It is a time of intrigue and back-room deals. At the one extreme, the enemy has woven a web around the nations to draw them into an end-all conflict, where nothing living is left on this planet. At the other are those who wish this country to be a dictatorship, part of a new world structure. But as long as My people are suffering and praying, I am holding it back. But I must warn you - it is not looking good at this point."

"My people, many of you are not ready for the Rapture. I have given Clare these dreams so she could share with you how hard it will be for those who have not circumcised their hearts and given their lives to Me."

(Clare) I am sorry, Lord, I did not recognize that it was your intention. Dear ones, I have been having these ominous dreams for months, and in every one of them I am looking for an escape route, but never find one.

"It is true that the deep state is the greatest threat to this country at this time, and I am calling you all to shoulder your cross and any other crosses I lay on your backs."

(Clare) The 'deep state' is the New World Order and Obama alliances, the underground government that is controlling things.

"This time will not last forever, there will be a breakthrough one way or the other that will catapult your country into peace or civil war."

"At this hour your prayers mean everything, and they are the only thing holding this wicked government back. I have given you dreams about the future living conditions. Men, women and children will be separated and quarantined and held captive until they are fully vaccinated with poisons and it is determined if they have any value to the future government—or should they be done away with. As it is written: they will desire death but not be able to attain it."

"There is a plan underway, to overthrow this government, create Martial law and force people to live for the shadow government and NWO. I am still pulling strings, Clare. I am still frustrating their efforts. I am doing this through the power of these prayers and sacrifices."

"It should become evident very soon that this evil force must be opposed and countered by every man, woman and child in God's service. Each candidate must be selected with extreme caution to get the right people into the right jobs. It looks like a daunting job to taxpayers who are functioning only on rules and tremendous misinformation and not a broad understanding of what is really taking place."

"Then, there are those who cooperate with this shadowy state, not having any clue as to how they are being used against their true will, if they only knew what these evil men are about. But they haven't taken the time to really investigate the lies, so they swallow the party line to oppose a good man in office and keep on blindly marching on to cause chaos, selling their freedom in the process."

"Your president is doing everything he can to destroy every ungodly law that can be used against the people to subdue and induct them into the enemy's camp, or do away with them on flimsy

charges. Much has been destroyed of Obama's infrastructure, but he has tremendous forces on his side and will use them effectively if he is not contained."

"My People, there will come a time when nothing matters except the right thing. The grassroots American people will be a force to be reckoned with and no one will call evil good and good evil. Yet we are not there yet and the opposition is fierce. So, I am mobilizing all who are willing to give of their lives to hold back and chain down this force of evil."

"Give Me your pain: emotional, physical, mental. Give Me your frustrations. Give Me your failures and losses. Give Me the unexpected, where you are forced to make bricks without straw. Give Me your all. Do not despair of the work you have undertaken for Me. It all fits together like a giant, holy, jig-saw puzzle that I am creating a new vision with."

"However, events will determine if peace will continue for the next two years, or if you will be thrown into a war."

"It is so much better, My People, to accept these crosses without complaint, but resolutely. Knowing that I have allowed them for the expressed purpose of saving this nation."

"You are doing a mighty work with your frustrations of recent weeks, with your losses and failures. So much is not understood about the good you ARE doing, so keep it up, please. Don't become despondent. And please make these freewill offerings as generously as you can, and I will make the burdens lighter."

"When you complain, Clare, you make it harder on yourself. Try not to complain, My Bride, but just to bear these frustrations with great integrity and generosity and patience. I promise that you will experience a measure of relief by your charity, thanksgiving and generous giving."

"So, in all your struggles, dear Bride, I am with you. I have not abandoned you. Anything contrary to your plans and sufferings that you have, I am with you. And I'm giving you patience and perseverance in mighty, mighty graces for you to succeed and to keep going."

"Please support Me with your prayers and know that your prayers are powerful against this evil government."

Jesus says... It is a dark time... But there is a God in Heaven

August 5, 2017

Jesus began... "It is indeed a dark time, but there is hope. Real hope. Since your message, there has been a spike in prayers offered to the Father. Do you see? You really do impact my people. Don't be afraid to cry out and warn them, don't be afraid."

"There are shifts from time to time, Clare. It is necessary to beef up defenses and offensive campaigns against the enemy and it takes all you have to give. Then there are other times of rest, when you can cautiously return to your creative work."

"I have seen your tears, Daughter. I know your struggles. No matter what, I am not giving up on you."

(Clare) Thank you, Lord.

"Please, Clare, don't give up on Me. Look at your past with Me, have I ever let you down? Haven't I brought you into an enlarged territory greater than ever before because you did not give up?"

(Clare) Boy, I remember those times...

"You are battle weary and sin-sick because of your involvement with too many things outside of yourself. The exterior matters little. It is the interior that is precious and your efforts to go deeper into this place of peace that I shall bless. But do not turn around, keep going; there is hope and there is time."

"Even now there is a wave of repentance and call to heavy intercession that is sweeping across the world and My Father is harkening to these prayers. So I tell you, there is hope. Cling to Me, cling to Hope and it will not disappoint."

"All of you, Heartdwellers, increase your prayers for America and for the defeat of the Deep State which is gathering its forces but now running into one barricade after another as Our Father in Heaven has sent out His angels to intercept and sabotage their efforts."

"They thought they could win the elections by cheating—and no matter how many bogus votes they generated, they lost. They figured, well now that that's over with, we will cause riots and destabilize the government. That didn't work either. And for the rest of their plans, there is a God in Heaven and He is sovereign and the enemy will fail at every attempt until the appointed time."

"In the meanwhile, work, pray and fight with all your might. And remember... a man's worst enemy is himself. Do not so much worry about personal enemies outside of yourself, worry about your own conduct and strive to be irreproachable and worthy of My Name."

Heaven is real & The Saints are real

August 6, 2017 - Clare's Experiences in Heaven

Lord, please do not grow weary with our failures, but sustain us in your mercy. Amen
The prayer of a righteous man has great power to prevail, and I thank you, dear Heartdwellers for your prayers. They really make a difference.

So, forgive me for going on and on about opposition and trials, but I must believe that I am not alone in this and many of you are having terrific struggles with your flesh and the environment we live in.

So, it is time once again for confessions of my failures. I can't believe that no matter how hard I try, with the foreknowledge that there are snares set for my feet when I wake up...no matter how hard I try, I am caught and thrown off by these snares and left dangling upside down on a tree limb - when I should be praying or sitting at my keyboard.

Well, I pray that I will settle on a schedule that really works, because that's part of the issue. So, I was feeling extremely downcast and defeated, while in prayer. I knew that I had offended the Lord, so I wasn't really expecting to see Him.

Much to my surprise, I began to see willow branches gently passing through my hair. and I realized I was in a canoe with the Lord and we were approaching Lily Pad Island. This is a place in Heaven Jesus takes me when I need an interior overhaul of grace and courage. Here I meet those who have run the race and finished their course and have taken a special interest in my life.

Paul talked about them in Hebrews 12:1 Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off every encumbrance and the sin that so easily entangles, and let us run with endurance the race set out for us.

A pier jutted out into the water and there was a small group of saints, from the Cloud of Witnesses, waiting for us. Simba, my white tiger, padded out onto the pier and wrapped his giant arms around me as I was leaving the canoe. Once in a great while, Jesus brings me to this island to be strengthened by certain members of the cloud of witnesses who have a special significance in my life. I just fell to my knees and cried, "I am a failure; I have failed the Lord again." They helped me to my feet and embraced me. I realized Mary, Martha and Lazarus were there and they have taken a special interest in my struggles.

I said... 'Thank you precious ones for caring.'

Lazarus was the first to speak... 'All of us in Heaven care. We are here to serve others and help them pass through the tests of life with more success than we did. We are servants of the servants of God on Earth.'

Just after he said that, I saw myself lying back in a chair, rather exhausted from crying and confessing my failures. The Lord had been trying to get me to go deeper in My repenting and finally, today, I got in touch with and saw how I had failed many tests—especially keeping my focus out of the world and onto all of you, my dear Heartdwellers.

But in this moment, there was peace and forgiveness. And compassionately the Lord laid a delicate gold crown with emeralds on my head. Now, what that normally means is there is a test coming. And He gives me the crown ahead of time, to let me know I'm going to pass it. So, that was very comforting.

Jesus began... 'You have been battling a giant and it's going to fall.'

I answered the Lord... 'But I feel so hopeless...' After I said that, Mary the Mother of Jesus, stepped forward. 'It is not hopeless, it's NOT hopeless!' she repeated. "It can be turned around...there are graces that will be dispensed to help you. All of Heaven is rooting for you. You are NOT alone. Even this good man has sensed your plight and wants to help. All your Heartdwellers want to help. They love you, Clare.'

And what she was talking about there is, a gentleman who may be helping me with some piano for my song. But I answered her and said... 'I am such a mess-up.'

She answered... 'All the better for My Son to get all the glory. We will help you and you will see a difference. Continue to watch yourself and how far you go beyond the necessities.'

Yeah, that's where I really get off on tangents and blow it.

Mary continued... 'Watch very carefully and you will not get snagged. The enemy is going to continue to try and overload you and pull you off course. Don't allow it. Stay on target. There is time. Hopelessness is useless; what is needed is prayer and faithful obedience.'

After she had said that, I thought that there is so much to learn about the Cloud of Witnesses and what their job really is. I can only imagine that when they see us struggling to hold on, they cry out to God on our behalf and His grace comes to the rescue. And I see Mary with a very motherly heart, as someone who cares deeply for us—because her Son cares deeply for us. Surely the thoughts of the cloud of witnesses permeate our air, sometimes admonishing and warning, other times encouraging... though for the most part we do not see them, we sense divine assistance. Before my conversion, when I was a New Ager, there were familiar spirits that people would get in touch with that manipulated the lives of those on Earth. And behind them was Satan.

Then, when I was converted and my eyes opened, they are the holy ones, the angels and saints who are given permission to look in on our struggles. Satan has a counterfeit for every facet of Christian life and the kingdom of God.

But I always return to the staple of discernment... 'By their fruits you will know them.'

I asked Mary... You said that the enemy is going to continue to try and overload me. How do you know what the enemy is up to?

She answered... 'The knowledge is imparted by the Holy Spirit, He who permeates all of Heaven and Earth. He carries this knowledge so that those members of the great cloud of witnesses who have a concern, become immediately aware, in order that we may stand behind you and be an encouragement.'

We, too, can see the movements of the enemy, but only God in His Three persons has the foreknowledge of what will happen. And this knowledge is imparted to those concerned by the Holy

Spirit. We stand with you, Clare. We stand behind you; you truly are not alone. Take heart in this Daughter. Stand up, keep going, the victory is God's. Trust and obey and it shall be yours also.'

I came away from this sweet place so encouraged and strengthened. Heaven is real, dear ones, and so are His angels and saints. They love us and are cheering us on. I believe that because of their intense concern and love for us, they encourage graces to flow from the Father on suffering mankind.

Jesus says... Satan will steal your Light, if you allow it

August 8, 2017

Jesus began... "You are a creature of light. You are not that creature you woke up to. That's the devil's hope and dream for you: utterly abandoned, walking in the dark, confused, fragmented, lost. The demons work very hard to weave that filthy blanket of lies over you so when you wake up, you'll feel hopeless."

"But this IS who you are to Me, this is the reality. Full of light, overflowing with hope, firmly held in My arms and saturated with grace, a table laid before you full of choice fruits and fine wines,

honey from the hives of Heaven. Light swirls around you, hope permeates the very atmosphere you are in, expectation and new beginnings abound. You are wrapped in a blanket of light, fully saturated with grace, and all the elements needed to create are at your fingertips. This indeed is you. It is also you who are in My arms, clinging tightly to Me, returning to Me fully after each distraction to be reconnected to your Source of All Life."

"There is no darkness in you, Clare, for I live and move and breath through you. I have My Being in you. What you woke up to was a blanket of lies and darkness woven by the enemy. All of My generals must face these lies daily and blow them off with faith. I cannot burst forth from inside of you when you are wrapped in darkness."

(Clare) But Lord, doesn't Your Light overcome the darkness, as it is written?

"Yes. But you must consciously throw off the cloak of lies to see the Light burst forth. It is your choice: be wrapped in darkness and lies or throw them off in faith, knowing that I am the Light and in Me there is no darkness at all. You have to choose what you will believe: the lie or the truth. Then you must act on it and throw off the grave clothes the enemy has covered you in."

(Clare) And at that moment, I just prayed a short prayer... In the Name of Jesus, I renounce the darkness and hopelessness of your lies, Satan. I renounce every lie against God and embrace His Light living within Me at all times. Let the rags be taken to the Abyss and let the Light of My God shine forth... Amen.

"This will help, but you must cooperate with the Light and refuse to accept any thought contrary to this. For they will try and try and try to get just one derogatory thought in your head. Do not allow it, renounce it. If you don't, it sticks to you and other darknesses will be attracted to it until you are covered in lies. This is a daily effort, My Love. Throw off the works of darkness and embrace the Light."

"The hour has come for you to wake up from your slumber, for our salvation is nearer now than when we first believed. The night is nearly over; the day has drawn near. So let us lay aside the deeds of darkness and put on the armor of light. Let us behave decently, as in the daytime ... clothe yourselves with the Lord Jesus Christ..." Romans 13:11-14

"Though Paul is speaking to those who have not as yet renounced sin, it is the same principal. But instead of sins, it is thoughts cloaked in darkness that destroy. You are a chosen generation, a royal priesthood begotten by the Father of Lights. If you allow it, Satan will steal your light with unbelief. That is why you must be steeped in Me and not the world. These past few weeks have been extremely threatening to your walk, because you were required to spend so much of your waking reality not in Me and in My Light, but in the dingy, dark world. You cannot dwell in darkness and come forth shining with My Light. No, you must renounce the darkness and embrace Me, cling to Me and My promises to you with all your hearts. If you do not cling to Me, darkness will cling to you."

Jesus says... Your Efforts frustrate the Enemy's wicked Plans

August 12, 2017

Jesus began... "I am with you. You will not be put to shame; I am with you. These are dark and difficult hours you are living through, even in this moment. Yes, they are dark and difficult because so much is being held back by all of your sincere offerings. That is why it seems so heavy, Clare."

"My Dearest, I have NOT abandoned you. It is the times you are living in, where darkness is on the increase."

"PLANS, SUBTERRANEAN PLANS, ARE BEING PUT INTO PLACE. BUT AM I NOT THE GOD OF HEAVEN AND EARTH? Shall I give My people over to this pernicious evil? No, I will not. Nonetheless, it is a struggle. And when you struggle for Me, Clare, I am so very pleased with you. I see your discouragement, child. I feel it keenly. And I am here to tell you that it will not be in vain. Yet, I know in this moment your heart is torn. Do not let this breach in faith get any bigger. Have I not worked miracles all your life long?"

"Yes, Indeed I have and now is no exception even when your faith flags. I do not flag. I shall do what I promised. But I need your cooperation, dearest. I want you to firmly believe that what has been spoken will come to pass, if only you will persevere."

"And for the rest of you, My people, some of you are facing very discouraging circumstances. Hold tight to the dream. We have not finished climbing yet; we are still ascending the mountain of courage and brotherly love. Yes, it is difficult, very difficult at times—but remember, charity always wins."

"The good you do always multiplies every effort you put into it with a return you cannot even imagine at this time. Everyone who has signed on for this climb is given a portion to carry to keep this nation afloat. The enemy cannot fathom why they are getting so much resistance in putting their plans into action. The drag on their aspirations is also discouraging them, yet they will not give up."

(Clare) He's talking here about the Deep State.

"The god of this world has an unquenchable fury that will not be satisfied, but mounts greater and greater plans to destroy this world and everyone in it."

"What I want to say to you all, is that the drag in your life, the extra pull on your plans and actions, is actually very much in proportion to what the enemy is suffering, but of course, on a much bigger scale. In other words, are you laboring and almost out of breath. That is because your efforts are being used to slow down and frustrate their wicked plans."

"All of My warrior brides who signed on for this climb are carrying loads that are appropriate for them— after My strengthening, so they can continue. And what is being generated is monumental opposition to what Satan wants to do. All because you have said, "Yes" to Me and offered your lives as a sacrifice. Therefore, you have more than the usual amount of battles and difficulties, because you are fueling the pressures being brought to bear upon their agendas."

"Multiply this by thousands around the world, add the blood of the martyrs and you have an incredible force to deal with. That is why the church must be raptured before the antichrist can implement the fullness of his plans. All is dependent upon that event. That will be when it begins. And we are holding it back together."

"So, do not grow despondent with the weightiness of it all. I have prepared you for this hour of triumph over darkness. I am with you and will bring to pass what I have promised in each of your lives. I will also supply what is needed when you feel as though you can't take one more step forward."

"Do not omit your time of dwelling prayer with Me in the morning. Drink from that wellspring of life, power and peace before you attempt to live your day and it will go much smoother. Also do not omit your binding prayer and communion. These are mainstays of protection to short-circuit the enemy's agenda for the day."

"My precious ones, do not allow the enemy to injure your faith or grow despondent. Turn instead to Me for your strength. Understand, with each battle you fight, the enemy is being slowed down and blocked from annihilating the Earth. Cleave to Me with all your strength and when it seems like more than you can endure, shut yourself up with Me until I restore your peace."

"We will have the victory in all things. What I have promised, that will I do."

Jesus says... Only the Fruit matters in Heaven Rapture - Wakeup Calls - Intercession - Prayer

August 16, 2017

Clare began... Lord, please be the master of our times and our hearts and turn us to deep intercession when You call us... Amen

I was so looking forward to a peaceful and loving day of prayer with the Lord, when Ezekiel woke me up with a word he got from the Lord about the Rapture and events around it that seemed to be quite contrary to what He has given me thus far.

It troubled me deeply and I was asking the Lord... 'Did I miss You? Have I been listening to a familiar spirit or talking out of my own head? Dear Lord, please clarify all this! Am I so proud that I don't even know how bad I am and You are going to have to bring me crashing down in humiliation?' All these words I keep hearing about from different people...not the full words just the gist of it... 'It's all over the internet, the Rapture in September!' Doesn't that sound familiar???

And I really don't talk to many people, certainly not a lot of people that are on the internet. But every once in a while, it comes up. And lately, it's come up too frequently for me to ignore. So, I got the sucker punch waking up and went into panic, prayer, and discernment mode—feeling insecure at the very least. The last thing I ever want to do is mislead you, dear Heartdwellers, and the very thought of it makes me sick at heart. So, I sought the Lord for hours until He finally calmed me down enough to hear Him.

Jesus began... "I didn't mean for this to disturb you as it has. It is a suffering, Clare, a deep moral suffering. There is still time left but the urgency all of you are feeling is to bring you to a state of readiness, because I do intend to surprise you all."

"What did I say?"

(Clare) Here He is recalling His words to me about the delay.

"Would I lie to you? No, you know I would not lie to you, ever. Did you hear Me correctly? Yes, you did hear Me correctly. But as long as people are fooling around and paying no heed to the times you are living in, I must send out urgent wakeup calls. There will be no excuse on that day."

(Clare) But Lord, You've been doing this for years now, and each year it doesn't happen, the mockers increase.

"That, too, is by My design. Many say they are for Me, but when I test and try them with delays, they turn away from Me shame-faced. They were basing their spirituality on fear of suffering in the Tribulation. But those who are true to Me don't care if they are mocked; they continue to believe year after year. Do you see the difference?"

(Clare) Yes.

"There must be many testings and trials, incongruities, contradictions and delays to sift those who truly belong to Me from those who still belong to the world. They are the ones that become the mockers, because I did not show up in their time frames. They are like the seed that fell on shallow soil. They spring up in joy but when nothing happened they withered. Yet in each harvest, there are those with good soil, who do take it to heart and have no fear of suffering for the sake of the truth."

(Clare) So, Lord... what does all of this mean? Ezekiel feels that he has perceived a series of events that do not coincide with what you've told me. And besides, all that Carol and I are getting are more and more urgent readings about war and the rapture.

"I have told you before My Love, these are birth pains, but you must hold ground and seriously pray to forestall the events on the horizon. I did not lie when I said I would give conditionally three years. But when life goes on without serious consideration of what is looming, I must remind you."

"Have you been praying passionately to forestall these events?"

(Clare) No Lord, not always. Not always passionately, certainly I did today.

"That is exactly what I am looking for; much more serious intercession from you and from all. There are certain pressure points that come up where things could take a turn for the worse. It is the sincere and passionate prayer that turns them away, and now is the season for you to care passionately about the world, so that these events will be forestalled as I want them to be."
"Passionate Prayer turns the Tides. I am calling you all to passionate prayer. Things continue to deteriorate and the enemy continues to erode the sanity of every nation. But passionate prayer will turn the tides. We went through this last year and the year before."

"So, it is necessary at times for Me to remind even My very aware servants and prophets that the situation is still critical. And by doing so, they warn others and deeper prayer and repentance is the result. THAT is what I am looking for. Going deeper in repentance and reformed lives."

"That does not mean abandon the work of your hands, but at certain times you will be prompted to put everything away and spend the day in intercession. You are not to feel guilty or bemoan that time away from other works, but rather take it as a break to draw closer to Me and the world situation through prayer. Truly, you are slaying giants as you work in your missions. But I want to confirm this to you, there is no greater work than prayer."

"During that cycle, you may not get done what was on your heart to do. Let's say a song, to bring souls closer to Me. But as you are praying, I raise up another musician to play and sing that song. Or perhaps you are teaching and writing. When you go into deep intercession, I raise up other writers and teachers to bring forth that same message."

"The economy of Heaven is rarely understood on Earth. It is not Who does the doing, it is always My Spirit that is doing the doing. What changes is the vessel He pours through, and all will reap the benefits from that work. The writer that was called aside to be an intercessor, the writer who was called up to be writing. Only the fruit matters in Heaven. There is no squabbling for position or getting the credit. All are satisfied that it was done and good fruit issues forth. Nothing other than that matters to them."

"I have planted, Apollos watered. But God gave the increase. Therefore, neither he who plants is anything, nor he that waters. But God who gives the increase. He who plants, he that waters are one and every man shall receive his own reward according to his own labor." 1 Corinthians 3:6

"This also is the way I want you to see what you do everyday. Whether it is suffering pain, praying, fasting, or doing the work, the only thing that should matter to you is that you obeyed Me and then good will come from it. Nothing else should concern you, My Loves."

Jesus says... You are your own worst Enemy

August 19, 2017

Jesus began... "I want you all to understand that each of you has weaknesses. Even if you are deeply devoted to Me, there is still the flesh and Satan will play you like a puppet if you do not know yourself. Please, bear with Me. I know I have spoken of this before, but you are your own worst enemy and to know Me and yourself are the top priorities if you want to overcome the enemy in your life."

"It is true that Satan does have X-ray vision into your personalities. He also has files. The kingdom of darkness is highly organized. They can examine your life and tell in a heartbeat where to set you up for a fall. Two things are necessary... Pride and blindness to your faults. Without pride, you will not listen to the enemy and do things that can hurt the cause of an organization you are with. You must have an attitude of self-righteousness, and a sense of being right in your walk with Me."

"A soul that does not recognize how vulnerable they are is a very dangerous soul. To not know your failed dreams, frustrations and tendencies is to be blind to the tactics of the enemy, who has the

ability, by virtue of this information, to steer you right into trouble for yourself and trouble for others."

"With a sense of pride and the attitude of being secure in your relationship with Me, and always being right, always having answers — even when it goes against the teachings of the leader of a group you are working with — is a wide open door for the enemy to cause division."

"My children, this Earth is like a big sandbox, and sometimes in your immaturity you throw sand at one another. It seems like nothing. But beneath the sand, deadly snakes are biding their time until they can inject you and the others with the venom of pride, rebellion, self-righteousness leading to judgment and wanting to be an authority figure and change things to your own thinking."

"My leaders may not be anything to look at, but they have one thing going for them... they don't trust themselves. They know they are not righteous, they know they are proud and open to error and therefore they cleave to Me in all their ways. That is why I put them there. They know they could fall in a heartbeat and the last thing they want to do is fail Me."

"Others who do not see their faults that clearly and have strong opinions and a drive to dominate, are the perfect set-up for the enemy. That is why I am training each of you in humility and to hate selfreliance and see it for what it is... a deadly trap. Yes, My leaders make mistakes, very human mistakes, but it is your job to back them up in prayer so they don't go far after they've done something not pleasing to Me."

"These dynamics are not just for groups with a leader. These dynamics are for discerning your lives, making your marriages healthy, raising children, seeking a life path. If you are convinced you know best, you will most probably fail. I say most probably because there are those times when you have sought Me over time and have a strong LEADING to pursue a certain direction. Those attitudes don't count, because you have sought Me for so long."

"I am talking about people who make life decisions based on what they think is best, whether it be security in a career, the choice to be insecure and follow Me into the mission field. You still need to yield to My wisdom, lest you make a seriously wrong life decision. There is no person harder to direct on this Earth than the soul who is convinced they are right."

"How can that be, you ask? Very simply, a self-reliant soul will not agonize with Me over what direction they should take. Rather, they feel qualified and confident they've made the right choice. A wise soul will at times fall into doubts and fears that they are choosing for themselves and not what I would have them do. Yes, they doubt. Yes, they fear, and that's what brings them back to Me to re-discern, and be absolutely positive I am leading them and they are not leading themselves into a trap for their lives. These souls I can work with."

"The others? Well, it is sad to say but I let them sleep in the bed they made for themselves until they come to Me broken and say... 'What happened? I was so sure I was right.' By then, time has been wasted, resources wasted, and the soul is ashamed that they didn't seek Me to begin with, rather they second guessed Me based on human reasoning and galloped off into their own direction. They resisted Me when I counselled them. But at least now, they have a second chance."

"Of course, the worst and most tragic souls are the ones that don't see they never sought Me, so they blame the world on their failures and again with the bit in their mouths go off on another wrong direction. At the end of their lives, they are filled with bitterness because everything they

tried failed them and their lives are unfulfilled. How tragic. Please do not let this happen to you. Please seek Me until you find Me. And remember... I am not an easy catch."

"Some of you are still questioning... 'What am I to do?' You still haven't found your place. Continue to seek Me. Spend more time repenting and seeing the sins in your lives, spend more time laying your life before Me and asking Me to take it up and make it beautiful as it should be."

"I will NEVER turn down a soul who seeks Me in this fashion. You have to go all the way in your discernment of yourself. You have to be willing to open those closet doors where the skeletons are stored. You have to deeply forgive and know that your choices are what led to your failures, not other people. In short, you have to take responsibility for your mistakes."

"There is no one more teachable than the soul who comes to Me saying from the heart, with conviction... 'Lord, I have gone my own way and failed. I've made a mess of my life. I don't have a clue! All I can do is throw myself on Your mercy and cry... Lord take my life and make it beautiful for You!' This is an empty vessel and with this I can do marvelous things."

"So you see, My People, you have nothing to fear in learning who you are and who you aren't. In fact, you have everything to gain, because you are digging deep down to the bedrock of truth and on this I can lay a foundation. It is those with a self-inflated opinion of themselves that are in deep trouble and go from one situation to another causing disorder and failing."

"Turn off the TV, turn off the computer, turn off the noise in the house. Get a quiet corner and seek Me until I come to you. Be gut-honest about who you really are and who you really are NOT. You have nothing to lose. Certainly not My love."

Warning from Jesus... You are not taking this Time seriously enough

August 21, 2017

Clare began... Jesus, you are warning us. May Your words move our hearts to action... Amen. So, today I sought the Lord about the eclipse. Lord, please speak Your heart to me for Your Bride...and what's this about the Eclipse?

Jesus began... "There will be signs in the heavens, the sun, moon and stars...you already know this."

That's Matthew 24

"It is a sign of My coming, Clare, another warning to this generation to get it right. Yes, this should be announced and brought forward during these times. Prayers are lagging behind, Clare. Not just with you, but with everyone. Life goes on... school, work, eating, drinking, marrying and engagements... just as I said it would. But the Son of Man will come at a time none expect."

"My people, you are not taking this time seriously enough. I am in great need of your dedicated prayers in this very hour. Yes, you have prayed. Yes, you are praying. Do so even more. I have great needs you know not of. Vigils, fastings and serious prayer are needed at this time. Yes, the Divine Mercy Chaplet will be very effective in turning the Father's heart to giving more time, more grace and more mercy. I am NOT telling you to put your lives on a total hold; but I am asking

you to forego entertainment and eating out, in favor of serious prayer for your nation and the world."

"If I told you in this moment what is moving forward and being prepared for you, your family and your nation, you would fall to the floor on the spot. Nuclear annihilation is not all. There are diseases that can be released, painful diseases no one can stop. Diseases there are no cures for other than to watch your children and family members die a slow and painful death. Looting, rioting and all sorts of insurrections are planned."

"The evil ones excel in digging up the most heinous crimes against humanity to get their own way. Your president is doing everything he can to stop these plans, but your nation is sitting on top of a very powerful underground government that is prepared to do ANYTHING, ANY CRIME against humanity to get their own way. I WILL STOP THIS...IF YOU WILL PRAY. Not just pray, but pray hard, travail, fast, beg for Mercy."

