## Jesus says... Your President is doing, what nobody thought could be done

January 1, 2018

Clare began... Oh, Lord, this is such a struggle. I am so hungry to hear some kind of progress. Jesus answered... "The more you listen to that, the worse you will get."

(Clare) But can't I just have a few bottom lines?

(Jesus) "They will whet your appetite for more."

(Clare) But You can help me with that, can't You? I know, this wanting to know feeds Pride, right? Please, Jesus, help me understand. Can You help me break this compulsion? I am so taken up with it at times, I can't concentrate on anything else. Yet, I have, for the most part, obeyed You and stayed away from the news.

(Jesus) "Have you?"

(Clare) Well, other than the President's Twitter, for the most part—yes. Right?

(Jesus) "You have greatly reduced your involvement and I understand your curiosity. But I want you to live by the spirit, not the flesh. Not other people's flesh. And it is rife with dark, dark disgusting images that stick in your mind. Oh, I do so want more purity for you, My Love. More purity, Clare, no feeding on darkness. I promise to let you know what you need to know to continue your prayers. Wouldn't you rather get a burden from Me than potentially false information from them?"

(Clare) Well, that is true, I would much rather. Oh, please then, Lord, impart that burden to me.

(Jesus) "That is what I want, as well. But My question is... will you be satisfied or will you want more?"

(Clare) I will probably want to see it in the news somewhere as a physical confirmation.

(Jesus) "But how many times have you gone looking and found nothing but darkness?"

(Clare) A lot. Most of the time.

(Jesus) "That's what I mean. What I give you is not public knowledge. What I give you is what I want YOU to focus on in your prayers, because that is where We are forging the next move and breakthrough. You are very well informed, because the Source of your information is infallible. I need you to learn to be satisfied with that and not be weak, giving into curiosity, like weak souls."

(Clare) Sigh. Well, I'm guilty of that...

(Jesus) "My mother did not give into curiosity. She knew that I would tell her what she needed to know. And what she didn't need to know, she didn't desire to know. That's the kind of trust and holiness I need from you."

(Clare) Ok, I am really going to try to stay away from media, even though I want to see what our prayers are doing. Especially mine for the still sleeping population of America who haven't a clue how evil their politicians are.

(Jesus) "And I know you will for Love of Me. I know you want to please Me. I hear you receiving a word, 'Would this please Jesus?' And I see you saying, 'No. It wouldn't.' and leaving off with it. That is so meritorious, and I long for more merit on your part, because I am extending you the grace. The sooner you really get a hold of this and refuse to allow your curiosity, you will make great strides forward."

"When you give into curiosity, you give into darkness and the world. You allow that to enter into your mind and heart. Then you become sullied and dirty from the contamination. It inhibits your prayers and sense of well-being, which is deeply disturbed by evil. I would rather you not look at that and get contaminated. That's what I mean. In the long run, you will be very happy you turned the demons of curiosity down for love of Me. Very happy, indeed. More and more of Me as your Source, less and less of the world—unless I bring you something and you sense the release to look at it."

(Clare) Well, I noticed that I had a desire to pray less, in favor of finding out more. Because instead of shouldering a prayer burden, I wanted to run to the emails and see if there was anything new.

(Jesus) "And yet I bring you those requests with a heavy heart and expect you to respond wholeheartedly when I do. And it grieves Me when you don't. You pass them by for more titillating items of news, when I needed you to really care about what I brought you, that was off your favorite topic."

(Clare) I'm sorry Lord, that is so very, very wrong.

(Jesus) "But this is the way the flesh gets the upper hand. That burning curiosity and drive to know causes you to ignore things that are more important to Me. Things that are more ordinary. You would do well to curb this, My Love. It is a flaw in you; actually, it is a wrinkle in your wedding gown, because it is a long-standing habit."

"Stains happen when you expose yourself to the filth and contamination of the world's sins, unless it is to prepare you for a certain work. And even then, you must take a spiritual bath when you come off the topic, because it has left a very ugly grunge and sick odor on your soul."

"Yes, this goes for all of you, Heartdwellers. Do not spend time digging up decayed and rotten matter. Touch it lightly and go on. Better for all of you to get your understanding from Me and not from the world, which presents things in a crippling and distorted way to elicit certain attitudes from you."

"They are bending your minds with lies and manipulating your thinking, so you will do what they want. Which is mostly to be insecure and restless. All of it is demonic in origin."

"This is why I ask you to stay away from the media. Even the alternative news channels have a 'twist' to cause you to be very interested, returning again and again and support them. There is quite a bit of manipulation involved in the presentation, when I would rather you see the hard facts, receive a new burden from Me and keep praying."

(Clare) Lord, have you anything to share about the new year.

(Jesus) "I do, My love, but this is not the night to share it. I do want you to pray for the American people, that they will finally open their eyes. Pray that the blindness that has been put over their eyes will come down and come off. Pray that they will seek the truth over their party lines. Pray against the enemy, who wants to keep them ignorant and hostile towards your president — who is doing what nobody thought could be done."

"Continue to pray for justice, dear ones. There is a monumental task ahead of the president, which will take up much time even into the spring and summer of this year. What he has exposed is so far-reaching, it will take several months to bring the evil-doers to justice."

"I am proud of you, Heartdwellers. Many of you have suffered like troupers and gone into your prayers with all your hearts. Believe Me, My Father is very pleased with you, and you have done a mighty work for the Kingdom of God."

"But there are still many capture and prosecute, and that must be done. And many will try to sidestep it by intrigue or claiming they are dead and then disappearing to a hidden destination." "I want their influence brought to an end — and for that, they must be captured and tried... Pray."

### **Jesus says... There is not a soon ending to the Drama**

January 2, 2018

Clare began... Lord, please continue to raise up prayer warriors for our country and give them supernatural wisdom and favor with You and Our Father. Amen.

Dear ones, continue with your prayers. Please. There are seven containers on trucks, reportedly having weapons of mass destruction. They have crossed the border from Canada into the United States and only God and the military know where they are going. Please pray against this clear and present evil that it will completely fail. God's arm is long; He can do much to foil their ugly schemes. I want you to know, there is a great deal of fruit of your prayers - yours and the prayers of others around the world.

I'm going to give you a very short update, because this is out of the character for Heartdwellers Ministry, but I feel that I owe you at least to know what your prayers have accomplished. (from our source) "One of the sealed indictments was unsealed... Soros, both Bushes, Cheney, David Rockefeller, John Ashcroft, Brent Scowcroft, John Brennan, Condoleza Rice, and about ten more people the Prosecutor wants the death sentences for what they did on 9-11 and Uranium 1.

"Hillary is indicted on charges of helping Soros, that's a ten-year sentence, but in other indictments she is facing the death penalty. John McCain is looking at life in Gitmo for helping Soros, along with Obama and John Kerry."

"Barry Soetoro (Obama's other name). His assets in Thailand were seized by Delta Force on Saturday, with the cooperation of Thailand. \$100 million in Gold (stolen from 9/11 and the basement of the building) and several encrypted laptops were seized. The \$100 M in gold now belongs to the US Treasury."

And from what I understand, aside from the Bush's being involved in the destruction of the Twin Towers, there was a great deal of gold stored downstairs in the basement. And when that gold came out, the buildings came down.

"These all will be prosecuted by military Tribunals, similar to the Nuremburg Tribunals of WWII. There are three more planes going to Gitmo (Guantanamo) right now. 30-50 members of Congress and the Senate will not return to office this week. Julian Assange in protective custody with Trump and has been given complete amnesty of all crimes. 8 nations will have regime change this year, no longer supported by Soros' money. Iran is the first."

So, that's the run-down. Pretty much the most important intel news that I have. And like I said, this is out of character for our Channel, but I'm doing this to let you know your prayers are working marvelously! The Lord is answering prayers.

So, in my time with the Lord, the first thing I said was... 'Lord, I don't want the dirt. I want purity and my music — but I don't want to be ignorant as to what's going on. Who will rescue me from this body of death?'

Jesus answered... "My Clare, I am all compassion for you. You have always been fascinated with military things, because it is in your ancestry. I do so understand and sympathize with you. But you have to choose which way you will go with your attentions. There is not a soon ending to the drama. There will be court cases, convictions and executions. It will go on for months. How long do you want to be absent from the tender things, and the purity I have called you to?"

"It is true, you deal with corruption of some sort every single day. I cannot give you any guarantees that you will be free of this without a monumental disinterest. And because you are in the position of leading others in prayer, I will require you to have some understanding of what is taking place and how I want you to pray."

"All I can say is that I want you to distance yourself as much as you can from details. They are little hooks that you get caught on and lead you onto the Internet for more details. If you can please control yourself and come to Me before you look for more. Pray and ask Me, 'Jesus, how should I pray?' If I think there is more for you, you will feel the release to look. If I don't, then satisfy yourself with praying with all your heart and leave it at My feet."

"To do violence to your curiosity is a virtue with much merit. I will count it as a fast offering. I have heard the cry of your heart. I am not deaf or far away. I live within you, I have heard and We are answering your prayers, as well as the thousands of others whose hearts are crying out for an end to this."

"I am holding back the wrath. Nuking 7 cities is NOT on the agenda. You remember when the bomb headed for the apartment building in Jerusalem turned around and went out to sea? I have My ways and My ways are much greater than any man's ways."

"Nonetheless, your prayers are immensely valuable. Yes, I want your people to pray. There are many schemes instituted as retaliation against your country's progress in gaining freedom from the tentacles of the Deep State. It is much more pervasive than was first imagined, much more so. Why? Because there are those with ambition to carry through the agendas that had been begun, and they lay low in the government, knowing that to be exposed would be the end of them. Yet they are there, and acting as if they are on your side."

"That is the great danger... these set in place with their personal agendas and allegiances to the NWO. They will subvert wherever they are, but while the heat is on go along with your president's agendas, pretending to be on board. Then, when the opportunity arises, they will betray what is right."

"Again, this is much deeper than other's thought and has tentacles in every major government, and is well connected. So, I need your prayers that these traitors will be exposed before they can do damage."

"Pray, pray, pray for your president. He can do nothing without your prayers, fasting and sacrifices. This is how the grace to overcome evil is released. It is by those whose hearts are poured out before the throne of My Father that cause Him to rise up and defeat evil. These prayers are your most powerful weapons. I cannot say that enough times. What is impossible for man is possible for God, and you will face many impossible scenarios in the coming months."

"Remember, you are dealing with Satanists. Even if you locked up 75% of the Satanic covens, others would be promoted to take their place. Prayer IS your salvation. That is why there is an Ambitious spirit released in your country, a spirit of Acquisition, a spirit of Avarice, a spirit of Distraction on the Internet. They do not want you to have the time to dedicate to prayer. That is why you are persecuted - you are teaching what they fear."

"My people, pray for your nation at all times. Those who feel they are too holy to get involved and pray and vote, do not know My Word, for it is written: First of all, then, I urge that petitions, prayers, intercessions, and thanksgiving be offered on behalf of all men for kings and all those in authority, so that we may lead a tranquil and quiet life in all godliness and dignity. This is good and pleasing in the sight of God our Savior." 1 Timothy 2:1-3

"There is no dignity in human trafficking. There is no dignity in poisonous vaccines or in the poisonous air you breathe. Rather, it is degrading to see the health and welfare of the people I love falling prey to corrupt regimes and synchronistic events in the weather, skies, public health, genocides — here in your country and in foreign countries where poison is dispensed in foods and water to limit population and encourage diseases."

"This is the agenda of Satan: to reduce the population through suffering, sickness and all manner of wars, weather wars included, starvation... Oh, Clare I could go on and on — the travesties never stop."

"And people who seek to be in office to be corrupt and fall in line with this agenda have no idea how very foolish they are. They are only looking at the money. They haven't a clue! They are sawing off the very limb they are on. The truth is, that when the ruling Elite have accomplished what they want, many of their serfs will be terminated; they will not be invited into their brave new world."

"Wake up people! You who monitor sites like this, do you think when it hits the fan you will be invited into the private Elite's bunkers to enjoy champagne and caviar? Think again. You will be locked out with all the other "grunts" that did their dirty work. You will come to the same end you served to bring others down with."

"These men are evil liars who will do anything to promote their agendas. They will promise you security in their new government and then execute or lock you out when you've done their bidding. Repent of this evil you are partaking in. REPENT! I say to you."

"If you come to Me contrite, I will forgive and heal you. And even if you should die in the line of service, you will be with Me in Heaven. Because My promises are true, every single one. And I love you dearly and died to make it possible for you to be in Heaven with Me forever."

"Since when did Satan do anything like that for you? That's right — he didn't, he won't and he will continue to teach you deceit, because he is the Father of Lies. And you should have figured it out by now: anything he promised you goes only so far, then he rips your soul from your body and torments you, while laughing at your stupidity in believing anything he said."

"WAKE UP! You are a pawn—expendable. When your work is done, you are only good for the pleasure it will bring the demons to torment you forever in Hell. I pray for you, I love you and have no wish whatsoever to see you in Hell."

"And for the rest of you, Heartdwellers, pray for these dupes, that they will wake up before it is too late. Do not be ugly or cruel to them; pray for them and show them My unconditional love. That is their only, ONLY hope."

"In the meantime, do not allow the enemy to cut your prayer time short or make it spotty. Apply yourselves to prayer and fasting. Your life will improve by leaps and bounds, because you will be greatly rewarded for your obedience."

### **Jesus says... It is your Choice - A Life in Frustration or Joy**

January 5, 2018

Clare began... Jesus, You alone know the path to our highest good in this life. Please help us come to terms with the self - will that can dominate our thinking and frustrate your highest good for us... Amen.

Well, recently my heart has longed to go deeper into the Word of God, and I find myself fascinated with details and how they connect and what they mean. But I am concerned for time. The Lord has told me... "You can choose to study this book and that book, or you can meditate on the Scripture and I will infuse you with knowledge and understanding. You don't have to wade through the opinions of others and their conclusions. You can rest in Me, and I will satisfy your hunger for Truth."

Jesus answered... "What did your instinct tell you?"

(Clare) I felt a little check, because of the cost. But then I found it marked down, at a really good price. But even then, I did feel a little check, and a sense of unsureness. So often in the past, I see that I have given myself permission, because the reading was not definitive one way or the other. And I honestly didn't know what to do—so I did what I wanted to do.

(Jesus) "You still do not know yourself well enough to curb your appetites. Satan doesn't care what he wastes your time on, as long as it sets you back and keeps you from what is truly important. Don't you recognize this yet, Clare?"

(Clare) Lord, I am beginning to.

(Jesus) "Your curiosity is killing you. There is only one way around it: obedience to that flutter in your gut, in your heart. If it flutters, pass it by—no matter how beneficial it looks to you. We are going to get where we need to be, My Love. It just takes time. You have to become weary with the blind alleys. In the meantime, the clock does tick. May I outline this for you?"

(Clare) Yes, Lord. Please do.

(Jesus) "Read the Scriptures, but do not get snagged on the details. Read between the lines and listen for My voice and My leading. Pray. Dwell. Take communion. Give messages. Sing and play the piano. That is a very full schedule for you and will protect you from these disastrous side - tracks and dead ends. The foundation I laid in your life, for this walk, came with St. Francis."

(Clare) And just as a background, I was a habited Franciscan sister, with a vow that gave me an immense amount of freedom and deliverance from the world. It was really quite amazing. It was cut and dried. I needed God and prayer. Meditation on the Word and love for my God and my neighbor. St. Francis had a healthy scorn for scholarly studies, because they tended to lead souls into pride and distance from God. He much preferred poverty in things, and thus, less distractions. Hours and hours of prayer and serving the outcast and the poor. For the first time in my life, I didn't need nice things. In fact, I hardly needed anything. This was the only road that led to a sound breakthrough with materialism and that 'black panther' I'm always fighting. Material things held no interest for me. Well, not NO interest...but very, very few interests compared to my lifestyle of having nice things before.

(Jesus) "For you, this was laying down of your flesh. It would be good for you to work your way back to that — it was the purest. Just add your current duties and you will do very well, indeed."

(Clare) Uhhhh... Yes, Lord. It is as I felt it yesterday. I love you so very much, but I know with that confession comes the challenge to obedience. I knew that today would have tests of that love. And I didn't pass...

(Jesus) "I'm not going to make you feel any worse about yourself. But I will say, you are getting there. You are recognizing Satan's loop holes and the ways of pulling you off course. It took a long time for you to get here, but you are here and it can go quickly, smoothly and very rewardingly if you persevere from this point. Defer to My wisdom, Clare. And TRUST."

"My people, your perspective on your lives is very slim. It is determined a great deal by your desires to know things that, in the end, are irrelevant. The only way I can save you the heartache of a bad conscience and lost time is through your obedience. You know when you push the envelope. You have that shaky, unsettled feeling in your hearts. That means: Wrong direction — go back! If you ignore that, you just get deeper and deeper into self - will."

"In the long run, if this continues, you need to ask yourself... 'Do I really WANT to serve the Lord?? Or do I want to serve myself.' I would love to save you the wasted time. You need to go deep and ask that question of yourself. If you are struggling, without any success, I would suspect you are not ready to serve Me. I can always make you ready, if I know that is your heart's desire. But YOU must begin to make the effort. Cooperate and yield to Me. Time matters. The longer you wait, the more you lose. And you lose a lot that could have been — and made you happy, as well."

"Now, if you do something that you are unsure of and feel a deep satisfaction afterwards — a real, alive feeling. Not a sinking heart, but an encouraged, enlivened heart. Then you have done the right thing. Proceed."

"This is so simple, a two-year-old could learn it — and does. Children do many things by instinct, and withdrawing from something not good for them is very often done by instinct. This is one very positive attribute you could rekindle in your lives."

"Living for Me is so very simple. I train you in your conscience. But if you want something I'd rather you don't have, you will find ways to justify it."

"I am extremely patient, but I do wait for you to wake up. And there is a loss of connection with Me when you ignore My counsel and keep going. And that doesn't feel good for Me or for you. I hate it."

"I want you closer and closer to Me by the minute, and that means obedience from one moment to the next. Obedience brings a great reward. One reward builds on another reward, until we are of one heart and one mind."

"THIS is what I want for you. Is this what you want from Me? If it is, I have just given you the way to attain it. Be obedient at all times. Ask yourself, 'What would make my Jesus happiest with me?' Then do that thing."

"Don't stop to ponder what you will lose by doing it — just do it! When you examine all the self-will plus-points, you can stack them to the ceiling, trying to justify your will. But it will never reach to Heaven, which is the dimension you are in when you are obedient and we are dancing cheek-to-cheek, so to speak."

"There is nothing I enjoy more than our pure union of hearts. In that state, we do everything together, and it is the closest thing to Heaven on Earth. It's up to you. I am willing, but it will cost you much."

"Your pet projects and ideas will have to be laid down for what I want you to do. This is where a lot of souls falter and compromise. But I will never give up on you. I will continue to coax you to die to yourself, so that I may have free reign in your life."

"Please consider. What do you really want to look back on at the end of your life? A life dissipated with many dead ends? Or a life of great accomplishment in being in union with Me? A life of frustration? Or a life of Joys!"

"It is your choice, My Beloved. I have already made My choice."

### **Jesus says... If you love Me, you will obey Me... Curiosity & A short Gold Update**

January 7, 2018

Clare began... Thank You, Jesus, for Your incredible patience with us. Help us to see how the very littlest things that are outside of Your will for us are baited traps, waiting to break our wings. Amen.

Lord, I wanted to ask You when the gold would come into play.

Jesus answered... "For now, it is good that you have it set aside. I have My reasons and they will unfold in due time. In the meantime, be anxious for nothing. Know that what you have set aside

was done out of obedience and it will bear good fruit — as long as your heart is not set on material gain, but set on the exploited children of the world whom I weep over daily."

(Clare) Yes, I did intend that to benefit them.

(Jesus) "Be at peace. You did the right thing. Let it sit for now."

(Clare) Thank you, Lord, for clarifying that.

Well, dear Heartdwellers, I am coming to realize that my life is a minefield. Not of bombs, but of distractions that are waiting snares set to break my wings. Today, next to my video, was an excellent source for updates on the Deep State, without having to listen to a bunch of filler. I gave into temptation and listened to about five minutes and realized, 'You know? I really don't want to hear this garbage.'

Dear Heartdwellers, curiosities are deliberate, baited traps set to clip your wings and keep you from fulfilling your destiny by eating away at time and energy that should have been spent on your mission. I am the very worst example of that, and I am warning you — please... if you love the Lord and value your mission—don't fall for these things. Avoid them like the plague! They are the fowler's snare.

Jesus continued... "You cannot compromise, Clare. Not now, not later. You cannot afford to compromise. No, I am not going to threaten you. But it is serious and you need to be aware that you cannot afford to compromise. I love you, dear one. I am only doing what is best for you. If it were good for you to listen to those things, do you think I would deprive you?"

(Clare) No.

(Jesus) "That's right, I would not. You will be much happier, I can guarantee that. Besides, I have music for you to write and there are those who are still waiting for you to put out new music. I am gentle and kind at heart, and if it were healthy for you, I would not censor you. If it would bring you a measure of comfort and good, I would never censure you. But I tell you the Truth... it is pure distraction and a portal for the enemy to pour the world into your head."

"In that condition, you do not function on the beautiful, high and lovely place I have designed for you. Trust Me, Clare. This place I am taking you to is so much better than where you have been. Despite your flaws, I am not turning back on you or leaving you to the wolves who are continuously circling you, looking for a way to attack and kill you. They are relentlessly evil and hell-bent on destroying you. They hate intimacy with Me more than anything else, because it changes people's lives for the better and sets them free to fully become who I created them to be."

"Truly, I live and breathe and move from inside their hearts. I protect you from them, unless you walk into their den and eat from their table. Well, that is hardly the stature of a pure and stately soul. It is more the stature of a hungry dog. That is why I am keeping you from this whole line of thinking and investigation. It is utterly worthless and toxic to your soul. Of course, the enemy knows this and plagues you with opportunities to indulge. But if you will resist him, you will be safe."

"My people, do not suppose you can dabble with fire and keep from being singed. Do not think you can compromise with your time to indulge in a distraction and come away from it unscathed. The enemy is very clever. He puts a juicy tidbit in front of you and whispers, 'Wow! Check this out, it

will only take a moment.' And off you go. But that moment turns into three minutes, five minutes, ten minutes... Four more videos later and you've lost an hour, your mind is hazy, and your head is filled with filth."

"When you go against your conscience you always lose. Always. I am trying to spare you that by telling you how very important it is to restrain your curiosity and keep your heart and mind focused on what is good and pure and holy. Or what I have designated you to do."

"This is where the fruit is sweetest and richest—in the place that I've designated for you. It is counter-productive for you to work in another man's orchard. The fruit from your orchard is compromised. While you are gone, the birds peck away at it, the grasshoppers feast on the foliage, brigands come by and steal bushelfuls, and the enemy cuts the tree down. You cannot afford to be gone from your orchard: too much is at stake."

"Protect your gifts and your assignments with a life of obedience and trust in Me. I only want what is best for you, My dear ones. Very simply... if you love Me, you will obey Me. And I will protect you from the snare the enemy has set to cripple your wings, so you can no longer fly."  
"Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them." John 14:23

(Clare) And the other Scripture that's been ringing in my ears... "Do you love Me more than these?" John 21:15

And that's what Jesus said to Peter three times. Because Peter had snuck back to his fishing industry. And the Lord was wanting him to continue to serve Him. You can't run a fishing industry and serve the Lord at the same time. That was not his designated spot. That was not what God created him to do. So, He asked (Peter) three times... Do you love me more than these?

God bless you, dear Heartdwellers. Please, stay away from distractions like the plague. Take it from one who knows.

## **Jesus elucidates... The last battle before the Rapture**

January 8, 2018

Clare began... Lord Jesus, please fill us with your hope and courage as we wait on You. And teach us that, unless we abide in the vine, we can do nothing of any worth for the Kingdom of God... Amen.

Well, my precious friends, you are all so very special to me and I open my heart to you so you can see my struggles more clearly—they are mighty. Fasting and praying the nation's dramas through, Christmas and a very sick husband have all taken their toll. And I have found myself without any motivation to play music or sing. And I mean REALLY flat-line. Down-in-the-pits flat-line. Lower-than-low flat-line! So, I came to the Lord in desperation, because I knew I could not fix this one. No amount of caffeine would fix it. I began... Lord, I don't know what to do...

Jesus answered immediately... "Listen to Me, Clare - don't give up. Please, don't give up. I will help you. Please, do not give up."

(Clare) Lord, I have to see something, some sign of life, something... You know I want this with all my heart, but I no longer believe in myself.

(Jesus) "This is the work of the enemy."

(Clare) Please, can you restore some kind of faith? I am truly bankrupt.

(Jesus) "This is the work of the enemy. They want to kill you, but I will not allow that. So, instead they want to break your heart. Lies, lies, lies. They are pummeling you with lies that you can't do this, you are all washed up, you're wasting precious time trying to do something you're just too old, and tired and weak for."

"Do you want to believe that?"

(Clare) Well, no, I don't. But somehow that's finally hit the mark in my heart and I feel dead inside.

(Jesus) "Clare, the darkest hour is just before dawn. You will rise again. Trust Me. I am the Author of Life, and you will rise again—better, stronger, brighter than before. You are not deceived, just very, very tired and depleted of hope. But I am here to restore you. Can you give Me the time I need?"

(Clare) What do You mean?

(Jesus) "The hours of silence. The hours of sitting before Me and allowing Me to heal you from the inside out?"

(Clare) When He said that, I heard 'four hours', and many days I spend 3 hours. So, I asked... 'Four hours of sitting in silence before You, Lord?'

(Jesus) "Yes. You've been running, running, running and now you're running on empty. I need you to sit before Me in the silence and allow Me to do the work of restoration that is necessary. If you can do that, I promise to get you back on your feet. What I am asking you for is time; more time with the Spouse of your soul. Give it a week. Will you give it a week?"

(Clare) I will gladly give it a week. Thank You, Lord.

(Jesus) "Come to Me, all of you who are heavy laden and I will restore your souls. My people, many of you have been running on empty and you wonder why you feel like a failure, discouraged and unable to live up to your dreams. May I say it is because you have allowed yourselves to cut time with Me short, to be busy doing other things? You can do that when the quality is simply mundane, daily matters. But you cannot do that when expecting to minister on the level I have brought you along to. You cannot give what you do not have."

"And there are many reasons you do not have. One is that on this Channel, as much as you love it, you have real enemies who are going for the throat in your lives. They hate what is taught here, they hate you who listen in and you who comment. And they have made it their business to bring every one of you down to the pits, so you will never realize your potential."

"If you are on this Channel, loving this teaching, you will have to get up and fight for the right to prosper in your calling. The good news is that I am bringing you along. The bad news is that the evil ones hate that, so they try to sabotage your lives."

"Do you know the target they aim at? No, it's not money, not sickness or betrayals, or opposition...those things may be used, but they are not the target. The target is your relationship with Me."

"The very moment you put your relationship with Me in second place in your life, you have begun the downward spiral. Not only that, but you must fight every day to be loosed from the enemy. These are not like days gone by. These are days that only the strongest, the bravest, the most persevering and the most pure of heart and motive will succeed. Why? Because the opposition of the end times is way beyond the opposition anyone has experienced before."