"The evil ones are blind to the fact that they are being manipulated by intelligences far advanced from their own, which are plotting the complete destruction of this Earth and mankind. You can stop it. Yes, little you. You can stop it by your passionate prayers. If you can't connect with that passion - to live and see your children live - you have only to just ask Me and I will anoint you for it."

"I tell you the truth, on that day that it breaks forth, you will beat your breasts that you did not pray harder. My people, now is the time of favor. Pray with all you have that this be stopped indefinitely and the enemy be defeated by their own plans."

"I have ways, ways beyond their resources to put a halt to their evil agendas. But these ways must be fueled by your prayers that the Kingdom of God on Earth be Glorified and the kingdom of darkness suffer the worst defeat. You do not have to wait to see the lava flow and search out these hidden cities. Yes, I have ways to defeat the enemy, but your prayers are needed to bring them about."

"There is tremendous volcanic unrest at this time. This is by design, because I can harness it to do great damage to the enemy. There is no way to stop Me, except if My people do not pray. I do not wish for any to die, but My heart is heavy-laden over the evil men plan to do to the innocents. And with your prayers I will bring certain plans to a halt."

"Also, the volcanic unrest has to do with the increase of souls thrown into Hell. My people, it is tragic that some are dying and going to this place I created only for fallen angels. It is tragic that lust, pornography, drugs and violence are a lifestyle leading straight to Hell. These are the forces that are filling Hell, and I need your prayers for the innocent who become captives and slaves to these forces. Yes, this is a time needing great prayer. My Brides, I need you! Fill Heaven with your prayers. Stand with Me against this encroaching darkness before it covers your land beyond remedy."

"Yes! I need your prayers. The Divine Mercy Chaplet, tongues and prayers from the Heart. Do not allow anyone to forbid you to pray in tongues. Rather, lift up your hearts to My Spirit and call upon Him to intercede. Then give utterance to His prayers."

"Do you understand? He does not pray as man prays. His prayers are perfect prayers. As He flows through you, wellsprings of living water ascend to the Throne to set the captives free, to foil the

plans of the enemy, to prepare even your hearts and the hearts of your unsaved loved ones to receive Me. Wellsprings of living waters flow out from you to fertilize and water the land. That's why Satan hates tongues and has done so much to make people ashamed and to cast slurs against it."

"Since the beginning of My Church, Satan, through man's insecurities and dependence on the approval of flesh and blood - the enemy has all but destroyed much of what was given to you by perverting its meaning or raising up others who go too far and give a bad example."

"I gave you tongues to liberate you from yourselves and your finite minds, that you might have My Mind, My Heart, My Thoughts. But many, through the opinion of frail flesh, have shunned this gift. Please, do not be among My servants as one who casts a slur on Me."

"Did I not send My ambassador to tell you, 'I speak with tongues more than you all.' (that's 1 Corinthians 14:18) 'For he who speaks in a tongue does not speak to men, but to God. Indeed, no one understands him; he utters mysteries in the Spirit.' (that's 1 Corinthians 14:2) And these mysteries may very well result in a frustration of men's plans to do evil. He who speaks in tongues speaks to God Himself. And great prayer is answered in this way."

"I long for you to have MY mind, but how shall this ever be accomplished if you refuse to give utterance to My Spirit? Great secrets and wisdom are released into your consciousness when you pray to the Father in tongues. There is great ignorance of spiritual matters and especially the ways of darkness, because tongues are suppressed."

"Enough said... Pray from the heart. If your heart is void of passion, ask and it shall be given. Offer a small fast. Yet the more you give, the more you will receive. Do not look down upon anyone, and honor leaders of the church, for this respect is done unto Me since I have appointed them. Indeed, honor all My commandments and your prayers will be heard."

"Go now, My dear ones, and apply yourselves to intercession until this hour of opportunity, for the enemy has passed."

Your Prayers are working... Justice is coming to Earth

August 25, 2017

Glory to God! Keep up the prayers and fasting, we are turning the tide of evil! My precious Heartdwellers, your prayers are making a difference. Tonight after communion the Lord said to me immediately... "I have a message for you."

He began... "You are responding. You are My prayer warriors and you ARE responding and you ARE making a difference. You are giving My Father what He needs to work with. Your voice is mighty, even over the voice of thousands. Your voices resound and bring comfort to His Heart, giving Him a new reason to rescue this Earth."

"My Brides, I am so very proud of you. Do not stop now. Do not stop your fasts, vigils and tears. Do not stop now. PRESS IN! You are turning the tides, you are making the decisive edge that drops the scales in Our favor."

"I called, you listened and responded. How proud I am of you! I have taken this time to tell you that you are right on target, you are turning this great pendulum in the right direction and justice

is coming to Earth — not the bloody kind, the merciful kind. Justice for the innocent, but havoc for the guilty. I will dislodge their cities. I will penetrate their hiding places with My fury and wrath. And that which was planned for the innocent...shall be their watery grave."

"Fire and steam will purge the evil from within the Earth, and the mischief they had planned for My holy ones will be their undoing."

"Do not stop praying and offering all you can give. Do not stop being patient with those who try your patience and provoke you. Rather, offer it to Me and I will move on their hearts."

"Do not despair over close calls with death. Do I not hold you in the palm of My hand? Not only do I hold you, I give you hope and new life as I shatter the darkness around you. Fear not the fire, the thunder, the hail, the deluge. Fear not the quaking of the Earth. Fear not the signs and portents of the times. Rather, lift up your heads and celebrate. Cry out to all the Earth... GLORY! OUR GOD REIGNS."

"For surely, I am about to bring destruction on your adversaries and drive back those who have planned your demise. But you must keep praying and pressing in."

"I will let you know when we reach a point of victory, where you may let up on your prayers and sacrifices. But for now, press in and continue as you have been doing. The Tide is about to turn, because you have rallied My Bride to My side. You and others who have heard My tears in the night, others who still are without the understanding that their woes release mighty moves of the Spirit to destroy the shadows and hiding places of wickedness."

"I speak courage to all of you now. You know you are called, you have felt the pain and the struggle, you have continued on and offered all you had for this mighty battle in the spirit. And My Father has heard your cries and weighed against your tears—against the works of the enemy — and you are turning the scales against him."

"Be lifted up, be encouraged, be faithful. Continue in travail and prayer, vigils and fasting. These are mighty works of faith. And they are turning the tide."

Jesus says... Never become dependent on anything or anyone other than Me

August 27, 2017

Jesus began... "My Beloved Bride, I am here for you, always with you, always guiding you. Though you are not aware many times of My voice, you have an impulse to do something and you move on that. Many times that is Me, requesting favors of you. You just don't realize it. Many of you have very supple hearts. Hearts that are tuned into My wishes. Through you, I do unthinkably amazing things without your knowledge."

"It is your great love for Me, your great desire to please Me, that motivates your every decision and even the slightest movements. To you, I am eternally grateful, because you bring Me the consolation I have so been needing. Please, no matter how difficult or discouraged you may feel, do not give up on this practice of doing the little things for Me, for Love of Me."

"Yes, the little things lead to the bigger things. I know many of you have suppressed thoughts of

ambition and gaining influence among men. Though it would not be difficult for you to have this kind of influence in your circle of friends, you have shunned it out of fear of pride and vanity. In this, My Bride, you have listened very carefully to Me and set your heart on Me alone - as well as avoiding many, many pitfalls of the enemy, traps set for you along that kind of trail."

"You have sold all your agendas to the world to buy this one precious pearl: the Happiness of My Heart."

"How can I thank you? A thousand times over, I shall never be able to thank you. But I do wish for you to know that you are on the right track. You are pleasing to Me, and in this dark and dreary world, each of you are My sunshine. You cannot even begin to fathom what I have prepared for you on the other side, when you come to live with Me in Heaven. Suffice it to say, you will never grow weary or discouraged again. The deepest longings of your heart will be satisfied and you will live in continual joy and bliss, even though at times you will grieve for your fellows on Earth."

"I want you to know that your littleness is making the difference in this world. Even in the world of My church and its structures, where there are sometimes endless agendas of promotion and recognition, vying for influence, posturing, and gaining influence and control. I hate this, and I must see it every day in My Body."

"What I want to say, is that your commitment to this littleness brings Me unspeakable joy and even bliss, because you have chosen the better part."

"Oh dear ones, never do anything out of a desire to please men or to receive their applause. So treacherous are the ways of Satan, and through this attitude many are hooked and dragged down to a fall. They lose My company and the sweetness We enjoyed in the gardens of their hearts."

"They wanted the world, influence, money — more, more, more of the things of the world — so they chose the political life within the church to accumulate wealth and fame. How beautiful is your littleness beside these creatures made in My image, who have turned into grotesque monsters through their toxic desire natures. Do not be fooled by this lifestyle. You are truly My sunshine in this world and Satan despises your choice to honor Me."

"If you gain promotions, if doors are opened for you, BEWARE. Not all is as it seems. Do not grow dependent on anything or anyone but Me. Many times it seems harmless to enjoy the perks these positions hold and the enemy very surreptitiously draws you into his schemes to become dependent on anything outside of yourself. Anything. Anything outside of yourself and your relationship with Me is very dangerous. Never become dependent on anything or anyone other than Me."

"Always be ready to renounce this position if you are being led to compromise. Be ready to step down and to keep your relationship with Me safe, rather than to follow these things and give in to compromise — 'cause that will be your undoing. Better to be without, than to get what you want through compromising what you believe I am calling you to, what you believe I am teaching you and what you know in your heart of hearts is right. Continue in this uncompromising life style and you will continue to be My sunshine."

"Satan hates what you have. He hates your humility. He hates your conversations with Me. He hates your worship of Me and his whole life agenda is to take these things from you. So beware."

"In the meantime, spread the joy and peace of having Me as your Lord and forsaking the emptiness of the world. Guard our trysting time with unyielding vigilance, so that you do not grow weak or lukewarm and fall away from Me."

"Remember, My Brides, you are My sunshine; you are My light in the darkness of this world. And you are greatly feared by the kingdom of darkness. Your angels far outweigh anything the enemy has and have no fear of taking authority and routing the enemy."

"You are My forever Love; in you I am well pleased."

Second Message of August 27, 2017... Just One Movement of the Earth's Crust

Jesus began... "As I began to tell you, with one movement, the Earth's crust - with one plunge of strata - integral underground cities will be destroyed."

"These are places that have been initiated, dedicated with ritual to be command centers - and I intend to bring them down. Prayers are needed. More prayers. Don't stop now - keep going, and intensify your offerings."

"Clare, these pains all over your body are fast offerings for this task. All of you who are crippled, disabled, suffering various pains, being falsely accused, being hated and reviled without good cause. All of you are contributing to the effort."

"Make good use of this time, Beloved. I know how painful your body becomes, but try to make good use of it, nonetheless. Your prayers are effective."

(Clare) Jesus, I wish they were more fiery and emotional, connected to what YOU are feeling...

"The act of your will says it all, Clare. The dedication of your time, your desire to go deeper in prayer - all these leanings are meritorious. Just press in, Beloved. Just press in."

Jesus speaks about religious Bias, Scorn & Contempt

August 31, 2017 -

Jesus began... "What does it matter what people say about you - as long as I know who you are to Me?"

(Clare) Lord, didn't it hurt You when people misunderstood or judged You?

"It did, but for a different reason. Their God just visited them and it was a singular grace, but they missed their time of visitation and went on in their sins. That is why I was sad."

Well, it makes me sad because they are not able to discern Your voice, but the voice of another will surely seem right to them.

"This is true, and that is why people's lives are riddled with confusion. Clare, by their fruits you will know them - yet by your fruits they still do not know you; they still do not know Me. What they know is a man-made version of Me. But they do not know Me experientially. That is why they cannot recognize My voice. Those who seek Me, will find Me. But many stop short and accept a counterfeit."

Why, Lord?

"They accept parts of Me which have been affirmed by their cultural and religious upbringing. It's comfortable, but they stop there, thinking I fit into their box, and anything outside of that box couldn't really be Me. People are bound by their peers and their cultures. It just isn't safe to KNOW Jesus, I mean really KNOW Me."

"Some are jealous, some are afraid, some are lazy, but none of them is willing to dig until they get the real truth of Who I Am. They settle in a comfortable spot with their churches and families rather than be called a fanatic who is not happy until they have more of Me."

"There are others, who in their hearts hear My voice saying 'Come, come closer. There is more, don't stop here! Continue to seek Me.' And they are willing to risk reputation, friends, work-- anything to have more of Me. These are the ones that the world calls fools, but they are the ones I give My Heart to."

"I can do nothing for the others; their minds are already closed by cultural bias. I can act within their box of who they think I am, but that's pretty limited and finite. More like hoarfrost on an iceberg. Little flakes on the tiny surface of a mountain-sized iceberg. Let them alone, Beloved, there is nothing you can do to convince them. Rather, you are a threat to their world and their faith."

(Clare) Oh. that is so sad, Lord.

"It is. But they will go to Heaven, and then they will experience Me as I truly am. In the meantime, your messages from Me are causing more and more people to flock to My Heart and stay there forever. Be assured that those who ridicule and decry you will some day get the whole truth. Until then, remember them in your prayers and nourish the ones who want ALL there is of Me and nothing short of ALL that I am."

(Clare) And here I would like to add, just as an aside, that I do not have all of Jesus!! Good grief, no! If I did, I'd probably die on the spot. Only what He has given me. But He can give you more and more of Himself when you seek to dwell in His heart. Don't ever stop longing for more - there is no end to God! Jesus, many people are talking about an event in September.

"Men are still trying to calculate and second guess Me." He took a deep sigh. "...while they continue to neglect the good in front of them that they desperately need to do while there is time for them."

(Clare) Ummm... Speaking of time...?

He smiled... "I knew that would spark that question. Your answer is 'holding steady.' Do not get under condemnation, by the way, when you don't pray as you should. Just make a firm resolution to return to praying as you should."

(Clare) Yeah - today I just didn't pray the way I needed to... But what I wanted to ask You, Lord - is the greater danger past?

"No. It is still very, very close. Don't stop praying. My Father hears your prayers, Clare, and the cries of all the Heartdwellers for mercy on the world. This is why many of you are experiencing chaotic days, greater pain in your bodies, more opposition and lack. These are ways I am distributing the load in My Body. Everyone has something difficult to deal with and carry - their Simon's Cross. And it is accomplishing much good. But you cannot afford to stop, it is still too close to call."

"Dear Brides, I know your hopes and dreams. I know your disappointments and choices to persevere even when things do not go your way. And I am highly honored when you choose to take this cross on your shoulders and carry it. It is your willingness to suffer with Me, to carry a portion of My Cross for the world that honors Me."

"Everyone loves abundance and rewards, and no one wants to be in pain and suffering--except the ones who Love Me more than themselves. And they are the ones that comfort My heart, that dry My tears, that make Me smile. Yes, you do all these things, My Brides; you are My consolation on this bitter Earth. You bring Me hope and joy. You are My Beloved ones."

"We are still climbing that long, long hill, even to Calvary, until I return to receive My Kingdom on Earth. We will be climbing together and preparing the world together for My return. So, do not grow weary."

"Oh I know, I say it so many times, 'do not grow weary.' I know some of you even feel a bit scornful that I am still saying that. Please, do not sin against Me that way. Please accept these words as they are meant, sincerely from My Heart, to encourage you to keep going even in the pains of this struggle. Even in the midst of chides from the scornful, 'Where is your God? He hasn't come yet! Maybe He's asleep?'"

"If you must, ask Me for more faith. And some day you will see the very great reward I have prepared for you, because you were steadfast even in fatigue, scorn and contempt. Even when people called you deceived. Oh yes, I know many call you deceived. Pray for them; their cup will be very bitter indeed when they are left behind."

"For most of you the Rapture will happen in your lifetime. There are others I am calling home; they have given their all and I am anxious to reward them. Stand strong, My Brides, stand strong. Be the light and the salt of this Earth."

Jesus says... There is no greater Work than coming to know yourself

September 3, 2017

Jesus began... "My people, there is no greater work than coming to know yourself. Aside from coming to know Me. From birth onward, you are conditioned by the words of those who care - or care not - for you. Parents are feeding their children much of their own viewpoint of the world. They project upon their children the very things they hoped and dreamt they could be; or their negative, failureinfluenced view of the world and of you."

"To Me, you are the most beautiful of My creation, perfect in all respects - until you are twisted by those who do not know Me or themselves. They set the direction for your lives by their fears, expectations, their experiences, their failures and successes. So, there is a natural bias in any family that is projected on to you from childhood and even birth."

"Then you step out into the world from under the shelter of your family life, and the world slaps you down. People disappoint, deceive, steal and lie and if you haven't experienced that in your family, it is quite a shock. Then there are others, few and far between, who are kind and always have good things to say to build you up."

"So, please take all this into consideration. YOU ARE NOT ANYTHING ANYONE HAS TOLD YOU, YOU ARE. Your task is to uncover the real you, and I promise you - you cannot do it without Me. I will show you the Love and the gentle correction and truth that you need to embrace and blossom into who I created you to be."

"You will discover these things with Me in your quiet times, and even in your day-to-day life, if you are looking and listening for Me in every event. Not one thing passes in your lives without My presence and My permission. Everything is ordained to be a lesson - but to perceive it, you must listen very carefully."

"For some, I will send a soul I, Myself, have formed, who will also be of help to you in discovering yourself. They will be loving and willing to take the time to help you find your way. These, however, are rare opportunities that very few ever get. When you encounter one of these, you will have one of two reactions: loving acceptance and a teachable spirit. Or resentment and a built-in resistance to everything they tell you."

"The second reaction is the old sin nature that comes with a soul when they are born. It is the self-preservation instinct - whether it be a need to have more money, more food, more friends; more, more, more. More control. More power over others in situations. Or the need to feel important and protect the weaknesses inside of you that you've been running from for years."

"For those in this state, it will be extremely painful to be in the presence of a guiding soul. You will feel threatened at the level of your whole being. Your foundations laid to survive the world will be cracked and falling apart; the sense of vulnerability and fear of losing the image you have been holding on to in order to survive in the world...crumble. Your very existence will be threatened."

"Some of you already know this has to happen, because your life has not blossomed; something is very wrong; because nothing has developed into anything solid. Rather, you have gone from disappointment to disappointment, rejection and failure."

"These failures will reinforce your need to close off to people and protect yourself. And one of the arguments the enemy will use is, 'They don't understand you. You are special, you're different, deeper than they are.' Let Me caution you here, children - this is the lie from Satan to continue to cut off all the roads to your happiness and success in life. Situations go sour because no one understands you... or so you are told. This causes you to insulate yourself even more with layers of lies about how different, how special you are and that the world is not good enough for you."

"Satan plays on your vanity and insecurity. He builds blind spots into your personality, so you cannot see what YOU are responsible for, in situations that fail. This is done to further isolate you from the truth about yourself and make you more defensive and judgmental of others."

"Let Me assure you, you are fearfully and wonderfully made; full of gifts and abilities I put there to cause you to blossom into the abundant life I ordained for you from the foundation of the world. But those around you are also fearfully and wonderfully made, as well. They have suffered life's bruises and bumps as you have. Some have opted for the lie that they were too special for the world... and misunderstood."

"Yes, that is in part true, because you were made for Me and for Heaven and this world can be a terrible place. But as long as you are living your father's or mother's vision of who you are, you will not know yourself. You discover yourself through Me, spending time with Me. Reading and understanding the Scriptures, seeing how I dealt with people in the past, seeing what true virtue and true wickedness are. And in the process of doing that, being profoundly honest with yourself, asking important questions, 'Lord, am I like that? Lord, do I do that?'"

"I promise that when you ask in that way, the answer will not be long in coming. I am eager to love you and to educate you about who I am, who you are - and who you are not. Part of My eagerness is to prepare you to face the deadly traps set for you every day by the enemy. If you know who you are, and what your weaknesses are, how you are likely to get caught in a trap... In short, if you know yourself as well as the demons know you, you have a fighting chance - as long as you cleave to Me with all your heart, strength and understanding."

"But if you think you can do it all on your own? You will live a life of disappointment and failure, questioning why things are so difficult and falling apart. It is because you do not know yourself - and Satan does. You do not have the life skills to out-smart him. But I do. And until you make up your mind to give Me total control of your life and put yourself under My instruction, seeking to discover the good, the bad and the ugly about yourself, you will wander in circles wondering what you were supposed to do with your life. And much of the potential and talent that lies within you, untapped, will wither and grow old as you go from one struggle to the next just to make ends meet and stay alive."

"I am offering you a better way. A way that will lead to success and fulfillment. A way that will lead to joy and meaning in your life and to those around you. Because you will continue to blossom, put forth sweet fruit and enrich your world."

(Clare) Here He's not talking about the prosperity gospel. He's talking about the fullness of life.

"For this to happen, you must be brave and challenge the premises your life has been built on. You must be able to see what worked in your life and what didn't work. You must be ready and willing to change those things that didn't work, repent and confess the wrongs you did to yourself and others. You must be willing to be taken apart, bit by bit, and put back together again by My loving and merciful hands."

"I will do away with the old, the hurtful, the failed ways of the past. I will heal and rebuild you into the glorious creature I intended you to be. Glorious, not as the world perceives it, but as I perceive it. Your greatest feelings will be profound peace and confidence that God is in control and you have nothing to fear, because He turns all things to good. And if you are fortunate enough

to be given access to one who has already made that journey, happy you will be if you follow their counsel."

Jesus speaks about Fasting & Why those Hurricanes are so devastating

September 4, 2017

(Clare) I pray for all of us, dear Heartdwellers, that each day we will choose to conquer our flesh and serve the Lord more faithfully. Amen

Well, I blew it today. I broke a fast, not taking the time to discern if it was permissible for me to do so. The Lord was silent after communion so I came here and sat down, asking Him, "Lord, is there something You want to say?"

He answered... "You broke your fast."

(Clare) Lord, I thought you brought up the Sunday provision - a day of rest? And that's true. I was here in soaking prayer, dwelling prayer, and I really felt the Lord - possibly the Lord - urging me to go and get some coffee and get ready for a night of work. And that it was okay to have a biscotti. Because it's Sunday. A day of rest. But...apparently not.

"Not for this fast."

(Clare) I opened the Bible Promises to get a confirmation - and I turned to Lust. Sigh... What do I do now except put the Biscotti away, Lord?

"Find a way to make it up to Me."

(Clare) Okay. No butter?

"Well, that's a start. That works."

(Clare) Please, forgive me Lord.

"I forgive you, but next time ask your covering before you vaulting off. You are in a war zone, Clare. You have many enemies and they are doing their best to bring you down. I will not allow it if you follow My directives, even as I have taught you before. Brotherly Love. They will try to create enmity and infighting. Stay in brotherly love at all times and no matter what it looks like, be loving and lenient. You cannot win this battle alone; that is why you saw the warrior angel at the sign of peace. He told you, you are in a battle."

"Vigilance is of the utmost importance right now. Do nothing hastily and do not rebuke in anger. Wait until you have cooled down, mention it with gentleness and then let it go. They are little things, Clare. Yes, I know they cause you extra work because certain ones can be sloppy. I understand. But just as a penance for Me, try to take it better and offer the inconvenience to Me for the world condition."

(Clare) Well, today I was praying the Divine Mercy Chaplet and I saw Jesus with the crown of thorns suffering terribly on the Cross. It was not easy to see. I also got off track a couple of times today and wasted time. Now, at the end of the night, I am so tired.

"Beloved, be more self-controlled and vigilant. For the most part, you are doing way better, but improvement can be made. You are doing well, My Love. Cooperate with Me to do better?"

(Clare) Yes, Lord.

"You see, so much hinges on how well you do now. Your faithfulness to music. I have opportunities planned for you but you must be ready. You need to be more strict with yourself - you are too passive. You allow circumstances to dictate to you what will get done and what will not get done. This is not good. You need more discipline and prioritizing. And that needs to start tomorrow."

"It doesn't look like much to you now. When you don't quite make all the time you should for practice you say, 'Oh, I'll catch up tomorrow.' And look at your tomorrow--which was today--and still you are not practiced. And you are tired at this point, ready to go to bed. You are wasting time, My love, still too bound up in trivia. I know some of the things you did were important, but others were unnecessary. Please, Clare, be more self-aware and correct yourself. Heed My voice when I prompt you, 'You're wasting time...'"

"I am giving you more time, but you are wasting it. It feels good to be able to sit down and relax and read a few things, or listen to a Youtube, because they catch your attention, your curiosity."

(Clare) That happens every time I put a film up, every time I put a Youtube up. There's something that really grabs your attention. Like the hurricane thing that's going on. And... I just shouldn't have looked at it.

"And these were arranged by the enemy to do just that. To pull you off track and waste your time. Like that huge urge for chocolate. Where do you suppose that came from?"

(Clare) A masquerading spirit?

"That's correct. And you fell for it. You wanted that cookie, so you didn't discern properly. There are many such traps set up for you during the day and you've been lagging behind and falling for some of them. Others you've seen - and you've sidestepped them. And for that I am very grateful."

"You need to be more detached in looking at your own behavior. I need you to spot your weak points, be aware of them and anticipate a trap from the enemy. They will always play on your desire for something--that's the easiest way to distract you. Whether it be for a neater house, or something to eat, or something to read... They will play on your desires."

"What Ezekiel told you was very relevant."

Well, tonight Ezekiel and I were talking about a saint. It was St. Charbel, who lived in a monastery. And they used to say... 'When tempted to do something, consider Heaven.' St. Francis used to say, 'Ask Sister Death.'

In other words, when you stand before the Father in Heaven, will you be ashamed if you give in to this temptation? If you will - then don't do it. Envision yourself standing before God and having to give an accounting for this sin, or indulgence. This will help you not to do it. Lord, help us.

"Yes, I will, if you are listening very carefully. But one tends to get deaf around the aroma of warm chocolate cookies. You can do better, My Love, you really can - and you almost did. But you were tired and you reasoned, 'This is Sunday and I always have the freedom from fasting on Sunday.'"

"But you didn't ask, or I would have told you... 'No. This is too critical. Continue to fast.'"

"You see, the enemy knows that, and he sent in a temptation to make you fall. But I have reinstated you on your word to give up another indulgence. And this time, you won't be so foolish. I will tell you when the fast can end."

"Well, for all of you who consider yourselves a part of this ministry, I have asked you to give up things. For the older ones among you, sacrifice things you enjoy. For the younger, bread and water or rice and water and tea or coffee is permitted. Some of you cannot pray without it. If you cannot fast on bread and water, use peanut butter & honey on bread and eat it one meal a day, during the day with two snacks. This is a good, healthy fast. The meal should not be your favorite or something you really enjoy - make it very simple."

"These are powerful offerings, My people, truly they are. That is why Satan has sown so much confusion about them - to keep you from making any sacrifices. But I have told you, your fasts and prayers are powerful. So, do not let the enemy talk you out of it."

"If you are at an occasion where there is a celebration meal, do not tell others about your fast. Rather, discretely eat very little of the food and most will not even notice you are not eating. In fact, on every offering that you make, keep it hidden, lest you receive your reward down here like the Pharisees who loved to be noticed when they fasted and prayed. Parading your penances and gifts to Me before men also leads to Pride. So keep them secret between us."

(Clare) And I just remembered, a Daniel fast, rice and vegetables, is also a good offering that the Lord has accepted in the past.

"My People, your prayers are working. DO NOT STOP NOW. We are still at a critical juncture. Why do you suppose these hurricanes are so devastating? All the loss that others suffer cries out to Heaven and they, too, are joining Us with these things. Though they are not aware of it in their intellect, in their spirit it is understood. This IS a sacrifice to prevent the beginning of the War and the Tribulation."

"How blessed you will be if you do these things. I am with you. Call on Me frequently for My help. I am here for you."

Jesus says... The Time has come for Payback

September 6, 2017

Jesus began... "My people, all these catastrophes are symptoms of corruption on the deepest levels in your country. Godless ways and corruption. What you pray for your president offsets the annihilation you came so very close to last year. But the evil, unbelieving and uncaring people in your country who are led around by shallow arguments and their flesh also have a hand in this chastisement."

"Your country is truly divided into those who think deeply and those who follow blindly; those who belong to Me and those who belong to the world and it's anti-Christ system. Oh yes, even now anti-Christ is manifesting, just below the surface - and the corruption calls for judgment."
"But you have cried out, fasted and prayed and you have been heard."

"In the coming months, fatal blows will be issued to those who have sought to implement Satan's plan of global destruction. All those private sectors who have aligned themselves with the Devil and chosen the elite agenda over righteousness and your constitution will be involved. Your prayers have been heard and My Father is again going to clean house in this nation. Deep cleaning. There will be crippling blows to the agenda of the elites. Though you will not be aware of it, you will reap a deepening peace and order that follows on the heels of it."

"The time has come for payback. I have preached, pleaded, begged, sought out and set on fire the consciences of those who have devised evil. Their response was to laugh and turn their backs to Me. I have given them ample opportunity to repent...as it is written, "Do not allow a witch to live." (Exodus 22:18) Your underground government is a den of Devils and perversions of all sorts, and without repentance there is no hope for them. They shall not escape the wrath to come, that which they have devised to bring down the poor and righteous shall be their own undoing."

"And My people shall go forth in praise and thanksgiving, celebrating their freedom."

"But then comes the deadly trap. I warn you now, My people, if you turn from Me to worship idols that is, to worship money, beauty, influence - you again will be oppressed seven times worse. Do not allow corruption in your government; do not sacrifice what is right for personal gain. Cleave to Me with all your hearts and bring to repentance those around you."

"You are the salt of the Earth and you have the power to preserve this nation for yet a time longer. But if you forget yourselves and grow complacent with easy living, you will lose that power to preserve your nation. That is where you are coming from. Please, My People, do not go back, do not return to the vomit of materialism. Defend what is RIGHT above all other gain. Be willing to lose everything rather than betray what is right."

"I cannot hold this nation together - only you can, with your prayers and a lifestyle that declares My reign over your lives, that I am your Sovereign and you will accept none other."

"I am not releasing you as yet, the time is still very turbulent. But I tell you, wickedness will receive the decisive blow. To recover and rebuild will take much time. See to it you do not fall, or this pernicious evil will spring back seven times stronger."

"You ask Me, 'But how can I make a difference?' By your everyday choices, by your vote, by what you allow in your families, towns and states. By what you condone and what you resist, standing up visibly and resisting evil, declaring it for what it is and that the wages of sin are death."

"You have come so close to death, America, so close. But you have been shown Mercy. Now you must live for what is right and refuse to accept corruption and sin. These are My mandates for you."

"Some of you will be called to occupy an office. You must change the way things have been done in the past. Some of you will lose your lives defending what is right; you must be prepared to defend what is right or die. All of you, by your manner of living, must declare sin is not acceptable. Then the evil will be purged from your midst."

"I know this sounds dramatic, but you are at a crossroads. And firm commitment and purpose of amendment is an absolute necessity for the survival of America."

(Clare) Well, I began to discern this message, because it's stronger, I think, than anything I've ever gotten from Him. And I heard Him very clearly say...

"This is all Me, Clare, this is the message I want sent out to My people. Reformation is not an option; it is an absolute necessity. I will be with each one of you according to your faith and faithfulness to defend truth."

"This is a new day for you all. Continue to pray and fast a while longer as things are being moved and crushed by My Father's mighty hand."

Jesus speaks about Catastrophes, War & The decisive Blow against the Elite

September 9, 2017

Jesus began... "Your Prayers are powerful. I chose to wait until you prayed the Divine Mercy Prayer before I began speaking to you, because it was very important to Me. Don't be disheartened, Clare. I have not misled you. And do not be swayed by everything you hear. You are dealing with a very corrupted source of information on the Internet and I still prefer you not go looking at those deliberately tantalizing headlines."

In this case, Ezekiel had run into something and he felt the Lord was giving him permission to look at. But when he told me, I was very upset and it was contrary to the direction Jesus has ordained for us. So I thought, 'Great... Am I misled? Or what?' 'Cause I have been staying away from the headlines and certainly the content of these things, just like He's asked us to. But Ezekiel got into something that troubled my heart.

(Clare) What have You to say about that source, Jesus?

"Don't go looking there. Keep your channel of information pure, through Me and those I might bring to your attention. But, I would rather you press into more prayer here and learn directly from My hand those things which are necessary for you to know. I am very selective with what I tell and what I withhold. I do this to protect you, My Love. I truly do. I do not wish for you to delve into those things that are far beyond you. Leave those for others who are endowed that

way, or are so weak they give into curiosity and lose their peace - never settled, never sure, always living on the edge."

(Clare) Isn't that a good trait? Living on the edge?

"Not when it is lacking in peace and I am not the pure source. No, it is not a good thing, because it wears them out with worry and uncertainty and you know that is not the fruit from My tree."

"Rest in this, Clare. I have not misled you. I work differently with different vessels at differing times. I also set apart groups to be specifically and exclusively Mine. The burdens I release to them are tailored according to their strength."

"To begin with, you should not base your information on what you see alone. There is so much going on that is not seen, but this is an hour of trial for America with natural disasters. You can lessen these through your prayers and fasting, My dear ones. Please, whenever you see those going through trials, immediately commend them to Me in your prayers - for that could be you."

"Much prayer has gone up over the hurricane, much prayer. Continue to pray for the path it takes; it could be numbered with the worst storms in history. But your prayers can also weaken this storm. It is driven by wicked men and demons. It is allowed as a chastisement for the nation, for I am calling all men and women of this nation back to Me on a new and deeper level. Many hearts are far from Me and cold. Many do not turn to Me until they are in dire straits."

"It is not easy to get their attention, yet not all in the wake of this storm are guilty. There are many praying souls who have lost significantly and for them this terrible suffering is an offering I am using for the weeks and months ahead to crush the agenda of the serpent for yet another season."

"I want hearts to turn to Me, Clare, and there is still too much materialism and indifference about the faith and their eternal souls. Many, many times in history I have allowed such things to wake people up to their need for Me. It is often My last ditch effort—and you know from experience, I always allow the lesser evils before it gets really bad. In the 1920's, if mankind had heeded My call back to holiness, WW2 never would have happened. And even now, you are in much the same place on the brink of the War of Wars."

"I look at the heart of a nation and I call to My servants to raise the clarion call to a return to holiness. When I am ignored, I allow catastrophes. Satan loves catastrophes; his demons wait in line to get permission to kill, steal and destroy through natural disasters. And if the people are not returning to Me, but rather forging ahead in immorality, permission is given them—yet, it is never without casualties to the innocent. I look to the heart of a nation, raise the call and wait for the people to respond. When they do not, their country is morally dead and I must allow more drastic measures to bring them to repentance."

"I raised the call to respond in America and the people responded. But you are yet full of immorality and excess—while others in the world are deprived even the basic decencies of life. That is why it is so important for you to continue to give to those countries humanitarian aid."

"When I see your hearts lit up like a candle for others in distress, I also rejoice that each day you are becoming more like Me. Let your hearts, My people, be like My Heart."

"But back to the issue at hand. You are seeing more and more unrest and natural disasters, because the planet truly is responding to the end-times condition of nations and sin. Charity covers a multitude of sins and this is another force that is preserving America. She has many, many wealthy who are supporting the poor around the Earth. And as she grows in economic security, I will be asking even more of them who listen for My will."

"When I entrust money to a soul, it is because they listen to Me when I ask sacrifices of them. Many of your Heartdwellers have been given very precious graces, because they care for you and the causes you have mentioned to them. This pleases Me greatly, because they are becoming more well-rounded in holiness and will certainly not lose their reward for their kindness and enduring faithfulness."

"You will remember the story of Tobit..."

(Clare) That's one of the books of the Bible that was taken out by Martin Luther.

"You will remember the story of Tobit, and that Tobias was greatly blessed when calamity befell him, because he had compassion on the poor who had no one to bury them. And even merited an angel being sent to escort his son to his future wife, and heal his blindness. You can never out-give Me."

"But because of your goodness, America, far less has happened to you than was planned. Through giving and reformation of your government, you have bought more time for your nation."

"And this was important for Me to tell you tonight. Do not go by what you hear. I am doing much that is not and will not be apparent to anyone but the elite. They certainly will not broadcast it. But nevertheless, I have told you. I am going to make the decisive blow on this corrupt brood of vipers and there will, all of a sudden, be less pressure on the good in this nation, because they will turn inward to rebuild. Many key members will vanish and be no more."

"Oh Clare, I will never leave or desert you. I am ALWAYS here for you, ALWAYS and FOREVER. You are in the midst of a very intense battle against you right now. Your angels are working overtime to protect you and your family and the prayer warriors. You have many faithful ones who love Me with their entire beings. They know My voice and they know you are My faithful mouthpiece. Nevertheless, the battles you are all going through are very intense. Always pray for your angels and thank them profusely for protecting you."

"You will know when you are under attack, because you will feel a vague but strong sense of turbulence and insecurity. Attacks against your faith become most severe at these times. Cleave to Me all the stronger and do not allow any separation from Me. This also is when you are most tempted to lose your footing and indulge your weaknesses and fall, so continue to be vigilant and obedient."

"I AM COMING SOON, My Brides, do not take your eyes off the prize - I am coming soon. In the midst of all these events that are threatened or real, in the midst of it, remember... these are the true birth pangs of My coming. Do not lose hope, because you are so close. You must keep your swords in the scabbard - yet ready for battle, while you build on the things I wish for you to do with your gifts. Do not let the threat of shortness of time steal what great opportunities lie ahead for you. Be prepared to greet them when they come knocking."

"This is a VERY DARK time right now, but I promise you. I am shifting this darkness and beginning to contain and steer it into the abyss it belongs to, that you may know some degree of freedom in proclaiming My Word to the nations through your gifts. So, don't give in to doubt or fear or reluctance. Put your all into the work at hand and I will bring the increase."

"Please know, beyond a shadow of a doubt, My Brides, I am always here beside you, ready to embrace and hold you tenderly through whatever storms assail you. Please do not ignore My presence. Come to Me and I will comfort and strengthen you."

Jesus says... Meditate upon the full Meaning of My Death for you

September 10, 2017 -

Jesus began... "I want to talk about communion and the necessity of staying close to Me through communion. Words are powerful, My people. Words coupled with faith are powerful. Even saying to that mountain 'be removed into the sea', even saying that, in faith, accomplishes the end. And to say, 'This is My Body, which will be given up for you'...to say that in obedience to My command, with conviction, is powerful. "'Do this in remembrance of Me.'"

"It is written as I said it... 'If you do not eat My Body and drink My Blood, you have no life in you.' The life is in the blood, so when you say, 'This is My Blood' in total faith, shall I not visit you with My Life's blood and strengthen you? The Life is in My Blood, not the wine. And when you proclaim in faith that this IS My Blood, I visit you with the graces you believe you are receiving from Me, because you obeyed."

"These are the days of the apostate church. Even those who have received the mark of ordination, the indelible mark passed on by the breath of the apostles to current times—even if that is done properly, there is no guaranteeing that the soul receiving this gift will say with sincere faith and intention that I am transforming the wine into My blood when they say the words."

"So, how do I deal with this apostasy and unbelief?? I visit you with the graces you need. You intended to drink My Blood and eat My Body and I honor your intention. In this way, My covenant with you, My Church, is not made void by the worldly, unbelieving ministers of the altar."

"During the wedding party at Cana, the servants never thought for a moment that the water would become wine; but as a demonstration of My faithfulness, I transformed it to wine. Do you understand? This was a foreshadowing of the Eucharist, the Body and Blood transformed at the last supper."

"I have called you all to My table to be given new life—and not just new life, but My life, God's life, so that you may live in Me and I in you. So that you can accomplish all I have willed for you to do. So that you can love others as I love them. So that you can walk in power over the dark forces of this world and put them to flight."

"I have given you this gift because you can hardly operate without it. The opposition sent against you every day is fierce and consuming. But with My Blood, you will stand and even rebuke, break and bind those powers, because My life lives in you. No matter that you are not ordained, that is, that you've been breathed on as I first breathed on Peter. No matter—you ARE My church; I abide in you and you abide in Me. And each day, when you receive Me in communion, you are

renewing the new covenant with your faith. 'This is My Body, this is My Blood. The Body and Blood of the New Covenant; it will be shed for you and for all for the forgiveness of sins.'

"So I am asking you, My chosen ones, dwellers of My Heart, receive Me each day in complete reverence and thanksgiving—even remembering the Blood I poured upon the Mercy seat positioned by the prophet Jeremiah, exactly beneath the Altar of Sacrifice, that is, the Cross on which I was crucified. And note that I died of a broken heart; the water and blood mingled and the volume was sufficient to carry it downwards 20 feet and stain the walls. None of the other victims shed their blood in this way. This was done by My Father to pay the debt of your sins forever."

"Therefore, when you remember Me in this sacrament, remember the horrendous circumstances of My death and how My Father wasted not one drop, but saw to it that it was sprinkled on the mercy seat, that all might be fulfilled in Me when I said... 'It is finished.'"

"These are profoundly holy precepts and understandings, and I wish for you to take your time with them and meditate upon the full meaning of My death for you and all mankind."

Example... Simple Communion Service

August 1, 2015

Lord, I thank and praise You for all You have done for me, for all you have given me - that You will never, ever forsake me.

I confess, Lord, that I have sinned against You and my brother. Have Mercy on me, O God, according to Your unfailing Love. Forgive me, and cleanse me from my sins. Create in me a pure heart, O God, and renew a steadfast spirit within me. Grant me a willing spirit to sustain me.

"Your Word is a light unto my feet. Oh Lord, guide me in Your ways."

Holy are You, Lord. Full of power and might. The Heavens declare Your Glory, and as the deer pants for Living Waters, so my soul longs for You, O my God.

"Behold, I will pour out My Spirit upon you, and make My Words known to you."

On the night before You died, You had supper with Your apostles. You took the Bread from the table, lifted it up to the Father and gave thanks and praise. You broke the Bread and gave it to Your apostles, saying... "Take this, all of you, and eat it. This is My Body, which will be given up for you. Then, You took the Cup, lifted it up to the Father and gave thanks, saying, "Take this, all of you, and drink from it. This is the Cup of My Blood, the Blood of the new and everlasting covenant. It will be shed for you and for all, so that sins may be forgiven. Do this in memory of Me."

"Lord, I am not worthy that You should come under my roof. But, only say the word - and I shall be healed."

May Your Body and Blood give me the strength to live for You until You come for us in Glory.
Amen.

Jesus says... These Hurricanes are no accident & Your Prayers are powerful

September 11, 2017

Jesus began with a smile... "We are winning. We are winning! All Glory and honor to God...we are winning."

"Continue in prayer and fasting—continue, don't let up. If only you knew the power of your prayers, you would not waste one moment of your day not praying. 'Pray unceasingly' was not just a quaint injunction. It was an important exhortation. Since the beginning of the anointing of My apostles, the enemy began siege works against Me and against them. Remember what I said to Peter, 'Satan has desired to sift you but I have prayed...'"

"You see, with Me living inside of you, your prayers are powerful, like Mine. Oh, never underestimate the power of prayer. You are going to see major changes because you prayed first."

"Give, always give. Do not let a need pass you by without doing something to help. This is another powerful protection against the enemy's permissions to steal from you. As I entrust to you, give to others with their own encouragement—that they should give to others as well when they can. And the Kingdom of God will be built up in your midst."

"Nothing is impossible to the soul that will pray, because nothing is impossible to God. My Father is continually listening for the prayers of His little ones, because He desires to answer them. Even the littlest prayer of a child carries tremendous influence before the Throne, because of their innocence."

"Continue to pray, My People. We are gaining the edge and I tell you the truth, these hurricanes are no accident. Though contrived by evil men, they shall fall back on them in a way they never saw coming."

Jesus says... Please obey Me & Detest Satan's Lies about Donald Trump

September 15, 2017

Jesus began... "Some of you, My dear ones, have grown weary with fasting. Ask Me for the grace to indwell you in that special way when you do fast. But be convinced that your abstinence is also a pleasing sacrifice to Me and the Father. By denying yourselves of little pleasures and offering them to Me for your nation, much good is accomplished."

"Let none of you go to extremes as regards fasting and be discreet, not letting on to others you are. In this way, your Father in Heaven will secretly reward that which you secretly gave. Anything other than this can become a point of pride very easily, as the devils will deceive and lure you into vainglory. Rather, be moderate, steady and seek Me on when to make changes."

"Sometimes, you can offer pleasant foods and eat very plainly, denying special spices you enjoy, desserts and sweet snacks. Replace these with simple but nourishing food in moderation. Some of you can eat normal meals once a day and two snacks. Others can have a Daniel fast of vegetables or bread and water. But seek Me in all things, do not try to do it on your own."

"There are times when your weaknesses overcome your good resolve. I want you to know that I may allow that to keep you humble, lest you begin to think of yourself and your strength rather than My grace. Your prayers are so very pleasing to Me and the littlest prayer does not go unnoticed. The littlest thanksgiving and praise and sacrifice - even the littlest - strikes the Heart of the Father with joy, all because it is done with a pure motive."

"Purity of heart and love for your brother is everything. Without purity of heart, your prayers are much less than they could be. They become empty and lacking in moral strength. To offend charity is to offend Me, the angels, My Father and My Spirit and the Great Cloud of Witnesses."

"So, when you come to the altar, be sure to check your conscience and forgive any who have wounded you in any way. Repent of anyone who you have judged or been difficult with. In this way, your prayers will be unhindered and so much more acceptable to My Father."

"Right now, the condition of your country is in flux, tending toward the good. Some of you have disobeyed Me and watched the news - which is full of lies, defamation, discouragement - and designed to make you weak and lose faith in My choice for your president. If you feel badly about how things are going in your nation, you have not listened to Me alone, but allowed the enemy to sow lies into your thinking. You can be sure that the news stations and mainline networks are the mouth of Satan. If you insist on filling your mind with these lies, then you deserve to feel fear and unrest."

"Everything that is being published and broadcast that negatively assesses the President has been designed to get you to give up on your country and hand it over to the shadow government - so they can finish what they started and completely destroy America. To become just another satellite nation of the new world order, stripped of all Christianity on the way to becoming a Muslim nation."

"Please, do not listen to, affirm or encourage listening to mainstream media. It is pure poison, arranged in the most underhanded way you can imagine. To listen to it is to listen to Satan's broadcast and go into agreement with his agenda."

"I hope I've made Myself clear on this. Your government is NOT in shambles; it is in CONSTRUCTIVE reformation. The old and decayed must go; the new implemented. The true heart of America is a light on a hill. What the shadow government has done is to make it a cesspool of filth that infects every nation it wants to with the worst plagues. And so your country has a very, very bad name overseas."

"You all have it within your power to do your part to make it what it should be. Your first line of action is prayer; then supporting those who stand for righteousness. You will not stand for your nation if you have been listening to mainstream media. Rather, you will be overcome by lies and sorrow."

"Those of you who are faithfully obeying Me and not listening, are able to see the re-birthed America and pray effectively for her. Those who have disobeyed and listened to lies will have little ability to raise this nation, because their vision has been taken from them by these lies. So, please heed what I am telling you, My People. Please obey Me and detest the lies Satan has worked into every nook and cranny of the Sold-to-Satan media."

"That said, there is a vision arising from the ashes in this country. There are those who have kept their ears, eyes and hearts pure for their country and they can see what America shall soon be. They have My heart, My vision and My anointing to raise her to her fullness through grace and prayers."

"I am leaving it to those of you who believe in My messages on this channel, to discourage and expose the lies for what they are and draw the minds of your friends and relatives into the light of truth about the good that is coming to this nation."

"I need you to turn the tide of the stranglehold media by encouraging everyone to avoid and boycott these nefarious broadcasts, and make the points clear about how very poisonous and completely false their input is into your minds."

"Please do this for Me. Please. Too many have grown lax and lead undisciplined lives, focusing on the bad not the good. They are depressed and discouraged. This should tell them they are drinking from poisonous springs straight from Hell."

"So please. Be My ambassadors of Love and Hope. And turn the hearts and the minds of those who are feeding on these poisonous waters. Turn them back to Me and back to what is good about this country."

Jesus speaks about God's Correction & Satan's Resolve

September 18, 2017

Jesus began... 'It is very necessary to wake up people to what is really important in life. Many of these people have been sitting on the fence, and there is no more fence; you are either in one camp or theater. Hollywood has portrayed life with ALL the goodies as being the norm. Your culture has responded by sucking this affluence up, and presumed it to be the norm of life - to the point where they work so hard there is no time for Me or even their children.'

"This is very much like the tragedies that befell the Israelites when their cities were burned to the ground."

"Clare, this kind of loss is always accompanied by correction, though I weep with each and everyone of them in the still small hours of the morning, bringing to mind My love for them and what is really important."

"All of these souls knew what this life would be like, its blessings and tragedies when they came into the world. Though they do not understand this, it is still the way it happened. And I impart special graces to them in these moments to draw them into My bosom and help them straighten out their eternity and where they are headed at this rate."

"These sacrifices are also fueling the move to delay the end-times takeover of your country. As I have always told you, Clare, any tribulation that befalls a soul - part is taken to help other causes they are praying for - others who need special graces. And part of it is correction for a superficial lifestyle, or a sinful lifestyle, and the chance to experience what kind of life the rest of the world has on a daily basis. It is very much a return to a third world experience. Many will learn compassion and sacrifice and the real meaning of brotherly love."

"Nevertheless, it is not the way I wish to do things. Do you remember how you taught against materialism in Florida and you were scorned and rejected in the end? The prayer group went very well until you began speaking about lifestyle. I have sent innumerable messengers to Florida to warn them of what was coming."

"You see, part of the reformation of your country has to do with a shift in ideals. A shift from affluence to holiness. That does not come easily. And although wicked men continue to plot against this nation, what they meant as destruction I turn to instruction, calling My people up higher to a lifestyle preparing them for eternity."

"Pray for your people, dear ones. Pray for those suffering. And if you can visit them in their tribulation and bring comfort, do so."

"I am there in a powerful way, Clare, a very powerful way. Pray much for them and continue to pray for your nation as we are making powerful forward strides against the enemy."

Jesus speaks about Satan's Resolve to bring us down

September 20, 2017

Jesus began... "You remember the reading I gave you as Rhema, about obedience? In that, I explained that you are in a spiritual war zone 24-7 and you cannot outsmart the devil. Your only protection is in a meaningful relationship with Me and obedience when I tell you to do something."

"I know it cost you a great deal to confront this person, Clare. But I tell you the truth: Satan had his eye on them and was slowly hardening off and deadening their conscience and hearts, so they would commit a crime. They would never consider doing that now. But after time and hardening off, they would be put in a situation where they would consider it and in their minds, even justify it."

"You see, you cannot outsmart the devils... but I can. I know their next move. I know exactly what they are setting you and others up for. And if you are listening to Me, very carefully, and obeying Me, as you just did - you rendered their plans to ruin this person's life in this way fruitless. And a failure."

"There will be other attempts in different ways, but I will always warn you so you can sidestep the traps. Pray for this soul to wake up to know how much I love them."

"The greater My plans for a soul, the more Satan is resolved to bring them down so it never happens. You attract many wonderful souls, and that is why it is imperative that you teach them how to know themselves. Because Satan will use their weaknesses to bring them down."

"My people, never allow yourself to be put into an occasion of sin. And if you see others walking into a trap, do all you can to stop them, including warning whoever is above them, from parents to employers."

"It is a great disservice to see sin being committed and remain silent. Although in some situations, I will have you wait before you say anything - you can pray and listen very carefully to Me. In this way their blood will not be on your hands and you may have saved their souls."

Jesus says... Expose the lies of false Prophets

September 24, 2017

Jesus began... "To My precious prayer warriors... those of you who have not compromised but kept My wishes as the law of your heart. You have not sought the scintillating news on the internet or on youtube regarding prophecies about yesterday being your last day on Earth, and all the fear mongering of those who are led astray by false prophets. Fear of Russia, fear of N. Korea, and all the other false flag news to keep your mind off your present time assignments and duties, to keep you searching hours and hours on the news of My coming."

"With you, I am well pleased. You will have peace in your heart because of your obedience. You will have much fruit in My Kingdom because you persevered and kept your focus on My wishes and did not stoop to be entertained and waste time on false reports of My coming."

"These are those which I spoke about in Matthew 24... there will be many false prophets, lying visions and rumors to keep people in a state of insecurity and uproar."

"This is not My will for you. I have chosen Heartdwellers to be a unique people of love, focused on love and intimacy with Me. As the early Church of Philadelphia, the Brotherly Love church, which I promised would be taken in the Rapture, this is Pure and Living Water."

"What is being circulated as true prophecy of disaster to America is poisoned water— and a well cannot have both bitter and pure water."

"Those who spread these rumors are bitter wells and false prophets trying to take your attention off the peace and security I have planned for you, My people. This is a season of outpouring of gifts and anointings for those of you who are focused on My will."

"But there are those that would raise themselves up against Me and circulate all kinds of lies and tales from false prophets, astrologers, and fear mongers, who are trying to derail your faith and keep you from seeing the real enemy, which is the shadow government born from the new world order."

"I am calling you, Heartdwellers, to purify your hearts from these rumors. Stop entertaining and acknowledging those who are following every sensational prediction NOT from My true prophets. Defend My honor. I have told you what is in store for you; defend My honor and refuse to take part in listening to those who come to you with popular tales meant to stir up fear and insecurity. They are poison to My Body and I am calling those of you who truly believe, love and obey Me, to speak against these lying predictions."

"Much of this is invented to make money, but My sheep don't understand the true nature of those who are always stirring up fear. Their subscriptions soar, their wallets fatten, but their judgment will be severe - because their motives are self-promotion and worldly gain. And through their greed, they have led many innocent victims astray."

"Cleave to Me, My People, and I will tell you when to prepare for what."

"Now is a season of growth for the Earth; now is the time to spread My Love and My Coming. Now is the time to use your gifts and to continue fasting, that the evil powers of this world will be seriously delayed in carrying out their agenda of ruining this country."

"Each of you are precious to Me and speak to others with no motive other than to glorify Me and prepare the world for My coming."

"Others who follow false prophets are stirring up insecurity and keeping My vessels unto honor from moving forward with their giftings. They are not for Me, they are against Me. And I am calling on you who know better to refuse to take part in their poison."

"There will be a huge wave of confused souls hung over from these exciting rumors generated that never came to pass. Now is a very good time to apply loving correction and point them in the right direction."

"Exhort them to use their gifts for the Kingdom of God. Stop looking up at the sky and get busy! You know He's coming. Glance up there from time to time, to acknowledge it. Don't sit around staring at the sky. Use your gifts for the Kingdom. Exhort them to know themselves so they will not be so easily carried away by every flashy rumor and devilish wile. Exhort them to examine their hearts and repent before Me for those sins they have ignored, for the needy they have passed by in their rush to prepare for the end of the world."

"I have taken and set you aside for My purposes, and I am sending you out to correct those who have been caught up in lies and rumors. With love, exhort them to return to Me and set to work on My agendas."

"I am coming soon, and many are not ready because they have immersed themselves in false prophecies and not worked on their own hearts. Many will not be taken, because they have taken no time to reform their lives and live only for Me."

"Exhort with love, expose the lies, call them back to Me."

Jesus says... Through worldly Messes I bring forth Maturity & Growth

September 25, 2017

(Clare) Lord Jesus, thank You for training us in brotherly love and detachment. Would you please help us overcome our anger and frustration when we are called off a project for someone in need? Amen

The Lord is showing me some bitterness that I've picked up, because I've been delayed doing things for Him as I've chosen to stop and help someone else. But not without anger and bitterness and resentment. And there lies the problem... During my prayer time, I began... 'Lord, I'm so frustrated... I'm failing. I'm failing. I'm not getting anything done. I feel like such a failure.'

Jesus answered... "I am here for you. You are expecting too much out of yourself and your

circumstances. When you have a sick child, do you walk away to do your own thing? Or do you stop and tend to their fever?"

(Clare) Lord, of course, I do what I can for them in the moment and then let them rest while I continue my work.

"And that is as it should be. If you had ignored that child, do you think I would have been happy with you? Do you think you would have done My will by ignoring them to do something else less urgent? Didn't I say this was going to cost you dearly? What's the price of a soul—how much are you willing to invest in My Kingdom when you have a soul before you that is seeking Me?"

(Clare) And He's speaking here of a particular situation, a person I'd prayed for, and He asked me if I was willing to pay the price. And I told Him, of course. And I didn't realize what it was going to be, but that doesn't make it any different. I still would have answered Him that way, because I know this is what He wanted. But a lot of my anger and frustration and dirt. Yes, dirty diapers are being exposed right now because of these reactions I'm having. So, I answered Him, about the willingness to invest in His Kingdom... 'Whatever must be in order to do the job correctly, Lord.'

"That's right... That's wisdom and that's pleasing to Me. You are in a series of upheavals right now, things that demand your focused attention. You are turning swarms of demons away with your counsel. You are bringing a soul or souls, face to face with their Lord. Can you think of anything more important?"

(Clare) Well, not if that's Your will...no, I can't. Unless it's not Your will at that moment...or I would be thinking that songs that turn the hearts of many would be a better investment of my time, rather than getting tangled up in worldly messes with just one or two people.

"But it is through worldly messes that I bring forth maturity and growth. What I am trying to tell you is that I am happy with your efforts and I understand your frustration when you have to make choices—and you've chosen the right things at those moments; that is why I am happy with you. You did what was most important, although it deprived you of your other work and only added to your anxiety and even despair."

"I don't want to see you despairing. There is no need for it. Things will get done in proper order and grace surrounds you, Clare, so very much grace to help others. I have placed souls in unique positions around you to absorb this grace. They are empty; you are full. Though you do not see the transfer taking place, nonetheless it is happening. And that is draining in and of itself. But you agreed to that and we are hard at it in this hour."