"More and more demons and Satan-worshippers have been released on this Earth, and what could have been done with strong effort and consistent action fifty years ago, now takes monumental effort and heroic action."

"This IS the last battle before the Rapture. This IS the hour of greatest trial for the Elect, because by the time you conquer this period of time, I will be taking you Home."

"This IS also the time of potentially more fruit than ever before in the history of this Earth. But if you want to be a part of that, you must be mercilessly committed to your time with Me, because I Am your ONLY source of strength."

"And those of you who have recognized that and refused to compromise your time with Me, you are the strongest of the lot. Because I live in you strongly, you cannot be conquered, because I cannot be conquered."

"This is what is required of you, Heartdwellers. I am telling you this right up front, so you can measure your commitment to Me and decide whether or not you are willing to do what it takes to succeed."

"Clare is not the only one beaten back and beaten down. Clare is not the only target; all of you are. Why? Because I called you to this Channel, so that you could rise up in your ministries and draw all men to Me without religious agendas, without judging others, without jealousy or fear."

"I need you, My end-times army. I need you to shape up, so I can ship you out. But this will not be accomplished by compromising your time with Me to hone your skills or get things done. Try as you may, you will come up close to empty-handed if you follow that philosophy."

(Clare) Lord, is that why I can't do that? I've tried to push ahead with music, but I can't bear it for long when I know we have not had our time together.

"Yes, it is a great grace you have been given — and not just you. Everyone on this Channel has been given the opportunity to embrace that grace and bear good fruit. But the ones who have mistakenly put their time on action and accomplishment, compromising their intimacy with Me, will fail miserably. They may do works, alright, but not necessarily My works. They will be human works of wood, hay and stubble—consumed in the fires of judgment."

"To have a golden heart, you must be pure and endlessly persevering in your relationship with Me. And most are just not willing to put that much time and effort into it. It's more like 'hi-five and be on your way'. Not only that, but you must be free of willful sin. That is, free of doing what you want to do, when you know in your heart it is not My best for you. Those who purify and put to

death their secret agendas and desires will conquer themselves, and I will use them. But those who continue to roll in the mud I will pass by with My choicest ministries."

"Those of you who already have ministries are being taunted by Satan's emissaries to devote more time to the ministry than to prayer. Why? Because they know you will run yourselves into the ground and become lukewarm. It's up to you, My people. You may have whatever you want, but it will cost you. The higher your desire to serve, the more it will cost you."

"I purify vessels before I use them, and many of you have been going through this purification for months now. That is because I am looking for those I can assign My choicest ministries to — so I am turning the heat up. If you have fallen for the enemy's lies that you need to spend more time in ministry (to the detriment of being with Me), you have fallen for a fatal lie that will, in the end, disqualify you."

"Come now, My Brides. Enter into the chambers of Love, where I will equip you for the turbulent forces you must face and overcome before you can grow into the full stature necessary to carry the anointing I want to give you."

"For you, Clare, I am asking more time, so I can repair damage and strengthen you again. But anytime any of you waver in your commitment to Me, anytime you look for distractions to take you away from the heat of the battle, anytime you begin to long for the leeks in Egypt (Numbers 11:5), let this be a sign to you... you need much more time with Me."

"What does that look like? It looks like repenting, having a communion service, getting Rhemas and correcting course to what I give you. It looks like soaking and dwelling prayer, it looks like Scripture reading, and holy book reading. And it looks like resting. A great deal of resting in Me."

"These are all ways I minister to you. And that easily takes a few hours. When I send you forth from that state, your head is clear; your enthusiasm, hope and perseverance are strong and every attack of the enemy is dispelled by your prayers. But if there is compromise, your prayers will be weak and you will feel your conscience tugging you down."

(Clare) And that was the end of His message. And as I went on the Internet to do something, this rhema came up... "I suffered like a dove, without complaint. But some seemed to find pleasure in vexing Me in whatever way they could. My patience irritated them. But God gave Me so much inner strength that I endured it calmly."

God bless you all, dear ones.

### **Jesus says... Do not be ashamed to show your love for Me**

January 13, 2018

Clare began... Sweet Jesus, give us the courage, please, to be willing to stand out for You. And declare Your Love openly. Amen.

Well, my dear friends, I have been on a mission these last four days and that's why you haven't heard from me. In learning how to sing I have come across something very foreign to me... I do not want to call attention to myself by grand demonstrations and loud passages in a song, but I can see it has become necessary for the one I am working on.

I told the Lord... 'It is seriously troubling me.'

Jesus replied quite unexpectedly... "Don't be afraid to show your Love for Me."

(Clare) But it feels dramatic, more like stage acting. This is SO not my nature! Please help me understand and do what is right.

(Jesus) "You mustn't ever comply with sin, but I have put you in this position, because your natural inclination is the hidden life. You hate anything to do with ostentation, and well you should. Shall it not be safe for Me, then, to put you on the Stage of Life to declare your love for Me?"

(Clare) And, I have a little note here. I was working on a song and all of a sudden, in a very appropriate part of the song, I got very loud without any conscious effort and it took me by surprise. And I thought to myself... 'Hmm...was that a holy accident? Am I missing something here?' But I feel so repressed; this other way is not my nature.

(Jesus) "I will conquer your nature, dear one. I almost did it the other night, but you balked... However, you recognized something. When you hear Kari Jobe sing, does she draw attention to herself?"

(Clare) No. I feel her passion for You, and her deep, intense feelings and my heart resonates with that.

(Jesus) "Exactly. Clare, there is something in your heart that others could resonate with IF you let it out. The quiet music is important, I do much through that, but there is also passion: the passion you feel when you cry out over Me. And I wish for that to be brought out to souls, to help heal them, Clare."

(Clare) At this point, my eyes teared up.

(Jesus) "You always wanted to be used in healing, and for that there are many different gifts, even in music. Some healing takes place through association and acknowledgement that their feelings are valid. You share what is in you, they resonate and a certain acknowledgement, knowing & validation is resonating with them that makes them feel more whole."

"You are not upstaging Me; you are revealing the inward joy of My Heart in yours. It shines from deep within and gives off illumination."

"Don't be afraid to show emotion. When you get angry — and I do mean really angry — people around you tremble. Thank your God it is not often or without good cause. Can you not express the same intensity in your Love for Me?"

(Clare) Sigh. With Your help, I can do anything!

(Jesus) "Exactly. You've been longing to hear from Me. Don't stop now!"

(Clare) I was thinking that's all He was going to say.

(Jesus) "My precious Heartdwellers, many of you are in bondage to social norms and posturing. Don't you know that I love it when you get excited and on fire for Me? Do you know that I get excited and on fire for you?? Well, I do and the angels and citizens of Heaven will bear witness to that."

"But many of you have been taught to repress your feelings; to hide them, don't be vulnerable, protect that soft interior. Yes, I understand that — self-preservation from ridicule. But also, it is a fearful response and it puts your fire out, which is exactly what it was intended to do. Satan is behind ALL repression."

"Do you know Heaven is not a quiet place, like many have been taught to believe? Yes, I gave Jesse du Plantis a chance to see Me preaching with passion. What a shock for some!"

(Clare) Yeah, it shocked me, that's for sure! Well, Lord, Scripture does say You will not shout or cry out, or raise Your voice in the streets. Isaiah 42

(Jesus) "Do you suppose that means that I will not get excited?"

(Clare) I don't know what to think.

(Jesus) "This saying has more to do with abuse and harshness, than preaching and admonishing. Why should I not shout out the Good News My Father has sent Me to proclaim?"

"Clare, it is OK to be passionate and loud. You are still under a bondage, of sorts, to stay low key."

(Clare) Well, it seems that so many have been put off by fiery preaching and You are all about love. And love is gentle and kind... Well...I don't know how to answer You. Except that I detest loud hollering and condemnation that some preachers do. It brings condemnation instead of conviction. Frankly, I can't even stay in the room with it anymore.

(Jesus) "Oh, now wait a minute — many souls need this, Clare. You are little and gentle and don't need it, but there are those hardened in sin that need a forceful presentation to provoke them to look at themselves in My Mirror. The scribes and the Pharisees were, and still unfortunately are, one such group."

"Do you think I said this gently? 'Woe to you, teachers of the law and Pharisees, you hypocrites! You are like whitewashed tombs, which look beautiful on the outside but on the inside are full of the bones of the dead and everything unclean.'" You think I said it that way?"

"WOE TO YOU, TEACHERS OF THE LAW AND PHARISEES — YOU HYPOCRITES! YOU ARE LIKE WHITEWASHED TOMBS, WHICH LOOK BEAUTIFUL ON THE OUTSIDE, BUT ON THE INSIDE ARE FULL OF THE BONES OF THE DEAD AND EVERYTHING UNCLEAN!"

(Clare) Yeah.... Yep! You sound angry.

(Jesus) "And rightly, too, for what went on in the back rooms and depths of the temple. Defilement and everything unclean; and that is precisely why I sent the Romans to destroy it. I will have no part with uncleanness. Do you think I was mild-mannered when I overturned the tables of the money changers? No, indeed not! I scourged and castigated them for their impiety, presumption and greed in My house, of all places."

"And when I raised My voice during the Sermon on the Mount — was I meek or was I passionate? I was declaring the blessedness of those this up-side-down world calls worthless. I declared their beauty and blessedness openly to set the record straight."

"In short, there are times to be quiet and times to speak out."

"Now, getting back to your singing. You are missing quite a piece of the puzzle, because you have not been trained to entertain. And I am not asking you to fake it. I am asking you to let all your love hang out — so to speak."

"People need to be touched and inspired; this is the place and time My angels and My Spirit minister to the multitude. Some would call it entertainment. I call it ministry, with all the depth of human emotions present to minister to souls. Some are repressed beyond belief, Clare. They need a voice crying out in the wilderness, and that goes for songs, as well as preaching. Indeed, you preach through your songs. Perhaps this is the best way to get you to let it go."

(Clare) Well, I never really understood this, Lord.

(Jesus) "And yet you have always wanted to act, have you not?"

(Clare) Well, when I was a teenager, I wanted to communicate and convey the things that were inside of me.

(Jesus) "Well, buckle up. You're going back to those days."

(Clare) Wow.

(Jesus) "Yes, you have mellowed with age, and that is as it should be. And our music that is mellow serves a very important purpose. And so will this music, which is not so mellow at certain points."  
"Clare... You are still resisting Me."

(Clare) Ah! I can't hide anything from You!

(Jesus) "No, you can't. But I can help you understand. This is only a tool of communication. There are times to reflect peace; there are times to reflect passion. Allowing your feelings to come out is a whole, healing and kosher, I might add, practice And by the way, practice makes perfect—we will work on this."

"My people, what I am telling her applies to you as well. You see how passionate people are about rock stars and football games, and that passion draws attention and gives license to others to express their feelings."

"Where is the passion of My people? The passion they feel for Me? Where is the outcry against injustice? Where is the celebration of your faith? Is it alive and passionate—or suppressed under a burden of the fear of looking foolish?"

"I want you to be yourselves, and express yourselves as you truly are. Otherwise, how will normal people come to know how wonderful it is to be in a relationship with Me? How will they know I can save them from their shame and failure? How will they know I can rebuild their lives? Unless you express openly the wonders I've done for you."

"You are My emissaries and ambassadors of freedom from sin, freedom from addiction and self-hatred. Freedom from darkness and confusion. Oh, how liberating it is to be reborn in Me."

"But who will I send to express this gift beyond comprehension? The lukewarm? No, My people, you must be a 'virgin' with a lamp full and more to spare. You must be enkindled by My Holy Spirit, free from worry, free from fear and condemnation. All these gifts are yours for the taking as you go deeper with Me and in My Word. Truly, the reading of the Word does wash your souls, it does cleanse, bringing conviction and then hope with the eternal promise of My unconditional love for you."

"No matter what you've done — no matter how many babies you have sacrificed for personal gain and satisfying Satan, there is still much hope for you. And I wait. Why do I wait? Because I know you are some day going to wake up and realize your practices are not bringing peace but war, not happiness but loss and sorrow. I know those who are Mine and have been led astray by Satan's empty promises, and I know you will come to Me. So, I wait."

"Take, as an example, the many Satanists who have been on fire for evil and their hearts are now on fire for Me. They travel tirelessly, declaring their love for Me. And I use them, because their lamps are full, they are head-over-heels in love with Me. For those who have been forgiven much, will love much."

"So, I am looking to recruit those of you who are on fire and loving Me. I want you to express your passion to others, because when you reveal the inner glory you live in with Me, they, too, will want what you have. You will be an inspiration for new life and the hope of glory stored up for them."

"Paul was passionate, unashamed to proclaim the gospel." (You can read this in Colossians 1:25-29)  
"So, Clare, to come full circle — do not be ashamed to show your love for Me. Remember this is about Me. And those who acknowledge Me before men, I will acknowledge before the Father. Heaven is a place full of rejoicing and all you are doing is bringing Heaven down to Earth. Thy Kingdom come, Thy will be done."

## Jesus explains our Uniqueness & How we lose Grace and Anointing

January 14, 2018

Clare began... Dear Jesus, please forgive my reluctance and easily distracted feelings, and help me to receive Your heart with all of mine... Amen.

These past few days, as I have entered into His rest for several hours a day, as He asked me to do) I have been blessed with a sublime love that is difficult to communicate. If you have ever fallen in love deeply, and the other person has also fallen deeply in love with you, and you are dancing together, for instance. Your eyes penetrating one another's being. You can come close to understanding that feeling when Jesus looks into your eyes with overwhelming love for you. Nevertheless, I still struggle to keep that focus and receive it. He has tried every day to reach inside my depths with His love. And I get a fleeting taste of it, but then I lose it. Oh, it is so frustrating for me! And I can't even imagine what He is going through.

Jesus began... "You just can't understand the love I have for you, Clare. It is way beyond your comprehension. Your person is so clogged with condemnation and self-hatred, it is very difficult for Me to get through to you. Nonetheless, I try. And once in a while — like the past few days - and the time when I took you to your palace, once in a while, you get a glimpse."

"Ours is very much a working relationship, so switching gears doesn't come easy for you. I long to tell you just how much affection and profound love I have for you, but you are sometimes very reluctant to embrace My true feelings."

(Clare) In fact, the Lord has been complaining to my husband Ezekiel about this, that He's trying to get through to me and I'm just...uhh. Not there.

(Jesus) "Of late, you have been thinking about the facet of Me that belongs to you. Oh, that is so correct! You see, each person is like a complex plug that fits precisely into the right terminal. Every single plug, or makeup, of a soul in the world is different: different sizes, combinations, length, width, and depth. Every single one is unique and different."

"My Father has different receivers for each plug, so to speak. Ezekiel cannot fit into your receiver, nor can you fit into his. Each baby that is born comes with their own blueprint or plug, and My Father's desire is that, someday, that baby will grow up and of their own free will return to their origins to plug into their Father. Only then can a soul be completed; only then can My Father feel completed, because that being He loves has returned to become a part of Him again."

"This is why it is so tragic when a soul is lost. That very singular, unique outlet in the Father remains empty and incomplete. Nothing, absolutely nothing is more painful to Him than the absence of a soul for Eternity. When you returned to Him, you connected to that one-in-a-billion socket from which you were created. You completed the circuit."

"Now you and I have a very unique and special relationship, and you see Me very clearly, hear Me clearly and feel My deep love, as well as have a working relationship. And while I am infinite, I am presenting Myself to you in those moments as the completion of your connection to the Father. So, you can stand to look at Me, speak with Me, hold Me and be My spouse."

"However, when you are in corporate worship, you see the whole billions of circuits. And it is overpowering with light when you see Us all connected as one whole and entire, rather than as your individual and unique part—your Jesus, your Father, your Spirit. The aspect of Us that is uniquely fitted to you, alone. And so it is with all souls."

"So, the disparity in explanation that has troubled you, is why do some see the Father tenderly holding them as a child on His knee? While others see Him as this huge, magnificent, overpowering Person of tremendous force and illumination. When that aspect of Him is revealed, He is revealed in His entirety. That is more power than you can possibly relate to."

"However, when the unique part of Him that is yours appears, you are able to sustain a relationship. So, at different times it is personal and intimate; at other times it is corporal, as in worship in Heaven when He is on the Throne."

"Now, getting back to our love relationship. You have no way of understanding the infinite love you embody from the Wellsprings of Life when you and I are connected and are one."

(Clare) Here He's talking about being connected in the purest way, in a spiritual union.

(Jesus) "You appear to Me as My soulmate, My completion; the creative expression of My very being which is uniquely yours. And there is a transfer of energy in that you, independent of Me, choose to unite yourself to Me. When this happens, My glory is displayed in our union of hearts and I cannot help but feel the most mighty and overpowering love for you. You, in a sense, are the singular completeness of the Father, the tiny circuit or plug that has a combination of terminals that no other soul was created with."

"For Me, this is an ecstatic experience, just as it can become for you."

"The night you received Me into your life, you felt that ecstatic union for 45 minutes. And that was just a foretaste of what you will feel when we are totally One in Heaven. It takes time to understand, assimilate and function in this state—you become transformed into My state of resurrection glory. What I am saying, My Love, is that what you feel when we are truly tuned into one another; what you feel is but a speck of what I feel. And I long to communicate that bliss to you, even share it with you."

"However, you hamper Me by a screen full of filthy opinions about yourself. Accumulated condemnations flung at you by demons. False notions of guilt, accusation, and the lingering stench of past sins that you find almost impossible to free yourself from. Truly, that is a job for Me. But you have to let Me into that holy of holies in your heart, so I can clean that refuse away, burn it away with My love and forgiveness so that nothing remains between us to hinder."

"When you come to this place, you reflect My glory more perfectly and your very presence is full of healing. This is why it is so important not to add anything to that screen by willful sin, or doing anything you know in your heart is displeasing to Me. This brings shame and guilt like a thick sludge to block your view of Me. Knowing how good I am to you brings you to the point of avoidance because of guilt."

"This is how the demons manipulate you into a state of separation from Me. 'Oh, He is God. He will understand. Go ahead—He'll forgive you.' Then after you've done it, 'You wicked, vile person! How can stand yourself? God can't stand you. He can't—you are too filthy to be in His presence.' And of course, you withdraw."

"And that IS true. However, with confession and contrition, I wash away that guilt — and in time, you can see Me clearly again. But that does take time."

"During that time, there was something very important I wanted to do with you and could not, because you had breached My trust. The devils see this coming, so they set you up, so that what I planned to do with you cannot be accomplished until you repent and are fully restored in both My eyes and yours."

"My People, if you are serious about serving Me, you cannot enter into willful disobedience. What is licit for one may be sin for another."

"For instance, if you are supposed to be fasting—and you give in to gluttony and eat a double fudge sundae, you break our connection until you fully repent for having hurt Me. On the other hand, a person going out for family night may have the sundae and not feel condemnation. Because it is allowed in My perfect will for that soul."

"Repentance takes time My people. You don't just say, 'I'm sorry, Lord,' and it's all over. There are residual consequences that take time to clear before we are restored. If it is a mistake you made out of ignorance, that can be washed away fairly quickly. The length of time depends on the gravity of how you betrayed My trust. That is what determines how long before we can repair the damage."

"Timing can be critical with a soul I am trying to use you to reach. The devils know this, so they work very hard to tempt you and break that bond, so the soul I had in mind cannot be ministered to by you. Of course, they don't always know, but they surmise, based on proximity, and their observance of past actions of you both."

"So, these are the anointing-robbing tactics of the enemy. When you are clean before Me, you minister with confidence, knowing that I am quick to answer the prayers of those who love Me and demonstrate that by obeying Me."

"And of course, there is that other dynamic—protection from temptation. My angels watch over you, Clare, but if you take it upon yourself to pass judgment on another soul, it creates a hole in your protection and the demons gain entrance. And I allow this to convince you of your lowliness, your weakness, and potentially sinful nature—so you will NOT presume to pass judgment on anyone."

"You, in My Body, who pass judgment on others: you are shooting yourself in the foot and losing massive amounts of Grace. What you dream and hope for will be opposed until you learn to honor and esteem others more than yourself."

"The littler and poorer the soul, the greater offense it is to Me when you make ANY kind of judgment against them. If you know and practice this way of thinking, even in the hidden chambers of your hearts, you will grow in grace and anointing in My Kingdom. You will also be honored by the angels, who will come swiftly to your aid. They are gravely offended by the poison of presumption."

"Most of you already know this and are practicing it. But be especially on guard when someone offends you. This is a time when you are most vulnerable to lashing back with judgment. That is another reason I don't want you looking at the news. Much of it is a lie, and when you respond with condemnation of others, because of a lie you heard, it is a serious sin in My sight. Even if it is true, I would prefer for you to respond in charity for the offending souls and pray for them."

"And many times, this attitude deprives you of the operation of the graces I have granted you previously. So, you pray and wait for My anointing—then after you get it, you squander it by judging others. And believe Me, the demons watch very closely when you've been given a new grace, so they can provoke you to do something to lose it before it damages their kingdom of darkness."

"I tell you these things, My dearly loved ones, so that you can advance in holiness and the anointing to break the yokes of evil that have been put on My children. I count on you to follow this teaching, because it is vital to your growth and the salvation of other souls who could have been touched by you."

"This is why, when you visit Heaven, everyone is so glad to see you—like a tail-wagging puppy. They have been healed of all their tendencies to size you up and judge you. In Heaven, souls do not judge — they welcome you with love. And if you are headed for the trees to eat the fruit and drink from the River of Life, they understand—because they, too, have passed that way."

"I have shared these things with you, because I love you all so deeply. And I want us to function in the fullness of our potential, that you may be filled with My joy and that it spill out onto others."

"Walk in this way faithfully, and you will become holy, even as I am holy. I truly love you so very, very much."

## **Jesus tells everyone who follows the Father of Lies... BECOME WISE**

January 18, 2018

Jesus, you have told us that in our weakness You are strong... This is hard to understand. In Your kindness, please open our minds to this truth. Amen

The Lord began... "I have so much to say, a thousand years could not contain it all. But I will sum it up: 'Persevere.' Clare, when you are at your weakest, I am the strongest in you. I know it does not make logical human sense, but it is so true."

"My power is perfected in weakness."

'Therefore, I will boast all the more gladly in my weaknesses, so that the power of Christ may rest on me.' 2 Corinthians 12:9

"But what I am saying is, that the fruit that is gathered when you are at your lowest point is the greatest by far of anything that has been gathered before. Your weakness makes My Omnipotence shine. When the enemy curses you and you bear up under it, because it doesn't yield to prayer, (that means He's not going to answer it—there's a reason for it) there is a very good reason."

"Paul knew, what I meant long before he was beheaded. He lived a life of continual sacrifice after his conversion, recognizing in that, his participation and co-laboring in My Cross."

"Now I rejoice in my sufferings for you, and I fill up in my flesh what is lacking in regard to Christ's afflictions for the sake of His body, which is the church." Colossians 1:24

"Was My work on the Cross enough? When I uttered 'It is finished,' I proclaimed it was, for all time, enough. Yet, who falls in love and doesn't long to carry a burden for their beloved? Sacrifice of self, giving of self, giving up one's rights to claim healing in order to carry a cross."

"If anyone would come after Me, he must deny himself and take up his cross and follow Me."  
Matthew 16:24

"These were not just figures of speech. No, they were proclamations that if you desire to follow Me, you will die to yourself first. Clare, your husband has chosen that, and how blessed he is and you are, for participating in this cross."

"So, My precious one, I am encouraging you to continue to bear up under the burden for as long as I choose to use it. He did indeed save a man in the process of dying and being dragged down into the abyss. By his sufferings and all of your prayers, this man is with Me now and will be eternally grateful. For truly, he was only seconds away from eternal separation from God and damnation."

"It is truly a beautiful thing to lay down one's life for one's friends — especially those you have no knowledge of."

"I know very well how hard this has been on you, as well as the betrayal that left you without help. I know all the details very well. And all I can tell you is that every drop of suffering is changed into transforming grace for the souls that visit this Channel and others as well."

"I will carry you, Clare, I will carry all of you. Don't worry about having the strength to sing or serve Me in the many ways you do. Know that My grace is sufficient for you and never do you suffer anything that I do not make use of it."

"That is also the difference between Satan's kingdom and Mine. He loves to cause suffering and to deceive people into following him. They are eager, because a bitter root has taken hold of their hearts. They refuse to forgive, they hold on to grudges and long to get even with those who have hurt them. And even avoid anyone of ever hurting them again."

"If only they would turn to Me, I would give them the grace to forgive. I would shower My love upon them, reveal to them how greatly I love them and how precious they are to Me. And raise them to My Heart, giving them a new and bright, hopeful, life."

"Satan only came to kill, steal and destroy. I came to give life abundantly. And nowhere is it more obvious than in the room of a dying soul. Satan would have torn that man to shreds, but My Mercy cuddled him like a little child and he was added to the Kingdom."

"I turn the troubles of My saints into graces that bring conversion and happiness. Satan only uses his people like filthy rags, and when he's done with his dirty business, he burns them in the fire for eternity."

"Once more, he always loses — through sickness, when he causes pain. I turn that pain the other way around and steal a soul from him. He always loses."

"For all of you My Children, nothing the enemy does goes without Me turning it into good. The worse he makes others suffer, the greater graces I release to all concerned and those who are still in his clutches. One would think he was helping Me, but of course, not deliberately. He fails to understand how I will triumph in the end, like I always do — and turn it all to grace, just like I did on the cross."

"Get wise, you who follow the Father of Lies. If he is teaching you to lie to others, what is he doing to you? I will tell you: he is promising you a kingdom of pleasures that does not exist. Unless you get smart and look at his character and turn away from him to Me, you will find out when you die that his promises were all lies."

"There is nothing but torment, gashing and burning flesh in boiling cauldrons where your skin will excruciatingly peel from your body—only to grow back and peel off again and again. He will stand there as you say, 'But I served you faithfully! You promised me a reward!' And he will laugh you to scorn and disdain and say, 'Yes, I did! And this IS your reward!' His life is a living Hell, and now he entertains himself as you are tormented over and over again by his demons."

"If you come to Me, I will forgive your atrocities. I will deliver you into the Kingdom of Light and Truth, and I will protect you from those who still are under his wicked spell that would harm you." "And My people, pray for these Satanists, especially the young ones who have been so terribly hurt by their parents and dealings in the world. The injustice, the cruelties, the betrayals—circumstances that caused them to want to control what happens to them at any price."

"Pray for them, because deep down inside they have had a glimmer that what they are doing is wrong — they just don't know how to get out. Pray they will find other ex-Satanists, even witnesses on Youtube, to help them cope. And pray that My love showers them clean of all their past dealings with hurtful people."

"Recently, two have decided to quit a coven because of your prayers. So, do not stop praying." "And I know the times are still pretty rough in your country and the world. But a shift has taken place and many evil-doers of the Deep State are meeting their end. Pray also for them. But there will be a consequence to all of these labors, and America will demonstrate her purpose in the world once again."