"As concerns your lapses in using time correctly, when your curiosity overrides your good judgment... Well, only you can control that, My Love. A little more self-control would be good."

"The fact is that you do have too much to do, without being inaccessible to others. That is a fact. So, that presents opportunities to sacrifice what you would most like to be doing—to care for others. This is part of your training for Heaven... serving others before yourself. Much of your anger, confusion, frustration and even despair is coming from this conflict."

"Why do you suppose I gave you that card... 'The moment you seek yourself is the moment you fail in brotherly love.' It really is best if you have absolutely no preferences on how to spend your

time. Although you map some of it out for what you've been given to do, it is always in a state of flux when something more important presents itself."

"I have deliberately allowed these situations to test your brotherly love. The time element causes you to choose. However, I would like to see much less frustration and anger over being interrupted and drawn aside for another person's needs."

"It is good that you are willing, but there are times when you put out a nasty stench of rancor. If you can put that foolishness away, not only will you be much happier and give a better example, you will also have far more energy."

"It takes a lot to hold down frustration and resentment. And you've accumulated some seeds of bitterness that have been growing. These I must remove, but first—you must show me your docility and detachment in what you do and don't do, in leaving your preferences behind for the needs of others."

"I know it is painful, but this is part of your formation in holiness."

"And all of you, My Brides on the channel, all of you are being tested in similar ways. You tend towards wanting to finish a project rather than be taken off it for the momentary needs of others. This is common to all humankind, because society puts value on accomplishments, not on how you went about accomplishing."

"That is so contrary to Heavenly ways, it's like comparing Chinese to English."

"On Earth, you applaud the accomplishment; in Heaven we applaud the love with which it was done. What the final thing looks like bears very little weight. It is more the hidden motives of the heart and subsequent actions in the doing of it that brings forth praise."

"It's all about how you did it, not the end result. How much love did you invest? How many times were you called aside with a good heart to serve the needs of others? How peaceful were you in returning, or were you boiling over with resentment? These are the true standards of Heaven."

"This is so contrary to what you've been taught growing up that it makes a total overhaul of motives necessary before you can truly serve Me with the right heart. It takes many, many, breakings before asoul acts on what is truly right, spontaneously - instead of what is expedient for their goals."

"We are still climbing that mountain of holiness, My Love. Don't let go of My hand, My Brides. Cling to Me more and more, and we will make it to the top."

Warning from Jesus... The threats are very real!

October 6, 2017

(Clare) A while ago, the Lord gave me a dream about Obama pretending to be an American, but really being a Muslim. And in cahoots with other Muslim nations to destroy the Mosque, to start a war and make way for the Jewish temple - which he, as antichrist and perhaps mahdi, could take up residence and declare himself God.

Things are heating up and I'm not too sure how long we are going to have at this rate. All is dependent on our prayers. I know the Lord said he was going to deliver a blow to this nefarious government against the U.S., but it is difficult for me to piece together all this until He says something. Lord, please will you straighten all this out for us?

Jesus began... "I am so glad you are asking. I have much to tell. As you see, more and more people are enduring hardships of all kinds and I am using this as a firewall against these plans coming to fruition."

"Still, it is a warning dream that there is still impending danger from outside sources. The Deep State government may receive blows, but certain other peoples are being called upon to join forces in overthrowing America."

"I cannot say at this time you have a full two years. I can say you may be nearing the end of the probation period. Two years is no time at all from now, and while we are holding the flood of evil back, it is still very strong and slowly gaining, using betrayal tactics to infiltrate and destroy."

"While President Putin may not join in on this, many in Russia still hold to the hard-line doctrines and are not at all in agreement with him. His life has been spared many times by your prayers."

"I know, My love, you can only cover so much ground and that is why Ezekiel is getting these dreams and why you have had so many NWO nightmares. They are to warn you that these forces are moving ahead very slowly with their agendas."

"Yet, I promised you a setback and I am holding to that."

"This is why I have told you that North Korea is not as dangerous as the underground, which will use any means to destroy this country - even arming and accessing North Koreans to invade bases and destroy your defense systems."

"Pray more My People, more prayer, more prayer. Yes, this calls for more deliberate and focused prayer. Do not allow family situations or common, everyday things lull you into numbness and false sense of security. The threats are very real."

Jesus says... Time is running out & Evil is escalating

October 7, 2017

Jesus, please help us to live for You alone in these final hours before Your coming... Amen
Jesus began... "Yes, the time is at hand, it truly is."

(Clare) But what about our prayers and the three years?

"Did I not say it was provisional?"

(Clare) But I thought we were applying ourselves?

"Not as much as is needed. Yet, there is still hope... a flicker... nothing more. I will not give you over to deception. There is a remote possibility that you will make it to three years. But this

requires much more sacrifice than My people are willing to make. Besides, I see how tired My Bride is getting."

"I know the desire of your heart, the oppression you fight against, not the least of which is your own frail flesh. I see it all and I am telling you - time is running out. You must stir Heartdwellers up, once again, with the clarion call. Time is running out; evil is escalating... What are you willing to do for Me, My Bride, to stop this acceleration of evil?"

"You see, it is the world again. The world demands so much time and energy from My people, at the end of the day it is as you perceive it - no more strength is left to fight the tide of evil. Concerns of the world have drained you. Yet you must interface with the world to get where you are going. Clare, it is very difficult to shut out the world when you still must deal with it. I see your efforts and where you have failed and as I made you aware earlier in the evening, this time now is very strong with oppression."

"It is very difficult for Me right now, weighing the options—seeing the good bringing forth fruit; seeing the bad destroy it. The battle is fierce, as you discovered when you saw your angels in a recovery ward. Nevertheless, there are more with you than against you. As long as you stay in My will and obey what you know to be right, not giving in to any worldly impulse. My dear, dear Heartdwellers, we are on the final leg of the journey. How I wish it could be postponed - and perhaps yet a miracle could happen. But as things stand, they are rapidly deteriorating and need your constant prayer."

"The world is still attractive to some of you and that hampers your time and focus on prayer and on Me. As you let these things of the world go, I fill you again with My Spirit, to enable you to intercede. Do not be overly discouraged. Some of you have fought hard. Keep fighting. Keep hoping. Keep offering and perhaps the grace to avoid events will be given. But it is going to take more effort."

"Please spread the word, even organize small prayer cells with others to pray and fast specifically for the world and this nation and that anti-Christ will not get his way until I am ready to turn him loose. This prayer is VERY important... 'Father, please restrain the increasing darkness and grant us more time, more grace, more mercy to sow and gather souls. Please grant us the wisdom and self-control to live for You alone, in these final hours.'"

"If enough souls say this prayer from the heart and accompany it with offerings, there is a chance — a very slim chance—that a massive setback to evil will take place. A very slim chance. It's up to you, My People. Pray this with all your hearts and give to Me every offering, going about and doing good at every opportunity. Leave no good work undone. Offer to Me every struggle, pain, delay, and sickness that I do not cure with prayer. And everything else you suffer."

Jesus speaks about Marriage & Angels

October 2 & 9, 2017

Jesus began... "My people, your marriages are turbulent because you do not know how to die to yourself, graciously. You have lived alone and done it your way for how many years? And you've cried out to Me, 'Please bring me a life-mate.' And finally I bring you together, but you are not willing to yield in the relationship."

"Do you understand that you are not perfect and neither is she/he? Do you know that there are deep gifts in you and in her that will make your life richer, but you will have to be willing to try new things. That is why I have established you in love, because the road ahead is rocky and loaded with pitfalls that can kill a marriage. The bond of love must be strong."

"At first, you pretend to love everything they do and are so agreeable. But then you miss your little habits, things she doesn't agree with or like and you've not told her that just yet. But after a while, you feel like you're living in a straight-jacket, trying to please her and deny yourself."

"Honesty is so important - but you fear that if you're honest with her, she will not marry you. Consider carefully, you are going to get married and one or two years later you will have built up great resentment, because you've hidden these things from her, or yielded when you really didn't want to. You want the freedom to have your habits back in your life, and you are growing in resentment and irritability."

"The resolution is in both of you seeking Me first. Is this something I've been trying to get you to drop, or is it a necessary thing? Is this something she could yield to or something she needs to understand is important to you?"

"Dear ones, I have brought this person into your life to help you become a better person and be prepared for Heaven. Both of you have blind spots; both of you have needs--and some of those you don't even recognize. I brought you together, because what the other one has is crucial for your maturity and happiness."

"But if you are unyielding and set in your ways, not only will you experience conflict and a cooling off of your love for one another, but you will miss the great blessings I have in store for you when you are willing to let go of your former life to embrace a new and wonderful life with one another."

"There is a misconception that you get married because you are alike and can enjoy so much together; the other person becomes a tag-along friend when you pursue your goals. But there is so much more merit to a marriage that has opposite traits as well - as long as both of you are flexible and loving one another without an agenda. Which, by the way, demons will constantly be trying to engage you in... 'But you like this...not what she likes, she needs to change! Not you.'"

"Do I want you to cleave to your old ways or do I want you to change them? Getting My Mind and Heart for your lifestyle is key. You will be happy if you obey; you will not be happy if you ignore Me. Without good communication skills, honesty, humility, flexibility, brotherly love and prayer - changes will be very turbulent and hurtful."

"Perhaps there is a bad habit that needs breaking and you both agree to it. There is a right and a wrong way to go about changing it. Prayer and positive support, with yielding when necessary, will make it happen so much sooner and in such a better way. Some changes happen in the first few weeks; others after a decade."

"When I bring two souls together, it is because I see their hearts and their futures. I see they will eventually be very compatible, because their heart goals are the same, but it will take great commitment to Me and one another."

"When two people come together, there is a dying to selfish and destructive ways to make room for the hidden gifts in one another to bloom into one exquisite flower. The two become one flesh, one heart, one mind."

"Both have much to learn about one another, and both have numerous faults that must be given up in order to succeed. When the love is strong, there is a willingness to really try over the long haul to see one another's perspective from the inside looking out, and be willing to make room for new life by dying to the old. "

"Pray much for one another, Dear ones, and you will see many miracles come to pass. I brought you together for a purpose. Nurture that and My blessing will be upon your marriage."

Jesus says... Pray for your Angels from October 9, 2017

"I wish for My people to know that their angels expend themselves for their cause, to protect them and their families. If I allow you to see their state, it is appropriate to comfort and pray for them. Don't go looking for these things, but if I bring them to you, then you may minister to them."

"I have teams and teams of angels, Clare. Just because one set are recovering from battle does not mean you are uncovered. I cannot leave you uncovered for even a moment; there are too many bent on harming you."

"So, they accompany you and fight when necessary. Afterwards, they rest or are exchanged out for another, fresher team."

"So much, My people, has been done to loose demons on you in this moment of time. The proliferation of demons is staggering, but they are no match for My angels and they have suffered far more casualties than Ours. You owe a great debt to your angels, and it is always proper for you to pray for them and thank them. Always."

"They love the little souls, the humble throw-away souls the world abhors. They particularly love to come to their rescue. So, never fear your angels. They are there for your protection. Bless and pray for them often."

Jesus says... Don't pay attention to the Enemy's Lies

October 12, 2017

Jesus says... "You know what your dream is. No matter what seems to be blocking your way, keep walking, keep pushing, keep moving. Don't stall and sit down in a mess of tears; keep walking, knowing that I am by your side and this IS the direction you are to be going in."

"Do what is right. Fast as you can. When you fall, repent and return to Me. Ask for more strength. Abstinence from certain foods count, or you wouldn't be in this struggle. You have attained some measure of freedom from food, but there is still a bondage."
(Clare) But Lord, the foods I eat help me to work.

"Not always, My Love. Sometimes they work against you — you just don't know it. I try to discourage your eating those foods. This is another reason I want you more detached."

"Beloved, you can do this. You have proven many times over, with My help, YOU CAN DO THIS. You just need to be resolute and pick up and keep going when you fall. FORGE ahead blindly. Just because you don't feel it doesn't mean you can't do it. DO IT ANYWAY."

(Clare) Lord, I'd love to do it, but I need more time. Please, can I skip the Communion service and prayer?

"Do you want to dry up like a desert?"

(Clare) No. But can I be talking to You all day and listening for You, rather than sitting for hours?

"There are days when you should not be praying that way; but Communion is essential. The enemy would surely like to trick you into not doing that. He would be thrilled if you stopped. So keep going, don't give in to that. You will know when you need to immerse yourself in Me and dwelling prayer — you will feel it. For now, you can test the waters. But cleave to Me all day and night."

"Cleave to Me, Clare. Know that I am with you. We are on a team together, pulling together. I will not leave you on your own frail devices; I strengthen you."

"I want you to begin to limit your intake of that drink. Find substitutes, and limit yourself."

(Clare) He's talking about my Frappuccino protein drink.

"When you are like this, you need more. When you are up and feeling well, you need less. You will see this can be regulated and you can distance yourself from having it, just the way you like it."

"But don't stop working, don't stop. This is what the enemy wants. He wants you so despairing that you quit working out of confusion, illusions of failure and hopelessness. He HATES your music, I mean HATES it. That's why you should do it all the more."

"You have this fixation with failure, Clare. Your eyes are on the foaming ocean at your feet, not on Me. Just one step at a time, keep your eyes only on Me. When you start to sink, cry out and cleave to Me. Keep walking. I will not let you sink very far, and at that it is only to draw you more tightly to Myself. Foaming lies of failure, churning poisons at your feet — all to convince you it is hopeless."

"This is the enemy's goal, My people."

"He wants to convince you it is hopeless. Either by world events and media manipulation or by family and friends, or by physical handicaps, or by emotional attacks, or human logic — to undermine your sense of destiny and security in My will. Or to convince you that you are a failure before you begin."

"If he can shift your focus to these things, he will convince you to give up. Do not allow it. Rebuke these lies of failure and any other lie that tells you to quit. This is his secret weapon. If you feel any sense that what you are doing is hopeless, a failure, too late or time is too short — if any of you feel this, you are seeing and hearing the enemy's traps to bring you down, and to a complete halt."

"Listen only to the voice of faith and My promises to you. Get your eyes off the ground and onto Me. I will sustain you as you walk on the stormy seas. I will not let you drown in self-pity, failure or any other lie. But you must be hearing My voice and looking at Me. Anything that tries to stop your forward motion is sent by the enemy to get you to quit. If you keep this as a cardinal rule, you will not be fooled into stopping."

"The assaults on all of you right now are horrendous and call for an unusual degree of perseverance in faith. The stakes are rising, My people. Some of you are carrying very heavy crosses as you walk. My intention is not that you grow weary and fall, but cry out for more help and strength. When you feel yourself slipping, cry out to Me! And know that you are not alone, the entire Body is feeling these pressures now."

"All of this struggle also counts as a fast offering. Carrying this blanket of oppression until I relieve you of it also has its merits. And your cooperation must be with Me, not with the thoughts of failure — those fiery darts aimed at your back day in and day out."

"If I could rise from the dead, I can certainly raise you above every obstacle, every roadblock of lies, every violent storm, every device evil can invent. I can lift you above by My resurrection power, if only you will BELIEVE!"

"Walk on now, My Blessed ones, walk on. There would be no opposition in your life right now if you were not a threat to the kingdom of darkness. Walk on."

"And know that whatever happens, I am WITH YOU and I will not desert you. And I will pick you up when you fall, and reinstate you."

Jesus says... Let yourself be inspired by your Love for Me

October 16, 2017

Clare began... Lord Jesus, please teach us how to recover ourselves when we fall and feel like we've failed You... Amen.

Anyway... during worship the Lord came to me visibly in my spiritual eyes - and He was beautiful. Even wearing something like a wedding garment. Sparkling white. I was touched by the dazzling image of Him, and I said... 'You are so beautiful, all in white!'

He replied... "Just for you, My Love. I dress just for you."

(Clare) You sparkle and shine, Jesus!

"I sparkle and shine for you, because I'm happy to be in your presence. I know how difficult it has been, not really feeling connected to Me. But understand, Love, in your suffering - whether you recognize it or not, you are more connected to Me than even now. Even though you do not see it, many times, because of your frailty - I carry you. Those are the times when you feel the worst about yourself, the world and what I've asked you to do."

"Understand, I have made a promise to you. What I have begun, I WILL finish. It's not up to you to do austere fasts and penances. It's up to you to respond when I whisper... 'Don't eat this.' Or

'you can have that.' This gets the attention off of your weaknesses and on to Me, where it belongs."

"Fasting can be an idol, although with you, at this time of your life... there's no danger of that."

"Well, the point I want to make is that fasting and seeing yourself as austere is not in any way the goal. It is merely a vehicle to help you deny your fleshly desires, to empty yourself to make room for My graces. Another danger with fasting, besides pride, is over-doing it. There again, you're still safe."

(Clare) Thanks, Lord. It feels good to laugh, Jesus.

"That was My intent... But some take on fasts that are far too demanding for their state in life. Once more, I can't help them, because they are in their flesh."

"Seek Me, My people, before you do anything. But especially those things that lower your morale if you fail. The enemy stands by, not only tempting you, but also waiting until you are at your weakest. Then he strikes like a cobra, injecting the venom of failure and hatred. And you sink deep into despair."

"Remember always, I WILL complete the work I began in you. Fasting IS important. It cleans out your attachment to your flesh, your preferences and attachments. If you make the food too good - it defeats the purpose."

(Clare) But what about right now, Jesus? Ezekiel is cautioning me, and he is my covering. You've made it so and I've gotten very weak denying myself.

"Do what you can, Clare. I want it to be a gift of Love."

(Clare) That's what disturbs me the most. I love myself more than I love You - or I would gladly fast from everything I like.

"Make little offerings and don't try to do anything on your own. Be inspired by your love for Me. Do the little things with great love and gladness. This will put a smile on My face, because your motive will be pure."

(Clare) But Lord, what about obedience? I mean, more stringent fasts?

"You have already seen you are not capable of that, even with My help. So, rather than hear you complaining, 'That's too hard!' What is sweet to My ears is, 'For You, Jesus.' And give a little something to Me as a cheerful offering. In this way, you'll not be so down on yourself with your attitude, and you will grow in the ability to sacrifice for Me. And most of all, you will not offend Me with grumbling, like the Israelites did. 'There are Giants in the land!' The only giant in this land, my Love, is your flesh."

"What do you think? Can you do this?"

(Clare) Yes, Lord. I believe I can. But I will always feel like I am not giving enough.

"And I will always be grateful for every little bit you do give. I am so grateful, so blessed, so pleased that you think of Me, that you care. I cannot restrain My joy or desire to lavish graces on you when you deny yourself some little pleasure for love of Me. My heart is so touched."

"You are too fixated with the Saints and others with great gifts of mortification. I would rather you be fixated on Me, giving Me little gifts throughout the day than to have your attention on yourself, criticizing and judging yourself because you don't fast like so-and-so. It is all about love and obedience, not being some kind of spiritual giant. Rather, every little gift is to come forth from your heart of love for Me. Your desire to please Me; your desire to cooperate with Me in bringing souls to salvation. And as you empty yourself, I long to fill you with spiritual graces that will bring you up higher and closer to My Kingdom of Heaven."

"Please, My people. Take your eyes off your failures and put them on Me. Do not be defeated when you reach the end of your end. Rather, renew your faith in Me. 'I can do all things through my Jesus, who lives inside of me, and strengthens me.' Pick up where you left off. But begin again, doing the little things, with great love. And always keep your eyes on Me, knowing how very grateful I am for even the little sacrifices you do make. In this way, you will preserve humility and not grow despondent with yourself. And you will recover more quickly."

"Nothing you do for the love of Me, or for souls, goes unnoticed. Nothing."

Jesus speaks about Callings, Progress, Danger & Rewards

October 17, 2017

Jesus began, "This is a time of increase to My Faithful ones. Many waves of darkness have covered you over and over again, but you still come back up to the surface, swimming strong in My promises for you."

"Dear ones, this was necessary to temper and harden you off for battle. The promises I have made to you, the gifts and vocations I have called you to, are highly wrought with danger. And these powerful dark waves were necessary to prepare you. They were not your end, as the devils tried to tell you - but only lessons in perseverance."

"What I have given you, the visions and promises, are still glowing strong in your hearts and keeping you active in resisting the temptation to quit. You know that this is your ticket to fulfillment in My calling for your lives and you have held on through some of the roughest battles of your lives."

"Your faith keeps you coming back up to the surface after the monster waves wash over you—your faith in Me to execute what I promised through you and the joy of the calling still burning strong in your hearts. Satan has not prevailed, you have not quit, we are still climbing together and you are beginning to get your footing in your callings."

"As you take your rightful place in these ministries for Me you will continue to watch for attacks-- which will surely come. But just as surely, WE will overcome them and victoriously execute My plans for the Kingdom, together. For many of you, this is a very sensitive time as you begin to feel your calling gelling underneath you. It is important to guard these fragile new beginnings, because the enemy will continue to assault and steal them from you if you allow it."

"The key is to keep your eyes on ME and tucked down in your heart, your mission. Peter could only walk upon the water as his eyes were riveted on Me."

"Clare, you and others have been very tempted to look at the ministries of others and compare. This caused you to sink into the deep. The very moment you returned your gaze to Me and My specific vision for you, you regained some semblance of balance and rekindled the embers within."

"You have yet to fully connect with how I want to use you. But when you do, all your preconceived ideas of a 'music' ministry will change dramatically to a 'healing' ministry. Yes, healing and restoration of souls to Me. This will be uniquely your calling and no other will be like it. It will be totally individual to you."

"Please don't grieve Me with your unbelief. You are so focused on your shortcomings and past failures that I cannot even give you a prophetic word without you cringing in unbelief. What am I to do with this attitude??? You have been listening to way too many demons and your mind has been polluted with their poison."

"But, as you press in and begin to see REAL PROGRESS, and it IS coming--you will align your thinking with Mine. Your saving grace in this hour is your love for Me and the desire to help others. Yes, the anointing is there. No matter how badly you feel about your deficiencies, you are going to rise to the top and leave them in the deep darkness where they belong."

"What I mean about rising to the top is that you will see your dreams manifested in your music."

"You are a piece of work--you know that??? You are one of the most difficult true believers to convince! Partly because of the liars that surround you and partly because you demand perfection and tend to be unwavering in critiquing your work. This, in the end, will lead to beautiful music, but for now you are really a pain to work with."

(Clare) I'm sorry, Lord...

"That said, My dear ones, DO NOT BE LIKE HER. Cleave to Me and scrape the vomit off yourselves and keep going."

"Yes, I use that word, because that is the poison they smear you with that sticks and continues to burn lies into your being. The effluent from demons is poison that clings to believers and burns stains of unbelief and failure into their souls. It is wise to bind it to them when you pray deliverance prayers. Very wise. Using My Name, they are stuck with it and it poisons them with unbelief in their filthy missions; it mars their effectiveness and infuriates those who send them. And what's worse, the stronger the effluent, the more it damages their effectiveness; they come back in worse condition than they left in."

"In this moment, all I am asking you to do is protect the vision and begin the work. You will find a respite in the attacks at first, but be vigilant--because they are only in a lull planning their next assault. But they haven't a chance if you abide in the Vine. All they choose to throw at you will fail."

"I have prepared you well, and with some semblance of success and growth, you will grow stronger and stronger until you are fully functioning in your callings."

"Clare, no matter how critical you are, My Love, truly you are making progress. Press in, press in, press in. Do not back off, do not complain or talk negatively about yourselves--that indeed is a smelly diaper I do not wish to have in your heart while I'm there. I have spent endless hours building you up in the Vine, the grapes are beginning to bud; do not let the enemy steal them. Do

not talk down about yourselves, Heardwellers. Do you know the angels assigned to you cringe when you do that?"

(Clare) No, Lord, I didn't know that.

"Well, they do. They see something totally different about you and those words are damaging and hurtful. So please, do not allow yourself to think this way. It is not reinforcing your mission but dragging it through the mud. You are not stupid, you are endowed with intelligence from above; you are not clumsy, you are graceful and charming. All those deprecating expressions of yours left over from your teen years, and they are all lies."

"Well, enough said. You are beautiful, each and every one of you and I derive endless consolation from being with you every day, and seeing how you resemble Me in your thoughts and feelings."

"Carry on, My Beloved ones, carry on. You have faced some steely battles. It's time for you to come into your fullness and reap the rewards you have earned."

Jesus says... I have some wonderful Things planned for you

October 19, 2017

Jesus began, "I have some wonderful things planned for you if you will heed My requests. "My people, truly I want to bring you into the fullness of My Spirit to minister healing, and deliverance and new life to the lame and wounded. There is a fullness of the Spirit I want to impart to you, but first I am calling you to abandon old habits, old ways of thinking."

"Enter into fasting, knowing that I am cleaning you out and preparing you for greater things. I know at times it is hard; but the rewards are beyond comprehension. And I promise you, you will be crestfallen at the end of your lives when you see all the good you could have done if only you had denied yourselves just a little bit."

"I want to take you to new levels of worship, places where the veil no longer exists. But you must prepare to enter into those places where the Spirit is so thick you no longer consider what you now call 'reality'--as it is in the world--truly reality. Rather, the things of this material world will become tasteless to you as you press into My Reality."

"Many of you have had dreams of healing others. You have longed for the healing gifts. Now is the time and season for you to reach out to receive these. If you follow My directives and sacrifice what you now find pleasurable for a higher good, you will not be disappointed. Many are those who begin this journey and turn around, departing from the committed path, because their palette and possessions are too dear to them."

(Clare) Lord, all I know is that this will have to be Your grace working in me, because I am one of those.

"I know this. But you have need of trust, Clare. That just as I have given you the desire to go deeper, I can give you the desire to deny yourself. Don't turn back, Beloved, please. Don't turn back. Grasp the hem of My garment for dear life and ask for the grace to mortify your flesh and empty yourself so I can fill you."

(Clare) But Lord, I am so weak and attached to many things.

"Yes, you are very weak. And that's precisely why I want you to step into My reality in faith and deny yourself day after day, until I signal to you that some progress has truly been made. But you will never be able to be self-indulgent again. Too many souls and circumstances will draw you into wonderful places if you are willing to deny yourself, pick up your cross and follow Me."

"I have not made it that hard for you, Clare. I did not take your protein drinks away from you. Nor will I, because I know they are one of the few things that keep you going."

"But wouldn't it be much better if I were the only one who kept you going? Ponder that, My Love. And remember: if you ask anything in My will--I will do it for you. It's only a matter of time, patience and abandonment to My plan."

"When things seem to difficult for you, that is the time you need to come to Me for strength so you can accomplish them. On your own you can do very little. Have you not experienced this time and time again?"

(Clare) Yes, Lord I have.

"Well, that's to your advantage, because you know I do not leave you helpless but lift you up when you fall--and even provide a way out. I am faithful. Do you not know this by now?"

(Clare) Yes, Lord, You truly are.

"Well, I want this to be a witness to My Heartdwellers. Nothing is impossible with God. Not even your favorite little treats, which I promise will lose their luster when your prayer for a disabled child causes them to stand up straight and walk from the wheelchair they lived in."

"I am going to stoke the fire in you, My people, if you are willing. If these are your desires, too, begin each day to live more and more for Me and others. Enter into worship and leave the little tokens of your love for Me on the altar. Ask and keep asking for the greater gifts. I cannot deny a humble and loving heart--at least not for very long."

"In a nutshell, I desire to give you these gifts, but you must clean out your old attachments to make room for them."

Jesus speaks about more Time... 'For Me, 5 Years is like 5 Minutes'

October 20, 2017

Jesus began, "I know you are anxious about the timing of events; that is why I am telling you, we still have a ways to go."

(Clare) Wow. I know what that means. But I asked Him... 'Five years?'

"Maybe. Much could be done in that time as you count it on Earth. At the same time, much could be forestalled. Much evil could be done and come to the surface. That is why I need a group of

intercessors on the forefront shouting down the enemy, praying down the wickedness and evil that spreads like the plagues of Egypt. Clare, you know in your heart there will be more time. You know this, don't you?"

(Clare) Yes, Lord. But You've said time is ending.

"And for Me, 5 years is like five minutes. Truly it is."

"There is going to be a move of God unparalleled and just now My faithful ones are entering into it. You see, many have been ready for many years and have born their fruit as they abided in Me. But now, I have a new generation, a new crop of soldiers and Brides, with a new vision - to spread My Love to the darkest corners of the Earth, and they are doing it."

"I am going to cause an explosion of faith around the world. It has already begun with certain ministers and countries, but I am going to accelerate it. I am fueling this explosion with My Holy Spirit. Much that has been prophesied will come to pass and America is going to lead the way for revival. My Father and I have chosen, 'More time, more grace, more mercy.'"

"But I am not calling My Brides to lay down their arms, but to guard what I am bringing upon the Earth. And the reason I do not want you or your Heartdwellers to put down your fasts and abstinences is that I want you all to be equipped with the greatest gifts to call My Mercy down upon the Earth."

"You will not be liked for this stance; you will receive more boos and calumny and some will leave the Channel. But My heart is for you all to continue to live lives of self-denial; simple lives where your flesh is kept under wraps until it dies of old age or starvation. But in the meantime, you will grow stronger and stronger in My anointing."

"There is a time for fasting and mourning; there is a time to lay down the sack cloth and take up the garments of praise. Yet still, I am calling you to continue to keep your flesh down. What does that look like? Don't spend hours in the kitchen making gourmet meals. Don't spend a fortune on expensive food. Make each day a third world day, in the sense that you eat sensibly, with simplicity and good nourishment, but avoid the dainties."

(Clare) Like Tiramisu, Lord?

"Exactly. These things that taste so wonderful are waiting for you in Heaven. You will have an eternity of delights, although you will find that the riches of the spirit far outweigh your desire for anything having to do with the flesh. Yet, there will be an abundance of rich foods, especially on the Heavenly feast days."

(Clare) Feast days?

"Yes. The memorials of great victories and historical markers, for when I delivered My People and bathed them in My Spirit and delivered them from evil en masse. Yes, indeed, there will be celebrations the likes of which you have never seen on Earth."

"But for now, I want those who profess to be Mine. I want them to live a circumcised life, free of worldly attachments, free of heartburn, free of guilt, free to worship Me with a clean conscience knowing that they are in My favor. Just as I came to you tonight to tell you how very pleased I am with you. This is an absolute prerequisite for the gifts I am releasing on Earth in this hour. Do not

do anything to compromise My friendship...do not try My mercy and patience. Rather, be faithful with the littlest things."

"I wish for them to press in to the greater gifts... prophecy, healing, wonders that witness to My power and love. To have these gifts in operation, I need them to abstain from worldly pleasures. Not sin, that is a given. But abstain from those things that feed the appetite for more and better - fine food, clothing, luxuries, comforts unknown to the poor. All these are poison to the Spirit living within; they all cause a downward spiral of dependency on the flesh and feed selfishness."

"No, I want them to strive for the better gifts that loose the bonds of the captives. This is a work, a great work of the Spirit whereby you lose more and more attachments in favor of caring more and more for those around you. I am calling all of you into a life of love for your brothers and sisters. And as you detach yourselves from the world, I will increase that love until you are burning with charity wherever you go."

(Clare) Lord, I felt such conviction when I watched Todd go into a store, and all he did was minister. My whole attitude when I have to go to the store is get in, get out! I don't think or care to tune into those around me that might need ministry. I just want to get OUT of there! Is that a bad thing?

"How do you feel when you minister to a soul?"

(Clare) Wonderful.

"And that is as it should be. When you deny your flesh, you lose interest in what the stores have to offer in favor of the opportunity to touch a hurting soul with My love and a word to uplift them. When you deny yourself, you empty the selfish, carnal appetites and make room for My loving presence to overtake you."

"You have experienced this; was it not wonderful and worth every effort?"

(Clare) Yes, Lord, my contentment was over the top.

"That's what I mean when I said 'I have come to bring life in abundance.' That is the abundant life, because you are ALIVE and ministering aliveness to others. You are truly My ambassadors and care little for the foolish things that used to motivate you."

"And as far as your condition and Ezekiel's, there is going to be an explosion of healing for My ministers, so they can minister on the highest levels. But remember: there will always be offerings, Simon's cross offerings. Always. But they will be less and less painful for those of you who have made it a habit to detach yourself from the pleasures of the flesh."

"I know these words are not easy for most, but I have not called most. I have called My Brides up higher--and I'm not done yet. We are going to keep climbing... that is, if you want to."

"Living a life of self-denial is not for everyone, but the fruits will be experienced by everyone. And some who refused to go out to the field to work will change their minds and do My will, when they see what they could have if only they would give up what they are so desperately hanging onto."

(Clare) So, just to be clear, Lord, are You saying we have five years yet?

"No. I am saying you have more time, more than you previously thought, which was three years. I am saying My Father has determined that His mercy will flourish before the final hour, when no one can jump off the fence. This is also a warning to those of you who know you have turned lukewarm in favor of your selfish appetites. You have an opportunity to grow into the full stature of the sons and daughters of God."

"I am extending an invitation to you fence-sitters who are still harboring sin in your lives, hoping My mercy will cover you in that last hour. It will not. Either live the life I have called you to--or stay here and suffer. The choice is yours. And in this moment, you have the break you need to rise up."

"Don't defer your salvation another moment, don't put it off. You will be left in the dust and ashes of your sins. If you are living together, get married or move out. If you are stealing, stop now and make restitution. If you are living selfishly for yourself, begin to serve the poor. Give to those who have nothing."

(Clare) So, Lord are you saying, perhaps three or four more years?

"You are close, but I will not give you an exact time frame. I must tell you that My Father's judgment will continue to manifest itself on Earth with disasters of man-made and nature-made origin. Your only protection will be to live a life that is ready to be called Home any minute. I will not give any guarantees."

"The just and the unjust shall perish together; their destinations will be totally different."

"I am telling you, bring your gifts to fruition, work hard under My anointing. Stop living for yourself. Stop feeding your flesh and seek out the lame and wounded and what you can do for them with your limited resources."

"If you are called to the market place, support those who minister and those that are in the mission field and it will go well with you when I come. Truly I tell you, you will not lose your reward."

"Live before Me every day as if it were your last, because plagues, wars, and terrible Earth disasters will continue to accelerate as the birth pains get closer. You know not the day I will call you Home - and you will give an accounting."

"Therefore, begin to live for Me and My agendas now, so that you will have treasure in Heaven."

"Those of you who have foolishly buried your talents, because you were busy sitting on the roof watching for My coming - here is your chance to make it right. Get busy. If you are busy about My business, you will not need to know the day or the hour, nor will you be left behind."

"Make no mistake about it: roof-top sitters who selfishly pass their time expecting a free ride to Heaven will be left behind. The only ones I am taking are those who are busy about My work, or being faithful to their state in life. And teaching their children how to give and how to serve."

"I admonish those of you who continue to say they cannot hear or see Me. You are not pressing in

sufficiently; you are not living single-mindedly for Me but are compromising with the world. I have not become your all-in-all and your everything, or I guarantee you, you would not be without My strong guiding, hand and loving arms."

"Have you not felt My hugs when, with a good heart, you went out of your way for someone? Have you not felt My deep gratitude? The secret, then, is to do this more and more each day and you will accustom yourself to feeling My presence and approval with you."

"Having this assurance, you will RUN EXPECTANTLY to your prayer closet and lock the door until you touch the hem of My garment."

"Many of you know in your hearts you have been lazy and that has affected your ability to hear and see Me. In your heart, you were convinced you are not worthy because you have withheld yourself from Me."

"This is not works righteousness. It is a working, loving relationship, that when you love someone you give up your priorities and rights to further their agendas. And when you do this, you come to EXPECT to be in communication with the Love of your life, because you are living for them."

"So, all in all, My Brides, you are on the right track. Please, My Brides, do not fast in your flesh. In other words, allow Me to lead you. Make a rhema card for fasting and different kinds of fasts, and that will help to guide you when it comes up. The object is not to starve you, but to help you become indifferent to food to the point where you only eat to nourish your body. Not for the pleasure of it."

"These are things you can offer Me out of Love for Me and they are acceptable gifts. But bear in mind, many of you already have sicknesses that are sufficient crosses, or crushing family situations. I want you to be strong to function, but indifferent as to what you eat. This will close the door to constant preoccupations with the flesh and help you shift your lives into the spirit, full time."

"Expect miraculous changes in your walk, My people. Remember, you cannot out-give Me."

Jesus says... You become My Ambassadors of Peace, Light & Healing

October 24, 2017

Jesus began... "When you go out into the world, you are not going out for your own needs, only. You are My ambassador of Light and Healing in this world. You don't pass by the hurting or homeless-- you do something to show your love--because you, My people, are My hands and feet and mouth. What you do may not seem like anything to you, but you have no idea how far down that soul is or if they are contemplating how to end it all. You could be the very last person on Earth that they talk to."

"Nothing happens by chance. Many things are arranged for you during the day, but because you are mostly self-involved (guilty as charged) you don't see the opportunities I set before you to let that Light shine. You can always shine by being extremely courteous and even patient with someone who is being obnoxious."

"Once you begin to stop living only for yourself, your own interests, your own agendas--and begin to live for Me, I will increase grace inside of you to recognize those in need and so you can minister to them. It begins very slowly, like the lower rungs on a very high ladder. So far, so good. But soon, after days of living selflessly, you begin to get exhilarated from the high of caring for others. You begin to see things you never noticed before, even in your own families."

"This is discipleship, My loved ones. Learning how to love others is truly a college course in selfless love. People are not moved by violent and scathing sermons on a street corner; they run from that. They are moved deeply by a kindness done to them with no ulterior motive. Random acts of kindness. Each act of kindness is another rung on the ladder to Heaven. The higher you climb, the more spectacular the view--until you are seeing what I am seeing and you have My Mind."

"As I see that I can trust you to be humble and little in all circumstances, I can begin to bring knowledge into your lives that you've always longed to have. Even the prophetic and healing gifts. You begin very small, but I give the increase in anointing. As I see you treat others with supernatural love, I can begin to send you the harder cases, the more broken ones who no one wants to deal with."

"You become My Ambassador of Peace and people are magnetically drawn to your sincere heart and unpretentious help for them. They see past you and recognize Me living in you."

"Many are looking to serve Me in a greater capacity, in a ministry, but you are not ready. Those who are faithful with the little things will be given the greater ones."

"Clare did nothing but gather food and feed people for 20 years. In the early church, people who saw to the needs of others in this way were called deacons and deaconesses. They served in this way and learned from their elders and then after observing their virtues at work, they were finally ordained to be ministers."

"They were qualified, because they were honest, not self-seeking; they were consistent, showing up day after day in good and bad weather. They prayed for those they served and shared their needs with the rest of the prayer community. Then after a time of observing this kind of virtue, they were ready for greater responsibilities: teaching and admonishing."

"So it is with you, My people. Start small, very small and allow Me to invite you up higher when you are ready. Lower your expectations of what to do to serve Me to the lowest common denominator if you are only just beginning. This is appropriate for you."

"I do not want you to lord it over others with knowledge of Scripture, etc. I want you to come alongside of them with the knowledge of your own failings and shortcomings, and how weak you are-- lest you think yourself better than they. I want you to demonstrate My Love in action in their lives. I will do the rest. If you are asked questions, answer as simply and humbly as you can. If they disagree, back off and continue to ply them with My Love. Do not, under any circumstances, break the bond of brotherly love. That will defeat your purpose."

"My disciples must know themselves and know that they are more frail than anyone else they have ever met. This keeps them from presumption and pride - especially the pride that comes with learning. Knowledge does puff up; charity does edify." (that's in 1 Corinthians 8:1)

"There is nothing quite as off-putting as a swaggering, self-proclaiming personality correcting others with an air of disdain. When you do that, you make others feel inferior, like they are not

good enough for God. It gives the impression that you have to be smart and all together - and sinless, to be a Christian. When people get this impression, they put off their conversions, feeling unworthy."

"That is why it is so important for you to be vulnerable and transparent so they can see you are not any better than they are, and yet God accepts you. I wish for you to come alongside or even beneath a new believer and allow them to discover Me, giving them little hints here and there and also paying very close attention to their reactions."

"There is an art to drawing souls to Me. Pray for this gift. Love and Humility are preeminent. Remember, these encounters are not happenstance; they are divinely arranged. So be confident that you have the anointing to touch this soul and you know that I am always there with you. My Spirit will speak through you if you give Him the chance. The only prerequisite is Love for others and humility."

Jesus says... Blessed are the Peacemakers - From August 3, 2015

"Blessed are the peacemakers for they will be called sons of God. Indeed, peacemakers most resemble Me. Of all attributes aside from charity, peace-making is most important to Me. Without peace, it is impossible to accomplish anything. Without peace, you cannot foster love. Without peace, men are in a continual downward spiral of death and hopelessness."

"So, this is one of satan's favorite strategies. Steal your peace, at any cost; deprive you of your peace. That is why I have promised you the peace that passes all understanding. Anytime your peace is being rattled, you can assume there is a snake nearby. (no pun intended) "Ok... a rattle snake."

"When you get rattled you are dealing with the serpent. Yes, the enemy is taking territory from you unless you are very observant and nip it in the bud. But, for most it slowly coils around to cut off circulation to the brain, injecting the venom of fear disguised as prudence."

"When I visit a soul I bring peace, whether you are aware of why you feel peaceful or not. My peace surpasses all understanding and all events. In the midst of tragedy, My peace can descend and bring order out of chaos. The dark forces you speak about, their entire agenda is to foster strife, confusion, and chaos."

1 Corinthians 14:33 For I am not a God of confusion but of peace.

"Anytime, anytime, anytime at all your peace is disturbed, or rattled, you can be sure there is a little demon nearby throwing off your balance, injecting you with its venom. If My people could recognize this from the onset, wars would cease to exist. But rather, they try to fight fear with force and force is always only a temporary solution. That is why My reign is so very important, to restore the Garden of Eden to men, that they may live in peace, good will, and understanding."

"How joyful life will be when I return. Still, you will have dissenters until the serpent is forever banished, but in the beginning, the peace will be a shining force throughout the earth. Even the animals will be at peace with men."

"This peace will be hard won by the blood of many and will in its nature only be temporary until the final Judgment. Then peace shall reign forever. So, what I want to say is that peacemakers most resemble Me, and the contrast to that is the troublemakers who most resemble satan. That is why I called the religious leaders a brood of vipers."

"They pretended peace on the outside with long flowing garments woven with golden tassels, but inside they were ravaging wolves, seeking how to destroy anyone or anything that challenged their authority and rule. Absolute power corrupts and absolute power was what they were seeking. They threatened men with their eternal salvation if they dared to challenge them."

"Things have not changed one iota. Fear is still used by religious authorities masquerading as messengers and protectors of truth."

"My dear Ones, have nothing to do with dissemblers and those who sow discord among brethren. This is most certainly inspired by the wicked ones. I want you to be pure before me; no mud in your hands - rather clean, shining, and ready to be taken into My Abode forever."

"Be peacemakers. Be the one to take up for the absent when cruel things are said. Be the one who puts a stop to gossip and calumny. How beautiful are the footsteps of the Bride who brings peace in her bosom. She is adorned with all choice perfumes and jewels from her Father's house. Oh, how beautiful you are when you defend righteousness and sow peace among brothers and sisters. You most resemble Me when you bring order out of confusion, understanding out of conflict, turning bitterness to forgiveness and kindness. There is no price worthy of such a soul, who goes around bringing brotherly love and concord. The fruits of such a one as this will testify to her virtue throughout eternity."

"I want you to consider for a moment, how the wicked venom from the mouth of the serpentine woman can foment wars and disaster after disaster to rulers. First and Second Kings chronicles the lives of Ahab and Jezebel, his wife."

"I am taking the time My Bride to reveal the fruits of a wicked and the fruits of the wise. How beautiful you are to Me, My Bride. Truly you take My Breath away with your virtue when you defend the innocent and refuse to partake of evil. Remember, in this time left to you on Earth, the devils are always looking for a way to defile you, steal your purity, your innocence, your beauty. Dissembling and destroying peace among brethren or family is the enemy's favorite tactic."

"Be on your guard, My Beautiful One. Protect your virtue and the virtue of others from detraction and gossip. Keep your hands clean from the mire of this world. Do not allow anyone to soil your wedding garment. Continue to take My Breath away by your virtue."

"Oh, how wonderful it will be on that day that I take you to Myself in absolute purity with nothing to shame you or cause you to blush. Remember it is not what goes into your mouth that defiles but what comes out that defiles and reveals the contents of your heart. Keep your heart only for Me. Protect it without compromise. Bring peace out of strife, let your virtue shine upon all men that your Father in Heaven may be glorified. Blessed are you, Peacemakers. You are called children of God, and surely I will take you into the place I have prepared for you."

Jesus says... Millions of Muslims are looking for the Truth

October 25, 2017

Jesus began... "For those of you who are still in a state of unrest because of the delay... I invite you into My Merciful Heart, where you will see the ones I still grieve over, who are not as yet ready. They are close, so very close and approaching the tabernacle of My Mercy, that is My Heart, but they have not as yet accepted Me."

"These are the ones I especially want to target. Many Muslims, totally disenchanted with their faith are asking so many questions about where is the real God? Surely this rape and slaughter of innocents cannot be an expression of the Merciful God."

"They are like sheep wandering on the hillside with no shepherd. They are so traumatized they trust no one, yet they are crying out for answers."

"Can you imagine it yourself, if you didn't have Me and the assurance of Heaven and everywhere you looked were infidels who treated you with more love and respect than your own kind, what would you think? What would you feel?"

"You have been raised to believe the most heinous things about Christians, and now you are living among them and you see they are nothing like what they were led to believe. It was all a lie. And your faith has turned into Hell on Earth... Where is the true God in all of this?"

"Yet this is the one thing they have going for them: they know their faith is seriously flawed and compromised. Yet, what are they to believe?"

"Do you understand, My People, millions of Muslims are looking for the truth, while you are looking up in the sky begging Me to come. Who am I to listen to? Your eternity is sealed, there's is not. I cannot leave them, I cannot desert them. I must respond to their desperate prayers."

"They are asking, 'Is it just a few bad apples that rape innocent children? Or is it truly what is taught in the Koran?' The disparity between what is righteous and holy is miles apart from this reality. How can anyone be so cruel?"

"Their whole world has been shattered. They have lost fathers and children and even mothers, they have lost all they owned and worked hard for. Many are so shell-shocked they cannot think straight. What's worse they have nowhere to go. The surrounding countries don't want them. Can there be any suffering like unto theirs?"

"That is why I am calling My faithful Brides to cooperate and walk with Me and show compassion, not brutality by removing the only good they are destined to know. As you come to terms with your attitudes of heart, you have an alternative to the bitter disappointment. The alternative is to offer your woes for the conversion of the Muslim nations and the peoples scattered over the Earth."

"This is pain. Take this pain you feel so acutely while apart from Me and offer it to Me for these victims of Satan."

"This is what it means to be My Bride. You walk with Me in Heaven and on Earth as if you were in

Paradise; you share in My Body and Blood. You have My Living Words to read and My fellowship in prayer and even in suffering."

"Now, I ask you: are you willing to walk with Me along the way of Calvary and experience the excruciating pain I feel over these people? Are you willing to truly accompany Me in these hours of harvest before Satan is loosed? Are you willing to give up your agendas and need to be taken up and out of this Earth for the sake of so many souls?"

"You see, My Bride must be willing to accompany Me in My sorrows as well as My glory. Are you willing?"

"This will require a massive change in attitude on your part. Stop thinking selfishly and join Me in My thinking and the task before us. You will never regret the extra time it took to bring in the catch. Rather, you will be joyful that you accompanied Me and labored with Me to bring this to pass. And it shall be credited to you, that you laid aside your personal agenda to put your heart and mind totally into Mine. You will not lose your reward."

"And one last note. I would ask you to consider that this vessel has brought forth the Truth I have given her with great fidelity. Your accusations against her do not endear Me to you; they hurt Me deeply."

"She is not the cause of your anger and grief, I am. Your anger is at Me, not her. So, ponder these things My loved ones. Truly, I need you to yield to Me in this hour and I will give you the grace to walk with Me."

Jesus speaks about Revival & Dance floors on the Clouds

October 28, 2017

Jesus began... "My precious, precious Brides - how I have missed our trysting times together. I long to hold you once again in My arms and twirl around the Heavenly dance floors with you. Do you know that My angels build these dance floors on the clouds and hold them up just for the privilege to see Me so completely happy, holding My Bride?"

"Oh, how happy and edified they are to see the joy I derive from you, My Brides. Please, prepare your hearts to be in this secret place with Me, dancing and worshipping to our hearts content. Prepare your hearts for a romantic break, away from the necessities and grueling wars you have been through of late."

"Much has been secured on the basis of your sacrifices and those of My Brides around the world. They have cried out to Me with tears for intervention and My Father has heard their cries, joined to yours, as you lift the world up and prepare it for revival."

(Clare) Lord, some have complained to me that You said there would be no revival before the Rapture - I think, about two years ago. And I tried to explain to them that that was contingent on the timing of the Rapture. But, maybe You can explain it better than I can?

"That is correct. I did say that, because I was not expecting the level of repentance that Americans have embraced - and I also did not expect the Rapture to be delayed. Clare, so much

came to a head during those months and the hearts of many waxed cold. But they responded to grace. And not only has My Father postponed the Rapture, but revival shall come, as well."

(Clare) Jesus, there are some that say they already knew this, before You gave us more mercy and more time--and delay was extended. And I don't understand why we were kept in the dark?

"Would you really like to know, Clare? Would you really like to know?"

(Clare) Ummm.. is it going to hurt?

"No, not at all. I have called you to be the warriors of My heart. Warriors and companions. I have called you to share the tragic and tenuous movements of the world and its effect on My Heart. I have called you to respond to My tears and keep Me company as I deal with the agonies of child trafficking, materialism that buries My birth beneath piles of rubbish every Christmas. The malls that are full on Sundays and the churches that are empty. I have called you to share in My most intimate feelings for My creation."

"Some of My Prophets see from afar and are not privy to the struggles I endure day after day, the very close calls. And I am looking for those who will keep My aching heart company. And may I remind you, that many prophets were also saying there would be no more time for revival, because they, too, shared in My agonies."

"However, others have a certain sense that mercy will triumph and we will make it through these years long enough to see one last great move of Glory on Earth. And that is also correct. But it is not won just by knowing. Rather, it is gutted out by those who hear My Heart's cry and see how tortuously close we have come to that final Day."

"We have come very, very close. Closer than any of you imagine. Were it not for My Father's intervention, none of you would be here now. So very tragically close. And it is those times, when you have fasted, prayed and cried out for Mercy, that have had their effect."

"My Love, each part of the Body has their own specific tasks, and Heartdwellers are subject to the ups and downs and stabbing pains I must endure from humanity's ingratitude. Not only does every Christian fit into My Body differently, but My Prophets as well. Each has their assignments; each is made privy to new revelation appropriate to their station on the wall."

"But the prophets of My Heart go through a thousand deaths as they perceive the torment I endure daily. They see the deep darkness of despair around the Earth and how I react to it, how I call out for prayers to counteract the odor of dying souls."

"And their prayers, many times, turn the clock back. Do not allow any man's opinion deter you in your calling. You know what I have told you. You know what you and other Heartdwellers have seen and felt in My presence."

"This is your station in My heart, to cry out and intercede for the most desperate cases. You have held Me when I cried, you have kept watch when you felt the destitution of My soul. When I must respond to those who lie beneath the rubble after earthquakes and those who have lost everything in these vicious hurricanes. And those who still wait at the borders of countries and have nowhere to go to begin to start life over. And the list of torments I go through daily is beyond any human to comprehend."

"But you, my faithful Brides, have kept Me company in My most desolate hours, and now I wish to visit you with the consolation of My presence and tender love for you. You have accompanied Me through so many torments and I wish to give you a reprieve and delight for your souls. So, do not be afraid to accept the invitation to dance with Me; it is My way of delighting in you for all you have forsaken for Me."

"There has to be time to regroup, to find the innocent pleasures of companionship with your God. To receive and renew your hearts, preparing you for new assignments and challenges - joyful ones, creative ones, things your heart longs for but have been kept from you for so long."

"These truly are the days of releasing dreams and provision to succeed. You will never be totally free of the enemy nipping at your heels. However, as you have matured, you have learned many things about putting a stop to them, as well."

"That is why I am so pleased with you and long to take you in My arms and swirl you around the floor in beautiful ballrooms created just for our pleasure."

"I understand well your struggles with distractions. You are beset by armies of little demons that pursue you with all they have to drive you away from your goal. You must be smarter, stronger and more obedient, My Beloved ones, to defeat these disgusting creatures. As you well know, they will use your own natures against you to steal days of time away from your missions. You mustn't allow this, My Precious ones - and as I dance with you, I impart the wisdom and strength to be more disciplined and overcome these."

"As you fall more deeply in love with Me, you lose more and more of your self-will - which is exactly what the demons use to derail you. You long more and more to fulfill My desires for you this day and you will triumph over these creatures by your love for Me."

"So, this is a season of releasing precious spiritual graces and long, lingering drinks of living waters from My Heart of Joy as we dwell together."

"Do not - as is the tendency - be thinking 'the more work you get done, the better.' No, be thinking the more you can console and walk with Me. The more you can dry My tears, and pray for those who are still in bondage to their possessions, to the legalisms of those who have turned My Church into a courtroom and a social club, rather than a place of thanksgiving, celebration and worship in Spirit and in Truth... The more you can do that, the happier I will be."

"That is not to say that you abandon the missions you have received from Me, of course not! Continue on in those. But please do not have the mentality of a production line. Rather, be My Bride and My Wife and your obedience will accomplish both things simultaneously."

"So, when I come to dance with you, let this be your spiritual worship and allow Me to take you to new heights of perception of My Holy Being. As well as elevating you, My Brides, for your selfless service, which has brought Me endless times of joy. For not only do I derive pleasure from these, but as I gaze upon you while we are dancing, the fragrance of your fidelity overpowers the woes of the day and brings Me such comfort."

"Stay close, My Bride. Cling to Me and bring Me the joy of your loving presence."

Jesus says... You are One of My most hard-working Apostles & No Loser

October 30, 2017

Jesus began... "Oh, Clare, how I have wanted to talk to you. You are under some extreme oppression, Beloved, extreme. You do not see it, because it has been laid on you very slowly and surreptitiously. Your whole being is under attack and their plan is to steal your ministry and destroy you. Demons of destruction have been assigned to you and they are working on your mind."

"This is what they are saying to you. 'You are not any good. He doesn't love you, He's fed up with you. Do you see these others over here? Look at the gifts they have and compare them to what you don't have after all these years of serving Him. You don't have them, because you are not worthy. You have not used your time wisely, nor will you ever. You are a loser: you lose time, you lose graces, you lose people... You are a loser! You waste everything. He's found others to do your job, because you will never get it done.'"

"These are only a very few of their accusations. And they are designed to get you to give up on Me and on yourself. They are designed to cause you to lose heart, Clare."

(Clare) Well, that's certainly the effect they're having. I feel disheartened and without hope, like... I've let You down so many times - what's the use?

(Jesus) "But this is My witness, this is what I say about you. You have turned one coin into ten. You have brought forth copious fruit all over the world. You really have been faithful, very faithful, and done My bidding, My will, 99% of the time. You have not been lax or lazy. You are one of the most hard-working of My apostles, even at your age. You have turned the coal of your sins and shortcomings into the diamonds of My Mercy, time and time again, bringing to My people the real substance of My heart."

"You bare your heart - the worst parts of it - and share with others how compassionate I am and how I raise you up fall after fall. Do you know what that's done for souls around the world? They see Me for who I am, they see you for who you are - and they relate to you on every level. You are a Champion of Righteousness. You are Mine, and there is no one like you."

(Clare) And I just want to say an aside here. He often tells me that, and I understand that He is saying each of us are unique and there is no one like you. There's no one like me. There's no one like your brother, or sister, or anyone in the world. You are so unique. You have been created so gloriously unique and special. And Satan's whole job and agenda is to take that away from you.

(Jesus) "Do you understand? You are very special to Me and to the world you live in for your insights and wisdom, yet you have the lowest opinion of yourself. And I love that. I love that you see yourself as a nothing."

"But you carry it too far, Clare. The demons have run with that and very clever demons have chosen to play that card against you. They want you to think that your ministry just doesn't matter."

"Each of My Brides has their own beauty and I reward them accordingly. The Demons would love for you to be jealous and begin to feed off of that. But the truth is, I am equipping them for their mission and you for yours. They are different. You've been put into a matrix of ruin, Clare. You've

been targeted at the very core of your being, and your relationship to Me. Your mission is priceless to Me."

"Everyone of your struggles is solid gold and not one thing you suffer is in vain - it always outs and hits the target for those who are going through the same, the very same tribulations around the world."

"You turn every speck of coal into diamonds by sharing as you do. I love that about you and you have been called to do it. Listen to Me. **YOU ARE GOING TO SUCCEED.** Do not listen to the lies. Do not see the situation as impossible. You are making progress in seeing how you lose time. For you, ten minutes is worth an hour of someone else's time - that's why I don't want you to waste it. Oh, how can I convince you?"

(Clare) Well. He caught me; I wasn't believing everything He was saying. I said... 'I'm listening Lord, I am trying to believe, but I am leery.'

"And what have you done to deserve that kind of deceit?"

(Clare) What He means by that is, there are times when He allows deceiving spirits that sound and look like Him, to lead us astray, to humble us, because we're in Pride. We never know when we're in pride. I think we're always in it... I answered... 'All the things I do wrong or the way I insist sometimes.'

(Jesus) "Do not insist on anything but what I want you to do - not even for 5 or 10 minutes - because that's how they get you. Just one degree off course and they continue to take you further and further off course. You must resist at the onset, and not believe that you're strong enough to do something and come back to what you should have stayed doing. You cannot afford to do this, because you are weak and they play on your weaknesses to defeat you."

"Clare, you have defeat written all over you. But I am here to bring you out of it, once and for all. You have been enormously fruitful and I intend to make you even more so. You have earned a promotion by your faithfulness, so I am going to break this off of you and bring you up higher, away from the reach of detractors."