"Yet, there is concern. For with prosperity comes a lukewarm spirit, so know that in time — things will again grow serious. But when they do, millions of Muslims will have been added to the Kingdom, because you prayed and endured these turbulent and self-sacrificing times hand-in-hand with Me." "You are My Bride; should I not share My sorrows with you? And indeed I do, as well as sharing yours. Never do I leave your side."

"So, proceed as planned. Cleave to Me, follow My instructions to you. Persevere under trial and pressure to bring forth the work of your mission, which will bear fruit through all eternity." "I bless you now, you who are languishing and struggling, and I promise you the fruit of your labors will be enormous and sweet."

Remark by Jackie, to prevent any confusion...

In the Trumpet Call of God, the Lord says, that we must let go of the doctrine of hell and eternal torment, as taught in the churches of men, and here to Clare, He says, that Satan will torment

those, who followed him in their life, by living a life in sin without contrition. Remember, by default, we all follow the devil. Only through sincere repentance and by surrendering our lives to Jesus completely will we be freed from our sins, which also depends on our willingness, to forgive all those, who have sinned against us.

Well, the most important difference between that, what is taught in the churches of men and the truth, taught by God Himself is, that they assert, that God will punish all those in hell, who have lived a sinful life, which is blaspheming the Lord's Name on the highest order. For that, what is called 'hell', is that condition, which we bring upon ourselves by our way of life and Jesus continually tries to save us, He is calling us to repentance, and to depart from the broad path, leading to destruction. So He doesn't say, that the hellish condition doesn't exist, but it's not God, who created it or punishes man with it, man himself creates it, by departing from the path, God had intended for all spirits to live by, which is the way of love, leading to heaven and eternal bliss.

So let's follow Him on the path of love to heaven, and we won't have to worry about hell at all. May He bless all of you, dear brothers and sisters.

### **Jesus says... My Body is very sick, SICK UNTO DEATH**

January 19, 2018

(Clare) Jesus, please open our eyes and hearts to the consequences of our opinions and how we injure with our mouths. Amen.

Well... It's been a very intense day. Tonight, Ezekiel entered into a terribly painful prophetic experience with the Lord. He saw Jesus in agony on the Cross and a Roto-rooter blade was coming up through the core of the Lord's Body and ripping the flesh from inside of Him. The Lord was vomiting flesh and blood. While this was going on, Ezekiel was in tremendous travail — just wailing. And was experiencing the very same kind of pain, in absolute agony. The Lord's mother was at the foot of the Cross wailing, 'My Son, my Son, what have they done to you? Please stop hurting my son.'

Jesus began... "Ezekiel was given that name, because his life and sufferings are a reflection of My Body and I am calling Her to account. If I were to come now, many would not be taken, because they are against Me — persecuting the members of My Body, assassinating, ripping it limb from limb, disemboweling, piercing My heart over and over again with their judgments."

"It is as the prophet said: I gave him a dream about billboards on the highway. Each billboard had a mangled part of a body. A crushed foot, a disfigured and bleeding hands, and fingers torn, legs severed from the Body. And each billboard was symbolic of what My Body has been doing to itself for a very long time."

"Clare, what he saw and experienced is what I am going through with My Body. It is sick, sick, sick with the cancer of Calumny, Jealousy, Fear stemming from ignorance, Backbiting, striking with wicked claw Division, Avarice, Stealing from the poor and Greed. My Body is very, very sick, even unto death."

"Nevertheless, I must heal it — but I want you to speak out clearly about these issues that are tearing Me apart. You have not been getting that song for no reason at all. The talk about you has

reached epic proportions and I am sick unto death over not only you, but My other faithful servants who are suffering from supposedly faithful, mature, solid Christians who are ripping My Body asunder."

"My Brides, if you are spreading negativity and judging My servants... In fact, if you are judging ANYONE—you are in sin. Your hands are stained with blood, your wedding gown is also smeared with blood. You will not, will not, WILL NOT be taken in the Rapture if you do not reform your ways! Stop gossiping, stop judging, hurting, destroying ministries you don't understand, that are bearing the copious fruit of salvation and sanctification."

"You are treacherous, My Bride, and I will not have you in Heaven with Me until you clean up your life. I cannot. Heaven is a place of love; you would be repelled immediately if you tried to enter Heaven this way. But enough. It is time for you to change."

(Clare) Then I addressed the Lord on some things that are bothering me. I said... 'Lord, I am confused. You have shown me that you don't want me talking about the sins of the Deep State, yet there has to be reform. You've asked us to pray, and You have revealed their sins in an earlier message. But you don't want me looking at the media and following the progress of this monster coming down. Really, I am perplexed by this.'

(Jesus) "Fresh water is not bitter nor salty. This is the off-scouring of the world and when you dwell on such things, you become contaminated by attitudes and opinions. When you criticize, find fault and guilt—hanging it out for the public to examine—you are promoting judgment and negativity."

"That is not to say that some people are called to do this job, like judges, law enforcement and those who determine such things. And it is a regrettable thing that must be done. The cancers of society must be removed. When I return, you will still be dealing with those who prefer sin to righteousness and honesty. Therefore, many of you will be judges and called to make determinations against the guilty."

"But I do not want this spread in My Body! It is rotten, decaying flesh, and as such must be isolated to be dealt with. I want My Bride to pray for these people who were once innocent babes and have been bent into corruption from childhood. I want them healed, repented and in Heaven with Me."

"This will not happen if everyone is listening to the wrongs they did. You will become what you meditate and feed on. I don't want you feeding on that or spreading it."

"I need a spotless Bride, one whose heart is struck to the core with sorrow for these people. One who knows the grievous sins they have been guilty of in their own lives, and refuses to judge others for their sins. You can judge the sin, but only I know the motives involved."

"Clare, I want your hearts to be pure and gentle, meek and loving, always praying for the best in even the most hopeless-looking cases."

"Satan runs the media and his entire agenda, with rare exceptions, is to promote gossip—true or false. Of course, the more lies the better, because the people feed on the lies, open doors to be sifted and let him right in. Gossip is one of his most successful tools, the Master key to unlock all doors to the soul. The Master key, it opens even the most vigilant of hearts up for his demons to enter."

"Every time you draw attention to the faults of others, I must draw attention to yours. You are called to cover the faults of others."

"Yes, there are times to talk about what goes on in your life and how you handle it, but it is a slippery slope that deteriorates quickly into bitterness. Just continue to pray for and bless those who injure you. That is the safest posture."

"My people, I do not want you feeding from the off-scouring of the world—except in the case of necessity, where you are involved in lawful action or are forced to confront a situation that is unjust. Get the information out on the table; then get to work on it. Don't itemize the list of their sins and pass along judgment and condemnation through one email after another."

"It would shock you to know that many involved in the Deep State really believe that what they are doing is a duty they owe to mankind to improve the Earth. They think the ends justify the means and they are part of the 'super race' that is going to make the world a better place for us to live. They are blind and do not see they are working for Satan to destroy the innocent. And their ends DO NOT justify their means."

(Clare) Lord, I am still wrestling with this in my heart; wrestling with how will we know what to pray for. Most people don't hear You clearly, so their only information is from other sources. Contaminated sources.

(Jesus) "Your question is legitimate. There is a time to recognize corruption and make up your mind to do something about it. For most, the action is prayer and supporting those who have to handle this highly contaminated matter. I bring it to you for prayer."

"Others may pick up on it from other sources, and then go into prayer. The problem comes when you become addicted—like watching soap operas. They are highly addictive, and so is the news. 'Knowing' is never satisfied with information; knowing can be an endless black pit in your life, where every day you just have to find out the latest discoveries, arrests, prosecution, more and more and more. A major part of your life becomes riveted on evil and it has its affect."

"You are no longer the pure and lovely Bride of Christ; you are now filthy from sifting through the dumpster. Your dress smells and looks disgusting and your head is full of disgusting facts. I would rather you knew nothing about this than to see you addicted to rotten trash."

"I know this is difficult for you to comprehend, Clare, and I truly sympathize with you wanting to know the progress. But I am asking you to Trust Me. Knowing these things may satisfy your curiosity for a short time, but they will breed Judgment, Indignation, Self-righteousness and Pride."

"It is much better for you to go sifting through your own conscience everyday with a repentant heart. This will bring forth good fruit."

(Clare) I do understand, Lord. I can see that you have a balance.

(Jesus) "That's right. And the balance can be summed up... 'Touch it lightly and move on.' Take it to prayer, plead with Me for their salvation. Pray for the victims. Support those who live by moral commitments and take them seriously who want to serve in the public sector. Support those who work in the field to heal victims. Pray for the victims. These are all salutary things."

"I will bring little bits of information, throughout your week that give you a taste of where things are at. This way, you will not be seeking them and become captivated by the way things are unfolding."

"You are all called to be saints. That means you do not think as men on earth, you think with a heavenly mind. You love unconditionally; you pray for those who hurt you. Remember... 'Thy Kingdom come, Thy will be done on Earth as it is in Heaven.' You are the ones who demonstrate the thoughts and ways of acting in Heaven, because it is your homeland and I live inside of you."

"That is My personal Heaven — in the hearts of believers."

### **Jesus says... Pray for these Souls & Circumcise your Heart**

January 22 & 29, 2018

(Clare) Lord, more than ever we need the grace of repentance and perseverance. Please, come to our aid... Amen.

We are working to get the outreach page on trafficked children up. There will be several links to other websites that are highly recommended by people in the community. (We publish the Link to the mentioned page below this Video on Youtube)

Jesus began... "My dear ones, you cannot imagine the plight these children are in. Their minds are so warped and twisted by fear, they cannot reason enough to escape their situation. They have the threat of being killed held over their heads. In some cases, even their families are being threatened if they do not comply. It is a wicked, evil system Satan has given these men to control vulnerable souls, making them victims of the most deplorable exploitation ever known to mankind."

"Your prayers are making a difference. Your support is making a difference. And I want you to know that when you gasp with horror over what is being done, My Father in Heaven hears that as a prayer. Nothing you feel, see, or pray for is minimized; all of it bears fruit on some level. Do not grow weary in well doing. Check into the work on these sites and consider praying for them, at the very least."

(Clare) Oh, Lord, help me there — I forget to pray for each individual one.

(Jesus) "My Love, you must do better. Write their names down and pray for them, Clare. I know how full your plate is now, so just do your best."

"In addition to your prayers, many things you suffer throughout your day are acting as fast offerings. At times, they are being used for your nation; at other times for these poor children. Nothing you feel or experience goes to waste; I use it all. Unite your sufferings to Mine on the Cross and allow My Spirit to choose where they go."

"Many have expressed their desire to spiritually adopt these children. Simply ask Me and I will bring them to you in the spirit. Some of you may see them; others not. That is not important. What is important is that your heart is for them, you are praying and they are getting comfort and relief. The more you pray, the greater their chance of escaping from the clutches of those who have seared their consciences for a few dollars. No prayer goes unanswered. Every prayer is matched with graces — and some way beyond what you've invested in prayer."

"Some of you are not getting relief from the binding prayer alone. This is because I am allowing this circumstance, because I need your offerings for the nation and the children. But in addition to the prayer, ask My Holy Spirit to lead you; pray in tongues and listen for instructions telling you how to pray."

"But always, praying in tongues accomplishes much that you do not see or understand."

"Some of you will get specific instructions about what to pray. Be faithful to use what was given and write it down for future reference to expand your prayers."

"But remember, My dear ones, the more obedient and committed you are to Me, the greater the impact of your prayers."

### Message from January 29, 2018

Jesus began... "My Beautiful, Beautiful Bride, your loveliness has taken My Heart captive. Truly, you are a wonder and beautiful in all your sufferings, shouldering your crosses with great resolve and some of you are even doing this with great joy."

"This is what I meant when I said, 'Deny yourself, pick up your cross, and follow Me.' The cross is never easy, and as you carry one and build that spiritual love muscle that allows you to keep going and pressing into greater and greater depths with Me — you are becoming beacons of hope for the world."

"It is the love-light of your sufferings that shine upon the poor captives and bring hope to their hearts and minds. I know it is never easy, but the fact that you continue to press in proves your great love for Me and I am smitten with you, My Bride. Nowhere do you find such selfless love as you have displayed in praying, fasting and putting up with your thorns; nowhere does love like this shine forth to open the doors of salvation and change to the most wretched of human beings."

"This love originates in the Heart of My Father. And though I have completed the sacrifice on the Cross for all souls, I still require these offerings to bring them the gift of My Love, that they will turn from their sinful lives to embrace Me. Oh, how I wait for them to be weary and seek a better life, to seek Me."

"I beg of you not to join in the world's condemnation of these souls swathed in darkness; rather, remember them as little ones coming forth into a dark world and being captured. Do not join in on condemning these who have sinned in your government; rather, hold them up tenderly in your arms and ask for the grace of repentance and salvation. Great indeed is the rejoicing in Heaven over just one soul who has repented. And I smile upon those who have My heart for them."

"Do this for Me - love them as I loved the brutal Romans who crucified Me. Love them as I have loved you and pray for their conversion."

"Springtime is coming for you, My Brides. It is indeed coming. But now I ask of you: seek Me and seek to know your most obscured sins. Clean yourselves to the very depths of your soul, for I long to impart to you the treasures I have stored up. But I cannot fill you until you are empty of pride, selfishness, evil speaking and complaining. I know you struggle greatly with these things, but it is no longer optional. To enjoy the fullness of Springtime in your lives, you must exorcise these sins and demons forever from your midst."

"For You who overcome, I will make you a pillar in the temple of My God." Revelation 3:12

"I will overshadow you with My goodness and under the shelter of My wings the nations shall find refuge."

"Am I worth the struggle? Many of you have proven that I am. But I still wait for those who are toying with sin and not taking it seriously out of their lives. I do not want to leave you behind in the move of God that is coming. I want to use you. I have marvels stored up for you, I long to garland you with the choicest graces."

"You have gone half-way or three quarter of the way for long enough. Now is the time to go ALL the way and put those things I detest out of your lives. Put those things that have wasted your time out of your lives forever and embrace all I have for you. Empty yourselves of your attachments to the world. Circumcise your hearts and I will wash them clean to receive from Me the wonders I have stored up for you. If you will work, I will work with you. You have only to resolve that these things matter no more to you and I will lift you up to the Heavens."

### **The Lord speaks about DNA & Possible Kinship with Jesus, Mary or King David**

January 25, 2018

Jesus began... "My dear ones, there are many secrets in your ancestry. Your heart, and what makes up many of your desires, has its roots there. If you have a fire in your soul and gentleness in your heart that seeks to relieve the suffering of man, the chances are good that somewhere in your past is lineage related to My mother's family — and even further back to King David."

"This predisposition to goodness is a distinguishing mark of My presence in you now, but long before you were born again, if this existed in your hearts, it is another sign that somewhere in your DNA you are related to Mine."

"The problems come in when the contaminated side of your family takes precedence over the loving side. You may not see or understand any of this by just looking over your genealogy, but it is there, buried and indelibly printed in your heart. You want to live to do good. That should tell you much about your origins."

"In every soul, there is good and bad; it is up to them to decide which they want to give life to. And there are seasons that souls go through where they 'experiment' as it were, to see if a different path will bring them fulfillment."

"But the ones who trace back to My family will be solely preoccupied with doing good for one another. There are no tests as yet to prove who you are, but there will be. Nevertheless, it is I who call and empower; it is you who responds. The basic DNA is there, but also are the more negative DNA influences. It is up to you, My dear ones, to always choose the better part. "You may have experienced genetic memory when you are drawn to the Middle East and Jerusalem and the Holy Land."

(Clare) Wow Lord! My heart ached very much tonight for Israel and the Jews who still will not hear of You. Oh, my heart breaks when I think of the many who will not even consider the prophecies that are SOLID proof of who You are. Especially when I hear of people looking for the

Messiah in David's blood line, thinking he is alive now and hiding. Oh, how treacherous that could prove to be.

(Jesus) "Do not worry, My Love. I am fully able to prove to those who have eyes to see and ears to hear, although it will cause an uproar."

(Clare) But Lord, they already know through the prophet Yitzak Kaduri, who died at 108 and spent his last years in visionary experiences with You... right?

(Jesus) "Indeed, but what one knows with his intellect and what one is willing to believe in his heart are two separate issues. This stubbornness goes deep, very deep."

"Clare, My salvation will not be hidden. It will come to the Light, My Beloved, it will."

"Dear ones, the ache in your heart for this is yet another sign to you of your predestination."

"I am sharing this with you, because I want you to live up to who you are, in Me. First and foremost, you are children of the Great King. And then you have roots that would shock you. You are not orphans. If your dreams and desires are not of this world but of the world to come — which I have called all who care to be a part of, to participate in — you are of the Family of God. I want you to understand that there are no mistakes when I call a soul. I know fully well who each and every one of you are and what you are capable of with My anointing. And it is so much more than what you are doing."

"There are so many aspects of your lives that are not worth your attention—and I am calling you to detach from those. Deny yourself, pick up your cross, and follow Me. You are very special to Me, very special. I have gone through great lengths to communicate that to you. Live up to that, My Children, My Brides, live up to that."

"You must feed that fire in worship, then direct it in ministry. Overwhelming love is waiting for expression from your heart. What you feel on the inside must be shared. Celebrate who I am to you. Celebrate the life I've given you in Me. Celebrate the beauty I created, celebrate My love and desire to heal the brokenhearted. Celebrate My death as proof of My love. Oh, there is so much to celebrate! Come forth and celebrate Who I Am to the world."

"I celebrate who you are to Me. I sing and chant over you; cry and laugh over you. I encourage you in your darkest hours and hold you up when you are failing. And I celebrate that you've given your whole life to Me."

"You are greatly feared and loved by many. My people, the world sees Me in you, they hear Me when you speak - and for many, many of you on this Channel, they are woven into your very DNA. Do not look down upon yourself. Look down on your sins and temptations, but not on your 'self.' Your self is even too beautiful for Me to express to you in words. You are so far above the things that have held you back, so far. You do not realize how far beneath you they are."

"So many of you know nothing about the watches of the night, when I take you to many places around the world to minister. I keep these things from you, because of your pride. But rest assured, I use you mightily in many, many ways."

"You are anointed to break through to people's hearts, to open what has been closed because of woundedness. To open what is sealed in concrete, the brokenness of souls who have experienced life's worst. You have an anointing to heal hearts, because I live in you."

"Yes, indeed, you are the very ones I chose, beginning with Abraham. Call to My hidden and lost children and they will hear My voice."

"All of this is miraculous. It is not 'of this world', rather it is timelessly ordained by My Father that it should be so. I will not allow you to be shut down anymore. Promise Me your all, and I will see to it that My all shines through you."

"Continue to say, 'Yes' My holy ones; continue to say, 'Yes'. Let Me pour through you all I have to give. Do not frustrate My plans for you by giving yourself to anything of lesser value."

"Do you see? What you are called to has value far beyond anything that is of this world. So, please do not waste your time on it. Do not waste My time on it. You have not recognized the greatness of your souls; therefore, you have not corresponded fearlessly. I have become desperate to prove to you your very special and unique worth to Me."

"Talk about frustration! Oh, it is far beyond what you can imagine. But now you are closer than ever in realizing who you are and what your destinies are. Yes, it extends beyond this life, yes. But now, in this life, there is so much for you to do for Me. So much. I am helping you to discover your specialness, so you will pour yourself out on others fearlessly, with great love."

"Oh, how I wish to tell you so much more. Why you relate so strongly to certain characters in Scripture. What is in your DNA that is in theirs and why you relate to them. When you read in the Scriptures, something deep inside stirs in you. There is a reason for that. Nothing is coincidence. Nothing. Everything is inter-connected and has a purpose."

"What is written in Scripture is also a calling card to My people to rally around Me in these last days. When their hearts are lit afire by a passage of Scripture, they can be sure there is a DNA memory there. The tests they have for DNA and the knowledge is still very primitive. There is SO much more present in a soul in their DNA than they can imagine. And by My grace, that can be released at any time and manifest in this life."

"Yes, My people, many of you who are drawn to this Channel are brought here by ancient memories in your DNA that correspond to what I share with her. Your fascination with Israel and the Holy Lands, all of that has substance in your DNA memories."

"Do you know that it is possible to create a movie from DNA? That's right. All the sights, sounds, smells and sensory records are there in the DNA and someday you will see movies of your ancestor's past. You will understand so much more of your life on Earth when you do."

"I wish for you to be less and less dependent on exterior things, but I understand that so much is written in your DNA that you are attracted to. When I stimulate or release a certain DNA memory in you, so much more comes to the surface, as has happened to you, Clare, when you did the Exodus recordings."

"It is possible for Me to show you a movie sourced only on the contents of your DNA, everything necessary to put the scene together is right there inside of you. My People, look up to who you are. Recognize your affinity for holy things. Recognize your desire to heal and love people."

Recognize that I live in you when you invited Me into your heart with ALL of those desires. But your very DNA may well be connected to Mine in a physical way. And let this be an inspiration for you, to rise up and live your holiest in this life. Make it count for Me."

### **Prayer Alert... President Trump is in grave Danger**

January 30, 2018

Heartdwellers, there's a plot out to kill the President by nuking Washington. North Korea is controlled by the Deep State and our Navy has a traitor high up that may not protect the President from the side that faces the sea.

President Trump is about to release a document of all the acts of Treason committed against the country by the Deep State. They're going to try and stop him.

Please, fast and pray today and stand in the gap, that **ABSOLUTELY NOTHING** will harm our president and his administration.

PLEASE fast and pray with all your hearts to protect him. He has five days to release the document. He is in grave danger.

Lord, have Mercy. Please, Lord, protect the righteous. And pray for those who will be convicted of these crimes, that they may repent and give their lives to Jesus before it's too late. He does not want any of them to perish, no matter how evil they've been. He still loves them.

Whatever you can offer the Lord as a fast offering, please offer it.

God bless you, Heartdwellers. The danger may not be over until after he's released the document. So please stay in Prayer...

### **Jesus says... Do not presume to know everything & Your Sufferings are not in vain**

February 4 & 7, 2018

Lord, You are faithful beyond all reckoning. Thank You for carrying us over the thresholds of suffering and being a continual comfort to us. Well, my dearest Heartdwellers, thank you so much for your prayers; they were greatly needed and I'm feeling much better.

Ezekiel went through a very rough spell with pain, and well, what can I say? How do you feel when the one you love is suffering terribly? That brought me to tears many, many nights. And finally, there was nothing left of me. Between running the little errands that are so necessary when someone is in bed, trying to make them comfortable. And praying with tears and not seeing solid results for a very long while—it was just too much for me.

And I woke up the morning after his worst suffering and there was nothing left of me. And the prospect of seeing him suffer again caused me to break out in tears and I cried myself back to sleep. I was completely depleted.

As for how to explain what is going on, just as we fast and make other sacrifices to accompany our petitions, he offered himself as a living sacrifice for the reform of the nation and the release of the little children being tortured and abused in the sex trafficking trade.

I will share with you that there were wonderful consolations for Ezekiel in between the sufferings. Many trips to Heaven, many periods of extreme bliss (and no, it wasn't medication, 'cause he didn't HAVE any). When he was in our small pool, the Lord was with him, holding him up and kissing his forehead many times with great tenderness.

There was also relief from the pain and moments of extreme joy in communion with the Lord. This follows the patterns of many suffering servants. Our dear Jesus suffers with us, but still finds ways to shower delightful consolations on us in times of respite.

The Lord treated him so tenderly after these bouts of extreme suffering and showed him some of the fruits of his labor. For truly, bearing up under this kind of pain IS a labor!

And He told him... "This is the most productive time of your whole life. You have done more here to advance the Kingdom of God and rescue souls, than in all your years of your ministry combined." Wow! In addition to the consolation of Jesus telling Ezekiel 'well done', I believe we have turned a corner and are moving towards a complete healing.

Whatever God's timing, dear ones, we receive it with resolve that as long as God's grace accompanies us, we will persevere. I have not, in the slightest, wavered from the Lord's promise of Ezekiel being healed of these issues. Truly, when Jesus announced to me what we would be going through, He made a promise... "You will not be afraid for his life, for I have promised you I will heal him and you will also have peace in all circumstances, as a sign to you that My promise is true, and I am with you."

And I have indeed, had supernatural peace that cannot be ruffled by circumstances, as far as the threat of death goes. I know our Satanist friends would love to see him dead. There have been many death assignments and demons of death dropping in for a visit. But they all left empty-handed, because they are not in charge here... Jesus is. Some of you my, dear Heartdwellers, have questions and doubts about this doctrine of sharing in the sufferings of the Cross for the sake of the Kingdom. But truly, it is only a matter of perspective.

When you examine the Scriptures thoroughly and very carefully, you will see that this IS in the Bible. If you are more attached to the opinions of those in your current ministries that do not allow for suffering, I would ask you to set yours and their opinions to the side, and seek the counsel of Holy Spirit, Who will confirm to you the principals behind the cross Jesus told us to carry.

I believe it is the height of presumption to say that a prayer and faith is all it takes to heal every soul, no matter what. That Jesus heals everyone in our timing — no matter what. And if you didn't get healed, you have hidden sin or are lacking in faith. Only God knows why He did not manifest a healing on the one we prayed for.

Jesus began... "The hour is late and you have done well to explain many things to My children."

"Do not presume to know everything, My dear ones, because others who teach you convince you that they know everything. Rather, test the spirits and be open to His leading, even when it puts you in opposition to others who hold fast to their doctrines. Do not allow yourself to compromise

truth for the sake of support or friendship; rather, be ready to lose friends rather than compromise on the truth that My Spirit convicts you with."

"As much as I would love to see peace among brethren, I told you that I did not come to bring peace but a sword and division."

In Matthew 10:34 it says... "No, I have not come to bring peace but a sword! For I have come to set a man against his own father, a daughter against her own mother, and a daughter-in-law ..."

"And what is the sword I am referring to here? It is the Word of God, dividing bone from marrow and exposing the hidden things. Those who value their social status above My Truth will be left in the dust as My faithful Bride cleaves to Me and not to any man."

"Be strong, courageous and cleave to Me beyond all persons or things. I will never lead you astray. Discern, My dearly loved ones, discern through the power of My Holy Spirit; discern Truth and cleave to that."

"Please don't grow weary, but finish your appointed course. For God is faithful to reward those who keep their hands on the plow and keep moving forward."

(Clare) I KNOW it's hard — believe me, I know it is so hard. We all have thoughts tempting us to give up, but the Lord does come to our rescue to strengthen us. So, let's hold hands with one another in prayer and continue to carry the cross He has given each of us. I love you dearly, Family. Thank you so much for your prayers.

### **Message from February 7, 2018 - Jesus says... Your Sufferings are not in vain**

Jesus began... "My children, the evil in this world is beyond your ability to imagine. It is so subtle and unrecognizable from the surface, and I have many such warriors who take on the sufferings of these little ones to release them from their agonizing prison of hopelessness. So many of them are homebound and unable to lead normal lives, (He's talking about the intercessors here) but they find their total fulfillment in living for others and interceding."

"These will be queens and kings in Heaven and be given many responsibilities to shoulder for their brothers and sisters, whether in Heaven or on Earth. My Body is one and we are all interconnected. When one rejoices, all rejoice. When one suffers, we all suffer. In this way, suffering is not overpowering but spread broadly across the Body."