"First I must establish this in your heart... **YOU WILL SUCCEED.**"

"I need you to be settled about this. Get your eyes off your daily sense of failure and on to Me. Do not look at what I am doing with other vessels, because what I want from you is so different. Be happy to be overlooked and side-lined; this is healthy for you. But in My eyes, you are in the spotlight of My love and purposes for your life."

(Clare) Lord, I don't see how I can do anything with music. Look at the time, and what did I do that was off course today, except 17 minutes on Amazon, getting a cable for my speakers?? Please, tell me what is Your answer for this?

(Jesus) "Every night you are under attack. Like tonight - it was the speaker. (Which failed...) I am training you in discretion. You could have pursued the problem, but you dropped it for your assistant to figure out. That's exactly what I wanted to see you do; that was a sidetrack to take you away from Me. And you did the right thing. You ignored it. You weighed the options and determined it was a sidetrack to steal time from Us. And you were right!"

"This is part of your training. You are learning what to pass by and what to keep working on. You need to know this for the future, you need to learn this now - that's why it is happening to you. Every day is full of choices and temptations... until you learn."

"That's why you have to stay so closely tuned into My heart, because you will feel when I want you to stop doing something; it is not for you. With a little more practice, you won't do it at all."

(Clare) Well, Lord - I guess my problem is faith. I just can't see how I can improve on my schedule to make time for music - I can't see it.

(Jesus) "And what did I tell you earlier in the evening, when you picked a Rhema card?"

(Clare) The Rhema said... 'Blessed are you who are able to believe without understanding the reason.'

(Jesus) "That was not a random, outdated card, as you tended to wonder if it was right. No, it was a direct, right-on message from Me for our conversation this night. I want you to believe without understanding how we are going to do this. But we ARE going to do this."

"Do you understand? I know, before you know, exactly what is going to happen and I am telling you, YOU WILL SUCCEED. Let this permeate your consciousness and be reminded that, when you feel like a failure, that is coming from outside sources and you can rebuke it. You must take those thoughts captive and declare My thoughts and words over your life. For I have not given you a spirit of fear but of power, love, and self-control."

"And I declare... you will succeed with your music ministry, but you must believe in Me and in Yourself with My empowering of you. You must. It will not happen unless you do and that's why the attack has been against our relationship and your sense of being loved, approved of and used. With everything they have, they are trying to knit you into a destroying cocoon of failure. But I will not allow it. You are coming out of this lie and into your calling."

Jesus says... Humility & Brotherly Love are a Must for the greater Gifts

October 31, 2017

Jesus began... "There was much fear caught up in those filters that came out when you renounced Fear. You have seen quite a lot in the spirit but fear had blocked more perfect vision. Now, slowly you will learn to relax and allow Me to reveal to you what I want you to see. Resting and letting go, being open and resting.

"Moving in these gifts is not a three ring circus, as many would have you believe from the past. It is a gentle process of seeing and gently moving in the Spirit."

(Clare) I believe He was referring to all the loud prayers, displays and showmanship I have seen in church services. I have never liked those.

(Jesus) "Well, My Love, you have much to learn. Sometimes it is that way, because people are so

overjoyed to be healed. Nonetheless, I do agree that presentation can be theatrical, and oh, how I love the healing that comes as natural as breathing, without fanfare and showmanship."

"That is one reason I want to use the souls who seek anonymity for ministry. They have nothing invested in it but My Happiness and the welfare of those they minister to. And that's as it should be. Recognition of a minister for what I have done is a detestable practice, but quite hard to avoid in your culture. Nevertheless, a new class of healing prophets are being raised up. They prefer the hidden places, to be overlooked and for others to see Me rather than them, even when looking directly at them. I want them to see Me."

"But this wave is coming and I want your Heartdwellers to be a part of this. I want them anointed to be seers and work with angels. You have worked with angels for many years without recognizing their presence, and now that the filters are removed, you will begin to see these precious creatures and loyal, very loyal servants of Mine."

"My people, the time is now and here for all of you to begin to seek the better gifts, especially prophecy and healing and working with angels that are sent to the Earth on healing missions. There is absolutely nothing inappropriate in you calling upon, using and acknowledging the presence of angels."

"This truly is the way I wish to do things. Because everyone in Heaven has a job to perform, everyone serves and they love to serve. And I love to see them serve! And they love your acknowledgement of them, without idolizing their persons. It is a sweet, supportive ministry and these messengers pack a mighty anointing to do My bidding--whether it be during a violent war or a conference on healing."

"My people, ask Me for this gift and if you are not ready, I will prepare you. I have brought you to this Channel to prepare you for the greater gifts, and humility is the absolute prerequisite. Humility and hiddenness, the desire to be seen only by My eyes. Modesty and Humility go hand in hand. Those of you who chose to hide from man are nearing the end of your preparation; you will soon be entrusted with the greater gifts."

"In fact, all of you who have followed Me up the mountain, all of you who have made a firm commitment not to go back to the lowlands, are nearing the time of your equipping."

"Humility and brotherly love are the two grounding virtues that you must be firmly established in before I can safely use you. Did I not say, "Depart from Me, I never knew you." to those who came to Me, telling how they had healed and performed miracles in My Name?"

"...Many will say to Me on that day, 'Lord, Lord, did we not prophesy in Your name, and in Your name drive out demons and perform many miracles?' Then I will tell them plainly, 'I never knew you; depart from Me, you workers of lawlessness.' Matthew 7:22-23

"They knew the miracles all right, but they did not know Me. That is why you are here, learning the most essential thing: to know Me and be completely yielded to Me, to be made ready for your equipping. Those who perform miracles without love have no part in Me, for it is your love for Me and for your brother that qualifies you for this anointing. So, I am telling you, do not chase after miracles. Chase after Me and when you find Me--never let Me go and everything else will come when it is supposed to."

"Then I will prepare you to act in My stead, for did I not tell you greater works than these you shall do? Truly, truly, I tell you, whoever believes in Me will also do the works that I am doing. He will do even greater things than these, because I am going to the Father. And I will do whatever you ask in My name, so that the Father may be glorified in the Son." John 14:12-13

"Your yearning to have Me forever with you, living in your heart, is your safeguard. Once this is established, I can entrust you with the power gifts, because your priorities are in order. To seek these gifts, while ignoring Me, leads to Pride and Vain Glory and will damage My Body more than if you never did any works at all. What you are and what they see in you, when you minister, will be replicated in their own lives. That is why I am so meticulous in training and preparing you. There must not be any vestige of self-love that could blossom into full blown idolatry."

(Clare) Wow, Lord! I remember You asked Ezekiel to stop ministering in music, because Your Bride was enamored of his gift. And this happened, really, with the Lord several years ago - so he stopped. Since then we've done other things, but there was a period of time where there was just this romantic, John Michael Talbot kind of aura on Ezekiel, and people were looking at us that way, and not looking at the Lord. So He wanted us to stop. And we were happy to.

(Jesus) "It is the nature of your culture to exalt men. This is another work that must not be found in you, while you fiercely protect My honor by refusing to take the credit for anything except preparing and equipping you."

(Clare) The Lord brought this incident in the Scriptures to mind just then, which you can read in Acts 14:8-15

(Jesus) "It is human nature, Clare, but human nature must be conquered. I have complete confidence in you who have chosen the steep climb with all its treacherous and slippery slopes. I have confidence in you that you will defend My honor. You have sought Me wholeheartedly and I see that there is nothing dearer to your hearts than My Love and presence in your lives."

"Yet, there are others teaching how to accomplish many striking gifts in the Body, while I am sidelined. This is the dangerous path. Do not become enamored of bi-location, healing miracles, and creative miracles, so much so that you forget about the precious love we share, My Bride. You will be tempted by many who do not understand, but you will right the wrong when they assign glory to you."

"So, this is a new season for you, My Brides. Having loved your brother as yourself, having loved Me with all your heart and mind and strength, love your brothers and sisters into wholeness with My gifts to you."

Jesus says... Call Me in your Hour of Temptation

November 3, 2017

Clare began... Jesus, please give us the strength and wisdom to say 'no' to occasions of sin. Amen.

Well, I indulged myself and went back to a site where something I really wanted, but was not allowed to get, was located. It's a red glass heart bead that represented changes in my heart to me. Well, it was a steel trap. It came down on me like lightning. I was caught, injured, sidetracked,

and so emotional and angry I couldn't do anything last night. Not write, play music, only a little correspondence. And it was a big mistake. So, I ended up very much out of sorts with the Lord and feeling badly, that He wouldn't let me have such a little thing. But He had His reasons - but I wasn't thinking that way. I was thinking... I want something, and I can't have it, and I don't see why? It ended up in me being at odds with the Lord, and I felt so badly. I said, 'Lord. I don't ever want to be at odds with You again. I hate it!'

Jesus replied... "Then you must listen more carefully and not give into one speck of self-will."

(Clare) You're right. I indulged myself and went back to that site. And that steel trap came down on me like lightning. I was caught, injured, side-tracked and so emotional and angry! All I could do was complain.

(Jesus) "Well, we are here now."

(Clare) What would You like, Jesus?

(Jesus) "Repentance is always a good start".

(Clare) I thought I did that.

(Jesus) "You could do it a little more... "

(Clare) Lord, truly I am sorry for being spoiled and wanting my own way. Please forgive me and make me wiser and more willing to carry my cross and practice self-denial. Please help me. And really, the repentance came today after I cooled down some more.

(Jesus) "You are forgiven. But I want to warn all of you, Heartdwellers, avoid every occasion of sin. If you know something fascinates you and takes you off course of what is important to us, there is a likely-hood that a trap has been set for you. And if you indulge your curiosity, thinking you can stay clear of capture, you are mistaken."

"You see, the demons first tempt you because of your flesh. 'Oh, this really is something you would like, come look at it! Besides, more things will pop up around it.' In the meantime, they have you figured out from every angle there is and have laid a very clever noose on the ground for you to step into."

"So, you excuse yourself, 'Oh, there's no harm in looking.' And when you go there, they hit you with a very strong emotional attachment to something I have not allowed you to do or have. And you begin to resent Me for denying you an innocent pleasure."

"What was it you told me last night? 'Lord, I work so hard for you, it is a rare thing when I ask You for something special, because it reminds me of my mission and the love you've given Me for your people. Is it too much for me to ask for this kindness?'"

"And all the time your resentment is brewing, 'Gee Lord, is it really too much to ask?' And now you've entered into bitterness. If you had stayed away from that temptation, you never would have been hurt, spending a lot of time crying. You never would have been wiped out at the end of the day before you even began the work on your keyboard. You never would have lost all motivation - except to find a hole and pout because I wasn't being fair."

"ALL of that could have been avoided if only you had nipped that temptation in the bud. But you've been attached to that for months, you never completely let go - and just one little visit to the page was enough to bring back very sad memories for you."

"How ignorant do you think the demons are, Clare? I can assure you they are not ignorant and they take note of every passing feeling and those things that could trip you up in the future. They calculate these things."

"And you, My Dove, played right into their hands. And you are still attached. I understand fully why you were attracted to that object. But there are things that will hurt you to give up. Yet for the time being, I ask you to let them go. You can use those tears as an offering, you know. The more deeply you feel, the better the offering. Deny yourself, pick up your cross and follow Me. It's just that simple."

"I understand your reasoning, and I'm just asking you to let it go for now. And please, do not let it drag you down into a pit again... please? Even though we've talked about it and it still hurts you, you must not allow yourself to entertain those feelings. There are other things far more important that you should be hurting about."

(Clare) I'm sorry, Lord. There again, I need your grace. I have been praying for those who are truly hurting on the very edge of life and death, but I see I can offer this for their comfort.

(Jesus) "That's right. It seems like a foolish thing to you, but because it matters and it hurts, it carries more significance and that pain you feel can be offered for those who are really suffering. In the light of eternity, you will be very shocked at how much you valued things that were worthless."

(Clare) Yes, I know You are right. And I'm trying to get a handle on that. I wish I could be there now.

(Jesus) "Well, we're headed that way..."Children, children, the enemy is clever, much more than you give him credit for. This, too, will pass. Guard yourselves from occasions of sin. Do not go there if you know it has led you into sin in the past. Be wise as serpents and gentle as doves. Your adversary is wise like a serpent and bites with a deadly venom. Call on Me in your hour of temptation and I will deliver you."

Jesus speaks about Worship & Music Styles

November 4, 2017

Clare began... Jesus, forgive us. We have no idea how tender Your heart is, and how easily You are hurt. Please help us to be sensitive and aware of what we are saying and feeling when we must come to terms with Your Will for us. Amen

I'm sorry I made You cry, Lord. That's a terrible thing, to make You cry—and over such foolishness.

(Jesus) "I accept your heart-felt apology and repentance, and I do forgive you."

(Clare) Oh, dear it really hurts to know I hurt You. When You broke out in sobs when You were holding me, I wasn't sure what to think.

(Jesus) "But then you realized it was because I never want to lose you, Clare. And when things like this happen and there is an accusation against Me, it hurts Me deeply that you don't trust My judgment. I understand it was childish and immature of you, but you have not seen how many souls I lose in exactly this same way."

"Something happens in their lives and they don't understand—so they blame Me. I understand their thinking. While I didn't create the tragedy, I did allow it and for many that is beyond comprehension. And they go away... some, forever. Some, for the length of their lives. And some cool off and return to Me, knowing My judgment is the best and since I was willing to die for them, they feel they need to die to themselves for Me - and they return."

"I wish I could tell you how many I lose when I must deny them something they feel they need or even just want. They are beyond numbering, though each of them are written on My Heart and I never forget them."

(Clare) It's been a long time since I've danced before the Lord and worshipped, because we don't go to a church. And I was feeling, 'Wow! I really need to do this again.' And I did it tonight. But nothing happened, I just could not connect. All I wanted to do was come close to the Lord and be present to Him. So, He tried to explain to me why we didn't connect. He said...

(Jesus) "Well, there is part of your reason. You wanted to just sit here and be close to Me."

(Clare) What's the other part, Lord?

(Jesus) "For each soul, there is a way ordained by Me for them to come their very closest to Me. Worship for Me is the most intense love and adoration and yet the quiet way in Spirit and in Truth is more real to many, because we are alone together and they can let their true sentiments out and bare their souls with the most intense love."

"Others wish to make a joyful sound and find their path to intimacy in the midst of praise."

"Oh, My Clare, it is different with each soul and their seasons, and yet all come to the place of being ignited and united in Me. Just as styles of music and language change from culture to culture. It is not right for anyone to criticize the worship of another group because of their personal or cultural bias."

"I hear the heart, whether it be joyous African worship or joyous Gregorian Chant music, rap and even rock and roll. To say that soaking & dwelling music is New Age is to do it a very great disservice. To say that it brings in demons is very close to blaspheming My Spirit, because many of those songs have come directly from Heaven to comfort and draw My children into the most intimate places."

"Cultivate true discernment and you will see My angels dancing in every form of worship that comes from the heart."

"With each culture, each changing of the guard and generation, there are revolutions in music. Oh,

when will you, who call yourselves My people, stop judging your brothers and sisters on the basis of cultural bias? When will you stop ripping my Body apart, because it doesn't suit your tastes? When you do these things, do you imagine that your worship is pleasing to Me? Wash the blood of those you've falsely accused before you offer the sacrifice of praise to Me."

Jesus asks... Who would call Heaven & Its sounds 'New Age'?

November 6, 2017

(Clare) Jesus, please give us the grace and discernment to go deeper when people denounce other Christians, that we might seek the truth for ourselves and not rest on opinions that could be faulty. Amen

Well, my dear ones, I am going to do my very best here to be very objective. I have my own opinions but I prefer to lay them at the feet of Jesus. Nonetheless, I am human and I don't want my opinions to bleed into what the Lord is telling us. So, I'm praying for help. I brought this to Him, and I said, "Lord, it is very grievous to me when people make remarks like, a particular instrument tuning they are not culturally familiar with is 'New Age' of Satan - even though the evidence is scientific, not just opinion. Lord, please help me come to terms with this.'

Jesus began, "These are the same ones who rejected Heidi Baker and left her with no resources for the African orphans, because she was mightily touched by My Spirit at the Toronto blessing."

"Clare, do not concern yourself with these things; they are empty arguments being parroted and repeated, because they listened to someone convincing on the Internet. So they buy it hook, line and sinker and do not bother to check out the science of sound waves, nor the real history of these unusual tunings."

"They are victims of an impressionable mind that does not inquire past the surface. If they would do their own research and not swallow every opinion on the Internet, they would soon find out there is nothing "new age" or harmful about taking advantage of the different properties of different tunings and it does, over time, have a psychological impact."

"I look at the heart of the musician. If they choose a tuning and they are singing to Me or about Me, I am pleased and blessed, no matter what tuning. It's the heart that counts. And as you well know, I can take a secular song and turn it into a love song for My Bride. It is the heart that counts. The science is secondary."

"However, I must say that the Israelites followed My instructions to the priests about how to bring the walls of Jericho straight down. That should tell anyone that music has sound waves, sound waves can shatter glass and sound waves can bring down walls and do many other things, such as convict the guilty with a lie detector machines. That is because energy, in the form of sound and electricity, can be measured - and when a person lies, it sets off a certain spike of energy that points to their guilt."

"The Ancient Fathers used different tunings for liturgical celebrations and limited their use of those to praising Me and giving Me glory. Just as it is not acceptable to use sacred incense for common purposes, such as fragrancng a beard. These fragrances are used in the sacrifices

offered to Me and they are best to be kept separate from those that you would burn for clearing the air of noxious odors or personal beauty."

"Just as you do not play our trysting music for a background environment, just as you keep that special just for you and I - so were certain instruments and tunings set aside for holy purposes, only. This is nothing new."

"Someone takes an ancient principal and makes a business around it making all kinds of claims. Taking a concept that is foreign to a culture but was in practice hundreds of years ago and repackaging it, is very American. I wouldn't believe everything I hear or read, but it is nonetheless true that different sounds have a different effect on matter. This is a proven, scientific fact. You are composed of constantly moving particles; you are not solid and inert. You have life."

(Clare) And then He quoted Colossians 1:16-17 to me: "For in Him all things were created, things in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities. All things were created through Him and for Him. He is before all things, and in Him all things hold together."

Jesus continued... "'In Me all things hold together' is present tense. It is an ongoing process."

"Life in atoms, molecules, etc. are constantly moving, and it is My Love which holds the Universe together - in ME all things hold together. And the energy which is produced from My Love has Life Force and can be measured in electrical magnetic terms. That does not make it any less holy, for all life comes from Me and is sustained by Me and that makes it holy. Until the enemy perverts it and uses it for unholy purposes."

"These who persecute new concepts in the church are very insecure and lacking in discernment, for it is by the fruit that you know a tree. Look at how many still condemn tongues as coming from the Devil. Those who still accuse Heidi Baker of being "new age" because they operate in the spirit differently than they do, in a way unfamiliar to them or their parents or pastors, and are not taught properly about discernment. Rather, they are taught the norms of their culture and anything out of 'their' norm is suspicious. I would grant them the space to investigate for themselves, but they don't. They condemn, because someone else condemned and didn't get to the bottom of it."

"Everything in this universe is vibrating, Clare, and responds to frequencies; those things REFLECT My presence in them. Where the New Age movement has gone wrong, is they do not acknowledge My power, but the power of the reflection. So, rather than draw from the Source, they draw from the reflection, which of itself is only empowered by Me to a very limited extent."

"Why would you use stones to heal, when you could ask Me and I would immediately heal? Do you see? The stars have vibrations, the powers of electromagnetic energy between planets is a fact. You know that the tides of the ocean respond to the energy of the moon in its different phases. And these discoveries of properties of created matter became their god when they forget I created them - and in and of themselves, without My love and ongoing empowerment, they would instantly disappear."

"Now that IS idolatry, secular humanism, witchcraft and New Age."

"Some will even accuse you of being New Age because you observe the moon's phases in order to know the tides, even though you don't turn to the moon and worship it, you are merely measuring its physical effect on water. Some do worship the moon - and that is pagan."

"People can be quick to assign hidden meaning and significance to something as simple as changing an instrument's tuning, because they are not familiar with the science and have not researched it. So, it's suspect of being New Age, in spite of the ways in which they were used in religious worship, for hundreds of years. And I might add, in spite of the lyrics, which glorify Me!"

"How can this be? The Universe has an order and a harmony and there are thousands of different tunings, Clare. That's why, when people come to Heaven, they hear sounds they have never heard before. But who would accuse Heaven as being "new age"? "Now, the fruit of Heidi and Roland Baker is the greatest revival in the history of Africa. It is plain to see the conversions: souls that eagerly would die for Me, souls that were witches turned to Me and repented. Whole cities and villages have turned to Me, worship Me and study My Word and serve their fellows."

"A good tree cannot bear bad fruit."

"But a bad tree does not bear good fruit, and you will find many so-called Internet prophets who demean the movements of My Spirit and call it New Age and witchcraft. This is done because they have no discernment. But they will bear the mark of having blasphemed My Holy Spirit for eternity."

"Yet, they call themselves My servants and spend hours figuring ways to discredit innocent people with good fruit. Their fruit is a bitter, because the root is bitter. They draw an audience from discontented and bitter people, who feed on the filth of false accusation, lies and gossip. Where are the miracles, the healings, the conversions, the churches and the Bible studies? They have none."

"I am not saying they are all bad. None of My true believers are all bad. But the Pharisees were not all bad - yet the fruit they bore has gone down in history as a testimony against them."

"Clare, you must teach our audience to discern good from bad fruit and to never repeat a bad report. But if something is suspect, make it an object of study to get to the Truth, or refrain from commenting. But DO NOT parrot people who have no discernment skills and slander the innocent."

"I know you are grieved - as I am, too. But don't let that steal your evening, please? We still have much to do."

"I am the Author of all life and vibration comes from Me, not an object on its own; it is giving off a pattern of vibration which I have given it. The issue is making the tuning into a god: that is idolatry. But using the tuning and acknowledging Me as the Source is perfectly legitimate."

"It is the same way with gravity and the principals of flight. If you have a glider with a certain amount of span to catch the wind, you can fly. Eventually you will land, but you are using the principals of gravity and physics - harnessing it to fly, because that is the assigned order of the Universe. You don't worship the glider or assign it as your God and the source of flight; it is merely a tool in harmony with the physical properties I have established."

"In the same way, using a tuning to create a certain atmosphere. The tuning has wavelength and affects matter in a certain predictable way. So, someone who is playing those frequencies can expect the same result each time, because they are tapping into the laws of physics, which I created on Earth."

"Now, when it becomes New Age is when the person begins to assign motives, apart from Me, to the vibration."

"No, that vibration is an expression of My Heart and all glory and honor should be given to Me. But if a non-believer practices these things independent of acknowledging Me, they are simply using the rules and parameters I set in place to obtain the same result. And those results are predictable."

"Where the New Agers go wrong is in not ascribing that frequency and its affect to Me, and not worshipping Me - but making that frequency the object of worship."

"Here is a more common example. A doctor prescribes a medicine to cure an infection. He is using scientific data in such a way that it will cure an illness; it has a proven track record of killing that bacteria. Where the doctors go off track is in saying that they don't need God; the realities of scientific evidence are their god. I am still Sovereign over life and death. I can easily block the qualities of the medicine so the person will not get better."

"I am God and there is none other."

"So, My dear ones, be careful to never ascribe science to New Age. It is the way it is used, it is a tool. I am the Source - if it is a replacement for Me, it is Idolatry. If it is used the way it was created and intended, to worship and give Me glory, it is merely a tool in the hands of a Christian." "By their fruits, you will know them."

Jesus speaks about Pride, Trust & Caution

November 8 & 10, 2017

Jesus began... "Do not be put off by discouragement. It is only temporary, if you will press through to Me and call upon Me for help. Fatigue, disappointment, opposition - all these things are merely smoke-screens to knock you out of your calling. I will help you if you will turn to Me wholeheartedly, and not rely on your feelings or senses, but walk by Faith, fully persuaded that what I have given you to do, I have also equipped you to do."

"This Channel and all its offshoots are targets for the enemy. He is counting on your low self-esteem and self-opinion to stop you. When you are humble, you are not counting on yourself but on Me, so that shouldn't work for you--unless you are undertaking this work in Pride, in which case it was not Me who gave it to you. All of you will have to fight off temptations to Pride, but I chose you because you are aware of your faults, that being the chief one."

"But if all you live for is to impress others, I did not give you an assignment. That would put you in harm's way, lest you fall - seriously."

"The enemy is counting on your failures of the past to cause you to quit. But you are here, now - and you have learned that with Me, all things are possible. Cling to that, Beloved, cling to My omnipotence and you will be unstoppable."

"Get up now, dust yourself off and begin again. We are doing this together. You are not alone as you have seen yourself in the past. I will carry you through to success if only you will put your complete trust in My Hands."

Message from November 10, 2017

(Clare) Thank You, Lord, for a husband's discernment and Your gentle correction. May we always hearken to Your voice through our spouse. Amen

Well, I went rushing ahead and I was irritated with myself because I hadn't gotten into prayer right away, in the early part of the evening. And Jesus wanted me to slow down and consult with Him. Thank God for my husband. He caught it. I said... I'm sorry, Lord. Everyone is more important than you. This is outrageous and I am disgusted with myself at this point. How You tolerate me, I will never know.

Jesus replied... "But I do--with great love. And I am pleased that you listened to your husband. I tried to get your attention, but you've been too busy to listen. This is not good, dearest, we need to change this. The timing for everything is not quite ready yet. So, I want you to continue to work on music and messages and pay particular attention to the hurting souls."

(Clare) What can I say, Lord? I am sorry.

(Jesus) "This is not easy for you. You tend to plow into things just to get them done. But you must be much, much more careful and move more slowly in making decisions. The devils are always in a hurry, trying to make sure you speed into something, before you discover it's the wrong direction. On the other hand, I am always gentle and balanced."

I don't know how I do it. It isn't what I want. I want to move more slowly--and I am especially missing You because of this volume of work on my shoulders.

(Jesus) "It's a lie, Clare. You have the time. You just need to be careful not to waste it or get distracted. All that glitters is not gold... and it is good to be ignorant of many things, for those who wish to cultivate a single-minded heart."

"This is one of the tactics of the enemy I wish for you to talk about. This sense of having to rush and plow through is a very popular tactic to cause My vessels to make wrong choices. It is popular, because it is successful. But I would rather all of you, My Brides, would do nothing rather than run ahead because you feel pressured. Procrastination is not a good thing, but rushing into things is not good either. I wish for a balanced approach, plenty of prayer and double discernment."

"The more important the work, the more carefully you must lay the foundation. This will save you countless mistakes that could lead you off into a very destructive side-track."

(Clare) Things seemed to fall together so well, Lord. It never occurred to me that it wasn't Your timing. I was busy focusing on how long it had taken me to respond to Your request and I was so glad I was finally doing it.

(Jesus) "Ezekiel was right in saying it is a matter of timing. And I do like little things best, My Love. It is truly a matter of timing. You need more time to create music and this really would have taken you away from just that. Rest in Me, Clare. I know what is best and when it is best."

"The main point I want to get across to you, My Heartdwellers, is now that some of you have caught the vision and anointing, be careful not to rush into anything. Be careful about each step forward, because the enemy sets traps. If he can't get you to procrastinate or avoid implementing the vision and gifts I have given you, he will rush you into things that were not meant to be or cause you to be so tied up in this new direction that you neglect the important things that are already in your lives."

"I had spoken to Clare before about being on the radio. And she has carried guilt, because she couldn't get into it for so long. And when she did have the opportunity, she was careless and did not take great care in discerning if this was My timing and My choice for her."

"She won't do that again. But once is all it takes to derail a mission. One wrong direction can waste days, months and even years. So, be careful, because the enemy will try to rush you into things."

"But I am very pleased with those of you that are moving forward carefully and finally using your gifts and dedicating yourselves to the work. This is SO pleasing to Me, but so threatening to the enemy - so he will undoubtedly try to derail you."

"Just be on your guard and move forward carefully. Always remember... I do not rush you into anything, but the enemy does. This is a warning sign for you, a flashing yellow light... Be careful! Danger ahead!"

Jesus says... Love is not just a Thought or a Feeling

November 11, 2017

(Clare) Lord, please help us to understand that there is resistance in everything worth doing and You are always living, moving and having Your very being in our hearts. You can and will help us, if we ask. Amen

Well, I want to start this off by saying, I didn't know what to say to the Lord. I haven't honored my husband the way I should. I do get irritated when it is not convenient, but then I remind myself how happy I am to have him with me and I correct myself. I don't like my fleshly reactions, Jesus. And I know you don't. You gave me the card, "Respect for him is respect for Me." I just get tired and weary trying to meet everyone's needs and still take care of the Channel. I am so, so sorry for my sometimes lousy attitude.

Jesus answered... "I'm so glad you see that and are repenting. What a great treasure he is for you, Clare. Someone to be greatly honored and loved to your utmost capacity. Not many have the kind of relationship you have together with him. Yet, I do understand your fatigue. But I ask you: why are you so slow to call on My help and expect it? Have I not told you, that as you pour yourself out more and more for others, you will have more and more strength from Me?"

(Clare) Lord, I forget!

(Jesus) "And you have those who help you to forget and suggest that you should instead be irritated and disrespectful...not so it shows on the outside, but deep down inside where it poisons your heart and drains your energy. I am so glad you are addressing this grievous fault, My Daughter. Show your love for Me through him, and be a joyful giver."

(Clare) Can You please make me stronger, Lord?

(Jesus) "I can. I will--but there are times when you must stretch yourself, because I prefer to see you giving until it hurts. Because you would hurt very much if you didn't have him here to give to. And it is so good for you to be stretched and grow in character and charity."

"Love is not just a thought, a feeling, or spoken word; love is a commitment to do what is inconvenient in such a way that it appears to be the most natural and easiest thing in the world for you. In fact, it brings your heart joy instead of resentment--which steals your energy and sets you up for a fall. Many times I have seen you that way, but it is more of a trial when you feel you've blown it and you are under correction, as you are feeling now."

"Knowing that you have failed in some way is never easy. This is the test of a man or woman's nature: how do they interact with difficult and fatiguing circumstances when they know they are under correction? You see, this is good for you, very good for you, because it is causing you to pour more of yourself out selflessly on behalf of another. Poor Clare, what you are really struggling with is your inadequacies and failures in good judgment and this is always hard, Beloved. Nonetheless, I love the way you press in with not a thought of leaving the race. I really do."

(Clare) 'Thank You, Lord, but we both know it is all Your doing!'

(Jesus) "I want you to share with our Heartdwellers your feelings of inadequacy."

(Clare) Well, my dear friends, it seems like I make two steps forward and one step backward. Is that right? Yeah, kind of... I am making progress with the keyboard and flute, but for some reason I cannot fathom, I forget to do my vocal exercises during the day... Then a day turns into 3 days, etc. Then Friday and Saturday roll around and before I know it, my next lesson comes up and I haven't worked as hard as I should have. I have never been used to singing around the house. I've always been very quiet and easily get lost in what I am doing. Lately, though, I am doing well with the flute and keyboard, I am just way behind on vocal exercises. As a result my voice is not opening up the way it should. Tonight, at the communion service, I begged the Lord to help me really press in. Because I have many songs I want to sing. When I think of them, I feel very defeated, because you should have heard them months ago. This latest mess-up over the radio certainly didn't help matters at all. So, I am feeling badly enough to cry, and cry out for help. In fact, I am putting myself on the prayer warriors list! Is that what you wanted me to share, Lord?

(Jesus) "It is, because you are not alone. Because many scores and scores of Heartdwellers are going through the very same sadness. They have the gifts, but practicing them goes through elusive periods that are very disheartening. I wish I had a quick and easy answer, but I don't. All I can tell you, My very dearest ones, is that breakthrough is coming, deliverance is coming, and until then I need you to carry this cross with resolve and dignity. Knowing that this will not last forever, there is an end in sight."

"Many of you are learning how vulnerable you are to distractions and that you MUST apply more discipline and control to your environment. You must discern between the worthy and the vain and useless things. To master your skills and what you feel called to do, you will need to make more and more sacrifices, until you have excluded every occasion of wasting time and you truly feel good about your progress."

"Some of you have jobs and children and responsibilities that demand a certain amount of time. I do not expect the impossible. What I do expect is slow, steady progress-- pressing in, no matter how slowly you perceive yourself going. For those who do not give up, breakthrough will come and the greater the struggle you had, the greater the breakthrough you will have."

"Often times I allow these long, hard journeys to harden you off so your roots will go deep and the heat of life will not dry out the superficial roots. No one can come along and uncover your roots and see them lying just beneath the surface, where they can be easily destroyed by the heat of the day. No, you were wise, you faced the resistance in the hard soil or pavement and penetrated down until you hit good earth."

"This is what it takes to succeed. Roots must go deep and find the moist soil where they can send out shoots to stabilize the plant and be nourished. Imagine what resistance that seed must have weathered before it could flower. And so it is with you, My Brides, many of you have had breakthroughs in one area, only to find that you are still lagging behind in others. Do not give up the fight. Press in, do not withdraw from the battle."

"And you, My Clare, must do the same, knowing that I am faithful and will not deny you the help you need. I am here to help and the more you rely on Me, the less resistance you will have."

"I will, however, put you in a position where you must decide what is most important to you. And by this you will either stand or fall. Choose only the better part. Choose only the skill sets I am cultivating in you. Choose only to honor your husband and be faithful to your state in life, as well as the Channel and the dear souls who love and pray for you."

"How fortunate you are to have such as these as your companions in this life! This, too, is a rare gift. These souls are on the same journey, filled with the same love for one another that I have for them. Be grateful for these trials and come to Me when it seems to be just too much. I will refresh your soul. I will restore you, and I will help you conquer this resistance."

Jesus speaks about Self-Knowledge, Wisdom & Willingness

November 14, 2017

(Clare) Lord Jesus, would You please warn us with a sense of interior grief when we are sliding into agreement with the demons? Amen.

Jesus, after all my distractions and feeling lukewarm, am I still Your Love?

(Jesus) "Now and forever more, you are truly My Love. But there is no time that you have extended dealings with the world that you are not worse off for it, and find it harder and harder to hear Me. The world and all that's in it is a dangerous diversion that makes you drift further and further away from Me. Now I want to pull you in...closer and closer to Me. These things have

caused you to wander and I really miss you, Clare. Please, tuck into My arm and shoulder and come back to Me."

(Clare) Jesus, I didn't know I was that far away?

(Jesus) "You are not in OUR ideal place; you fall just shy of that. Come closer, My Clare, come into this tender place in My heart, beneath the apple tree in our garden."

(Clare) Then He placed a bridal veil over my head.

(Jesus) "Listen, Clare. Everything I've told you I would do through you, I will do. My words do not return to Me void. I know the obstacles. I know the enemy's plans to rip your vocation from you. I know ALL there is to know and I am telling you... Nothing will stop this from happening. Just keep on obeying, praying and working with your voice and the piano. Nothing will stop you. Nothing. Is that clear?"

(Clare) Yes, Lord.

(Jesus) "Good! Now, get up from your ashes and move forward. Make music, sing, be confident in this. Nothing has the power to stop what I have ordained. No matter what they try, it will be fatal to them - not you. They are the failures, not you. They project this thought on you, because they cannot bear to face Satan and tell him they failed again. But there is no power in their words, unless you give them power by agreeing with them."

"Agreement is a powerful influence. To agree with Me is victory. To agree with your flesh, when it complains it is tired, or to agree with the enemy when he tries to discourage you--that is where the power is, in your agreement. As long as you stay out of agreement with them, you will be victorious. WE will be victorious."

"This truly is a secret and dynamic of the Kingdom. In a sense, yes, it is "partnering" with evil to believe their lies, because you have creative power to bring about your words into reality. That is why you are a co-creator with Me. So, you can bring into reality that which I speak to you by agreeing and ordering your life to agree, and then protecting that partnership. Anything that breaks fellowship with that partnership, such as sin, unbelief, judgment, etc., has the potential to interrupt our partnership and cause a breakdown in communication and motion forward."

"My People, you must stay tightly allied with Me in all circumstances. You must not allow anything to compromise your faith walk or our partnership."

"All you think, do, dream and breathe must come into agreement with My words to you."

"When you assume this posture and protect it, you are unstoppable. When you depart from it, everything stops and must be repaired and restructured. That is why I teach you to know yourself, your weaknesses and your propensities to sin, so that you can be more clever than the enemy and guard your hearts against failure and a breach in our relationship."

"This ability to stay in tune with Me is built into every grace I give you to accomplish your mission. How can an employee succeed at their job without being in touch and communion with her employer? This must be, and it is given to you with your assignments, that you are never out of communion with Me. Unless the devils inspire you to sin and you go into agreement with them."

"This is why the basis and everything I've taught you on this Channel is about knowing yourself and discerning the enemy's tactics. This is why I stress love, self-sacrifice and humility so very heavily. I am building you into a fortress secure, in which I can deposit the treasures of My graces, to be turned into blessings for all of My Children."

"A fortress secure; that is what I am building you into."

"This calls for exceptional self-knowledge and wisdom, and willingness to abandon yourself, pick up your cross and follow Me. As long as you follow in these, My footsteps, you will conquer the enemy who works through your weaknesses. Once you have reached the place of total self-abandonment, you will hear My voice much more easily."

"Many cannot hear My voice, because they have something to protect. Something they want to keep. Something they are unwilling to let go of. And if they hear My voice clearly, I may tell them that affection, that attachment, must be left at the foot of the Cross, so they feign deafness."

"But those of you who have gone up the mountain with Me, and determined you were NOT turning back, have come to the point where you are ready to forego all things for Me. And so, there is no fear attached to hearing My voice, because nothing remains in your affections to protect."

"Those who will lose their lives for Me, will find them. It is that simple. You who have found your lives are the targets of vicious attack, but nothing will overcome you if you abide in Me and refuse to go into agreement with evil. Unbelief, laziness, procrastination, fear or any number of your old sin nature can cause a breach."

"So, cleave to Me, My Bride, and refuse to agree with these slanderous thoughts attacking your or My character. Cleave to Me with all your hearts and rebuke the lies. In this way, you will be safe from having your life's dreams derailed."

Jesus says... I am leading you into a fruitful time

November 17, 2017

Jesus began... "In everyone who comes to Me, there are cycles of breaking and anointing. Trials and contradictions, obstacles, losses - all of those things are designed to bring you into the maturity of the sons and daughters of God."

"These times which seem so hard to you are actually the times when you grow the deepest and widest, and that's why they cannot be skipped over. So many, when they come to Me, expect that life will now be a garden always in bloom. Soon, they find out that hail comes and destroys everything in an hour, drought causes a slow death and withering of life, snow completely buries the fruits and flowers under a layer of ice."

"What will come forth from those storms and prunings is not known until the springtime. Many of you now are in the springtime and ready to bring forth fresh fruit. But for others, there will be no springtime, because they abandoned their garden at the first sign of trouble. Or things that they considered they didn't want to do. I had much more for them, but they didn't want to go through the seasons all must go through to bring forth healthy fruit."

"So many of you have been here since almost the beginning, and you have gone through many cycles of seasons--and I know this last one was the hardest. But look at where you were three years ago and where you are now. Then your garden was spotty with a few plants here and there. But since that time, not only has it grown larger but more prolific with delicate fragrances and sweet fruit, full of living water. This is because you suffered through the droughts and hail storms, the tornadoes and even hurricanes. You didn't abandon your gardens, because we were in them together, and you trusted Me with all your heart."

"So, I am bringing you up into a fruitful time. Some will be garlanded about with new graces and talents; others will receive help weeding and planting the right crops."

"Some will be preparing the soil, because all that they had in their gardens was of themselves and the flesh, and so we had to clear the ground and plow deeply. You cried when these changes came, but now with the rich, black dirt between your toes and the soft, deep earth, you are beginning to get excited over what this garden will become with all new flowers, herbs and trees."

"Some of you are experienced the not-so-good birds of the air sweeping down and stealing the seeds right out of your soil. You must be extra vigilant, protecting these tender sprouts until they take hold and shoot upwards to the sun. These nasty creatures come, because they know I am planting with you in the garden, and everything I do is a threat to their kingdom of darkness."

"Many have already learned to be on the lookout for those who would steal from you, and so you are vigilant day and night. Your sprouts are now gaining leaves and reaching upwards to the sun for nourishment. But the evil prince of darkness is not done yet; he is preparing grasshoppers and beetles to destroy those shoots and consume the larger leaves, leaving them barren."

"He does this through your faults, your attachments, your sins--making you restless and distracted. I say to you, My dear ones, be on the lookout for his destroying angels; do not give way to sin in your personal lives. Remember: My Word is the fence that guards the garden from goats and intruders that will feed on the tender shoots and leave behind their calling cards. Rather, stay vigilant in the Word and speak life and protection over your borders. Do not leave your gardens untended. In less than an hour, the little foxes and ravens can devour the fruits and tear the tender shoots from the vine."

"What is the number one way you leave your garden unguarded? Self-love. Self-love begets attachments, agendas, ulterior motives, while brotherly love begets charity, patience, kindness and a willingness to serve without a reward--other than My happiness with you--and for the good of others. This, indeed, is the secret to lasting happiness and peace. Where there is no attachment, there is no struggle to protect and put forth, only a peaceful river flowing in My grace carrying you to your destination."

"As long as you stay in that place, you are safe. But should you stop the boat and get out, you are again in hostile territory and your future is uncertain. Cleave to Me, My Bride, and cleave to the plans I have disclosed to you. Let nothing draw you off in another direction."

(Clare) 'Lord, is this about My voice?' I asked Him, because earlier I had heard a wonderful young man singing, and I thought 'Oh, I wonder if I should incorporate some of that style into my voice.'

He looked at me and He said... "How did you guess?"

And I started to talk. I said... 'But... '

And He said... "Are we contending now?"

"Clare, My little butterfly, you take the Scripture, 'Where you see good, imitate it' just a little too far."

"I have established My good in you, you have only to cultivate what I've given you, not what I've given another. That would be a digression from the stream of grace which has been moving slowly, but consistently. See, the added bonus you get when you give messages? You get instruction for yourself, dear one."

"Be at peace, Clare. You are on the right track and no matter how anyone sounds, it is still about the anointing. I will anoint you as you are, so that you can do what I have created you to do. Don't worry, this is a distraction from the enemy."

"So, to finish what I am saying, My Bride, you cannot see your beauty as I see it. For one, I see the completed you in Heaven--and what a sweet fragrance you give off! So, 'when you see good--imitate it' is only good to a point... Reaching for another's gift or identity is self-destructive and will never bring you satisfaction."

"So, I am asking you to stay in the River of Life--the river of your life, where I carry you along with the currents of My grace that you may safely reach your destination."

"Enjoy the journey! It is full of surprises and wonderful victories. Trust Me in this, rest in Me, and you will arrive safely at your destination."

Jesus says... True Contrition is a Gift

November 24, 2017

(Clare) Father, please give us tender hearts for Your Son, that we never stand Him up for frivolous and empty pleasures, but rather honor that time set aside for Him without compromising. Amen

Well, I got lax and lazy today and allowed my mind to wander into a couple of YouTubes - one about Cern and one about Nibiru, then another stop, Ukraine's Got Talent. I don't know about you, but when I think about the obstacles some of those contestants overcome to make it to that stage, I am really inspired to be more dedicated to the Lord. Nevertheless, it was NOT the proper use of time and I allowed myself to get into a deaf lull... and not heed the voice of the Lord. When I get into those deaf places, I don't hear anything. Really, most of the time my ears are open to the Lord. When I get in those places, I kind of go into my own world. So, I came to the Lord after communion, and I said, 'How can I say I am sorry when I feel so dry. So terribly dry?'

(Jesus) "Even when you are dry, still I am with you. I love you and hold you by your right hand—and sometime, beyond all your expectations, I will take you into Glory. But recently I've told you not to be so hard on yourself and now I must tell you to be a little harder on yourself. Need I go into explanations?"

(Clare) No, Lord, I get it.

(Jesus) "At the first sign of distraction and departing from what you know to be My perfect will, stop yourself, Clare. Do not allow yourself to play deaf and do it anyway, please. You have wasted time tonight and you've lost graces. It is so important to Us that you keep your focus on Our Will, not the things that catch your fancy."

(Clare) Lord, I feel like what you once told Ezekiel and I—You can bend a bow until it breaks. I feel like I needed some inspiration or distraction. Something a little different.

(Jesus) "Yes, I know, Beloved. But I would rather pick your distractions than have you led away blindly by the enemy, where he can plant things in your head and direct you off course. Do you understand that?"

(Clare) Yes, and I feel convicted. I was tired and curious and gave into it, even though I knew better. And now I feel so dry. I don't feel the repentance I should for having done that.

(Jesus) "The kind of repentance you are wanting to feel is a gift for true contrition. True contrition means that you are sorry for hurting Me. You haven't reached that point yet."

"What's lacking is your understanding of how I wait for you and how you put Me off for a curiosity... and just how disrespectful that is. The very moment you know I am waiting for you, drop what you are doing and come to Me, Clare. Don't put it off. I will not wait forever..."

"Like the Beloved in the Song of Songs, will you to say to Me, 'I have washed my feet, shall I dirty them again to open the door for you?' She, that night," Jesus continued, "was not worthy of My visitation but rather merited a beating for her presumption."

And that's in the Song of Songs, Chapter 5:1-8

The Beloved said, "I slept but my heart was awake. Listen! My beloved is knocking: 'Open to me, my sister, my darling, my dove, my flawless one. My head is drenched with dew, my hair with the dampness of the night.' I have taken off my robe — must I put it on again? I have washed my feet — must I soil them again? My beloved thrust his hand through the latch-opening; my heart began to pound for him. I arose to open for my beloved, and my hands dripped with myrrh, my fingers with flowing myrrh, on the handles of the bolt. I opened for my beloved, but my beloved had left; he was gone. My heart sank at his departure. I looked for him but did not find him. I called him but he did not answer. The watchmen found me as they made their rounds in the city. They beat me, they bruised me, they took away my cloak, those watchmen of the walls! Daughters of Jerusalem, I charge you—if you find my beloved, what will you tell him? Tell him I am faint with love."

That's a beautiful description of a visitation from the Lord.

Jesus continued... "That truly is the state of the church. Many look at what they've done. so that they can rest and find their ease, but forget just how holy I am and how much respect they should have for our prayer times together. Familiarity can cultivate contempt. And for such as these I will not come to the door again."

"My Bride. Can you be more attentive, Clare? Less curious, less sluggish? Truly these are long-standing shortcomings of yours, My Love, and I will celebrate the day you lay them down never to return to them again."

(Clare) Lord, in my zeal to please You and get underway with the portrait and songs, truly I have not spent the time we both need together. As a result, I've become luke-warm and need to return to my First Love.

(Jesus) "This is a universal problem with most of My ministers. They become so excited with the beauty of the work and a feeling of being used, they slowly cut their time with Me shorter and shorter to accommodate their need to produce. This need not be with you, My Clare. You know better and I'm happy that you are nipping it in the bud."

(Clare) Jesus, without the Living Waters of Your heart, I die inside... Then my works become dead works. Thank You, eternally, for your patience with me.'

My face had been downcast, during this entire conversation, but He lifted my chin until our eyes met. They were so vulnerable, I began to feel deep remorse, and tears welled up. I realized, 'He waited, but I didn't come until late. Really late. He didn't give me what I deserved, rather He tenderly admonished me. How could I do this to Him?'

You see, Heartdwellers, when I tell you He chose me because I was so unsuited and so inferior for this job, you think I'm just trying to be humble. But I'm not. I see this clearly; I am not worthy. So, if you feel unworthy, do not be afraid, do not stand far off from Him. Rather, seek Him until you find Him, break your heart like a vial of costly Myrrh and pour it over His aching Heart. Comfort Him, Heartdwellers, comfort Him in the depths of His heart for all of those who will ignore the even the celebration of His birth.

(Jesus) "Now I can forgive you, Clare. You have felt the pain in your own heart and I forgive you."

(Clare) Thank you, Jesus.

Jesus says... There is nothing more dangerous than Independence & Pride

November 26, 2017

(Clare) Jesus, thank you for guarding us as the apple of Your eye, and not allowing Pride to get a destructive foothold in us.

Thank You, Lord, for humbling me. I could feel that I needed it and I asked for it to be gentle, because hard falls are really miserable... And You were gentle, so very gentle - but still quite convicting. Then You held me close to your heart and looked down at me with such understanding and compassion. How wonderful is Your Merciful Heart. I wish I could sing forever about it. Well, it was one of those days. You think you're on a roll...right? Everything I did was either frustrating or an embarrassing failure and I could just feel the Lord's loving hand pulling me back. Although I shouldn't be embarrassed or surprised, because I was only doing what comes naturally to me when I'm on my own.

(Jesus) "Well, My Love, My Dearest. You did ask, and it did need to be done. And I'm so glad you asked, so it could pass quickly and you could return to the firm footing of being in the last place and the least of all."

"Oh, the treasures I will impart to the souls who know themselves as I know them. The greatest gifts, the greatest treasures for those who confess the reality of who they are, for those who have the wisdom to ask, 'show me who I am in Your eyes, Lord.' This is a wise request I will never, ever deny."

"Dear souls, you have nothing to fear in seeing who you are before Me - now, in this moment. The fear should come when you've been skirting the issue and fooling yourself. That should cause you great internal unrest, because you are walking on paper-thin ice. Better to be walking on the glacier of humility than skating on thin ice, full of pride, independence and self-assurance."

"Oh, My souls, when you begin to feel that independent 'I can do it!' attitude well up in you, run to My arms and beg Me to return you to reality, before I must allow a serious fall. Do this always with Me and I will show you your faults and grant you tears of repentance, forgiving you always. Yes, always. I am so full of forgiveness and a fresh start for you."

(Clare) I asked the Lord... Well, I understand this, Lord. But then there are times where I need to confess... 'I CAN do this.'

(Jesus) "You are missing the rest of the sentence, Clare: 'through Christ, Who strengthens me.'"

(Clare) Oh. I usually do say it this way... But I felt something different I didn't like at all.

(Jesus) "Yes, the Independent spirit. You can say the right words, but have the wrong attitude. It's when you get the bit in your teeth and start running with it, ignoring all the warning signs, 'Danger ahead, bridge out.'"

(Clare) Jesus, I could feel this, and I didn't like it at all - the leaven of the Pharisees. That's why I asked, "Please help me. I feel pride and independence welling up in me and it feels awful." But, please be gentle? Help me out of this sin. It's the Pride seesaw going too far up the other way. What I mean by that, is that when you feel lousy about yourself, very often hand fed by the demons... 'Oh, you are such a failure.' you have the Ugliers, and are at the bottom of the seesaw.

Then, when you get up the courage to think you can overcome yourself... Well, beware that you don't go too far and put on an independent spirit attitude, rising from the ground too high up in the air on the seesaw. It's that high feeling that is my demise. The right way to do this is to come to the Lord and ask Him to put you back up on your feet, which He will always do, but I have the fault of being too strident in my participation with that and then I can fall into Pride. Oh, how I hate that word!

Now I can truly feel what Paul meant when he said... "What a wretched man I am! Who will rescue me from this body of death?" That's Romans 7: 24

(Jesus) "Clare, I will always rescue you from this 'body of death'. Always. Because I want you to be free. And when you are walking tall, you are in bondage—because you truly cannot see where you are headed, and you can't read the warning signs either, 'Danger, bridge is out ahead!' And just as I came to Paul's rescue, I will come to yours, as well."

"My People, there is nothing more dangerous than an independent, prideful attitude. Mostly because it is when you are laying the foundations of a work that you can be filled with this leaven, and it becomes imbedded in the foundation. This will affect everyone you minister to and you will be just another minister pushing Pride—which is what destroys the Body and makes churches void of My Spirit."

"It is when you open that sack of cement in fear and trembling, and begin to mix it with the Living Waters flowing from within. The Source is ME—that you have a sound foundation that will beget holiness in those you minister to. Those of you, My dear ones, who have felt so tied down by your failures in the past, be very, very, careful of this contamination as I am raising you up. If it is all about Me doing the doing, you are safe. But if for one moment you raise your head up high, running with the bit in your mouth, everything you do from that place will be subject to failure when you get your wits about you."

"So, what am I saying?" He continues. "Be encouraged, because We can do this together. I have called you forth. You are walking in fear and trembling, because you see what I am calling you to and it's more than you can deal with. You know this, deep down in your heart."

"Good. Now you know Who is at the helm and who is in the engine room - and there's no danger of you turning this into YOUR gift. Your ministry. Your talent. It is Mine from beginning to end. All Mine. Conceived by Me, supplied and empowered by Me. And you are merely managing the resources and doing your part as My emissary. Oh, please - stay in this state of mind and the fiery darts of Pride shot from the bows of the enemies will find no fuel in you to continue burning. The Living Waters will quench the arrows and they will immediately go out"

(Clare) Now this is really interesting. I just got a card...well, actually it is a rhema from the website: "Where there is no wood, the fire goes out." And I thought, 'What does this have to do with? I can't imagine what this has to do with??' Well, now I know what it has to do with it. The wood is Pride. So, the fiery darts hit that and they just explode with flames of Pride.

(Jesus) "This truly is the secret of a Godly ministry. We are doing this together, and you are My humble servant. Protect this truth with all your might, because Satan will not fail to try and embed Pride in your heart. If you are aware and expect it, you will be vigilant to protect it."

Jesus says... There will be NO War, but it will be messy

November 29 & 30, 2017

1st Message from November 29

Jesus began... "All of you must keep a very serious watch over your affections and desires and not be subjected to your flesh. These holidays are going to be turbulent for those who are not prepared. Get your houses in order, rededicate your priorities and stay in prayer."

"Do not allow the enemy any ground to sucker punch you and put you out of commission, as he did with Clare tonight. This was a direct hit against her ministry and had she not repented, it would have been very serious."

"Don't allow yourselves to be drawn off track by anything that might be against My desires for you. You are not under the same kind of scrutiny she is, but you know what in your life I do not care for you to do. So please, My precious ones, avoid all occasions of evil. Do not allow the enemy to lure you into a trap."

"And watch yourselves very carefully. There are assignments being sent out to disrupt the holidays and cause mass confusion. There are things going on in your government that are critical and require serious prayer, My People."

"There is a war going on for control of this country and I need all of you in your prayer closets, fasting and beseeching My Father for your nation."

"Your president is overturning the precedents for evil in this nation and he needs your prayers as you prayed for him to win the election. He is doing everything in his power to bring this nation back to its constitution, and Satan is doing everything in his power to cause it to fail."

"The enemy would like to see you feasting in self-indulgence right now; please don't do that. Stay trimmed down like a soldier of Christ, who does not get bogged down in civilian affairs. You will not be prepared if you give yourself slack. Stay in prayer, read the Scriptures, especially praying and opening to what My Spirit leads you to. Read between the lines, take your time and absorb what I am drawing your attention to. Meditate on that."

"Do not allow any national events to shake you loose from your foundation of prayer. And understand that certain things must take place to right this nation from its evil, upside-down condition."

"Your president is not draining a swamp; he is draining the Great Lakes. What he is doing will affect every state and shake the wicked foundations of this nation. He will make America great again, but not without your prayers. He needs you now more than ever. Do not be slack. Purpose in your hearts to deny yourselves, pick up your crosses and fight for your nation."

"Do it on your knees."

"I am counting on you to empower him in prayer and fasting. Do not compromise your health. Fast with wisdom—simple things like declining treat foods, serving others and not drawing any attention to what you are doing for Me, unless your family is united in prayer intentions. Do not cause animosity or friction in your families during holiday festivities, because they are not on the same page with you."

"Rather love, serve and keep your sacrifices private between you and I. I will bring them along My way. If you try to do it yourself, you will only push them further from Me."

"And please remember... This holiday is about My Birth. Even though the timing is not correct, it is the intention of focusing on thanking My Father for His sacrifice that should be highlighted. Do your best to inject that into any celebration, without causing family animosity."

"You will be seen in the future as a pillar of righteousness in your families; one who holds things together and has great wisdom, if you follow My directives. Do not allow anything to shake you from the firm resolve that evil is being overturned and it will be messy. The greatest gift you could have from Me is your nation back."

Message from November 30

Jesus began... "There is not going to be a war. I give you my solemn word on that. No war. This will not happen; it cannot happen, because My Father will not allow it. No matter what kind of show Kim gives, he is NOT God. He may think he is, a supreme being above all others, but in actuality he is a very little man in pants that are way too big for him and they are coming down to expose his nakedness."

"And that's a fact."

"There will be no war at this time, Clare. How could I carry through with all that is set before you and the people I have been bringing along on the Channel? How could I allow war at this time?"

"Yes, this would fit Obama's agenda to a "T" but neither is Obama God, though he would like to proclaim himself as such."

"There is way too much to be done. It has been begun and it will be finished. What I have done and am doing with this country will come to completion. I just need for you all to be on the alert and pray for your president."

"This is the real crisis, not the little man with a hot button. He is beyond pitiful, Clare, way beyond pitiful and he is going to be taken out of the way. The Korean people, too, are slated for revival. They have cried out and My Father has heard them. They indeed will be added to the Kingdom."

"You can look all you want to at news sources. Of course, I don't WANT you to! But remember I have the final say."

"Have I been with you this long and ever deceived you? Have I allowed you to be crushed into fine powder..." "... just to completely flush you down the drain, discredit My ministry through you and disappoint all those who are praying for you and believe I am speaking through you? Is this the kind of God you serve? Certainly not. There are difficult times ahead, but no war."

"I want to enlist every dedicated prayer warrior with the facts and this will be over soon. I need knees on the ground, backing your president's every move."

"SO MUCH depends on prayer."