"That is why these weeks have been so difficult for you. Many are suffering for the world and the American nation, and exactly how it will impact the world when the cleansing is finally completed."

"You are going through a great process of purification here in America, yet the world shares in your suffering. This has been given a name... 'The Union of Saints' or 'the Great Cloud of Witnesses.'"

"Many false doctrines and lies have been proposed and accepted by gullible souls, without questioning their veracity. And all of these teachings that are most effective in combating evil have been given the worst name by distorting certain facts to make them look like heresy."

"As a result, many highly opinionated Christians are totally ignorant about the teachings that came from the early church in Antioch and Jerusalem in the first century. Satan has deliberately targeted these to deprive you of the support and prayers of the whole Body under My headship."

"In Heaven, this will no longer be a mystery to you. But those among you now who are discerning and continually dying to yourself for the sake of Truth—if you search the teachings of the Church Fathers, you will discover a treasure trove of truth that will sustain you in many battles and pave the way for deeper holiness. And you will also find much opposition with the 'status quo' church."

"In any case, My children, I have come to tell you once again... your sufferings are not in vain. Many of you have made great sacrifices in prayer and participated in the deliverance of many souls headed for Hell, without your awareness of being involved."

"This is what I love about this Channel. You are not looking for the increase the world has to offer, but rather to the increase in your likeness of Me, the crucified one. Those who have died with Me will also rise, as I did, in glory for an eternity beyond your capability of imagining."

### **Jesus says... Choose to do only the essential Things & Expect Miracles from Me**

February 9, 2018

Jesus began... "My dearest Clare, I know how very difficult these changes and challenges are for you, but I wish for you to bear with Me and lean on My wisdom in all things. Cleave to Me, Clare, cleave with all your might. I am here; I am, I am—though at times you do not see Me, I accompany you everywhere and I wish you would be more aware of My loving and guarding presence."

"Do not worry about the medication, I will not make it difficult for you. Just take care of the flock, sing, record—more, more, more. I'm waiting for you to move forward, Beloved; streamline and move forward. You are on the verge of stepping through the opposition, and the things that have held you back. So, step through, carry through, one foot in front of the other."

"So many good things are happening in your country, but there is still a long way to go. Stand beside this man every day and lift him up to Me. His task is enormous, but so am I—and he will not fail. Much change is going to take place now in your government, but it is still awkward and will indeed need prolonged prayer backup."

"You are not the only one experiencing problems latching onto your goals. The opposition has been tremendous, Clare, for almost everyone. But now I am releasing graces to move you ahead, if you will but FOCUS and PERSEVERE. These are My mandates to you right now. The mist is beginning to clear, but some are still stuck in the mud and the mire of opposition, and they will need help to get up and get going."

"My children, you have indeed run into many distractions and oppositions. Some of you have given up and are just sitting there in the mud with your mental wheels spinning."

"OK, I understand what you've been through. But now it is time to get up and get back to the directions I placed in your hearts. Climb out, My beloved ones, climb out! This time you will meet with success. But I need you to cleave to Me with all your heart and strength for the motivation and startup you need."

"This season of muddy roads is now coming to a close and I wish for you to get back up on the highways, moving steadily towards your missions and goals. Don't be cowed by former opposition; plow through it and keep on going. I have assigned angels to make it easier for you, and the enemy will not get the upper hand if you persevere. These road blocks will yield to My strength and

power working through you, but you must keep meeting Me in the secret place to have the motivation and strength you need to succeed."

"Your missions and the things I've put on your hearts to do did not happen randomly. I knew well before you were conceived what you were called to. Many of you have had to work through your flesh to find that place."

"Some of you have had glimpses, some have had tastes and some have even been moving along until tremendous opposition and seemingly unending interruptions have pulled you away."

"I am asking you now to return to what you are supposed to be doing and let nothing deter you or stand in your way. Some of the things that have come against you are going to yield to your best efforts this time."

"You will have to draw a line and plant a firm "NO," or you will continue to be ruled by them. It is up to you, dear ones, you have many things you could be doing with your lives. Choose the highest, the best, the one you are called to and drop the others. Even if you suffer lack or want in dropping them, make up your mind that what you have lost is not worth the time nor trouble to chase after. Do more with less and you will move faster and smoother towards your goals."

"Choose to do only the essential things. Choose to hurt feelings, if necessary, to be able to move forward with My will. Choose what you know is right and learn to let go and live without the other things that have presented themselves as so pressing that you can't possibly live without them."

(Clare) Yeah, and that's just a huge smokescreen. Relatives. Friends. Jobs. Those things can stand in the way of our destiny if we allow them to. It's up to us to take the bull by the horns sometimes, and say... 'I'm putting my foot down. I'm not going to continue to live my life for this lesser goal. I'm going to move into my highest calling with the Lord's help.' And it's going to hurt some people around us. But it's not going to hurt the Lord. It's going to make Him happy with us. And in the end, we answer to Him. And we want to hear, when we come to the Lord... 'Well done, My good and faithful servant!' We want to hear that! We don't want to hear... 'Why didn't you do that when I called you to do it? Why did you let people and things hold you back? In a lifestyle you knew was inferior to what I was calling you to? Look at what you've lost!' We don't want to hear that... I know I sure don't want to hear it.

(Jesus) "You will find such joy and freedom in making these decisions, that you will never regret them. But you will not be strong enough to do this unless you spend substantial time cleaving to Me in prayer and worship. Keep your eyes constantly on Me and the Goals we have set together. In this way, the enemy will not be able to distract you off your purpose, because we will be working together."

"I love you, dear ones. How tenderly I love you and have so many wonderful things in store for those who do not give up, and are willing to step into their destinies! Those who persevere to the end, and learn especially, to take in stride losses and contradictions and not crumple up into a ball of self-pity. Those will have great joy. Right, Clare?"

(Clare) Yeah... I got into a case of self-pity for a couple of days there. I renounced it and I asked Him to take it away, and Poof! It was gone... 'Yes, Lord. Guilty as charged.'

(Jesus) "Expect miracles from Me, dear one. We are moving out of the past into our future together. Expect miracles and FAST forward motion."

## Prayer Alert to avert a Nuclear War

February 12, 2018

Precious Jesus, thank you so much for having things under control. Please help us to console You in these difficult times, when nuclear war is looming on the surface with North Korea. Please help us to console you and pray for all concerned, that this crisis might pass without souls being hurt... Amen.

Thank you, Lord - that YOU are in charge of our days, and You are so loving and merciful. Thank you for averting all of the things that are going on right now - the potentials with the Olympics and so on. And please, help us all to pray and intercede for the situation.

Well, dear Heartdwellers. We have been having several visions, and we are in grave danger of nuclear war right now. Apparently, North Korea has shot off at least three nuclear warheads that have been taken down, and radiation has been released into the air as a result of it. One over England and another one on the way to Hawaii was taken down. So, there is radiation/fallout that will be happening from this, at least as far as my understanding goes.

I think Kim is using the Olympics as a cover to try and attack the United States without retaliation. So, it's pretty serious right now. We need to be praying the Divine Mercy Prayer, day and night if possible. It really IS serious. But I'm holding on to the Lord's promises to us, that He's going to handle this.

So, please pray for President Trump for tremendous wisdom, and his generals for tremendous wisdom in knowing exactly what to do. And what NOT to do. This is a time of absolute, critical importance with prayer. Because they are using the Olympics like the Taliban and others use innocent families for cover, to be able to do their dirty work.

Let's keep praying and see this thing through to the right conclusion... Amen.

## Jesus speaks about the looming Tragedies

February 13, 2018

Clare began... Dear Lord and Father God, please don't let them do what they want to do to destroy the world.

Please Jesus — please intervene supernaturally. Let the wickedness of the rulers backfire on their own turf, that nothing drastic must be done to stop them. Let the ruthless fall into their own traps and set our country free of this satanic grip. Oh, Father God, protect our nation as long as Trump is in office, or those who love righteousness are working to undo the evil agendas that have been set in place over the last 40 years.

Perry Stone, for instance, has had many dreams about a city with a beautiful bridge being blown up. The bridge being blown up at the base and then a huge tsunami coming in. We, too, have shared dreams with you about San Francisco and NYC. And I have to say that Deep State has the technology to do these things.

The evil rulers of this age have this technology to set off tsunamis and fault lines to destroy these two cities — New York and San Francisco. But apparently, they want to blow the bridge up from the base, and make it look like a tsunami took it out. But that's not what it's about. It's about terrorism, the same way as with the twin towers on 9/11.

Lord, please forgive me if I am wrong. But please, dear God, can't our prayers do something to prevent these things from coming true?

Jesus began... "My dear Bride, I know your plate has been full of sorrows, and progress in many areas, as well. And I know you grieve for what could soon happen. We grieve as well."

"My Father grieves with Me and My Holy Spirit — but some things cannot be totally averted. Nevertheless, your prayers are powerful and We do hear them. And We do consider them. And We do make changes to accommodate your prayers."

"Yes, Our hearts are breaking with looming tragedies that will take innocent lives; We cry over the very thought of these. Please. Please do press in and pray!"

"What can be done? Yes, you can pray with all your hearts that these things can be lessened, averted or postponed — and again I tell you, your prayers are heard in Heaven. Satan has many plans for the Earth, many of them have already come to fruition. But I tell you again: your prayers are powerful and My Father is STILL in complete control of what will happen here."

"Your prayers are powerful! Think of the loss of innocent lives and pray, pray, pray for Mercy. Pray that wickedness in high places will be thwarted. Pray that your nation will wake up and see what this President has done that is so good."

"Pray that the uninformed ones will see evil puts on a pretty face, a pretty face, a handsome face. Evil says many things people like to hear. Evil deceives—and the American people have been duped because they were not paying attention."

"Pray that they wake up, My People, and do your part to expose evil. There is still hope. You are not past the point of no return; there is hope. But it is the power of your prayers, your votes, and your ability to inform the ignorant that will accomplish the greatest good for America and the world."

"Do your parts and We will do Ours."

### **Jesus says... Be brave, resolute, true to Truth & follow Me**

February 15, 2018

Jesus began... "My dear ones, these are still perilous times that require great perseverance from you, even as I have spoken in My Word so very many times; exhortations that you should continually live your lives by."

"Everyone who competes in the games trains with strict discipline. They do it for a crown that is perishable, but we do it for a crown that is imperishable. Therefore, I do not run aimlessly; I do not fight like I am beating the air."

"Blessed is the man who endures trial, for when he has been proved, he will receive the crown of life that God has promised to those who love Him." James 1:12

"Because we do not wrestle against flesh and blood, but against principalities, against authorities, against the world rulers of the darkness of this age, and against spiritual wickedness in the heavens. Because of this, take up the full armor of God, so that you have the power to withstand in the wicked day, and having done all to stand. Stand then, having girded your waist with truth, and having put on the breastplate of righteousness, and having fitted your feet with the preparation of the Good News of peace..." Ephesians 6:12-15

(Clare) And, I want to add here, do not allow the intensity of the trials cause you to lay blame against your spouses or close circle of family. Rather, be humble and work with them. Do not take offense, for Satan will divide you, because your pride raises up and takes offense at unjust words or accusations spoken to you. No! Don't do that. That's his tactic of Division to isolate you and make you weak. Recognize your closest ones are not the enemy; rather, Satan has targeted you to divide and destroy your family. Don't take the bait. Lay down with it, speak gently, avoid conflict, be loving and patient. In this way, you'll set the example and diffuse the situations that happen with all these pressures.

"Finally, be strong in the Lord in the mightiness of His strength." Ephesians 6:10

(Jesus) "Clare, I say these things especially to you, because I know you and Ezekiel are truly on the front lines, continuing to walk—even when riddled with arrows."

"This is the bravery I require of you, My People. There is a ferocious fight taking place in the heavenliness for the dominion of Earth, and those who do not know Me are falling like flies to the lies and traps of Satan. And are working against me when they should recognize Truth and work WITH Me."

"However, those of you who do are persevering under extraordinary trial—how proud I am of you!!! How glorious your reward in Heaven."

"In the midst of these flashes of lightening are coming rainbows and awakening buds, but the fight is still very ferocious. Rise up, My Warrior Brides, and bring to nothing the plans of the evil ones through the cry of your heart. Rise up and declare that I am Lord: Lord of the storm, Lord of your lives, Lord of all Creation—and you are each and every one a precious child from the heart of the Father. Relying on Him for everything. And you will win this battle."

"But you must man-up and declare that nothing shall separate you from My Love and My Grace, given freely to you to win this battle, because with My Love comes every other provision you need to succeed."

"Many of you are still fighting against opposition, and yet the spark I have ignited in your hearts for your purpose in life, your mission, still is setting the fire within you to keep going and succeed. Even when the devils do their very best to dump on you, cold and acid- laden waters on your dreams, the spark once again ignites your calling in Me and burns away the acid of Unbelief."

"It shall not be this way forever, dear ones. The tide will turn. But in the meantime, you are learning the skills of warfare that you will give to those who must survive the great Tribulation. You are now receiving the words, visions, art, films and music that will live after you and sustain

those who finally give their all to Me. Your examples will live on long after I take you from this veil of sorrows, and your fruit shall multiply exponentially while you are with Me in Heaven."

"How glorious will be the lights that surround and emanate from you in those times! How perfectly equipped you will be to disciple My children, who shall repopulate the whole Earth during the Millennium."

"Oh, keep your eyes on the prize, My dearly beloved ones; keep your eyes on the prize!! Keep your eyes also on Me, knowing that I am beside you and even at times holding you up off the ground as you walk through the phantom monsters of the enemy... unscathed."

"Yes, you are fellow citizens with the saints, NOT ISOLATED, but fitly framed together, growing into ONE holy temple in Me. In Me, you are built together and are My habitation through the Spirit."

"Do you understand, Children Still Under Instruction—you are ONE with Me, with My Body, and you cannot exclude the Great Cloud of Witnesses. I have taught you, when you see or hear tragedy, your great sigh of compassion is heard by My Father in Heaven as a prayer."

"Do you understand, My people, the Cloud laughs with those who laugh and cries with those who cry? Even as it is written in the Scripture... Rejoice with those who rejoice; weep with those who weep. Romans 12:15

"How can this be?? Through My Spirit and My habitation in your body, you are forever joined into ONE body with ONE head. Therefore, what one feels, all feel; when one suffers, all suffer; when one rejoices, all rejoice. And as the Great Cloud looks upon the doings of Earth, each saint responds with a cry from their heart, 'Jesus, help them.'"

"Who has taught you this error, that you cannot pray for one another once you have been translated into Heaven? Have I not said pray WITHOUT ceasing for one another?"

Thessalonians 5:17 and Ephesians 6:18 "Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints."

"Do you see, My Children: 'Praying always with all prayer and supplication in the Spirit'. How can the Spirit of God be separated from a believer? Not on Earth or in Heaven, this shall NEVER be. It is not possible or you would cease to exist. My Spirit permeates and supports all life. Without it, there is only a void."

In Colossians 1:16-18 it says...

Because in Him were created all that are in the heavens and that are on the earth, visible and invisible. He is before all things, and in Him all things hold together. And He is the head of the Body, the assembly.

"Does that stop when you join the Cloud? Of course not! Who among you can look upon the plight of even these trafficked children and not exclaim from their hearts, 'Oh Father, please stop this atrocity!' Does not this cry echo forth in the halls of Heaven and come before the Father?? Of course, it does! My Father is all compassion and hears the heart cry of all souls in Heaven and on Earth."

"Cease with this error of separation of the Body; there is but ONE head and ONE body."

In Romans 8:26 & 27 it says...

In the same way, the Spirit helps us in our weaknesses. For we do not know what we should pray for, but the Spirit Himself pleads our case for us with unutterable groanings.

"Yes, even the groans of the Cloud."

"And My Holy Spirit lives in all of Heaven and those on Earth, who have accepted Me as their Savior."

"I have given this witness to one of your present-day ministers, (and here, He's talking about Jesse du Plantis) who was physically taken up into Heaven and spoke with the saints and angels. In the moments preceding his return to Earth, King David spoke to this man and said, 'I am praying for you, Jesse.'"

"Does that mean David was taking My place and a request for prayer to David was tantamount to replacing Me with a human? Of course not! Who would David pray to??? To ME, who is constantly making intercession before the Father. He was interceding for this man upon his return to Earth, in the very same way your prayer warriors intercede for you, Clare."

"I will tell you this much, Those who do not seek truth with their whole hearts, those who refuse to renounce a Religious spirit will not accept this - even though My Word clearly supports it. Just as it supports the Trinity."

"I have revealed this to those who hear My voice above the clamor of men with their theories."  
"Many such things as this are now opened in the Scriptures; secrets that have been hidden are now being opened for the understanding of those who are taking part in the final battles. Just as the Heavens have been opened, so have these mysteries been opened to all who respond to Truth and cannot tolerate a Religious spirit—which openly contradicts Truth."

"The implications of this are huge to those caught in the web of denominationalism and institutional precepts. It means that the week your grandmother was buried, and you felt her presence, she truly was permitted to be present to you. It means that the dream you had of your dearest departed, that warned of some danger, was legitimate. It means that the Cloud is always with you, even as My Spirit is always with you, because you all dwell together in My Spirit."

"Where one is present, all are present — as I deem necessary."

"And so, the devil is well aware that you can be strengthened and even prayed for by the Cloud. He has feared this intercession and your connection with it. And has done all in his power to pervert it into some form of idol worship, or even the perversions of the churches that used this doctrine to acquire wealth."

"And indeed, I did raise up a man to protest this atrocity, but Satan used this as an opportunity to pervert the legitimate Truth that all are One in My Body on Earth and in Heaven."

"And even such as witches calling up the dead — which I have forbidden in My Word. Even that has been used to obscure this truth. There is but One Body and One Head and through My Spirit, all are connected."

"There is so much more I have to tell you, My Children, but you are still very easily swayed by men. And as your maturity in Me goes deeper and wider, I will reveal these things to you and you will

see them for what they are in My Word, and your mind will expand to receive all the good I have left behind for you."

(Clare) And then I broke in at this point, and I said... Wow, Lord, when I converted from the New Age, I totally rejected any dealings with the spirit realm, thinking it was all evil! Still, how do we know for sure that one from the Great Cloud has visited us and not just a masquerading demon?? I mean... this truly is treacherous ground.

(Jesus) "Clare, when your mother crossed over into Heaven, and in prayer you saw her with Me, and she said to you, 'It is true! What you told me is true.'"

(Clare) Now, she said that because she didn't believe me when I told her about Heaven and that she would be translated into a beautiful place.

(Jesus) "Do you think that was a familiar spirit?"

(Clare) No.

(Jesus) "And why not?"

(Clare) Well for one, I recognized You with her. For another, it made sense that you would permit her to be seen saying that—because she really hurt me by thinking I was just telling her that, so she could let go and die. I wanted her to know, without a doubt, that she was not going into a void—but into Your arms.

(Jesus) "So, would you say you discerned it?"

(Clare) Yeah. I think I did.

(Jesus) "And do not My sheep hear My voice? And am I not the Spirit of Truth?"

(Clare) Yes, Lord.

(Jesus) "Well, then, it truly is a matter for discernment — and that is why I have gone through great pains on this Channel to teach you discernment. How did you feel after she told you that?"

(Clare) I felt happy, peaceful, relieved and vindicated.

(Jesus) "Exactly. And what have I taught you about the fruit of your visions and dreams?"

(Clare) You've taught me to examine the fruit of the experience, to see what it produces... good or bad.

(Jesus) "Yes, that is correct. And that is what I am telling you, My People. You rely too much on men who are full of error. You must learn discernment or you are doomed to follow those who teach error."

"You cannot be a lazy sheep. You must be a vigilant sheep and learn to follow the Shepherd only, and not a wolf disguised in shepherd's clothing. But many are lazy and tied to 'social clubs.' By that, I mean, you are part of a social group that abides by certain beliefs. And anyone who thinks outside the box of those beliefs... well, they are rejected."

"This is why I tell you that anyone who loves father, sister, brother, mother, more than they love Me (The TRUTH) cannot be My disciple."

"My precious, precious ones. Many of you are walking around crippled by the beliefs and dogmas of a group of men. You do not have all I have left for you. You are boxed in and lacking the tools to fight the good fight. You are afraid of rejection by a group of men and women, so you keep things they don't agree with hidden from them."

"Do you know you are blocking the light of your candle? Have you not, in a sense, hidden your candle under a bushel basket? Are you not hampered in freedom from praying as you should, because of ridicule?"

"How many of you fear speaking in tongues, a tremendous weapon against Satan's minions? You fear it, because a spouse, dear friend, or church you go to looks down upon it. So, you continue to agree and walk in error, not using ALL the gifts you know by the spirit I have given you."

"Listen closely, My chosen ones. I have called you to the Truth. Do not dwell in the cage of lies Satan has fabricated through the errors of men. You must discern and weigh all things in the balance, and not adhere to a social club that has cut the wings I gave you to fly."

"For now is the time of greater and greater Truth being revealed to equip you for these last-days ministries. You have already embraced daily communion, and that is a very great step forward."

"Now I am asking you to be aware that you are part of My Body, both here on Earth and in Heaven. There's no separation. I am asking you to be open to travels in Heaven if I draw you in that direction. Don't just read about others and their experiences, but be open to Me taking you to Heaven, where you will meet the rest of your family who loves you, and you will see the wonders I have stored up for you there."

"Be brave. Be resolute. Be True to Truth. And follow Me."

### **Jesus says... Wonderful Doors will open for you**

February 21, 2018

Jesus began... "My precious ones, you are not alone in your sufferings. None of you are alone. I am right there by your side suffering with you, over and over and over again. You do not walk alone."  
"And My Bride has met Me in the garden so many times, enjoying the beauty of our love. But there are also times of crucifixion, times when we will suffer together, even as we were intoxicated with the sweetness of our love for one another."

"In so many places, I have taught you the mysteries of suffering in union with Me. To experience true suffering is to enter into the deep reservoirs of My Heart of Love for humanity."

"Without these experiences, you cannot measure the depth of My Love, nor live and walk in My forgiveness, loving your brothers and sisters as I do. You must understand suffering through experience or you remain but a spiritual infant."

"These are the weightier things of this walk with Me. These are the things most avoid and explain away—giving for an excuse, that 'I bore your infirmities.' Indeed, I did!"

"But as My Bride you now also bear the infirmities of your brothers and sisters. Not for opening the gates of Heaven, but for the process of justification by faith and grace—which must be released to bring all souls to Heaven. It is your work of co-redemption to aid in bringing the good news to each generation."

"This is why I am stressing to you, Clare, the need for selflessness in suffering. The need for you to carry your cross without resentment or complaint. It is so unbecoming of you, My Beloved. You know the weightiness of the matters at hand. You know how perilous the times. You know I am just and fair and I do nothing for shallow reasons."

"So, if I am allowing these burdens for you, there must be a very good reason."

"Oh, don't you trust Me??! Please trust Me, that this time of suffering and trial is so very necessary to move forward with My plans. Please know that I have chosen all of you Heartdwellers for a very special work to bring mankind into My Heart, and raise these children up to the full stature I envisioned for them before Time even began."

"Never will I allow you to suffer beyond the grace I have given to sustain you. Trust Me in this. You can still carry on with this cross, and wonderful doors will open for you all."

"Doors of unbelievable blessing and change are coming for My Heartdwellers, but first the arduous climb up the Mountain of Love."

"Trust Me in this and know that every little thing, from a sliver to a major surgery—everything counts for establishing My Kingdom come and My will be done."

"I bless you now, beloved ones. I bless and empower you. I stand ready beside you. I measure out each burden to the capacity of grace I have given you, and I hope for your cheerful and gracious response in carrying these crosses without complaint. But rather, with the joy of knowing that I am using you in this great work and nothing you suffer will fall to the ground unused. All of it shall bear sweet nourishing fruit with seeds, also, for the next generation."

"Be at peace, My beloved ones. The things you suffer are not in vain. They are extremely important for the Kingdom. Call on Me in those moments when it seems like too much to bear, and I will shore you up with My loving presence and My resurrection power."

### **Jesus says... Not everything is as it seems - Seek always My Wisdom**

February 28, 2018

Jesus began... "I would not have you to be ignorant of the spiritual dynamics you are dealing with. There truly is great warfare going on all around you. The angels are quite busy taking care of everything that pertains to you, Clare."

"I will establish you in honor over this Flock. I have chosen you to lead and will not abandon you. Clare, the wisdom I endow you with will reach out to others and bless them. Do not worry, My Beloved. Are we not one?"

"Now, I will tell you that you must fight to keep this healing. The devils are very clever and will do everything in their power, pitiful as it is, to cause your faith to flounder. Do not allow this. Take a

firm stand from the beginning in dealing with them; don't give them any room to cause compromise. Be steadfast and firm. Do not give way to any suggestion that says he is not healed. I have indeed heard your cry, My Beloved. I have indeed healed him. Rest in this. But you will have to fight for it."

"You are under attack in many different ways, Clare. It is as you said: a delicate balance in showing hospitality and still being faithful to those who are awaiting a word from Me. Yet may I say to you all, Heartdwellers—I have called and equipped you through this Channel to be getting your own words every day. And when Clare is absent to you, I am present to you—and will not fail to answer those who are willing to wait on Me as she does."

"All of you have the same access to Me that Clare has. This is the very heart of her mission to you—that none should go without hearing and understanding Me clearly. Yes, there are many pitfalls to understanding My will, but I have addressed all of them in her previous messages and teachings."

"That is My way of saying, 'Beloved ones, you have been equipped to hear Me... if you will just put forth the effort.'"

"But what I am wanting to stress to all of you right now, is that there is a particularly intense battle going on to steal from you your very special destinies and missions. The enemy has launched an all-out effort to deprive you of your callings."

"The distractions and tactics will come in many different forms, and forewarned is fore-armed. Not all that seems bad is bad; not all that seems good is good. Each thing must be discerned on an individual basis. This is at the heart of following Me faithfully and living in My Divine Will. Constant attentiveness and discernment are necessary to navigate these shark-infested waters."

"For those of you who play chess, you know that all is not as it appears to be. There are constant hidden factors in each event, and only your paying close attention to Me will forewarn you of the hidden implications and traps."

"I have attended to each of you with great care, teaching you sensitivity when danger is in the air. I have taught you also how to interpret the times and movements of My heart—to look at the small details, but keep in mind the greater picture, because your enemy knows well how to play on your vulnerabilities."

"But this is also a new season, a time of new tactics unseen in your lives before."

"As you become more and more attuned to the movements of the enemy, the Adversary is training them in different ways to defeat you. Therefore, you must be on guard constantly, thoroughly discerning each event on its own merits or demerits."

"Clare, when you see cracks around the edges, those things that don't settle right in your spirit, pay attention and make note. The devils cannot cover thoroughly their tracks. They are bound to slip up, and when I draw your attention to something, there is a reason for it. Make note. Do not discredit your observation or write it off out of charity. Take note and wait on Me for further revelation."

"Now, you know what I am referring to, do you not?"