Jesus says... **Belong to Me, NOT to the World**

December 2, 2017

(Clare) Lord Jesus, please keep us in Your peace and free from contamination, as the world is so full of temptations right now. Amen

Well, dear Heartdwellers, I have been very dry lately in prayer, but tonight during worship, Jesus did reconnect with me and we discussed what has drawn me away from Him lately. I told Him how dry I felt and I missed Him.

He answered... "You've been in the world, Clare. It strips you of that sweet, spiritual coating that surrounds and protects you and so the world is grating against your spirit. The more time you spend there the more you lose your orientation."

"The wise mother fox only leaves her den in cases of pressing necessity and returns home immediately."

"You linger out there, because it is disorienting and so many things nail your attention. Precious babies and kitties, fascinating titles and stories. Oh, it is so seductive!"

"You know this, but overlook it when you go out. You cannot afford to overlook it, because it sinks its hooks into your flesh and calls you back again and again. It is best for you to pray protection over your time there, because the forces on the Internet, the unseen forces on the Internet, are very psychologically powerful. Forces you know nothing of, but your soul is exposed to. You are there to make it serve you, but when you lose track of that and fall into the intoxicating fascinations of the world, you forget - and that's when you are stripped of your spiritual covering and protection."

"But you are here now, and I am oh, so happy to have you here by My side and fully aware of My presence once again, Clare. I want to restore your peace, your spiritual buffer, your perspective, your hope and your joy. The electronic venue steals this from you if you linger there. Demons inhabit the Net, Clare. Remember what I told you when you first began your website? 'You are going behind enemy lines.'"

"You were so vulnerable. Anyone who works with the Internet is. The secret is to dwell in the Vine and not allow yourself to dwell in curiosities for even a moment."

Here He is quoting John 15:4... Remain in Me, and I will remain in you. Just as no branch can bear fruit by itself unless it remains in the vine, neither can you bear fruit unless you remain in Me. (Jesus) "You really do need to pray for protection every time you go there. I do have angels in place that are doing nothing, but would love to help you. The same way you ask for protection over your dreams, ask them to protect you on the Internet."

"Thank you for praying, Heartdwellers. My Father is listening most intently to your requests. Keep them specific and numerous, for My Spirit is speaking to the hearts of each one and placing there a vital concern for your intercession. Your prayers are working."

"So much is going on behind the scenes that you know nothing of right now, but in the future, you will see corruption was broken open from November 29th to December 20th. These are key dates to remember when actions were taken. You will see that much you are praying for right now has been answered. It is important for you to see this to understand that YOU make a difference."

"Remember, also, to focus on the abused children, as well, when you pray. So many have been scarred for life, and the ones with Me are far better off. Yet, your prayers can be turned into graces for the survivors, and that more would come forward to disclose these atrocities for convictions of the guilty."

"Your President is doing precisely what I have asked of him, and each day he draws closer and closer to Me, understanding My ways and My wisdom. This, too, is because of your prayers. Well, understand, this is also that time of year when assignments are sent out to cause people to feed

off the world like sharks in a feeding frenzy. After a while, there is no conscience left and it's just buy, buy, buy. Warn them, Clare. Giving is healthier than having, sharing more rewarding than hoarding, moderation is much better than overkill. Know that this is a massive assignment against those who will cater to their flesh. Please, My people, belong to Me, not the world."

(Clare) Lord, I know you are trying to capture my heart again...which is absolutely tragic that I have wandered so far. The world is constantly drawing my attention. I know we are to pray for the President, but what we have found out so far is sticking in my head, and drawing me into distraction, even in prayer. It is so heinous. Jesus, how can I make my indifference and carelessness up to You?

(Jesus) "Clare, what I am wanting right now, more than anything, is your commitment to stop and not return to your vomit. As a dog returns to his vomit, so a fool repeats his folly." Proverbs 26:11

(Clare) This is on my heart and the heart is willing, but the flesh is weak. How can I predict my behavior?

(Jesus) "Cleave to Me. Find your joy in Me. Scorn the world and its empty promises. Refocus, My Dearest Clare, refocus. You are in a battle of the mind right now, as is every other American believer and many around the world. This is the time of the year that sinful excesses take place and it is fueled by curses and demons, who are doing their best to divert people's attentions to personal gain, greed and materialism."

"But you are not under the influence of either if you choose not to be. It is totally up to you. Refocus. I know it's hard, because the enemy is shooting arrows at you almost non-stop. Pray against it. Take up your weapons of war; be sure your helmet of salvation is secure. How is it that you can teach these things, but when it comes to practicing it, you are so lame?"

(Clare) You are right, Lord. I need to be more aggressive against these monsters and their seductive ways with the world's entrapments.

(Jesus) "Much more aggressive. The problem is you still have a bent and a panther dragging you down; you can handle both with prayer. When you still have an attraction to the world and things, it eats at you on and off, trying to get you to give in - because it is fueled by a demon whose only intention is to bring you down. You are not going to do that, but the temptation is still there, because there is still an attraction inside of you. And dealing with it is a distraction."

"As you cleave more and more to Me, Clare, that attraction will fade and, of course, the greed and avarice which has been set loose is going to stop soon after Christmas, if not before, depending on world events."

"My precious Heartdwellers, beware of the enemy's plans to cause you to spend money unnecessarily. What follows when you fall is guilt and debt. You have a very real enemy egging you on. Resist the devil and he will flee from you." James 4:7

"Knowing this, you can become more circumspect about what you really need and don't need. Please do not detract from celebrating My birth by making it a materialistic free-for-all. Please honor Me as the center and teach your children, by example, holy values."

(Clare) Lord, how do I handle Christmas decorations and the advent wreath without being worldly?

(Jesus) "Keep it simple and centered on Me. I didn't say you couldn't put a few decorations up. This is the time of the year that little children remember, when they grow older, as being festive and very special. Since you have a child in the house almost every day, think of her when you put things up. Yet, keep it simple."

Jesus says... The financial Collapse in the US is at the door

December 7, 2017

(Clare) Lord Jesus, please impart to all of us the absolute critical condition of our nation and the need for deep intercession and fasting. Jesus, deliver us from evil, deliver our president, our nation and the world... Amen

My dear Heartdwellers, I knew I would have to bring this news to you soon, along with the progress of those criminals in our government who are in the process of being exposed. But I have to say, I am not a news channel, nor do I wish to be involved in news or conspiracies or anything of the like.

But the Lord has asked me to touch it lightly from time to time.

So, the information I am sharing with you comes from a very credible source, high up in the military - who, when he sees things on a news channel or the like, recognizes top-secret disclosures in the media. Because of this ability to discern truth from error, due to his position in the government. We have quite a bit of information released by different media outlets that happens to be classified and has been leaked by those persons in the news who are actually CIA agents, working against our nation.

That said, your prayers are REALLY working. Praise God! Don't think for one moment you are 'just a little soul' praying. As a matter of fact, the littler you are, the purer you are, the greater the weight of your prayers for our nation - for Our Heavenly Father loves the humble, the meek, the little and the pure.

So, do not slack off on your prayers, or get it in your head that you're just a little person praying. All these prayers are having a dramatic impact on what's going on in our nation right now. Our Heavenly Father loves the humble, the meek, the little and the pure. So, don't slack off on your prayers.

The Lord called us to prayer and fasting six days ago. At that time, I had stumbled upon a piece of news--which is most unusual for me, because I avoid it. But this night, I felt the Holy Spirit tapping me to pay attention.

It was an article by Hal Turner, someone I didn't know. But what caught my attention was the assault on CIA headquarters. His sources said they never left their helicopters, while witnesses said they had landed on the lawn. Hal also said that they were just doing a show of force. When I thought about it, I thought, that didn't make any sense to me. It was on a Saturday. Because that would give the CIA all the time in the world to destroy evidence--so I figured we were not getting the truth.

So, I went to my military source. He is a Heartdweller - very devout, and a Prayer Warrior. And he told me that not only had they landed, but they confiscated all kinds of documents incriminating a large amount of people in the government and the media.

The Lord also confirmed that's what happened and called us into prayer and fasting to protect the president and pray that the criminals would indeed be revealed and be brought to justice. My particular prayers were that the fake media MSM (that is the Main Stream Media), would be laid bare and exposed.

Jesus says... Evil days are ahead, but they are short-lived

December 11 & 15, 2017

Jesus, our hope is in You, our strength is in You and You live in us. Help us to remember that in the world we will have troubles, but to be of good cheer, for You have overcome the world. Amen

Jesus began... "Stand firm. Evil days are ahead, but they are short-lived. I expect you, My Bride, to stand tall in Me and be ambassadors of courage and faith in the face of contradictions and loss. Your lives do not depend on what you eat, where you live, what you wear or what you drive. They depend on inner resolve and integrity, so you do not sink down into the mire when you are challenged by difficult situations."

"I will be with you in the coming months and I will continue to hone and perfect you as we climb the mountain together. Some of you will get stronger; others will fall by the wayside. Whatever your choice, remember you are still Mine and I will never desert you or leave you on your own."

"I am with you, even when you must step out of the fires of purification. I am still with you."

"As I was still with you, Clare, when you struggled over that vice tonight. Sometimes you have to go back to your mud puddle many times before you get tired being filthy."

"My Daughters and Sons, My Brides and Friends, there is never a moment I don't anticipate the movements of your soul and provide a way out for temptations. There is never a moment when I throw My hands up in the air and say, 'That's it! I'm done with you! Go your own way.'"

"No, I never divorce My wife. I never leave My family. Rather, I give them a chance to take a breather so they can see what or who they have chosen to take My place in their lives. There does come a point for most when they see clearly what they couldn't see before, because the enemy was blinding them — the enemy in their own passions — to what they will lose when they turn and run after their idol. For many it happens in the hour of their death, and is used against them to turn them to despair so they will go with the Devil."

"So, you see, My Clare, I understand—even though it does wound Me. I know your frame, when you stand and when you fall, and I have you covered, My Love. Keep coming back, Clare. Don't ever find a rock to hide under; keep coming back. Remember, you have a nefarious enemy stalking you, and yes, your very best protection is humility."

"My dear ones, no matter what your flaw is, I protect you many, many times so you will not fall into it. However, if I see you looking down your nose at anyone, I withdraw My protection and leave you on your own, so you will learn just how weak you are and never, ever criticize another."

"Yes, humility is a huge protection."

"I bless you now with courage, stamina and integrity to stand through all storms and be My faithful witnesses."

Message from December 15, 2017

Jesus began... "Clare, I have told you before, this is a test. I want to reveal what is hidden in the hearts of My Bride and My people. What better time to do it than when financial crisis is in the air?"

"My darling Brides, you who have chosen to rest in Me have chosen wisely. You, who I have entrusted with provision for the poor and have obeyed, have also acted wisely. As wealth increases, you are setting your heart on Me and My needs. This indeed is commendable."

"But for those who are thinking this is an opportunity to join 'house to house'—woe to you, I say. For you have not provided for the day you will stand before Me and make an accounting of what I have allowed you to earn. You have not accumulated this wealth on your own. I have protected you from many disasters, waiting to see just when your heart would turn from worldly gain, lands, property, gold and silver—to Me and those I must endure the cries of each day as their children die of starvation."

"I have waited and waited, and I am still waiting. Each day goes by and these children cry out—and I wait. It is written about you, 'They will throw their silver into the streets and their gold will become an abhorrent thing; their silver and their gold will not be able to deliver them in the day of the wrath of the LORD. They cannot satisfy their appetite nor can they fill their stomachs, for their iniquity has become an occasion of stumbling.'" Ezekiel 7:19

"What is the message here? You are accumulating wealth. But on the day I take My Servants and faithful Brides from the Earth, your gold and silver will become worthless and you will be so grieved you will not be able to stand the sight of it, for I have left you behind. And now you face the Beast and your wealth will be meaningless unless you take the Mark."

"I am giving you a chance now to reform your lives. Stop living solely for yourself and your family and consider My needs as well. It is not too late for you, but the day is coming when it will be too late and you will be devastated by the consequences of your selfishness."

"To know Me is to know My Heart; to know My Heart is to ache for the poor and those denied justice."

"On this occasion of looming change, the hearts of many have been exposed. I am giving you another chance to consider your ways and make the change to consider Mine."

"Blessed are you who are faithful in the things of Earth, for I will promote you to be faithful in those greater things."

Jesus says... We are not past the critical point yet

December 19 & 21 2017

Jesus began... "Your people are praying, and for that reason they will prosper—and I do not mean in terms of money. I mean a life free of worry. The kind of worry that overtakes a people when an unrighteous man rules."

"Let the unrighteous be done away with. Let them see the spectacle of justice being carried out. Let them hope in Me for a time of faith and good works. I have sent my angels forth and they are overturning the coffers of the wicked, they are bringing to nothing the plots of evil men, and in fact, instituting what is righteous and good in the land."

"But more prayer is needed; this is not a time to back down."

"Many dark people and many dark places have not yet been touched by Justice, and I wish for ALL of them to be brought down and replaced with men and women after My own heart. I want to see justice meted out and propositions to save the weak and the needy, the elderly and the wounded, the young and the mothers implemented. A society filled with justice, where corruption is not the norm, where corruption is not tolerated or explained away."

"This is My Heart, Clare, and this is why you are praying. Each night, I put on your heart the very thing before Me that needs the most prayer. Prayers for the wicked pharmaceutical companies, prayers for the end to pollution and the aluminum in the environment, and climate control. These were for tonight. All of these things are wicked, wicked things—yet not all can be resolved before I come to establish justice on the Earth."

(Clare) Lord, I am a bit confused about this time of peace You are wanting to bring about upon the Earth, and how the Tribulation will start?

(Jesus) "Clare, evil men will still exist, but it will take quite a bit of time to restructure their wicked network. What is most important is a praying people covering your government and the governments of the world with prayer."

"When prosperity becomes so distracting that prayer takes a back seat, that's when you should begin to sit up and take notice. The distraction of abundance will again bring this nation down, because it is human nature to grow lax in prosperity."

"This is something your president must learn. The turning point is always at the very top of a culture; the zenith comes, then the descent."

"Clare, My heart is for the Muslim people. Everything these wicked rulers have done to set culture against culture, faith against faith has only backfired in their faces, because now they are ready to consider Christianity. They have played chess and lost and now I will call all men to Myself and the millions of souls that would have been lost—as Satan plays for keeps—will be brought home to My loving arms."

"Oh, how wonderful the days when the lost receive Me into their hearts and all of Heaven celebrates!"

"So, you see, you are not only praying for peace in your nation, but around the world—that each country would wake up and boot out the unrighteous governing forces and tend to the poor and vulnerable among them."

"And especially for the Muslim people to be given new hope. England is a tragedy and its only hope is revival. This I have set My heart on, yet there is much disorder and opposition there. As I have shown you before, the mosques are hotbeds of evil."

"Yes, much harm has been done deliberately to the people of this nation. Betrayal after betrayal to destroy the culture and set race against race, allowing the Muslim faith to proliferate both in numbers of people and influence, to the point that their unjust laws are taking over the nation."

"It is an incredible travesty, but many of the people have turned from Me and brought this upon themselves. When they come back to their senses and back to Me, change will be possible. But until then, evil will proliferate and spread out from there."

"My heart is for all men to recognize their need for Me and abandon the ways of violence, that I might bring them into My Kingdom of Love and Justice. Without love, justice is only an illusion. These are evil days, yet filled with hope."

"Continue, My beloved Heartdwellers. Continue to pray. And if you do not sense a burden during your communion preparations, ask for one and I will give it."

Message from December 21, 2017

Jesus began... "We are not past the critical point yet, Clare. I am still needing everything you and My people can offer Me. The situation is so highly critical and I am counting on the love and fidelity of My chosen ones to back this up and bring it to an outstanding conclusion."

"When I was ready to take you in the Rapture last year, so many around the world were hungering for Me; confused, broken, alone, ravaged by the wars, ravaged by the contradiction of their faith. It would have been a good time to wrap it up."

"But I saw that the American people were beginning to wake up from their slumber. Remarkably, many were beginning to listen to what they tagged before as 'way-out conspiracy' fiction."

"There was just enough evidence coming forth to convict the guilty in their own minds. You are not the only one who saw that smiling smirk on Bush Jr.'s face. Many looked at that and wondered, 'Why is this man not grief-stricken; why is he smiling... or at the very least. trying suppress a smile?' That touched many with doubt. Did he have a foreknowledge of this event? Was he finding a perverse kind of joy in its success? The truth is coming to light, but I need your prayers to see to it that convictions are obtained."

"This is an issue that is very important to the American people. The entire thing was perpetrated for social/economic reasons and to kill off many of your country's finest military personnel in a bogus war and bring others to their knees. And some, even to suicide, in hopeless desperation. What do you suppose they thought when they saw American guns in the hands of their enemies? Yes, it broke their hearts. They were filled with contradictions and not understanding what they

were seeing. Was Washington putting them there deliberately to kill them?? Why? Why were there so many contradictions?"

"Without going into great depth, there are still many free who need to be brought to justice and I am calling for prayers that they will be captured and any further operations, like the derailed train, will be prevented."

"It is most serious, My people, most serious. And prayer will swing the pendulum over into success and justice being served. Ask Me for the burden and I will give it to you."

"I know some of you are suffering heavy losses in your families — heavy oppression, sickness and threatening difficulties springing up all around you."

"Not only are these the fruit of Satanists who are again celebrating their evil doings, but also they are being allowed, because I need offerings to check this fatal cancer, at least for now, in your government."

"Do you see, Clare, the extent of the wickedness on the Earth? Is it not a miracle of Mercy that the Earth has not been destroyed by My Father's wrath? It is because there are still the innocent and the lost crying out, and a great purging taking place in the Muslim community—which will eventually spearhead mass revivals, some of which have already begun."

"In the meantime, the world is in a state of flux and volatile. This is in addition to the arrests that are taking place around the world to purge the evil and cut off the channels used to traffic children."

"Much has been accomplished by your prayers."

"As you remember, I told you to review on the 20th the changes that have taken place because you prayed and fasted. Now I am telling you once again, return to your knees. I need you to return to your knees, lest this season turns into the biggest tragedy yet."

(Clare) What about the coming banking transition. Are we to put up food?

(Jesus) "Keep your focus on prayer and bringing these criminals to justice and I will cover for you all. You are a royal priesthood, a chosen generation—and I am counting on your prayers. Even in your listening ears, there are those who will oppose you in prayer and construct all manner of events and obstacles for you to have the time you need. Be prepared to make the decision that you will not compromise, and be sure to be committed to pray with fervor against these things." "You have done well, My people. Please continue to fast, offer sacrifices and pray with fervor for an end to this network of evil souls. I am truly with you in this. Through prayer, We will have the victory."

Jesus speaks about trafficked Children, Prayer, Trump, Obama & UN-Troops

December 16 & 22, 2017

Jesus began... "I want you to spiritually adopt trafficked children. You are well aware of the horrible kidnapping, selling, and trafficking of poor innocent children throughout the world in many places. Not only are they taken from their parents and siblings, which in itself is terrorizing

enough. But after being sold, they are beaten severely to make them submit, from the very first moment, to the unspeakable sexual abuse and painful violation of their tender little bodies."

"Some of you, yourselves, were subjected to terrible abuse and neglect when you were young, as well - and you know how devastating it was to you, even up into your adult years."

"I appeal to you now. Please work with Me to rescue, comfort, and heal these precious children and young adults who are daily victims of unbelievable terror and extreme pain; crying, begging, and pleading day and night for someone to PLEASE help them."

"They are constantly in a state of tremendous fear, as some are kept in chicken-wire cages, others in basements, cold, malnourished, and dehydrated. The only time they see the light of day is when they are dragged out, roughly washed, put in nice dresses with no under covering, and driven to clandestine motel rooms, where one or more drunken "customers" are just waiting to use and abuse them repeatedly."

"Sometimes as many as six different men, or even more, keep them for hours on end, burning, beating, and raping them. Some of them do not survive these long periods of torture and abuse. To keep down the screaming, these men will stuff socks and handkerchiefs into their mouths. Because many of the the children are already very weak and sick, they have difficulty breathing, and they can end up dying by suffocation."

"If by chance they do survive, many soon succumb within days to complications from punctured spleens and internal bleeding."

"Although all of this has been very hard for you to hear, and very hard for Me to describe to you, by the profound compassion and tenderness of My Father, We have seen their tears, and heard their desperate pleas. Therefore, We have made a provision to distract them away from being tortured, allowing souls who are praying for them to experience the tenderness of being loved and held securely. Contrary to what is happening to them, they find some comfort in this."

"Those with hearts to comfort these children have experienced this and now I am asking you to work with Me, and 'spiritually adopt' as many of these as you possibly can. If you will give me your permission, and your own free will, to take these and intentionally hold them, cover them, and carry them close within your heart - I will expand both your heart and soul to accommodate ALL that I bring to You, along with All the love and attention of an alert and devoted mother."

"Am I not your Faithful God? Do I say, and not carry out? I will be with them as the 'dew-laden breeze' in the fiery furnace. And many shall live, going out to proclaim My wonderful love and deliverance to the ends of the Earth!"

"I have decreed all of this," says the Lord, "that the souls of many shall be saved!"

Message from December 22, 2017

Jesus began... "I wish for you to know, My People, there is no power on Earth greater than your prayers and fasting."

"The only reason I keep you from news is that it is SO dark, Clare. The minimum for you is still too much, My Beloved. It leaves stains on your mind which I must erase before you can fully absorb Me. Nonetheless, I understand two things about you in this regard. One is the very natural human tendency to curiosity, to wanting to get the latest. And pride can also be behind that. And wanting to know what to pray for and how your prayers are working."

"For this reason, I am allowing you to look. But please, My Darling Clare, do not spend a lot of time trying to understand it all. The essentials are what I have given you and a few confirmations are very helpful, but going any deeper is harmful. You understand this, do you not?"

(Clare) I don't want to be a prideful curiosity seeker, but that's what I am without Your Grace, Lord. Oh God, save me from the darkness, but bring to me the things I need to know for prayer, please, Lord.

(Jesus) "As it is your wish - a good and healthy wish - I will do so. It also eats up so much of your time, so again, it is good to draw the line and say, 'enough is enough!' Your prayers and the prayers of all Heartdwellers are going into a giant cloud of incense which comes before My Father - a sweet, sweet smelling sacrifice, accompanied by your various offerings, aches and pains. I have arranged for you to spend more time on music by bringing items to you, rather than making them something you have to hunt for."

"I want you to tell all the Heartdwellers that they are making a major impact in Heaven. Even though you are SO small, your hearts are pure. Many, many, very pure hearts are part of this Channel and My Father is moved to pity when He sees a pure heart praying fervently for change. You have taught them well; purity is one of their greatest attributes. And of course, love. Brotherly Love, especially the love that sacrifices for Me and for the victims of Satan."

"I want you all to know that there are many rewards for those of you who have shouldered this cross. I know you did not take it on to receive a reward. Nonetheless, there are rewards for this kind of faithfulness. And My grief-stricken heart is so comforted when I see some of you take these poor children into your arms and pray for them. Oh, My very dear ones, you have no idea how you have ministered to Me. Continue in this holy practice and you will grow deeper and deeper."

"I want to tell you, also, your President is growing by leaps and bounds. He truly is coming to know Me and to cleave to My wisdom above his own. You see, for many years he has been aware of My activity in the world, but did not have an understanding of Who I am. Much of that now is in the past, as he sees Me in action in his life: protecting him, leading him, making him aware of those things that no one knows, but are important to him to make connections. Yes, he is indeed a brilliant man, but still there is much out of his realm of understanding. That is beginning to change as he acts on what he knows is right. I continue to protect, guide and enlighten him. It's been quite a journey for him."

"Glory, glory, glory to God Almighty. He Who shines the Light in dark places and renders your enemies powerless. All Glory to Him!"

"My dear ones, take care during this time to make it special for those around you, when you are all together. If you are fasting, please keep it to yourself. Your offerings are important to Me. And just as this season of the year comes only once a year, what you are doing in shaping your government is a once-in-a-lifetime opportunity to turn Satan back on himself and unleash the

powers of Heaven to set the captives free and right the wrongs against society - and those you have never met, but nonetheless have compassion for."

(Clare) Then I was pointed to this video that came in through an email, and listened for a brief moment. It talked about the army Obama had pulled together from foreign troops all over the world - ON OUR SOIL! As I read about these things and I watched the video, I waited on the Lord afterwards to see what He would say.

Jesus began again... "Yes, these things have been going on under the American nose. UN troop bodies are all over this country and it is another clear and present danger."

"But your President has acted aggressively to bring the infrastructure down, by targeting the leaders and funding they surreptitiously removed from legitimate government departments, as well as drug and sex trafficking. This will not happen if you continue to pray. This will be checked, but it has been set and ready to unleash at the right moment. "Clare, do you know what the 'right' moment is?"

(Clare) No, Lord.

(Jesus) "When there is chaos and nothing stopping them. Chaos has been checked again and again in response to your prayers. Not only that, but the right moment is when there is nothing obstructing them from moving forward."

"Because of all of your prayers, there has not been such a moment. Neither will there be such a moment before the Rapture, because I Am God and there is none other. And the greatest military force in the world is on American soil. And it's not armed with guns and bullets. It's armed with a heart for life and goodness and loyalty to Me. And it's on-their-knees praying Christians."

"Fasting, praying, sacrificing Christians are a far more formidable force than all of Obama's foreign troops, guillotines, UN tanks, trucks and vehicles."

"That is why this cannot happen as LONG AS YOU stay vigilant and pray. I will thwart it."

"Keep praying, My faithful ones. Keep praying. Threatening mountains are being moved out of the way so this nation can survive and institute the principals I have longed to put in place. Keep praying, it's working! There is NO force on Earth equal to your prayers - none. Not even one."

Jesus says... The Deep State is not fighting President Trump

December 29, 2017

Lord Jesus, thank you for giving us the burden to pray for our nation. Please, keep our hearts attentive to Your Spirit. Amen

Jesus began... "Clare, these are times of great peril, where one wrong move could instigate a civil war. But understand... the Deep State is not fighting President Trump or the American people; they are fighting Me."

"I will have My way with this beast. I will lay it bare and flail the flesh from its bones. I will leave it an emaciated corpse, even as it has done to the poor of this world. I will bring justice, and there will be retribution. I shall see its demise."

"That does not mean it will not rise again. What it means is that it will be put out of power and influence and left desolate. This will happen, because of the prayers and fasting of the American people and other peoples from other countries all around the world, who recognize that, as America goes, so shall the rest of the world go."

"You are witnessing historical moves exposing sedition, anarchy, genocide, rebellion and satanism in its rawest form as it manipulates nations. It will manipulate no more. I am bringing it down. Those who are for Israel step to the left; those who are not, step to the right - for truly I say to you, the ground will open and swallow you and all your families up."

"Your time has come to an end. No more shall your tyrannies and genocides be allowed to run free raping, pillaging and destroying the common man. I shall strip them from you. I shall strip from you your garments of silk and linen. No longer will you rest in the lap of luxury while your neighbor dies of starvation. Your days are numbered and coming to a close. I will shut you up for a season and none will stoop to aid you. You have had your reign of terror. Now you shall reap what you have sown and be reduced to skin and bones."

"I am dealing harshly with these Satan-worshipping monsters, but as always, remember: they were once children and raised by corrupted, twisted and perverted parents. I still hope for their repentance and return to Me. For My heart, Clare. For My heart, pray for their conversion—that it may be a testimony to My greatness of heart, to My everlasting Love and forgiveness."

"When I do these things, some will recognize and turn from the error of their ways. In fact, there are even those now who have genuinely seen the evil they have been a part of. This is always the very best solution to any evil: repentance and reform. Yet, there are those who are soul-less and sold out to Satan to the point of no return. Those I shall destroy and send to the place of eternal torment."

"Now it is time to encourage your people to pray with all their hearts for the reforms your president is putting into action. Now is the time to be sure you can vote and make your voice heard. Now is the time to disseminate the good news for this nation, that those who have been blinded by mainstream media will receive true sight and understand the error of their opinions. There are still so many blinded by the media. So, so many. And it is appropriate to pray for their demise and other institutions to be raised up with a standard of Truth."

"It is time to defend Truth and appoint people who will be dedicated to the Truth. More and more shall become disillusioned by the exposed corruption of those they believed in so heartily. Many will think and rethink their priorities and see clearly that they can no longer live a life of shopping malls, theaters and higher education, while ignoring what is really going on in their government."

"There is still much to surface, Clare. The deeper it goes, the more rotten and corrupted the corpse. All must come to light - to wake up the sleepers, to see what they have so heartily endorsed because they listened and accepted without questioning or paying attention to their conscience, because it would cost them too much."

"Those who want to become a part of this government will have to adopt an entirely new set of morals and guidelines, because corruption will be less and less tolerated and more and more targeted."

"This is your reprieve, America. Pray that it will make a deep and lasting impression on your people and the world. Pray for the courage to call sin, sin—and what is good and right, good and right."

"Spurn Me no longer! Embrace Me and thank Me for turning your nation around."

"And remember, in the future you will be tempted to forget Me. If you allow this to happen, it will become the beginning of the end."

"Cleave to Me, My people, and cleave to what is right in your government, and support it."