(Clare) Yes, Lord, I think I do.

(Jesus) "Well then, take note and pay attention. Do not judge any person; judge behavior and it will give you great insight without doing violence to a soul. I have taught you all... do not judge a person's motives, but do look for fruit, as well as results — and in what direction they are weighted. Does this action lead to selflessness and ministry? Or does it lead to selfishness and disorder? You, My children, can tell so much by observing the choices others make. Do they choose for My good, or for their own good? Are they focused, or are they wandering? Not all of this is what it seems to be on the surface."

"And to those who ridicule this approach — I would say to you: be on the alert, lest you fall through presumption and thinking that you know, when in fact—you do not know. There is so much to learn about people and events—and prudence and brotherly love are at the top of the accurate discernment list."

"Seek Me in all things and do not rely on your own understanding."

"I love you, My Brides. I am bringing you to maturity. Walk humbly and cautiously through the days ahead. Cleave to Me and seek My wisdom always."

### **Jesus says... The World is changing because of you... Rejoice!**

March 7, 2018

Jesus began... "My precious, precious Children, I would not have you fall into despair when events become difficult for you. I would not have you believe that I am angry with you and punishing you; this is far from the truth. You have been standing between the wrath of My Father for the sins of this nation and the world. Even as it is written, 'Who shall I send?' You have stood up and said, 'Send me'. 'And I looked for one to stand in the gap and found none.'"

"Now I can truly say I have found you and you have been faithful against the wrath of the devil to persevere and carry a cross for the world in the midst of many torments."

"How thankful I am to you. I will never be able to express to you the magnificent affect you have had upon the world by your simple obedience. Truly, I have hidden from you, all the good you have done, lest you become prideful. But the day is soon coming, My Bride, when you will behold the fruits of your sufferings and prayers."

"How proud I am of you all for standing your ground. My heart cannot express the joy I feel for your faithfulness. It is impossible to say, 'Thank you,' and let it go at that."

"The world is becoming a different place because of you. There are children being released and rescued from torments, because of what you faithfully bore in adversity. There are governments turning over a new leaf and purging corruption—because of your prayers."

"How many and how varied you are across the face of the globe, and when the tally is made, how amazing are the results from this little group of Heartdwellers. Suffice it to say, you have not labored in vain. Rather, you have brought forth fruit lasting unto the ages of ages that will continue to expand and bring forth more fruit."

"How frustrated the enemy is with you for your simple obedience! At times, it has driven him to despair, because such well-laid plans have crumbled to dust. Yes, this is a good thing, a very good thing; a miracle wrought at the hands of My littlest faithful ones around the globe."

"As things continue to change, there is much rejoicing in Heaven. And as goodness is felt around the world, as evil is purged from governments, as Light is brought forth to more nations, as the Muslim people find their salvation in Me alone — Heaven rejoices and looks down upon you with wonder that you have chosen to sacrifice for those you do not even know."

"Oh yes, the Great Cloud of Witnesses rejoices over those who have taken up their cross and followed Me. And they see what you cannot see. They see the great numbers being added to the Kingdom daily. They see hearts that were hard and evil being turned to good and coming alive again with hope. And their joy in your prayers and sacrifices knows no bounds."

"I wanted to tell you this, because many of you have really taken a beating, and you cannot see the fruit of your labors. But I see it all. Heaven sees it and My Father rejoices over you, each and everyone, who has done their part to bring this about."

"Now, I want you to understand that the enemy in this hour has taken a great beating. Many of his plans have been ground into dust and scattered in the wind. Many he thought he held captive, bound for Hell, have been released and gloriously taken to Heaven. And more is coming. More and more these conversions spread a holy fire through the nations, drawing more and more souls into the Kingdom. New ministries are being born and taking the initiative to set the captives free."

"You do not see from your viewpoint, but many of these have been spurred on by your hidden prayers — so that you not only bring forth fruit in your lifetime, but those you beget are bringing forth more and more fruit. And their next generation shall bring forth more and more fruit— until the rivers are overflowing with souls that have given their lives to Me."

"So, I say to you today, rejoice! For great is your reward in Heaven; greatly have you impacted the world. Do not despair at your losses, you will never out-give Me."

"If you have yet to experience the sweetness of the garden with Me, ask and expect Me to answer your prayer. But either way, I have many consolations in store for you and nothing. NOTHING you have sacrificed for Me has gone unnoticed."

"Eye truly has not seen, ear truly has not heard, what I have prepared for those who love Me. And you, amongst many, are those who truly have loved Me and responded to My call to prayer and sacrifice

### **Warning from Jesus... Plague Alarm - I need your prayers**

March 8, 2018 - Words from Jesus & Clare's Dream

An urgent call to prayer for a plague that is to be unleashed in America.

I had a dream two nights ago, and was waiting for the Lord to confirm that it was to be shared. The weather was mild and we seemed to be in a recreational forest area with lakes, perhaps in the south. Like Louisiana, Arkansas and Texas, but that's my guess, I'm really not sure. There were

mountains in the area and a lot of expansion going on, resort condominiums on various lakes, with very high hills or mountains 'round about.

I was with two men dressed in suits, obviously some kind of professional government, like FBI or CIA, CDC. They were driving a mid-range vehicle, clean like a rental or a fleet vehicle. They came to this area where there was a lakefront convenience store, a beach - a sandy beach - and a lake in a recreational forest area. It seemed to be summertime or almost summer. People weren't swimming yet, but they were fishing and wearing lightweight clothing.

The men were there to monitor an outbreak of a virulent, deadly and contagious disease. I perceived that they had released the disease into the lakes in the area, or perhaps released flies and mosquitoes infected with a plague. They had just arrived and it seemed the plague was about to begin.

I had a vision of the aftermath of this plague, with bodies lying on the ground, decaying from the disease. I was leading a small group of people and we had some patriots and former special forces people with us who were very aware of what was about to happen. We were seeking to move into a wilderness area where we would be hidden from them, and distanced from the area where the plague was to take place. As we explored the terrain, on the back side of the mountain from this particular lake, there was another rather long but smaller lake, nestled between the mountains. It should have been remote, but it had been bulldozed with roads put in and stakes where property lines were. It reminded me somewhat of the Ozarks.

Heartdwellers, these people who have been grooming our government for destruction have no qualms about eradicating innocent people in pursuit of their nefarious goals. Please pray for them and that this plague will not happen or will be lessened.

Jesus began... "I have indeed given you this dream to circulate and pray against events such as these. Those who hate your country will stop at nothing to wreak havoc and try to unseat your government. But as I have told you before, I am praying with you, My Praying Army. And your prayers have so far stopped every foul event planned by those who have no regard for human life and recklessly use it to promote their agendas."

"There are still many in your country who are ignorant of what is being done to them and what has been planned against them. And now that it is being exposed, they are desperate to destroy your president and his administration, to restore the destabilization process of your government and industry in America."

"I will not allow this to happen if you pray. You are not the only one, Clare, to be warned of this event. There are others. And I wish for you to come forth and share what I have entrusted to you. Your warnings will raise the alarm and cry for the army of My Prayer Warriors to pray against this plague."

"I need your prayers. Without them, this plague will happen. It is up to you, My people, to stop this with prayer. Already many of My shut-ins and intercessors are praying against something very dark and bad, without understanding exactly what it is. I am sending out the Call to Arms. Arm yourselves with prayer and fasting as you can and pray this will be stopped."

"If not, there will be tragic loss of innocent lives. I am counting on you, My People."

## Jesus speaks about Guilt, Self-Indulgence & Prosperity

March 11, 2018

Clare began... Sweet Jesus, how can I ever thank you for Your Kindness and Mercy? Thank you, Lord. Well, sweet Heartdwellers, when I came into prayer, I saw the Lord holding a scroll in His left hand and a match in His right. And He was lighting it on fire and burning it. I thought, 'Uh, oh...' But He gave me to understand that it had to do with flowers. You see, every year I get this temptation in the springtime — and tonight I gave in. So, I came very guilty before the altar. Wanting to pray, but knowing I had really blown it and secretly hoping He will make an exception and let me keep them. You see, I ordered a few seeds and a couple of very tiny plants on Amazon — and knew that if He didn't give me mercy, I would cancel the order this very night. Funny though, I really didn't expect His response.

So, I asked... 'What is it you are burning, Lord?' (Knowing full well I had been foolish... )

Jesus began... "Your list of things you feel guilty about. I am so tired of your guilt, Clare. There is My permissible will and My perfect will. May I say, you are sometimes much too weak to live in My perfect will? And this night I have given you My Mercy. For you have served Me faithfully and through many trials — and these flowers are My gift to you. That is why I told you to go back and get the lilies; I knew you gave them up for Me, but now I am giving them to you as a gift."

"There are times in the life of a soul where a mercy cries out... As the saying goes... 'you can bend a bow until you break it.'"

"Many of My saints had gardens they tended; many also had dungeons, where their only consolation was My presence. For each, I designate what is right for them in their particular season of life. Some row the boat; others sit beside them and eat honey cakes, enjoying the ride. Each has a time and a purpose. The flowers are My gift to you, Beloved; the parchment was what you felt guilt over."

"Now I ask you to tuck back into your very simple life of prayer and worship and feeding My sheep, knowing that I love you dearly, Clare. Though you have denied yourself, year after year after year, these very simple pleasures — THIS year I want you to have them and enjoy them with Me. With no guilt hanging over your head."

(Clare) I don't know what to say, Lord! Other than to cry little tears of thanksgiving for Your precious Mercy.

(Jesus) "I want you to plant them knowing this is a springtime of your life. This is the time to step into your longings to please Me, for I am with you and no one will stop Me from granting you these blessings. No one will block them. And no one will steal them from you."

"But do pray for your enemies; they have done nothing but curse you and all you stand for. Yet I am about to disarm them, and how pitiful they will be, pitiful enough to need your prayers. So, I enjoin you to petition My Father for their salvation. How I long to show them mercy!"

(Clare) You know, guys? He's been talking to us A LOT about prayer for our enemies. And even the people who've been tormenting little children and trafficking them. The Lord wants to save their souls. The children that they are trafficking are getting saved, but there's no hope for them

without our prayers. So I answered... 'Yes, Lord. I will pray. I count on you to remind me though, please?'

(Jesus) "This I will do. You have fought long and hard. Not that the future is easy, but let's just say there will not be the same impediments you have encountered in the past two years. And all of you, My faithful Heartdwellers and intercessors. The battles on this Earth are long and hard. There are times I wish to set you aside for recovery, and being able to move forward without having to fatigue yourself in battles all day long."

"I also want you to understand that there are times set apart when what was not allowed before is permitted for a season. I am hardening you all off to your own wills, and as you learn to discipline yourselves and focus more on My heart and My business, I can trust you with a few things that would ordinarily lead you in the wrong direction."

"But there is always caution to be had here, because self-indulgence encourages more self-indulgence. For instance, you know 'the eye is never satisfied for looking, nor is the ear satisfied with hearing.'" Ecclesiastes 1:8

"And this is how Laodicea, the prosperous town, fell into apostasy and lukewarmness. This is why I have told you the greatest challenges will come with prosperity, because man tends to be enamored of all that is transitory, a chasing after the wind. He is well-armed at war; but the real danger comes in peace."

"My dear ones, it is not My heart to deprive you. You are in a war for your souls and the souls of your children. And for this reason, you must build with one hand and hold the sword with the other. You must be vigilant, because your enemy is forever trying to slowly, imperceptibly guide your affections towards the things that will weaken your ability to live an upright life."

"When the war is over and you are with Me in Heaven, you will see just how much I love you, just how much I longed to give you the choicest gifts on Earth, but did not, because I knew they would cause you to wander off and let your guard down, while the enemy stealthily sought to bring you to ruin. He works in little increments, things that you don't notice. One day you need this, another day you need that, the next day you need more and more and more... until your life is entirely taken up in vanities and you are not any longer serving Me Nor are you keen on serving Me. Rather, you want to enjoy your toys."

"No soldier gets involved in civilian affairs. If he does, he can no longer protect his charge. And it is quite the same with you. The more deeply entrenched in civilian affairs you become, the less you are able to be alert and on guard. And the more likely you are to fall away, indulging yourself in the vanities of the world, while the enemy is busy ensnaring your family and those you love, as well as abandoning the poor of this Earth I have created to elicit love and charity from your hearts. The poor are truly My gift to you, that you can become more like My Father in Heaven."

"Ah yes! When you come to Heaven and see the place I have prepared for you, it will be beyond your wildest dreams—suited you in ways that you never dreamt possible. This is because you are safe from the enemy. You are protected. And those beautiful things of creation I truly made for your enjoyment will surround you in ways you never thought possible."

"Yes, I repeat Myself. I say it again and again and again... Eye has not seen, ear has not heard and neither has it entered into the heart of man what I have prepared for you who love Me."

"So, you see? I am not the cruel taskmaster Satan would like to make Me out to be. No, I am the vigilant Father, knowing the dangers that lie behind each thing you are drawn to. And as a good Father, I train you to keep you away from these dangers."

"So, My Love—to bring it back home to you and your love affair with flowers. Flowers I have created to bring you joy. Understand it is for your health that I hold you back from these things. And yet, there is a season to enjoy them. Just remember to be on guard, lest the enemy draw you away with even more beauty."

"For you know well, Clare, all the beauty your heart shall ever desire is in My arms, looking into My eyes and hearing the words that 'I am pleased with you'. These are the things the enemy cannot take from you, My Love. This relationship stands forever, blooms forever, gives off fragrance forever. And fruit, forever. So, come tenderly into My arms, Clare, and enjoy the lilies."

### **Jesus says... I have not exaggerated about Clare's weaknesses**

March 14, 2018

Jesus began... "I do so believe in you, Clare. Though you put yourself down, I raise you up. I tell you this, because I want you to have great confidence in what you are doing for Me. Because truly, My Spirit is alive and well in you."

"You just don't see it or understand it. Yet it is visible to the simple and child-like and our episodes nourish them like milk and honey."

"And this is what it is all about. One must go way below the surface to see and feel the connection. How sad it is that you are set aside by the Christian community and falsely accused of all kinds of calumny. This is tragic to Me, because so much goodness is flowing from Me through you and yet they will not drink."

"My Heartdwellers, it is essential for you all to recognize that this dialogue between Clare and I is a gift to YOU, more than anything else. It is not her gift. It is My gift, to be shared with you so that you can pursue Me and be brought into the same very deep and tender relationship. She is merely a vessel, a very broken vessel at that, and each one of her scars is an opportunity for you to experience My Mercy in your own life."

"I have chosen her, because she is weak in so many different ways, that it covers just about everything you all struggle with. She is less bright than you are, she is more compulsive than most of you, she is impatient and flighty, easily distracted, not capable of great fasting or self-denial, drifts in and out of her love affair with the world (flowers, etc.). But she offers Me the very perfect opportunity to speak to you about your faults, and for you to understand that I am for you with all of My Heart."

"Many of you are far more intelligent, self-controlled, dedicated, focused, reliable.... Oh, I could go on and on and on. But I have chosen the foolish ones of this world over those who are considered so very wise and capable. Yes, even as it is written... 'The foolishness of God is wiser than human wisdom, and the weakness of God is stronger than human strength.'"

"Brothers and sisters, think of what you were when you were called. Not many of you were wise by human standards; not many were influential; not many were noble of birth. But God chose the

foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong. God chose the lowly things of this world and the despised things — and the things that are not — to nullify the things that are, so that no one may boast before him. It is because of him that you are in Christ Jesus, who has become for us wisdom from God — that is, our righteousness, holiness and redemption." 1 Corinthians 1:26-30

"What I am wanting to get across to all of you is that you have nothing to be jealous of in this handmaiden. She has more faults than all of you put together, and I am saying this as the Lord of all flesh and Author of life. I promise you, this is no exaggeration."

"So, what is so different about Clare? Nothing, really. She is very common, and that's what makes her the perfect example for all of you of what is possible with Me. Give Me your life and I will do wonderful things with you. Give Me your life and I will live through you. Give Me your failures and faults and I will work through them to make My Glory shine."

"Each one of you have more potential than she has; that is another reason I chose her. When she was studying the New Age, the devils passed over her, because they wanted someone more gifted; she didn't qualify or measure up in more ways than I can tell you."

"But she qualified in My eyes. Because she was seeking the truth above all other things, and was willing to come to terms with her lack-luster qualifications. She knew that My Love was all that mattered to her and the rest was irrelevant."

"To this day, her struggles still cause her to stumble — but I lift her up, because she doesn't count on herself. She counts on Me to do it. Yes, she puts forth effort, but I must meet her with the other 90% or nothing gets accomplished."

"I'm waiting for the rest of you, dear ones. When will you stop trying to be someone and turn over your nothingness to Me, so I can do with you what I like? I love broken pencils. A great artist can do amazing things with one little pencil, and that is how I see so many of you—broken pencils, erasers worn down, very short and difficult to grasp and draw with. But I will amaze you with what I can do, once you are totally yielded to Me."

"So, please. Don't put this woman on a pedestal. Rather, see her as a very common soul who frequently falls into a pit and must be extricated with My Love. She has nothing to offer you but her faults and failures and a glimpse into My mercy and what it can accomplish with the lowliest of vessels."

"I promise you, I have not exaggerated about Clare's weaknesses. I have been bluntly honest. And she knows it."

"And I am telling it like it is, because this Channel is not about the hailing of some great prophetess. This Channel is about the power of My grace and love in the life of a very little soul I have chosen to use to reveal My Mercy, in working with all of your failures and short-comings. I could not have used her for this mission if she were anything more than nothing."

"What can I do with you who are willing to be broken and reformed into what I created you to be? It is beyond your comprehension to know this, Beloved ones. Suffice it to say, I have very wonderful things in store for everyone of you. Your eyes have not seen, nor has it even entered into your dreams, what I can do with those who love Me and will submit to My breaking and

training. But I do promise you one thing: you will be amazed when I am done with you. And you will be contrite and humbled beyond words. And you will resemble Me."

"Come! Come into My arms and let Me make of you a vessel unto honor. My heart longs for you! Come and fulfill the destiny I have reserved for only you. Come! Trust that nothing in this world can stop Me from accomplishing My ends in your life."

"Do you want to be a saint? Come. I can do that with you, as well. But the greatest of all is not what you will become, but who you are to Me and how much I will drench you in My love and gratitude because you gave yourself to Me. Come!"

### **Jesus says... I am calling My People to Awareness, Action & Accountability**

March 18, 2018

Jesus began... "It's terribly important to Me that I am in communication with My flock. So many in this moment are swayed by the events of the world as it is presented to them in the mainstream media — which is crooked and perverted beyond remedy. 'My people perish for lack of knowledge' because they are too lazy to search until they uncover the truth."

"You were this way, Clare, but the time had not yet come for your understanding to increase. However, you understood from afar the true nature of things."

(Clare) Yes - I just couldn't bring myself to vote for anybody, because I felt they were ALL corrupt and liars.

(Jesus) "But now I am calling My people to awareness, action and accountability. As you discover the truth, you do have an obligation to support it and vote."

"I know that no man is perfect. I know there is underhandedness and corruption everywhere you turn. But without supporting the best, though they be imperfect, you become the victims of the worst."

"Some of you are called to social action and will find yourselves in positions of responsibility. You will then understand more fully the high winds the lofty must navigate and survive in the political realms. Everyone can sit in their armchairs and find fault. But let them get into a position with pressure on all sides and see if they can survive while doing the right thing."

"That is one reason I abhor criticism and back-biting. Those who make their tongues a sword, for cutting others down, are not part of the solution. Those who want to make this world a more moral place will roll up their sleeves and get to work."

"And so, I counsel you, My people... take responsibility for your government, whether in prayer, supporting candidates, or educating the public. Do not allow things to just flow right by you without taking a moral stance. And remember that no one is perfect, but seek to support the ones who uphold what is important to Me. This may be in a greater or lesser degree, depending on your choices, but do what is right according to Scripture."

"The mess your nation is in now is the result of decades of shallow thinking; sinfully busy lifestyles that don't have time for Me or for their nation. This is what Satan depends on—a lukewarm middle-class that is overwhelmed by endless worldly preoccupations."

"It isn't easy to see how vital your government is... until you become the victim of corruption and it's too late to do anything about it."

"This is what happens to nations that are not proactive in supporting what is right, from the ground up. This is how dictators take over peoples, oppress and murder them. There is a tremendous cost to freedom. And if your heart stirs when you consider your nation, you are hearing from Me a calling to do something. Get active and start somewhere. It doesn't matter where you begin. I will move you from position to position as you grow."

"I am putting this call out to you right now, because some of you are facing elections that will deeply affect how President Trump is able to make the moral changes necessary to stop the slaughter of the innocents and other disgracefully immoral laws."

(Clare) Lord, you are so full of surprises! I never expected this message.

(Jesus) "Well, I am grateful to you, Clare, for taking these last moments of your day to see to it this message gets out. It is short, but very important."

"And we are making progress with the things that are on My Heart. So, please do not get under condemnation for pulling things together. All that you have been doing has been in My will for you."

(Clare) Thank you, Lord.

(Jesus) "Don't you feel the peace?"

(Clare) I do. It's very sweet.

(Jesus) "That is a sure indication that what you are doing with your day is very pleasing to Me. I want you to walk in freedom from guilt. The enemy will twist whatever he can to cause you to feel guilty. And it's debilitating to you. So, I am taking this opportunity to tell you, 'Enjoy the peace; you are operating in My will.'"

(Clare) You are so kind to me, Jesus.

(Jesus) "I want to reward your faithfulness and put your heart at peace."

### **Jesus says... Thank you for your Admission & Honesty today**

March 20, 2018

Clare began... Thank you, Lord, for delivering us from our enemies. You are Mighty and Faithful. Please be merciful and give us more grace to carry these crosses—especially courage... Amen.

I must tell you that Ezekiel was in a battle today that was beyond anything we have encountered so far. So I got a real dose of my helplessness today, seeing him suffer that way and it brings me

to tears to even think about it. So, I came to the Lord in my nakedness and confusion... 'Lord, here I am. Devastated by my weakness and impotence, taking full responsibility for it.'

Jesus began... "How can I use you, Clare, unless you are utterly familiar with your weaknesses? Do you think I take pleasure in seeing you suffer this way? I do not. Yet it is necessary to bring you to the point where you truly know, beyond a shadow of a doubt, that you are the least in My house. Moses was a man like that. This is why you have been attracted to him in the past, and there are even more reasons."

"Do you think I will allow you to perish in the battle? Have I not made promises to you both? Yet you allow yourself to court fear — perhaps thinking I will abandon you? No such thing will ever happen. I am yours forever and you are Mine forever — and not for a moment will I desert you."

"Yet I have told you that in this world you will have trouble... But keep your chin up—I have overcome the world and I live in you."

"You are an overcomer. Look at the battles of the past. When did I desert you?"

(Clare) Lord, You have never deserted me — and there have been some doozy battles.

(Jesus) "Yes, and I have told you that there will be more and they must be harder than the ones preceding them if you are to grow."

(Clare) Lord, I came to the "end of my end" today. Totally broken inside over his suffering and I really wanted to withdraw from the intense battle — coward that I am. I really didn't think I could handle any more.

(Jesus) "But you did get through it. What is your decision now, Clare? You know that I have told you that if you chose to not keep climbing and suffering, that you would lose nothing I have promised you. And I would still be just as deeply in love and here for you as I am now. It is your choice, after all."

"Yet Ezekiel, too, has a part to play in this—after all he is the presiding victim soul. Yet it does roll over onto you, as well. There is much suffering in seeing a loved one suffering that way."

(Clare) Lord, if I keep my eyes on You, I can never, ever turn You down. However, when I look at what he is going through I want to say 'No more. Please, no more!' At least not like that. How can I answer You now? I am truly road kill.

(Jesus) "I know, My Love, and you have the night and tomorrow to think on these things. But let Me tell you, Clare, I am eternally grateful for the sacrifice you made today; for your admission of helplessness and honesty about confusion and weakness. I see your desire to learn more, and I will honor that. But more than anything, I treasure your abandonment to My will and confidence in Me."

"There is no sin in confessing that you have come to the end of your ability to endure, and that you don't want to suffer that way anymore. There is no sin in that. It would be regrettable, because of all the fruit being born through your patient endurance. But I can always find someone so in love with Me, that they are willing to lose all that is dear to them. You have been this way, and yet we are going deeper and getting to the very quick of your soul here."

(Clare) I can't fathom saying "no" to You, Jesus. But I can't fathom having to see him suffer like that, either. And I am too tired to make that decision.

(Jesus) "Rest on it, dear Clare. Rest and your heart will advise you. We will talk more of this tomorrow."

## Jesus speaks about Transparency & Lessons, that need to sink deep

March 25, 2018

Jesus began... "I weep for My Church, My Body. I weep, because they do not understand the value of transparency and the necessity of being open and asking for prayers. I want all to see that the attacks launched against you are universal, and if you will stand together as one Body, they can be overcome."

"You will see the tactics you are the victim of, being perpetrated on others. You will see the sweep of the enemy's hand and crushing blows that torment My Body simultaneously. You will then realize it is in unity of purpose, holiness and sticking together in obedience that conquers this."

"Instead of trying to prove that you are steadfast and strong, and have no need for the counsel and prayers of others, you will all see how abysmally the same you are. Multi-millionaire, homeless man; movie star, struggling high school student; farmer, business man. I don't care what your occupation is—you all have the same problems to conquer, the same battles, the same sins and vices, the same resistance to Truth. Those with greater amounts of money and those who are poorer. All of you are wired the very same way and face the very same challenges."

"To know this, in the depth of your souls, is to conquer your ego, pride and passions—which is what Satan uses to control you all, most effectively. How can you look down on another man or woman who is captive to pornography—when you are also? Are you not both equal in your weaknesses? It is about teamwork and overcoming evil through brotherly love and perseverance."

"'Confess your sins, one to another' brings the lofty man down from his isolated mountaintop, and the soul dwelling deep in the desert up to the level plains, where both are equipped to support one another in their challenges. Fear of rejection and vulnerability cause men and women to wall themselves up to protect their tenuous sense of security. So, they paint the acceptable picture and cleave to the status quo."

"But the time is upon you where the status quo can cause you to lose your souls. And those who imagine they can handle their problems all on their own are sadly mistaken. When you all acknowledge your human condition, you come together to support one another — just as they did in the frontier days, when all banded together to fend off the attacks of their enemies."

"The enemy is all around you, My People. And he is counting on your need for security to control your decisions—even the decision to worship Me and only Me, when it brings you into conflict with those closest to you. When it jeopardizes your income. When it may alienate a child or loved one. There are more ways than can be counted to stealthily draw you away from Me— until you are out in the open, unprotected and walking straight into an ambush."

"But the soul that stays close to My heart will hear the quickening of the Spirit when a choice will bring you into danger."

"Many will apostatize — many. Because they will not bear the ridicule of swimming upstream. Once you all join hands and reveal your vulnerability to one another, the enemy loses the key factor of FEAR over you, because you might be rejected."

"Once your transparency reveals your shortcomings to one another, JEALOUSY is overcome by seeing the vulnerability of others. And your transparency makes for equality and understanding that I am no respecter of persons; these problems are universal to mankind."

(Clare) Well dear family, at this point of the message, I sensed that I was missing something. Something a little personal and down to home for me — something the Lord was waiting for me to recognize in myself. I became very shaky and trembling as I realized part of Father's sorrow was over me. And I realized my little project took me away from Him for 3 days, not one. And made us highly vulnerable to spiritual attack, because my attention was watered-down on other things. Compromised.

(Jesus) "Clare, what can I say to you? If you had refused the bait, it would not have been so severe. I look on you with great pity. I allow you to do that which you fancy, and that it will bring you joy, so that you can see what a huge, wide-open trap it is. And to find your joy - without an admixture of sorrow — right here in My arms, Beloved."

"Yes. I want you to enjoy the beauty of nature. But you are all in a war zone, with grenades and bombs going off all around you. It requires ALL of you, My love. ALL of you. Because those who serve in the military do not get entangled in civilian affairs. Can you imagine a soldier in hostile territory admiring the flowers and planting a few more that might bloom on his way back?"

"When I told you to go ahead and plant a few bulbs, I knew exactly what you were about to encounter. Even the small handful you received were inferior. I wanted to demonstrate to you how unstable and futile and frustrating the world can be. I wanted to discourage you in the future from even thinking in that direction."

"In the meantime, Satan — knowing full well how you react every Spring — laid a trap for you. I gave you permission to walk into it, so that you would realize it's just not worth it. In Heaven, I have everything prepared for you. Flowers that will sing to you, Clare. They will turn their heads to follow you, even call out your name, inviting you to worship Me with them. Oh, dearest, unbelievable blessings await you!"

"But now your enemies, and they are many, have drawn a bead on you. They have planned this, deliberately knowing that you would end up in a bigger project than you thought, and it would squeeze our prayer time; you would find it hard to concentrate, because you were so tired. Therefore, you would be weakened. They waited for this time to see if you would walk into the trap you have avoided through obedience for the last two years. This, indeed, is what I am talking about."

"Now you will look back on this time and see how critically painful it was — and you will realize your weapons are loaded with lethal force to hit the demons — not Hyacinth bulbs. And if you load them with flowers, you will have no defense."

"I am telling you for your own good, Beloved. Nothing in this world is worth sacrificing time with Me. NOTHING."

"And if you don't learn from the past, you will repeat it in the future. You must weigh out your options ever so carefully. You cannot afford to take your eyes off the road for one moment. Because I guarantee you... the Lion is waiting."

"Had you been only occupied with prayer, as you usually are, the same events would have taken place — but your reaction would have been much stronger, and it wouldn't have been so severe. I allowed this to show you there is no room for loss of focus and chasing after the winds. No matter how fragrant they are."

"Knowing this, and having learned this very difficult lesson, I do expect in the future that you will ignore those invitations to relax and enjoy the scenery."

"Oh, I love you so dearly, Clare! It truly pains Me to see you in such distress. But I believe, in the future, you will not relax your vigilance, but decline those invitations. There is so much more for you to do, but I need this lesson to sink deep."

(Clare) Thank you, Lord.

(Jesus) "And for the rest of you, My precious Heartdwellers... You are housing passions inside of you that will lure you into anything except My glory — if you give heed to them. I want to see you resolutely walking by these temptations, knowing that they are not worthy of your attention. Nor are they worthy of what I am calling you to do, and they have no place in your lives if you are faithfully striving for the highest and best in Our life together."

"I am praying for you, My blessed ones. Yes, I am interceding that you would receive the most precious graces, to be able to distinguish the vile and corrupt from the precious, and dedicate your lives accordingly."

### **Abortion... Jesus took the little girl and named her 'Grace'**

March 27, 2018 - Ezekiel's Experience & Words from Jesus

Clare began... Lord, thank You for inviting us into this place of intercession. Please impart more courage and strength to our Team, that we may overcome our flesh and the lying tactics of the enemy, who is forever seeking to steal kill and destroy all the good You have given us... Amen.

Oh, my very precious Heartdwellers, what a sad and tragic thing happened tonight! The Lord caught Ezekiel up into the spirit, interceding with great pain in his abdomen. After we had prayed in the Spirit for a good 20 minutes, it was revealed to us that a teenager, by the name of Sarah, was being forced into a partial birth abortion by two older female relatives.

This young American teen, with shoulder-length blond hair, was the daughter of a very wealthy and influential family who had rejected the father of her baby, because of his social status and nationality. They had dragged her into the clinic or hospital against her will so powerfully that she had scratches and bruises on her arms where they gripped her. Not only did she want the child, but she was petrified of the procedure. But the aunt and mother didn't want to scandalize their socialite friends, so they insisted and forced her into this abortion.

The Lord only knows how the doctor went along with this plan. First, Ezekiel saw them pulling the leg of the baby out, at which point he experienced great pain and he realized that what was happening was a botched abortion. That's what he heard in the spirit.

As they continued the procedure, she was bleeding profusely during the attempt to remove the child, piece by piece. Oh, my dear friends, this is too horrible to describe... How could anyone do such a thing?

Sarah was now unconscious at this point and her body was turning pale, until it was only a dull grey color with her beautiful blond hair being all that was left. The child was a bloody mass, but still barely alive. Quickly, the doctor began writing nervously on a clipboard and it was obvious that they were changing out papers and starting new reports on what had actually transpired. He was trying to cover up what had just happened.

You know, people of privilege can afford to get someone to do such a procedure, although it may have been illegal in that state. This whole thing makes me sick to my stomach and sick at heart. How very terrible abortion is - and dangerous, too!

Oh child, why did you let them do it? Ezekiel said she was afraid of her mother. I can imagine... a wealthy family, the threat of being disinherited, having to live in poverty must have been scary for her. Jesus took the baby to Himself. It was a little girl that He named "Grace."

I prayed for the two women and the doctor, that they would be so remorseful that they would repent and never be a part of anything like that again. How sad! Here they wanted to end a life not 'worthy of their name', so they could save their beautiful daughter from scandalizing the family. And they ended up losing her. The state of her soul was not given to us. But to her credit, this child resisted and this was forced on her.

Oh, Lord, what happened to the young girl?

Jesus began... "She is with Me, because of My mercy. And she has her child, just as she wanted. "Oh, My people, how tragic abortion is. How very tragic! I allowed this child to be given them to bring them into maturity and give them a much better future than what she would have had with her high-class family."

"She wanted to be loved, authentically loved, not used as a social fixture. How very terrible for them. She was a brilliant child and had so much more to live for. And the father of the child was a good man. He would have made a good father, regardless of the nationality. He wanted this child. Now he is heartbroken. He has lost both her and the baby."

"Men and women of this culture in America are SO blind. They think their lives revolve around what others call success. Yet, when they are older, they begin to see the real value they could have had if they hadn't lived for themselves and the world."

"My heart is broken by abortion in this land. It should be outlawed, and that is My Heart and desire for the whole world... a place where these undefended infants can survive."

## Jesus says... Follow your Heart & Break free from the Influence of your Parents & Relatives

March 29, 2018

Jesus began, "So many are languishing in the world without understanding who they are. They roam as captives formed by the 'system,' lacking any inner direction at all. But you see, I shall give it to them as they press into Me. And I need you to continue to teach them that."

(Clare) I just want to make a note that there are several souls who have left the world, sold everything and just don't know what to do next. And He is addressing that here. 'Lord, I am at a loss to help them with direction when they strip down and don't know what to do next.'

(Jesus) "You tell them to follow their heart, don't you?"

(Clare) Yes.

(Jesus) "Well, that is where I am working on them, in their hearts. They have inspirations, even as you did with the cherry blossoms."

(Clare) That was an event that set me off on my photography career when I was 20 years old.

(Jesus) "They get insights and inspirations, but because they have been so cloned by the systems of this world, they think it is impossible. With God, NOTHING is impossible. I want them to forsake 'their father's house,' for I have desired their beauty. I want to lead them by a path they have not known, by a way that is foreign to them. I will speak to them in their hearts, but they must cultivate hearing Me."

"Every day I give them clues--and yet, they remain clueless, because they do not hear. Why are they deaf? Because the noise of the world has drowned out My voice. This is why substantial silence and prayer are so very necessary. Let them pursue their day waiting on Me to open the doors of their hearts to the wisdom that is from above."

"So much is governed by social norms. So much is suppressed by worldly parents. They must break totally free from that influence of parents and relatives and pursue their dreams, or they will walk in this world as though they were dead. And in a way, they are dead. Dead to their dreams and destinies that I have planted in their being from before Time."

"But so many numb-out with media, music, and films; entertainments of all sorts. They numb-out, because the precious thing I planted in them has been put in the casket of unimaginative cultural norms and impossibilities. And then it is buried. It has long since died and been put to rest."

"But in their hearts, there is unrest. 'What have I not done?' they ask. My answer? 'You have not listened very carefully. You have not heard Me. If you had heard Me, you would not be in this place of uncertainty and conformity. You would be pursuing your dream.'"

"I want My children, My lambs, and My sheep to know beyond a shadow of a doubt: you are fearfully and wonderfully made. And in your very DNA lies your destiny, which I have brought forth for a time such as this. Dream bigger, My people--dream bigger!"

"I do not mean a television ministry and fame. I mean that deeply hidden secret desire to live a life so very different from what you are now living. A life lived 'outside of the box.'"

"'It's not practical.' people will say. And will you swallow that, and walk away from your dreams to lead a lukewarm, wishy-washy life? Or will you strike out in faith and follow the dream, no matter what it costs you? Some of you can see your destinies in your childhood and growing up; things happened that left a deep impression."

"You remember, Clare, how you used to feed people? That was a foreshadowing of your hands-on ministry providing food for the poor--and not just any old food, but really choice food. Do you remember how you took time with the hurting and the misunderstood? Do you recall the long and deep conversations about truth and life? You were so lost and searching. It was very disappointing for you, to have the answers you didn't get from clergy."

"You hungered and sought to know the Truth: what's beyond the face of the ordinary? Truly, IS there a God? And who is He? A vapor, a force, impersonal, unknowable?"

"Do you remember the pain that caused you? Existentialism and no concrete answers, only more desolation and darkness--everywhere you turned. Truly these were the things that you longed to know, but did not find in every godless spirituality of the world. Journey after journey and nothing but blind alleys. Dead ends."

"And now you have found Me--or rather, accepted Me. For I have been with you throughout your life. And driven by the pain of not knowing the Truth, your heart is to share Me with searching aching hearts. This is your journey's end. Whether it be in song or writing, you have found your mission in life: to bring My love to others. A personal, pure, yet intimate love where souls can find their peace in Me. Their meaning--in ME. Their life - in ME."

"My children, for those of you who are hurting and longing to know, look deeply into your hearts. What has been your deepest desire and driving force? What has brought you the greatest joy in your life? Not the fleeting joys of obtaining an object--but a profound joy of knowing you just did something that brought you a certain kind of fulfillment you've always longed for."

"My people, the answer is within your heart, and a response to the needs of others. Look for that combination and act on it. Find a way to help and bring others to Me and pursue that. You may even start very small, collecting food from the market and passing it out to those living in the park. Listen to their concerns, spend time with them, pray for them and share from your own substance. Find a way to make your life count bringing Me to others, whether it be food or prayer or music. Give it to others generously and I will increase you. I will show you the way while you are serving even in the littlest endeavors."

(Clare) Lord, some people ask me if they should go to school and get a degree in theology. I have seen the disastrous results of that. They learn about the Bible, but do not know God. They become worldly, building programs to grow churches - worldly churches - but haven't a clue as to who You are.

(Jesus) "University is not necessary. Anointing, compassion and love are necessary. I will provide ALL these things. Unless I specifically lead you to Bible College, you can be equipped right where you are by simply going about doing good, studying Scripture, praying. Praying for others and seeking Me. Trust Me that I reward good wills. You cannot out-give Me. If you prove by your

sincerity that you want with all your heart to serve Me, start with what you already have and add to that. I will do all the rest. Learning brings pride; charity edifies."

"It is much easier to turn a moving ship than one standing still in the water. Once you are underway, you are moving and focused on helping others. One thing leads to another. Then I will drop little hints in your heart and begin to lead you deeper and deeper. Up until three years ago, Ezekiel and Clare devoted their lives to finding hungry families and feeding them. People recognized the value they had in bringing Me to the community, and they began to support them. They also had prayer groups, where Ezekiel led worship and Clare taught. You have a gift; use it. You have the ability to pray, to listen and encourage; use it. Find a way to live selflessly and bring Me to those you encounter."

"Stay in My Word and bring that Word to the hungry. Not with condemnation, but with encouragement - and if necessary, very gentle correction. But you must be aware that you are dealing with souls that have been brow-beaten and told they were worthless from birth - and they see Me as just another judge who condemns them. They do not see My unconditional love, My understanding and compassion. And that I am totally FOR them. I do NOT condemn them. I am for them, and for their good. And I have a future for them. You - show this to them. They hunger for it. Bring it to them, make it come alive. Whether it is in a loaf of bread, a song, an encouraging word - makes no difference. Feed My lambs and My sheep that wander the hillsides with no one to care for them. I will anoint you to do it. Feed them and I will be with you."

### **Jesus says... Cut off the Noise of the World & Receive the Gift to hear Me**

April 2, 2018

(Clare) Thank you, Jesus, for Your patience and compassion with me. Please make us all stronger in the face of adversity and storms. And make us more clever than the enemies of our souls, who set us up to sin. And grant us the courage and resolve to choose what is right. Always... Amen.

Jesus began... "Clare, self-pity is one way the enemy entices you to sin. 'Poor you! You need comfort, consolation. Surely your loving God will not be offended if you...' do so-and-so. That line of logic is from Satan. And if you are wise, and truly from the heart want to grow into holiness, you will remember that and not buy into it."

"Oh, Clare, we have gone over this subject so many times. You and beauty - and your temptations to beautify your surroundings. And I do understand. I feel so tenderly for you, Clare. Truly, I do understand."

"That is why I have made Heaven so accessible to you. You may go there anytime. You could be sitting in a garbage dump and still be delighted by the fragrances of Heaven, walking with Me. You must learn to live in the invisible realm that is the REAL world. What you have down here is only temporary and will never fully satisfy you."

(Clare) Plus, it comes with all these hooks and glitches!

(Jesus) Did I not take you to the tiny rivulet running from the fourth waterfall and sit with you, enjoying the tiny violets?"

(Clare) Yes, You did Lord!

(Jesus) "Yes, truly I did. That's why they are there - so you won't set your heart on earthly violets, but enjoy everything about them in your own Garden. Let's go there together more often. This is where I need you to find your rest. It is in this place you find your rest and consolation - in Me. Because I have created this tiny pleasure to embrace you as I wash away the misery of this Earth."

"Please, let's do this together more often. Even every day is not too much. You will stay far more balanced this way."

"When you dwell in My heart, you have found the opening to paradise and Heaven. You need only dwell in My Heart, waiting for Me, loving Me, so that I may open the door for you. Once the door is open, you may return over and over again. Not only that, but you will establish relationships with those you meet in Heaven and they will be forever friends - as there are no dimensions separating you. It is merely a matter of you honing your perceptions to be very, very finely tuned to be able to receive from Me and My Spirit - and communicate."

"Do you understand this? My Spirit permeates and holds together all of creation. There is nothing He does not know or cannot transmit, once it comes into being; it permeates the entire universe. It is merely a matter of your fine-tuning your mind."

"This is why, My children, I tell you to withdraw from earthly entertainment. Withdraw your senses from this gross form of communication, because it dulls your ability to hear Me and My Spirit. What amazing things you will see and understand when you learn to reject the world's continual manipulative broadcasts! Especially fear broadcasts that are so disturbing to spiritual perception that they literally make you deaf. Why do you suppose the media is flooded with crass, carnal and violent stories, sights, sounds? Because they dull your senses and prevent you from hearing Me."

"Try this experiment. Turn off all the movies, loud and worldly music. Stay away from the city. Listen to very quiet, soothing music - such as Clare's dwelling music, or recordings of birds and water. Cut off your sensory perception, including reading and pictures from all of this. And after a week, see how much clearer your prayer life becomes."

"And another hint... Seek the wee small hours of the morning, where there is much more clarity, since the invisible buzz of the world's communications are also mostly silent. Become sensitive and you will see a major difference in your ability to hear Me."

(Clare) Well, Lord, that's very interesting. Because I remember when I was in a cabin in the Pocono wilderness with my husband and four children. With only a little holy music. No internet, no communications outside - but long walks in the woods. Then we came into a bustling town and all of a sudden, my mind was hit with an inaudible, naked-to-the-ear FLOOD... Ocean... Tsunami of noises and disturbances that were so painful to my head. Very disorienting. None of that was in the silence of the forest, but once we were out in 'civilization' it was unbearable.

(Jesus) "And to this day, you are sensitive. And it's no mistake that you are living in an adobe house, because this protects you from a rash of electronic noises. Nonetheless, night-time is the most peaceful. That is why I wake many of you up in the wee small hours of the morning; you are hearing and receiving most clearly then."

"My people, so many of you are starving and yearning to experience Me. I am continually talking to you, but you cannot hear, because you have drowned out My voice with the voice of the World. Do

not be afraid to be alone or silent. Relish this time, because it is then that you will hear Me most clearly."

"Now I ask of you: reach out. Touch My Heart with your plea to hear Me. I wish to impart this gift to you, but with it must come self-control and developing an exclusive ear for My voice. I will anoint you with this gift now - if you will but ask. Time and space mean nothing. As you are reading this, cry out to Me and I will give it to you. It is My heart's desire to have this relationship with all of you. It is yours for the taking."

"Receive, and now put into practice the discipline of silence and cut out the cacophony of the world. I love you tenderly. Receive this gift from Me now."

### **Jesus says... This Hour is super-critical, stand with Me in the Gap**

April 6, 2018

Jesus began... "You know I am with you. You know you can never out-give Me. You know I love you and Ezekiel. Is this too much to ask of you, Clare? I know it seems that way sometimes, but you're doing your part. And it is so important to Me. And thus far, have I not given you the strength you need from day to day?"

"Don't worry about music. I promise you that your time will come. You have tended to Me in My infirmities. My Body. (And there He means by husband, Ezekiel.) Lying there in your bed. Broken. Wounded. Weak and stripped. You've been faithful about what was most important. I will be faithful to sustain you and your whole crew. You have nothing to fear or worry about, Clare. All is covered for you."

"And I speak to your hearts, Dear ones. All of you have a part to play in this. Your prayers ascending with hers and Ezekiel's and Carol's and Mine. And all the prayer team. Your prayers added together are an important part of what I am doing. And while you don't see or understand it right now, what you suffer for My sake is vastly more powerful than anything you could do through the ministry that I've given you or chosen for you to do. Music. Painting. Writing. All forms of expression do not hold a candle to intercession, backed by suffering. This is tremendous personal loss! And you're giving it with great love."

"Know, also, that the Cloud of Witnesses IS with you, cheering you on. Watching your struggles. Crying out on your behalf. And We (The Holy Trinity) hear their prayers."

"Though they cannot suffer in Heaven as they could have on Earth, their hearts are also torn, seeing the dramas unfold every day. And no tear or cry of theirs goes unnoticed by My Father and I. And as I have taught you before: one authentic sigh of your heart and the incense of prayer goes up to the Throne, where My Father responds by sending Grace."

"Holy Spirit permeates all of Creation. Each soul that cries out comes before My Father in Heaven, even as I, too, cry out! You are not alone in your sufferings and battles. For when one member of the Body suffers, all suffer."

"I have put the Body together, giving greater honor to the parts that lacked it. So, there should be no division in the Body, but that it's parts should have equal concern for one another. If one part suffers, every part suffers with it. If one part is honored, every part rejoices with it."

"And again, 'When the Lamb opened the fifth seal, I saw under the altar the souls of those who had been slain for the Word of God. And for the testimony they had upheld. And they cried out in a loud voice, 'How long, O Lord Holy and True, until You judge those who live on the Earth and avenge our blood?' That's Revelation 6:10

"That was a personal prayer they cried out for Me to avenge their blood."

(Clare) And at that point, I had a question. I said, 'But Lord. Aren't those who have shed their earthly tent no longer part of the Body?'

Then He quoted 1 Corinthians 12:27... Now, you are the body of Christ and each of you is a member of it. - "So, where is that written, Clare? That you cease to be part of the Body of Christ when you're in Heaven?"

(Clare) I don't know, Lord. It's just a tradition accepted...

"In error. It's in error. Are not all My apostles busy about My work in Heaven? Have they ever ceased to be a part of the Body? Are they not still functioning as apostles? Is it not written in that same place 'Now you are the Body of Christ and each of you is a part of it. And God has placed in the church first of all apostles, prophets, teachers, miracles, gifts of healing, helping, guidance and all different kinds of tongues.'"

"I tell you the Truth, Clare. And for all of you who will accept it. How can Peter, James, John and Paul still be apostles and NOT be aware of what is happening on Earth in the Church? Do you think they suffer when they see what's happening on the Earth? Do you think they cry out? Of course, they do. Once an apostle—always an apostle. For better or for worse. Everyone in Heaven is serving the needs of those on Earth, in one way or another, until My Kingdom is finally established on Earth."

"So, until that happens, all groan inwardly with Me in what I suffer watching the corruption and sin on the Earth. That groan is recorded by the angels as a prayer. As it is written: 'In the same way, the Spirit helps us in our weaknesses. We do not know how we ought to pray, but the Spirit Himself intercedes for us with groans too deep for words.'"

"The bottom line, Clare. When you groan over the plight of another, you just called upon the Father to assist them. In short, you have prayed for them. So, all who groan in Heaven have sent forth prayers. If not, explicit verbally, in the form of groans. And the Father hears them."

"I have told you before, you will be denounced and hated for this teaching. But what is that to you? You are already hated. As long as I am happy with you, Clare, pay no mind to the detractors. If you understand these things and put them into practice, blessed will you be."

(Clare) Well, Lord — how do we put them into practice?

(Jesus) "For now, it is enough for you to know and be aware of. The enemy has many counterfeits and before I complete this teaching for you to share, I will speak of these things — that you not be led astray by doctrines of demons, or so-called reformers who lacked understanding."

"My precious Daughter, all Christians in Heaven or on Earth are crying out to the Father in this hour. That what is good will triumph over the insidious evils of the past. And when I say 'all' on Earth and in Heaven — I do mean ALL."

"But for you now, My People, rend your hearts in supplication, for the hour is super-critical. And I need you all. And I need all you can give for Me to deliver this Evil. These are the feet and toes of iron and clay My prophet Daniel talked about. They exist now in this time, but they are being restrained until My Father determines. And then they will oppress and rule the Earth."

"You are to stand in the gap, NOW, to prevent this until the appointed Hour— that it does not come prematurely. Indeed, it is already past. But the Mercy cried out from the Blood of the slain and suffering on this Earth, My Father has heard these prayers and extended the time. And has appointed you, and all who care, to stand in the gap until that fateful Hour."

"In the meantime, thousands who were going to Hell, have been and will be converted and added to the Kingdom. Persevere, My Daughter. Persevere. Do not let the time pass without shedding all your tears on Our behalf."

"Travail, My People. Travail. This Hour is critical."

### **Jesus elucidates... The Benefit of a Trial & The growing Holiness**

April 9, 2018 -

Clare began... I was pondering the extreme difficulties of the past two days, and the Lord illuminated a thought in my mind. It had to do with the benefits of these trials. Things that we don't normally think of. 'Thank you, Lord, for revealing to us the hidden things of Your will. It makes it so much more bearable.'

Jesus began... "Nothing I allow is without a purpose. All will rebound to My Glory. Why do you weep, Child? Why do you mourn? Even as the song lyrics playing now say, 'It's All About You, Jesus. And all of this is for You. For Your glory and Your name. It's not about me. As if You should do things MY way. You alone are God and I surrender to Your will.'"

(Beautiful song by Charlotte Laystrom ... It's All About You ... Song at the end)

"Do you not know that I write straight with crooked lines? Would I allow these sorrowful difficulties if they did not serve a purpose in My Divine Plan? Would you be surprised if I told you I ordained them for your mutual sanctification?"

"While I am not the author of evil, I do allow tests in your life. Evil, sickness or suffering comes from the demons, who wait in line eagerly, expecting an opening where I will give permission. That you suffer is not necessarily a sign or symptom of sin or unbelief. You've prayed many times, and seen restoration and miracles. So, the issue is not your faith, Clare."

"He has been healed many times with your prayers. So, the issue is not with his faith, either. What then?"

"Hidden sin? Does not he confess and repent regularly, those things I convict him of? Do you not also confess and repent? Why, then, is this severe trial being allowed you?"

"Could it be that I'm forming you and allowing this to shape you more perfectly? Could it be that your sufferings are relieving the plight of others? Perhaps even preventing the assassination of your President? Or even events you never, in your wildest imagination, dreamt of?"

"Oh, Clare. I heard you so loud and clear last night, when you asked Me to release you both from this trial. I heard. I felt. I grieved. I experienced ALL you felt and My heart was full of compassion."

"And My Father's heart, when you cried out to Him. Was He deaf to your pleas? No, Clare. He was right there beside you, travailing even as you travailed. You are His precious Creation. Returned to Him from far, far away, as you wandered in your life through the world. He was not deaf. Not any more than He was deaf to My cry on Calvary: My God. My God! Why have You forsaken Me?"

(Clare) And I want to share with you dear ones, that last night I did ask the Lord to release us. It has become too much. Ezekiel had offered his life for the world, our country and Donald Trump and his family. But he confided in me last night... 'I am so, so sorry. I didn't know or consider the cost when I offered myself. I didn't consider what it would cost YOU'.

So, I went to the Lord and asked Him... 'Lord. Where is life in this? How can anyone live with this suffering? How can I do all You've called me to do, daily, with this devastating pain he suffers?' You see, Dear ones, most people in his condition are on morphine. But the doctor will not give him pain relief unless he submits to tests. And the Lord has over and over again told us 'no'. Such a simple thing. A few tests and he could have pain relief. But Jesus says, 'no'. And we must honor that.

(Jesus) "Yet the Father knew the plan. He knew the glory and release of prisoners this suffering would bring, because I agreed and came to Earth. And He did not lessen the blows, Clare. He did not buffet the spitting and beatings. He allowed what must take place so that you and every other soul would have a chance to be in Heaven with Him. Returned to His bosom. To the very place only they could fill for the joys of Eternity."

"And you, having made an offering of your life, over and over again - consented to this trial - and all I would use to form you. You do trust Me. But your flesh is indeed weak. That is why We could not give in to your request. And have I not strengthened you? Though it is so painfully hard?"

(Clare) Yes, Lord. You have. I just feel so bankrupt.

(Jesus) "That, too, is in My plan. Do you trust Me, Clare?"

(Clare) I do. When I'm in my right mind.

(Jesus) "And whether you see or know it, great relief and conversion is coming to souls, because you DO trust Me. But most of all, I want everyone to know that nothing I allow in your life is without a very specific purpose. And if it were not to your ultimate benefit, I would never allow it."

"I have so much in mind when I allow these things. So much! And you stumbled on one today. You will know first-hand what spouses suffer when their mates are very, very sick. And it will give you great compassion and deep feelings of wanting to pray for them and relieve them."

"The effectual, fervent prayer of a righteous man avails much." That's James 5:16

"And how can your prayers be effectual and fervent if you've not experienced those terrible pains first-hand? I'm enlarging your heart, Clare. Oh, don't you see? This is all a part of your training. From your actions, you've proved to Me you're not set on your own will of creating music,

messages or any other work. Even those requested by Me. You are set on My moment-to-moment will of nursing your husband. Which at times requires you to lay down what you were doing - especially when you were enjoying it."

"Oh, that has such great benefit, both now and in the times to come. When you faithfully lay down with these things, it opens a whole world of grace for others. And sanctifying instruction for our Channel."

"I want you all to grow in holiness, My Heartdwellers. Holiness is not just about being happy with your work when you are serving Me, when things go well. Holiness is about being happy to do My will, especially when it deprives you of something. I like to have complete control of the helm. And in this way, you will always be blown to your destination by the sanctifying winds of Grace that come with every trial."

"My Beloved Heartdwellers. I bless you now to go forth in endurance and resolve. Fully aware that even the littlest things in your lives have been permitted by Me, and have a very specific purpose. Reflect on this when you want to be angry or hurt. And put to rest the anxiety that attacks your peace in those moments, reflecting, 'The Lord has a purpose for this. All glory and honor to Him. He, who could have easily prevented this, but chose instead to allow it to form me in holiness. Bless Him.'"

"And say to yourselves... 'He's not interested in the little benefit, having all things go my way would produce. Rather, He's looking at me as a finished work of Grace and Glory in Heaven.'"

## Jesus speaks about the Visitation of Saints from Heaven

April 13, 2018 - Experience of a Visitation & Words from Jesus to Sister Clare

(Clare) Today, I want to share with you an experience of a young mother of two children. An experience she had when she was in prayer. She received a message - just like I hear a message - except she received it from one soul in the Great Cloud of Witnesses.

A little history about this young woman. She had a turbulent, but Christian childhood, which was also rich in spiritual experiences. She was able to see the guardian angels of different people and having a real sensitivity to the Lord, and what was right and what was wrong.

When she left home and went out on her own, she got involved with the wrong crowd and ended up having two children with a drug dealer, who grew marijuana in the mountains, and was finally arrested and put in prison. She didn't use drugs, but she lived in that seedy environment.

When her relationship broke up with this man, he threatened to kill her and she had to go into hiding with her children. At the same time, she came down with a rare form of cancer that spread quickly in her body. For ten years, she fought the cancer and felt like dying and giving up many, many times.

Finally, she seemed to be getting a handle on it. And she and I started corresponding.

She had a gift for music that had been suppressed by the turbulent lifestyle she led. And when the father of her children poured several six packs of beer on her very expensive keyboard, he destroyed it. For 10 years she went without any music at all.

Well I started encouraging her and she was able to get a new keyboard and start playing again. Then she got a recording program and started to blossom.

She had known Jesus as a little child, but she just recently returned to Him and dove into a very deep relationship - in which He spoke to her many times. Appeared to her in many visions and dreams. He came to her as a child - the Child Jesus. And she would see herself as a child, as well. And they conversed, and He encouraged her with her music.

Lately, she, like the rest of us, had been having a very hard time concentrating and staying in the saddle. She was feeling discouraged and fearful and prayed, asking the Lord to give her some kind of confirmation and encouragement.

She began to tell me her story... 'Since Friday, I was frustrated, because I felt as though I could not concentrate or practice. I was making so many mistakes. I could not seem to focus. Then out of nowhere, doubting thoughts ran through my mind. I was for some reason fearful about cancer coming back. I was allowing that worry to drip back into my mind, but I have no idea why. I've not worried about it for many months. In fact, before these doubts came into my mind, I felt completely focused.'

That's when she had a vision of one of the *Great Cloud of Witnesses*, Hildegard of Bingen. She came to her in the spirit, and began this beautiful, beautiful letter of encouragement. She said... 'With that battle (the battle of cancer) you learned who your true friends were, how much your family loves you and the power of God's grace. And the power of God's mercy. The secular world means less to you now; and you're free from the influence of those who intended to harm you.' 'You have connected once again with humility and a pure joy has been gifted to you. If you hold in your heart this feeling and allow the Holy Spirit to flow through you, God's healing energy will always be present. Your gifts will be cultivated and fertilized by the inspiration of your love for Christ. Do not be frustrated when you feel blocked or uninspired. This is just a sign that Our Lord Jesus wants you to come to Him in humility and ask for help. Do not forget that you can't ask too much of Him. He loves you, and is stronger than you can possibly imagine.'

'God does not want you to be too judgmental towards yourself. Being humble does not mean you compare yourself to those, who you consider to be more talented. Instead, understand that Jesus is working with you to become the instrument that He wants you to be.'

'His gift happens in His time. Stop rushing yourself; it will only cause you more frustration. When you doubt God's plan for you, you allow the enemy in. Satan plants those doubts to try and break you from the path that God has intended for you. Through the holy Name of Jesus Christ our Lord, repel the demons of doubt. Jesus is our deliverer. Demons cannot survive His presence.' 'Child, this is the message you are intended to hear. This doubt is not of God. It is a demon of Doubt sent by Satan. He hates that you have chosen the path God has intended for you. He will never stop attacking you. Remember the prayers that invoke the Pure and Divine power of Jesus' Name. Only He can dispel the impurity that seeps from this disturbing and interrupting demon.' And that was the end of Hildegard's message to her.

Jesus began... "Make no mistake about it. The enemy has stolen much of what I wanted to give you, through the misunderstanding Religious spirits generate in the minds of faithful Christians. When you come to be with Me, you will be astounded by the amount of grace you were deprived of."

"Demons were assigned to influence those who lacked a depth of understanding of Scripture, as well as discerning of spirits. They have kept you away from My vessels unto honor, by scaring you into thinking those things were demonic. Much of this stems, not from Scripture, but religious tradition and men's opinion."

"When I stood upon the Mount of Transfiguration, I declared the Heavens open. And from that time forth, a river of manifestations of the Kingdom of Heaven upon Earth began. These are not idle words, "The Kingdom of Heaven is at hand" which I spoke in Matthew 12. These, as well as many other of My words, were meant to be taken literally."

"But those inspired by fear, needing man-inspired walls and retainers to stay safe, stripped them of their true meaning. When I stood upon the Mount, I gave you an example that you should encounter the patriarch's and saints of old, to be strengthened in your journey on this Earth so fraught with deadly traps of quicksand and so devoid of encouragement. And so, for My purposes, I permit heavenly beings to visit Earth to strengthen you."

"But those desperately lacking in discernment have perverted these visitations, making them a 'demonic manifestation' in the minds of other Believers."

"Why should Satan have more devices of evil than I have of grace?? Shall I not be permitted to send My holy messengers to My struggling Body to be refreshed? If Satan can encourage his evil ones with devils, can I not encourage My holy ones with saints?"

"Wake up, Church! This is the time for you to set aside the Pharasee-isms of the past and embrace an open Heaven, and receive those I send to you for encouragement - whether they come to you from Heaven or as those now on Earth."

"It cost Me all I had to tear that veil open so you would have access to Heaven! Do you not see the meaning of that event?"

"Many of you know beyond a shadow of a doubt that loved ones have been present to you after their passing into Heaven. You know that you know that you know the presence of your mother, whose spirit has been set free in Heaven. You know that it is your mother and not a masquerading demon."

"Well, you should know also that there are thousands of others angels and saints that are My messengers. They come to you in visions and dreams and some have even been seen by the naked eye."

"And if you turn them away, because you are just too lazy to learn how to discern, and you prefer the status quo errors of the past - then it's your loss."

"For those who will accept this revelation, I bless you with keener discernment than you have ever had in this life."

"For those who question, I encourage you to pray for clarification and confirmation, and it shall be given unto you."

"For those who reject and scorn this Truth, you will be held accountable for every error you teach. I would rather that you sincerely seek Me and be willing to find out you were in error, because those good men and women who taught you were also in error. But you do not have to

continue in the same error. You are being given the opportunity to discover for yourself whether what I have said here is true or false."

"In any case, I will always love you and never forsake you. I just wish for you to have all the tools I left you with on this Earth for your sanctity and the Harvest of souls."

### **Jesus says... Set aside the Opinions of Men & Rely on Me alone**

April 18, 2018

(Clare) Dear Jesus, thank You for giving me the faith to pass by that big temptation to rely on doctors, but rather to cling to You and Your promises. Thank You, Lord. Please continue to strengthen our faith... Amen.

Well, a few days ago, I went in to check on Ezekiel and the sound of his breathing bothered me very much — and I gave into fear. Interestingly enough, I had made an appointment with a doctor months ago, and the very next day was that appointment. I didn't realize it until I checked my messages. I thought to myself... 'How timely. Now we'll really get all this cleared up and straightened out.'

Here we go again with my flesh! But the next morning when I woke up, the very moment I woke, my very first thought was, 'What if the Lord really doesn't want you going to that doctor and getting all those tests? Are you willing to obey? And what if you go, and it turns out to be a disaster... and something you couldn't afford, anyway?' Well. I jumped up and ran to Ezekiel, who was wide-awake, and said... 'Honey, I don't think the Lord wants this.' He let out a big sigh of relief and said... 'I'm so glad you see that. No, He doesn't. He wants us totally reliant on Him.'

Jesus began... "I cannot even begin to tell you the horrors you would have encountered if you had gone ahead with your plan, Clare. Men know so very little about the human body, let alone the spiritual realities that affect it. You would have given up the perfection you receive in My care for him, in exchange for batteries of painful tests you could never afford—and you know how I feel about being 'on the system'."

"If I cannot take care of My own, what kind of omnipotent God am I? And I know you asked that question, finally, when you woke up. Oh, blessed sleep!"

"Dear ones, do you know what we do together when you sleep? Oh, you are very busy at night getting instruction and even ministering to others. I do not permit you to remember most of it, because you are still too vulnerable to Pride. It is safe to keep the King's secrets between the two of you hidden."

"But I do spend time with you at night when you sleep. I do instruct and brief you and I even heal your broken hearts at night. That is why you can go to bed feeling so badly and awake feeling happy and refreshed, and back on track. I cherish you, and I know how very difficult this vale of tears is. I do not leave you on your own, but I come to comfort you."

"I wish for you all to set aside the opinions and views of men, more and more every day, in favor of My instruction to you. Then, when the enemy threatens you with all sorts of fears, you can stand strong—because you are used to relying on My words to you, not theirs. And am I not always faithful in what I promise you?"

"I will tell you a secret. The more you rely on Me, the greater your faith will grow and move into operation in all circumstances. When there is nothing more to be done by men, then it is My turn. And the sooner you arrive at that conclusion, the more peaceful and productive your lives will be."

"Oh, dear ones, I want you to watch ever so closely, every day when there is a decision to be made. Be ever so careful. I see when you are tempted to give in to the advice of men, even influential and well-educated men who pressure you. I see when you brush their counsel aside, and go instead with My promises to you. And oh, how overjoyed I am to behold your growth! The greater the stakes, the greater the temptation to give in to human reasoning. I understand this well, but I also know what I am storing up for you, willing to give you when you do make the right decision."

"Cling to Me in every trial. Cling to Me. Memorize My faithful words to you. Call out for strength and I will give it to you. You cannot overcome many of these trials alone, on your own; truly you need My empowerment from moment to moment. The devil is very clever and unless you cling to Me with all your heart, strength and mind — he will mislead you."

"I impart this to you now — those of you who hunger for this. Be it unto you, even as you believe. And never stop climbing, reaching, believing, waiting on My faithfulness. For I will never abandon you."

## **Jesus speaks about Copyright, Muslim Nations & How self-defeating imminent Rapture Warnings can be**

April 19, 2018

Regarding sharing Dreams about the imminent Rapture

(Clare) 'How do I approach this, Jesus?'

Jesus answered... "State clearly what I have told you and yes, do ask that question. (I had a question in my mind.) 'What have you gotten done in the five years you've postponed your life waiting for the Rapture?'"

(Clare) Oops! So, in other words, if people who were persecuting our Channel for saying that the Rapture had been delayed for three years, and every day they're waiting for the Rapture to come. What have they gotten done? What did you do with your gifts? How have you served the Lord? (Jesus) "Yes, I DO want you to speak up about this, Clare. We are at the same exact point now that we were at 5 years ago, and there is still too much to do. I wish for My prophets to have a wider worldview and to understand that salvation is taking place right now in the thousands, because people are out laboring in the fields."

"Place ten people side-by-side — same age, same commitment level to Me, same education and cultural economic background — and present them with this message. Line them up in a row and declare... 'The Rapture is Imminent'. Now, stand back and watch what they do. You will see that nine will react in fear and begin building their shelters, laying up food, warning their relatives and so on. You will see one walk away and go into the mission field or ministry to help with the Harvest of souls."

"Now, place 10 more people more or less of equal value and commitment and tell them, 'The Rapture is postponed for 4-6 years'. Watch what they do. One will go home saying 'Cool!' and play their video games, thinking they have all the time in the world. Six will begin to question... 'Lord, since we have that much time left, what can I do for you?' And three will go into accelerated drive and put their dreams for My Kingdom as their only priority in life."

"I tell you the truth... these continual Rapture warnings, if not presented properly, drive people into fear and self-preservation — which causes them to abandon their dreams and gifts in favor of taking care of loved ones who will not be taken. Speaking mathematically, one out of ten will launch forward to bring more into the Kingdom. The other nine will turn inward to their own families and prepare."

"What I do want is everyone swinging into action, using the gifts they have as they are given opportunity, and as with you, Clare — honing their skills. Do you see how self-defeating urgent warnings can be?"

"Those waiting for the Rapture will not be busy about My business when I come, and they may very well be left behind. Those working hard while they still have time will be rewarded with a flight to Heaven."

"There are many rooftop sitters who will go through the great Tribulation, because they were not clothed for the wedding feast — and there was no oil in their lamps, because they were living for themselves. This is the great danger here."

(Clare) Lord, so, how do we proceed?

(Jesus) "Just as I have taught you. You have very little time left, but enough to do what's been assigned and even cultivate new talents and put them to work to save souls."

"The Muslim nations are crying out for truth. They are disenchanted because of ISIS; they have serious doubts and concerns about what the Koran teaches. And some even wonder if the Christian's God IS the One True God. But there's no Christian there to tell them, because they are all at home working on their shelters and trying to get their families prepared."

"I have told you what qualifies a soul for the Rapture. It can be summed up in one sentence... Love the Lord thy God with all your heart, all your strength. And Love you brother as yourself. In other words, think as I think. Comfort the poor, the lost, the sick with My comfort, My words and prayers. And live for others, not for yourself. Then you will resemble Me when I return and I will recognize you as My Bride immediately."

"Do you see? The affluent, self-preoccupied Christians will be nowhere in sight, because they are at home serving themselves. But those who are out and about, expending themselves for others, those I will see and take immediately."

(Clare) Now, that doesn't mean that if you are affluent, you will be left behind. What He's trying to say is that, if you are affluent and self-serving, then you may very well be left behind. You can be affluent and serve others. There's nothing stopping this.

(Jesus) "And a word to warn you about this, Those who have built up edifices and international ministries based purely on their love for their brother — I will take. Those who have built up edifices and international ministries based on the dollar and their fame — will be left behind."

"Many in that day will say to Me... 'But I prophesied in Your Name, Lord! I healed the sick, I cleansed the leper!' And I will answer them... 'Depart from Me you evil doers. I do not know you.'"

"Why? Because they were serving themselves and making empires out of their ministries. And yes, they oppressed the smaller ministries who tried to take their words and share them around the world."

"Even as you have experienced lately, Clare. Do you understand, this is an abomination to Me?"

(Clare) What He's talking about here is that a very prominent ministry, who I had lifted a section of video from one of their video presentations. And I had put it on my Channel - of course, crediting them. When they found it, they gave me a 'strike' against my Channel. And strikes are serious. You get three of them and you're banned from YouTube. Period. So, yeah - I would have expected this from a Satanist... But from a minister? I was really devastated. I don't mind telling you, it hurt me bad. I walked around for two days with a hole in my gut. I just couldn't believe a minister could do that to another ministry. Of course, the video came down. The Lord goes into this at greater depth here.

(Jesus) "Yes, even as you have experienced lately, Clare. Do you understand, this is an abomination to Me? You were given a strike on YouTube by one of these ministries that could have endangered all your videos on YouTube."

"Why? Because you did not get their permission to share My words. This is a travesty."

"When I anoint a minister, 'his' words are no longer his; they belong to My Holy Spirit. This is Simony — selling the anointing — and it is detestable to Me. These men and women do not need an income from My words. They are already quite wealthy from donations. Why do they want to control My words to them? Are they not Mine to be shared without cost or restriction? But they are blinded by the God of this world, money, and corporate procedures — which are fine for Caesar's palace, but an abomination in the House of God. They are the Temple of the Living God."

"Oh, Clare, so much will be exposed at the Rapture, when these massive ministries are left behind in weeping and gnashing of teeth. Because they did not do My will; they harnessed My word for filthy lucre. It will indeed be a sad day when their shame is exposed."

"I love everyone one of them dearly, but when they are ruthlessly persecuting My little ministers who hear My voice in their messages, and want to pass that on to their little circle. And they take legal action against them? Oh, My Heart is grieved! They are blind and do not see what they are doing. Oh, pray that their blindness will be healed and they will see, and understand and repent, before it is too late for them."

"What shall I say to the members of their ministries left behind? What shall I say? 'You have been ministers of the dollar, not of the Word. Freely I gave; freely you were to give. But you did not. In your greed, you withheld My words from the little ones who could do you no harm and do Me only good. Great good by repeating what was imparted from Heaven.'"

"It will be a very sad day for the angels in Heaven at that time, because they ministered in your services and conferences, and so many you touched will be with Me because they were not corrupted by your practice."

"Yes, your teachings were fine. But the way you lived your lives — oppressing others and controlling the words inspired by Me — that was an abomination not to be taught to anyone. And you may thank Me that so few know of your sin. Otherwise they, too, would have followed your example."

"That indeed is what I will say to them in the secret place when they come to be with Me."

(Clare) Uh oh! I said... 'Oh Lord, I need to change the copyright information on all my books. They put standard copyrights in them and I thought I had told everyone putting books together that they were to be free to copy or distribute at no charge without my permission. I don't know how that happened.' And that's basically it. You're welcome to use my music, my writings, my teachings - anything the Lord has given me to share with you. Freely. You can use it, freely. Just don't charge money for it. That's my only stipulation. You can copy it, reproduce it, store it and do whatever you want.

(Jesus) "This is something you need to address in the future, Clare. You must be very careful. Though you have publicly stated that and put free downloads on your website, you still need to explicitly say that they are free to use without charging any money or obtaining your permission. You see, they already have My permission to copy what I have given you. What you have shared stopped belonging to you when you gave your life to Me. Now all that you do is free to the whole world, because it came from My Heart going to their heart. Please see to it that is corrected."

(Clare) I will, Lord. I'm so sorry.

(Jesus) "Well, I did not wish to beat anyone here. But I wanted to call your attention to a worldly practice that hurts others. Every one who thirsts, come to the waters; And you who have no money come, buy and eat. Come, buy wine and milk without money and without cost." Isaiah 55:1

## **Jesus says... This is about Sanctification & Being crushed in Spirit**

April 23, 2018

Clare began... 'Lord? Where are You?'

Jesus answered... "Where am I always? I know this is hard for you. But it is, believe it or not, part of the healing process."

(Clare) Ezekiel thought he was doing something good, getting in the pool, Lord. And look what happened. He even thought it was pleasing to You. Please, Jesus, say something.

(Jesus) "I love you."

(Clare) Would You please help me get a handle on this?? I know there will always be suffering, but please. Can't you pass this on to another faithful servant? Preferably someone I don't know??

(Jesus) "You don't really know what I am doing here, Clare. You really don't. It's not just suffering for others. There is sanctification involved, for both of you. It needs to go a bit longer to get everything into line, just as I want it. Yet, it is on the decrease and he is beginning to heal. But you know how hard these episodes hit you. Part of that is your responsibility to suffer for your sanctification, as well."

"Put the guilt away. What I am doing is much deeper than that. Much deeper, Clare."

"There is a certain seasoning that must take place within your souls — a tempering that only suffering brings. It's hard to explain to you, but you are moving from a childhood of sorts to the maturity of the daughters and sons of God. It is not an easy path. It requires a very deep level of commitment, not to be shunned or passed on to another. This is all for your good, or I would not allow it."

(Clare) 'But how do You expect me to create with this kind of oppression, Lord?'

(Jesus) "That, too, is your option — but it is terribly limiting, and that's part of the scheme of things. How well do you take these limitations? How well do you surrender your rights for the sake of another who needs you? Without throwing your hands up in the air and saying... 'All right then, I'll just drop it for now.' No, that attitude doesn't fly, although I have heard your temptation to do that."

(Clare) Yeah, the Lord encourages me to work on a song, or work on my voice, or work on the piano. Then I get all excited to do that, and then BANG. Something like this happens, as it did with Ezekiel today, and I'm just running back and forth between prayer, trying to keep him comfortable, bringing everything he needs. So, yeah — there are times I just want to say... 'Forget the music! I'll just crawl in a hole and I'll just take care of him. I'm not going to worry about the music'. But here He's saying that that attitude doesn't fly...

(Jesus) "This is more about sanctification, deeper and deeper, to the things that really matter. I will say this much... you will never regret this time of suffering, never. Not when you see what it produces in both of you. Never will you regret it. Trust Me in this. And in everything else. But especially in this, which you just don't understand now. You will understand later and thank Me for it."

"My love, for now, just do your best. Write, sing, play - and when you can, as you can. And don't feel guilty for being crushed in spirit and not being able to do anything but cry. Don't feel badly; it's ok. You have My permission to cry. I just wish you didn't have to cry so much."

"All My promises to you are true and this leg of the journey is rough. It the last leg. Or the first leg of the next phase. And it sums up everything you have learned so far. It is like defending your doctoral thesis; it is, in a way, the culmination of your education, thus far."

"Do not allow yourself to be burdened beyond hope by it. Take note that there are signs of breakthrough and improvement and a very, very slow climb upward. But still trials. Trials that accomplish a work that cannot be had through any other pathway."

"In the moments you are beside yourself, come to Me just like this — your raw feelings hanging out — and let Me comfort you. Allow Me to explain to you what is necessary in this season and encourage you to continue on the upward Faith path that you began when we turned a corner."

(Clare) 'Did we turn a corner, Lord? Or was that an illusion? Or just wishful thinking. And You know I hate wishful thinking. I am a realist.'

(Jesus) "In all your 'realist' reality, we did turn a corner and begin a climb to his healing and restoration. It will be a slow climb and there will be moments when it seems like setback, but they

are only moments of deeper sanctification and they will soon be fewer and fewer. But you must walk in Faith; not by sight."

(Clare) 'But what about lying spirits, Lord?'

(Jesus) "They come and go. When I am allowing an attack for the sake of other souls or world situations, it is the real thing. But there is nothing I allow that cannot be repaired instantly. You are beginning to understand that you cannot control the length of these episodes by any of your own devices — no matter how appropriate."

(Clare) And what He means by that is that, gosh. I prayed the binding prayer - I bind this, I use the Routing sword, I do everything I can possibly think of. And no change. So, it makes me feel like... 'Golly. MY prayers aren't worth Diddly!' But that's not true, I know. It's just that He is saying here that... 'No matter how appropriate your prayers are, they're not going to 'work', because there's a certain length of time this needs to go on. And I'm in control of it.'

(Jesus) "Because I am using each one for a different purpose. One episode may be to prove the veracity of My anointing through ordination; another may confirm the power of the sacraments I have established through ordination. Another may be to confirm a young soul in the power of his healing gift, and to bring into being deeper levels of faith and compassion. Another may be to enlist the prayers of others, like the man who visited him in the worst moments and went out to the community and gathered many prayers."

"With each episode, there is a truth and a confirmation being stamped and confirmed into reality for those present. It is My reality, and I use these moments to accomplish more ends than you can fathom, in everyone present. And I want you to remember... Many are called, few are chosen. And even fewer respond. No matter how deeply this grieves Our hearts, We will not lessen Our love or charity, nor will We give the devils opportunities for division. Each must choose their own path. Whether it is Mine or theirs, still it is free will — and I honor that, no matter how painful."

"So, I have explained much of your cross to you. Now you must take it up and walk with it. However, even as Simon, a mere mortal, helped Me carry My cross — so I am with you, Clare, in My Divine Power, helping you carry yours. Of this you can be sure. And I know in minute detail every step up that hill."

"Persevere in My grace, I will not let you down."

"And for you, My Heartdwelling Family, know that it is no sin to grow weary. As long as you just don't give up. Come to Me for the strength you need. And I will supply it. That is My promise to you."

**Chiara said... 'If You want it, Jesus, I want it too'**

April 24, 2018 - Testimony from Chiara Luce

Clare began... Help us, Lord, to love You as she did. Forgive us for being afraid of suffering for Your sake. How very sad we must look to the souls in Heaven who conquered everything for love of You.

Lord, I am not willing... but You can make me willing to be made willing.

Jesus thank you for introducing us to a true saint. A young girl who was passionately in love with You. Who had everything to live for in the world, but she felt nothing at all for the world or her own comfort. At age nine, she joined the Focolare Movement and received the nickname "Luce" by the founder Chiara Lubich. When she was 16 she was diagnosed with osteogenic sarcoma, a painful bone cancer. Chiara succumbed to the cancer on October 7, 1990 after a two-year battle with the disease. Her motto was... 'If You want it, Jesus, I want it too.'

So this is her story...

Chiara Badano was born on October 29, 1971, to Ruggero and Maria Teresa Badano in the small village of Sassello, Italy. The couple waited and prayed eleven years to have Chiara. They considered her to be their greatest blessing. While Ruggero worked as a truck driver, Maria Theresa stayed at home to raise Chiara. Chiara grew up with a strong and healthy relationship with her parents, but she did not always obey them and would occasionally have fights with them. One day, Chiara took an apple off a tree in a neighbor's orchard; her mother later recounted the event...

"One afternoon, Chiara came home with a beautiful red apple. I asked her where it came from. She replied that she had taken it from our neighbor's orchard without asking her permission. I explained to her that she always had to ask before taking anything and that she had to take it back and apologize to our neighbor. She was reluctant to do this, because she was too embarrassed. I told her that it was far more important to own up than to eat that apple. So, Chiara took the apple back to our neighbor and explained everything to her. That evening, the woman brought her a whole box of apples saying that on that day Chiara had learnt something very important."

Chiara attended her first meeting of the Focolare Movement in September 1980 when she was only 9 years old. This group, especially its founder Chiara Lubich, had a profound impact on Chiara's life. The group focused on the image of the forsaken Christ as a way to make it through difficult times.

Chiara later wrote that... "I discovered that Jesus forsaken is the key to unity with God, and I want to choose Him as my only spouse. I want to be ready to welcome Him when He comes. To prefer Him above all else."

While Chiara was a conscientious student, she struggled in school and even failed her first year of high school. She was often teased in school for her strong beliefs and was given the nickname 'Sister'.

Chiara made several good friends, often going out late at night to have coffee with them. She also enjoyed the normal teenage pastimes such as listening to pop music, dancing, and singing. Chiara was also an avid tennis player; she also enjoyed hiking and swimming.

During the summer of 1988, when she was 16 years old, she had a life-changing experience in Rome with the Focolare Movement. She wrote back to her parents, "This is a very important moment for me: it is an encounter with Jesus Forsaken. It hasn't been easy to embrace this suffering, but this morning Chiara Lubich explained to the children that they have to be the spouse of Jesus Forsaken."

In the summer of 1988, Chiara felt a sting of pain in her shoulder while playing tennis. At first she thought nothing of it, but when the pain continued to be present, she underwent a series of tests. The doctors then discovered she had a rare and painful form of bone cancer, osteogenic sarcoma. In response Chiara simply declared... "It's for you, Jesus; if you want it, I want it, too."

Throughout the treatment process, Chiara refused to take any morphine so she could stay aware. She felt it was important to know her illness and pain so she could offer up her sufferings. She said... "It reduces my lucidity and there's only one thing I can do now: to offer my suffering to Jesus, because I want to share as much as possible in His sufferings on the cross."

During her stays in the hospital, she would take the time to go on walks with another patient who was struggling with depression. These walks were beneficial to the other patient but caused Chiara great pain. Her parents often encouraged her to stay and rest but she would simply reply... "I'll be able to sleep later on."

One of her doctors, Dr. Antonio Delogu, said... "Through her smile, and through her eyes full of light, she showed us that death doesn't exist; only life exists."

A friend from the Focolare Movement said... "At first we thought we'd visit her to keep her spirits up, but very soon we understood that, in fact, we were the ones who needed her. Her life was like a magnet drawing us to her."

Chiara kept her spirits up, even when the harsh chemotherapy caused her beloved hair to fall out. When a lock of her hair would fall, Chiara would simply offer it to God saying... 'For you, Jesus'. She also donated all of her savings to a friend who was going to do mission work in Africa. She wrote to him... 'I don't need this money anymore. I have everything.'

To help prepare her parents for life after she died, Chiara made her parents dinner reservations for Valentine's Day after they refused to leave her bedside. She also ordered them to not return until after midnight. She also wrote... "Holy Christmas 1990. Thank you for everything. Happy New Year", on a Christmas card and hid it among some blank ones for her mother to find later.

While undergoing a painful medical procedure, Chiara was visited by a lady... "When the doctors began to carry out this small, but quite demanding, procedure, a lady with a very beautiful and luminous smile came in. She came up to me and took me by the hand, and her touch filled me with courage."

"In the same way that she arrived, she disappeared, and I could no longer see her. But my heart was filled with an immense joy and all fear left me. In that moment, I understood that if we're always ready for everything, God sends us many signs of his love."

(Clare) Wow. That sounds like someone from the *Great Cloud of Witnesses* that came to visit her and imparted a grace to her.

Chiara's faith and spirit never dwindled, even after the cancer left her unable to walk and a CAT scan showed that any hope of remission was gone. In response, she simply said... 'If I had to choose between walking again and going to heaven, I wouldn't hesitate. I would choose heaven.' On July 19, 1989, Chiara almost died of a hemorrhage. Her faith did not falter as she said... "Don't shed any more tears for me. I'm going to Jesus. At my funeral, I don't want people crying, but singing with all their hearts."

Cardinal Saldarini heard about Chiara's illness and visited her at the hospital. He asked her... "The light in your eyes is splendid. Where does it come from?" Chiara simply replied, "I try to love Jesus as much as I can."

Before she died, she told her mother... 'Oh Mamma, young people... young people... they are the future. You see, I can't run anymore, but how I would like to pass on to them the torch, like in the Olympics! Young people have only one life and it's worthwhile to spend it well.' When Chiara realized that she was not going to get better, she started to plan for her "wedding" (her funeral) together with her mother. She chose the music, songs, flowers, and the readings for the Mass. She wanted to be buried in her "wedding dress" a white dress with a pink waist, because her death would allow her to become the bride of Christ. She told her mother... "When you're getting me ready, Mum, you have to keep saying to yourself, 'Chiara Luce is now seeing Jesus.'"

During her final hours, Chiara made her final confession and received the Eucharist. She had her family and friends pray with her. Chiara Badano died at 4am on October 7, 1990. She passed with her parents at her bedside. Her final words were... "Bye, Mum, Be happy, because I am."

Two thousand people attended her funeral; the mayor of Sassello shut down the town so people would be able to attend

### **Jesus says... I sent her! Chiara's Visit & Comforting Words**

April 25, 2018 - Words from Jesus and Chiara to Sister Clare

Clare began... Lord Jesus, thank you for the saintly soul you've brought before us to consider. I think we all feel conviction and see ourselves as having fallen way far short. Please help us not to recoil or condemn ourselves, but to acknowledge that there is room for improvement in denying ourselves, picking up our crosses and following You. Amen.

So, when I came into prayer tonight, and entered into worship, I thought I saw Chiara in the spirit holding my right hand, with Jesus beside her. So, I said... 'Is Jesus your Lord?'

She replied... 'Jesus is My Lord, My God and My all.'

Well, in my experience I have never heard a demon make that confession; they have always, categorically, stomped off indignantly, saying in an ugly voice... 'NO! HE IS NOT MY LORD!'

Chiara began to speak... "Do not beat yourself up, Mother. There is so much that is yet a mystery to you. But I encourage you to embrace His will with all your heart, and be convinced of His Faithfulness — for much glory will come from this healing. In no way would Heaven mislead you in these most difficult hours and lead others astray. What He has told you, what He has said, shall surely come to pass. You must be strong and faithfully believe in His promises to you."

"As you have often said today... 'Not all are called to die at 18 or even 22, as many of the Saints have.' You have not been called to die at all, but not because of fear, but for the purposes of God — as startling and unusual as they are."

"Your only call is death to self — and believe me, that's a big one, especially in your case. But do not be concerned. It is a long journey with many baby steps and you are progressing. There are times that seem like a setback to you, but that is only an illusion. They are times of

reconsideration, so you may step back and see how far you have come, then move forward with more energy and resolve that you are going to make it, because He lives in you and is with you in every possible way."

(Clare) Just as an aside here, when she was saying that—I was wondering, 'How does she know all these things?' And I realized, in Heaven, everything is plain and clear to everyone else. They look at you and they already know everything about you. It's instantaneous, because Holy Spirit permeates everything. And there's no flesh to get in the way. And there's no demons to deceive you!

Chiara continued... "I was asked to visit you both, because you are suffering much as I did and you have brought glory to the Lord Jesus by sharing my testimony. And for that, I thank you greatly."

"There are so many young people, Mother, who haven't a clue as to how to live a holy life. They look at the saints of old and say... 'That was then, but now are modern times. It's not the same.' I beg to differ with you, young ones; it is quite the same. Suffering and long-suffering are still very big factors in the lives of modern men. And for that reason, I was chosen to live and die a white martyr — testifying to the power of Jesus to transform souls, until there is nothing in the world left for them and they are pleased to ascend into His arms, leaving everything of the world behind."

"It was very, very hard for my mother and father. They were quite beside themselves that now, their only child whom they prayed and waited for, was to be taken from them. This was unbearable pain to them until the Lord's love stepped in and embraced them, making them saints, as well. As you have often observed, Mary made the sacrifice of her son for us—and that, too, is excruciating."

"I want to encourage you to remain faithful to His promises to BOTH of you, for He will surely do as He has said He will do. I love your Channel, and I will surely send souls to you who need to confront their fears and misunderstandings about who Jesus really is to them. Good bye for now. But I am only a thought away, and I support you with my prayers to the Father. Everything will be ok. The darkest hours are just before dawn. And Dawn is coming."

(Clare) Well, I was kind of left speechless at that point, and I just said... "Thank you."

"You are very welcome" ... she replied.

(Clare) And I said... "Lord, are You here?"

(Jesus) "And where else would I be? Aren't you in need? Didn't you just receive Me in communion? Don't I shelter you in the shadow of My wings? Always?"

(Clare) Wow! That is saying a great deal! Yes, You do. Thank you. What am I to think of this encounter, Lord?

(Jesus) "It is no different than what you encountered in Heaven with Ita, Moses and others. Her presence in the Cloud and her attentiveness to your circumstance are a gift from Me. On Earth, so many feel all alone, even though I have given My Word and it is written... There is a Cloud of Witnesses cheering you on and even lifting you to My Father for success in your missions."

"And I am blessed, Clare, that you have had the courage to be utterly honest with our family of Heartdwellers, knowing full well you will be persecuted and falsely accused because of these encounters."

"The truth is, there are many ministers of God who have dreams and interactions with those in Heaven, but they don't dare to say this is authentic, right and normal by My standards. They know they would be rejected by those who have little discernment and cling to religious customs before Truth."

"But no matter. You have been faithful and I am pleased, despite your fondness for caramel Frappuccino's. Really. Lay down the guilt and be at ease. Stop beating yourself. You are coping, and sometimes when souls cope, they reach for their baby bottle or their thumb and just comfort themselves."

"By the way, your caramel is some of the best I've ever tasted." (He smiled.)

(Clare) My husband says it's too bitter... I don't make it very often. But if the Lord likes it, great! I smiled. He lifted my chin and said...

(Jesus) "See there, I made you laugh. I see those wounds and the stress you are dealing with, and I want you to be comforted, without guilt."

"My Heartdwelling Brides, humble yourselves before My mighty hand and I will show you great things you never dreamed possible. You have been stolen from, under the guise of protecting Truth — when in reality, Truth has been exchanged for men's spurious conclusions, fears and trending doctrines. The flack you will get from others, if you embrace what I am teaching you here, will be the more intense, the more threatening it is to current thought and doctrine in the modern church."

"You are not to base your lives on healthy tradition alone, but also on the Scriptures. And there are still many, many dots you have not connected to reveal the truth of what is indeed happening around you."

(Clare) At that point, I remembered that Ezekiel had had an encounter earlier today, and I said... 'Lord, did You allow her to visit Ezekiel earlier today?'

(Jesus) "No, I did not allow it; I sent her to him to comfort him in his concerns for protecting you from what he has been feeling on a bad day. I sent her to encourage and share with him some of the same things she suffered, so he wouldn't feel so alone."

(Clare) Chiara told Ezekiel, not to protect me from times of symptoms and pain. That he should be patient, as timing is very important in his condition and his healing. That she was also terribly humiliated when certain cleaning functions were done for her. And that he could not see from his perspective what is truly going on with all of the circumstances he and I are suffering. Also, that it was very important for him to have faith that God is faithful to His promises, and that her mission in life was very different from his.

I think you all remember the messages the Lord has given me about a soul being predestined before birth — that they are shown what their life will be and asked for their consent. Well, Chiara knew from conception what her path in life would be. She was, however, a normal Christian

girl, until she had a profound conversion when she embraced Jesus Forsaken as a part of her studying with a group that felt called to that particular devotion.

I have to confess that I have already cried to Chiara... 'Please pray for me, that The Father will give me more love for His Son, and I will learn how to suffer without complaint as a gift of love to Him.'

And then I thought, 'You know. I really want to compose a prayer to her. Something like... "Dear Chiara, you can see now what we cannot see. You know our struggles from what you have observed. Please intercede for us to Father God, that we will come to love and give ourselves completely to Him saying... 'If He wants it, I want it too.' And that we will trust that His grace will truly be sufficient for us."

(Jesus) "Clare, these are good thoughts and prayers. Rest assured that your path is different than hers and that I will still do what I have promised you. You've not bitten off more than you can chew. I am very much guiding your requests and petitions."

"Heartdwellers, you are to use the same guidelines in the spiritual world with any visitor that you use with Me. See to it you are not led astray by demons masquerading as saints and angels, as so many have been. Use your discernment tools and beware of flattery or fear. These are two of the manipulative tools that will most commonly be used to try and mislead you. Test the Spirits and see if they are of God. I will be with you in this."

"And for the rest who do not wish to recognize angels and heavenly visitors, there is no condemnation. That is your choice. And let us preserve the beauty of our relationship together with no guilt whatsoever."

"But in saying that, there is no detraction from our pure relationship if you do cultivate this gift of the Spirit, welcoming a heavenly visitor and exercising discerning of Spirits. In truth, this is no different than welcoming a friend on Earth into your home, and discussing your trials together and asking them to intercede before the Father for you. The Body is One indeed, under One Head. Amen. Amen."

## **Jesus speaks about Ezekiel's Healing, Clare's Relief & A Word to their Enemies**

May 1, 2018

Clare began... Thank you, Jesus, for the beautiful things you are doing in our spirit, soul and body. Thank you for mending my husband's health and turning it around, and bringing him back from the very brink. How beautiful to see his recovery. Thank you, my precious God! Oh, how can I thank you?

Well, dear Heartdwellers, forgive my long silence. Things took quite a turn for the better four days ago and I've been waiting to see if it was real and substantial... And I am overjoyed to report that it is real!!

Praise my Dear Jesus! He did not give us over to the will of our enemies and Ezekiel is steadily recovering his strength and not having any problems with his G. I. In fact, everything is running very smoothly, as never before. It came to light that he had been having TMI's (mini strokes) for days and that created a serious impediment in speech. And that was freaky... He couldn't

articulate or control the movements of his hands and feet. And any little disturbance would set him off into a stroke-like pattern. There was brain damage, but it has been healing and now his speech and motor skills are perfectly normal.

The Lord revealed to him that he was rewiring his brain to remove incidents from his childhood that had warped his personality as an adult. Who would have thought, that what the devils meant for evil, God turned to super-good, to give Ezekiel a new perspective about himself and about life and Heaven?

He has lost a good 60 or 70 pounds and is skin and bone... But happy skin and bone! Sleeping 9 hours for the first time in a year, getting up at sunrise and going outside to enjoy the gorgeous spring blossoms. Playing with the dog in the yard, making his own bed, taking showers. It's amazing, really. It's quite beautiful and amazing. And I'm so grateful to our Lord for fulfilling His promise to us.

I know it's only been four days, but the Lord has also told me he is making his recovery now. But it will take time.

Please, pray for our enemies. I want them to see that God is real. Though they wished to kill him — and to kill me — the Lord our God is mighty and has protected us. But even more than that, several people have come into a healing anointing and ministry as a result of Ezekiel's pain. They lay hands on him and the pain stops. And now they are laying hands on other people. It's amazing! So many who have come into contact with our household are being deeply affected by prayer and seeing the results of God's faithfulness. Truly he has become a sign and a wonder to many. I never expected this to happen; it is a total surprise.

Ezekiel has many times passed through the veil that separates the Cloud and seen many relatives and experienced many wonders in Heaven. He has a lot of material, and the Lord has told him he's going to be writing books. So, he is excited about that, and sharing it with you as he continues to increase in vigor.

His relationship with the Lord has blossomed so beautifully that he sits in his room and speaks out loud to Him—and hears answers. It's like two people are in there talking! I don't hear the Lord answering him. I hear him speaking to the Lord. But it's just so natural and so real. And so relaxed. It's beautiful!

Two days ago, I spoke to the Lord about my fears, because it had only been two days that he had been recovering. And I said... 'Lord, I long to thank and praise You for what You are doing with him—I'm just so afraid of a relapse... Oh Jesus, You alone know how I feel. Forgive me for my fear of suffering. Oh, I do hope this is over with. Lord, help me get back up again.'

I've got to tell you guys. I have been road kill. It's just been... I've been very disoriented and very, very tired.

Jesus answered... "I'm right here with you, crying with you. I know how violated you feel, yet I've not left you to the will of your enemies. No, I have guarded you as the apple of My eye. Even now, they plot against you, 'How can we get her? How can we get them?' But their devices are useless in the face of My warrior angels, which have been assigned to protect you, Clare."

"Get up, My Love! Get up and walk, skip, jump, cry for joy! It is time for you to build up what has been torn down. All the way back to the beginning of your relationship. So much has been removed from both of you. The ill intentions of many, along with curses."

"His feelings for you are evidence of the change. Not that he didn't love you enough before, but now, he sees more clearly than ever before the treasure entrusted to him. Now he knows, as never before, the importance of your work together."

"I'm moving obstacles of the past away so that you CAN work together in music. Many obstacles of attitude have been removed; many. They were put in your way by the enemy, but I long to see you co-creating together. I long to see your happiness, Clare, that your husband is finally onboard with your music, which I created you to do."

(Clare) Well, that's an interesting point. Ezekiel has always been willing to help me, but something would come up. You know, we'd be in the middle of recording together and things would just come up. He'd get sick. Or he'd get real tired all of a sudden. Or some emergency would erupt. I mean, just so many blocks against us working together.

And I am confident now that the Lord is sheltering us with His angels and we'll be able to move forward and work together in music. And he just loves the flute! He loves my flute playing - he encourages me so much with it. So, I'm really excited to see what we're going to do together. And the Lord is moving these obstacles away. I've seen these obstacles. I know that they've been there, because they really, really hampered us from working together.

We got one song out together... Empty Fears. And he does the rock-and-roll part at the end of the song. And even that song, I'd like to re-sing, because it's kind of... My voice cracks in a few places. There's just so much for us to do together. I'm very excited about that. And then I got kind of self-conscious speaking to the Lord, and I said... 'Oh, Lord, my voice sounds hopeless. I need a miracle.'

(Jesus) "Miracles are made by hard work."

(Clare) Then I need a miracle to work hard. I need drive. I feel so empty, so purposeless. I mean, I know my purpose, but I feel like I've lost it. Or it's too late. Or I've fallen short or my body is SO tired. Oh, Lord — You know exactly how I feel.

(Jesus) You need more fruits and vegetables, Clare. Less grain, cheese, fat. You really need a diet overhaul and paying much more attention to what you eat. And of course, exercise."

(Clare) And when He said that I thought... Yeah. The pool. It's out of commission right now. So, I said... 'But now the pool is down.'

(Jesus) "You are full of excuses as to why you can't get up and try again. Do you want Me to leave you here? Or are you going to do your best to rise up out of your perceived bed of defeat and self-pity — which is merely an illusion you've allowed the enemy to wrap around you? You are also weary from the many sleepless nights and emotionally exhausted from seeing him suffer. Your enemies have done this, Clare, but you don't have to stay here. Allow Me to lift you out."

(Clare) Lord, that's what I want with all my heart!

(Jesus) "Your faith is wavering, My Love. Believe that you will inherit the good things in the land, for truly I say to you: Arise little girl, rise up! Give Me your hand."

(Clare) As the Lord took my hand, I saw myself as a little girl about 4 years old in a pretty party dress. He picked me up and set me on the cover of the hot tub, so I was at the same level, face-to-face with Him. I also had a little crown of pink wild roses.

(Jesus) "You've been battered around emotionally; and you are weak from these beating. And your heart is still recovering from what you have seen with Ezekiel's sickness. But you know in your heart, I promised you healing. And it has begun and he is getting stronger every day."

(Clare) Yeah - and he doesn't need any pain medication!

(Jesus) "But I do understand you are waiting for the other shoe to drop; you've been conditioned into this by circumstances. But I am telling you... you have nothing to worry about. This is an upward climb to restoration, health and new equipping for him and for you."

"Yes, he sees quite clearly into the Spirit now, and is clear on how to rebuke the enemy's voice. Oh Clare, so much has been accomplished by this illness—not even to mention what has been done for that young couple you are interceding for. Truly, his suffering has made a major difference in their situation."

(Clare) And that's interesting. There's a young couple that is working on getting married and getting a lot of opposition. The young lady in the relationship had a dream. No - it wasn't a dream. She pulled a rhema card with 'Ezekiel' on it. And I thought, 'Well... He was a prophet....' I didn't know what to tell her. And then I thought about it for a moment. And I realized... 'Ezekiel is praying for you, Sweetheart! He's been offering a lot of his suffering for you.' So, that was a beautiful confirmation.

(Jesus) "I know you are proceeding with caution, but I also want you looking up into the future I have planned for you, which I will not go back on My word about. Share your Rhema cards."

(Clare) Well, I had just gotten up to get some Rhema cards. And I went to my collection of probably 800 to a 1,000 cards that I have collected in open shoe boxes for 30 years. I closed my eyes and pulled a few cards.

The first one was... 'The failures of the past, your present weakness, these have no power over you if you place your complete trust in Me. I do not disappoint good will.' WOW!! Was that on target, or what?!

The next one was... 'Forget yesterday...begin to look only at what you are doing today.' And the third one was... 'Work your vocal cords.' Yep. There's the miracle. Lots of hard work.

(Jesus) "You see, I am pointing you in the direction you need to go. Look forward, don't look behind you. Those days have passed. It is springtime now, in more ways than you can imagine. I am doing a new thing; I need you to get onboard. Come on, I'll help you."

"Everything starts in the Spirit, with My inspiration. And soon enough, it will register in the physical world and you'll be back in the saddle. I'm upholding you with My grace. I am restoring and building you back up, little by little, and look at all the wonderful things accomplished in your husband? The wonderful things he is seeing and hearing, the joy of his very open and clear

relationship with Me. And his profoundly increased love and appreciation of you. There are so many women who long for what I have given you in him. You have much to rejoice over, Clare."

"Continue to pray over the world, your president, the trafficked children, the Channel and your enemies. They especially need your prayers, for once again, they have failed."

"Now perhaps they will awaken to the possibility that Satan has lied to them and they have no power over you, except what I permit for My purposes. When they see this, they will surely question why Satan is subservient to Me. I wish to tell them that their lives are lived in fear and terror, when they could be living in joy and happiness — with Me protecting them, with Me empowering them to do things they've only been able to dream about."

"So much bitterness, so much failure."

"Dear souls in Satan's service, aren't you tired of the empty promises and failures? Don't you question why you are so limited and frustrated? You know that tearing others down opens you to being torn down by your enemies. But if you gave your life to Me, I would show you love, forgiveness, patience and true affection. I would lift you up and equip you to fulfill your dreams."

"Why live in the shadows constantly stalked by the fear of who is more powerful than you or your coven? There's always one more powerful, and jealousy provokes curses from others."

"So, you see? The more you prosper, the more you are a target for those who are jealous of you. But also the laws of this universe, that you must operate with, are bound by the rule that what you sow you will reap. So, you are sowing curses...and in turn you will reap curses."

"Is that anyway to live, in constant fear of who will curse you?"

"So, now that you see you have failed, and they have prospered. And so much more was done for the Kingdom through their purification — would you please consider? I am a good and loving God. I created you for Good not for destruction, hatred, bitterness, disappointment, anger, jealousy and rage? Those are all attributes of Satan. Aren't you tired of that yet?"

"Come to Me. Allow Me to cleanse your past from you and give you new life. I care deeply for you, and I wait. Please, come. I wait for you."

## **Jesus speaks about Curses, Crosses & The Necessity to learn how to use the word NO**

May 11, 2018

(Clare) The Lord is giving me strength and wisdom... Thank you, Dear Jesus, that You're teaching us how the enemy operates and making us stronger every day... Amen.

I have been struggling with feelings of failure... Can anyone relate to that? Even after prayer, I was so loaded down with frustrations...

Jesus began... "You are not My Failure. You are My Queen. I honor you. I love you. I believe in you and this is only a temporary storm for the good of your nation. Clare, without this suffering,

combined together with all the others on this Channel and around the world, we would be steeped in war right now."

"Yes, the threats of war have been great, even as spoken of. But greater is He that is in you than he that is in the world. And you have given yourself to Me without conditions. And I needed this from you, My Darling."

(Clare) I thought of something I maybe should have not done and He interrupted me...

(Jesus) "Let's not talk about guilt right now. Let's talk about what is good and right. You are doing your job and you will do it even better in the weeks to come. You are part of the Cyrenean's Army of Intercessors: reluctant to suffer until the sweetness of My Cross touches the deepest part of your soul, and your heart is united with Mine in the work that must yet be done. You are part of those who stand in the gap and carry heavy, messy crosses."

"Your enemies want you to think you are a failure. They wish you were! Then they would be rewarded by their master. But far from it. Everyone who loves this Channel is in the Cyrenean's army, and we are making a difference and swinging the tide from death and destruction to negotiation and settlements, deals, pacts, stop-gap measures. And holding at bay the third world war."

"Beloved, you have fallen so far in your confidence in Me. Come back to Me, Clare, and let Me re-establish your authority, your place, and your standing. The enemy relentlessly persecutes you, you grow weary and I relentlessly protect you."

"However, there are times such as these where I need that deep, heart-suffering, that I may make ends meet between even nations and peoples. You cannot afford to be distracted away from Me, in your time with Me."

"My precious little family, when you are going along fairly well and all of a sudden, distractions come from every nook and cranny and pile up on you to the point where you feel you have to answer e-mails, put out brush fires, etc., etc. RED FLAG. The enemy has cursed you with Overwhelm and Distractions. Being Sick at Heart, Failure and all things deflating and discouraging. Rally up with ME, My dear ones! Come back to your prayer closets and soak yourself in My love and healing. Do something physical to blow off the stress—like walking or swimming. Put on some positive music and KEEP GOING!"

"Without Me, you are a dried branch good only for the fire. You must abide in Me. You cannot let the enemy separate you from Me, because this is how He weakens you. You know all this, My love. Why do you let them do this to you? And that is a rhetorical question. I see all that goes on and how they hang one curse after another on you and My love burns them away. Don't grow discouraged by these curses I turn to crosses and later lift from your shoulders. Rather, rest in My arms, Clare. Lay back in My arms, knowing you are highly favored in My eyes, and by no means will evil overpower you, because you trust in Me."

"And that is why they engineer and lay traps to steal your prayer time. They know your strength comes from Me and if they can cause that tie to be weakened, they can weaken you."

(Clare) Lord, it amazes me how you use evil for good, if we are willing to be patient and put all our trust in You.

(Jesus) "And I am amazed and deeply touched by your devotion and willingness to carry these crosses. Though they feel like failure, they are simply crosses I have allowed, that someday you will see were solid gold — and then they are coming off."

"My children, be aware that the devils are very clever and miss nothing. They miss nothing, because they get a beating if they do. So, you must all watch with great vigilance the directions you're headed in each day, because they are so good at sidetracking you — especially with those closest to you that you love — and you feel you just can't say 'no' to."

"I want you who are constantly saying 'yes'— and yet it is seriously costing your relationship with Me. I want you to learn how to use the word, 'NO.' It doesn't have to be rude. But it can be, 'I'm sorry, dear, I can't stop and do that for you right now, but later I will help you.' Or, 'You'll have to find someone else, honey. I'm covered up over here. But I will say a prayer for you.'"

"Many times, the enemy throws up problems to cause you to get involved in those around you. This is what they have done with Clare and Ezekiel. She goes to work; they attack him. She gets heartsick seeing him suffer (yes, heartsick is another curse) and is unable to do what she had planned to do for the night."

"Things have changed substantially in that area, but I want you to be aware that you are being stalked and plagued with the very same tactics."

"Part of this for her has been to teach her how to cope with adversity without losing her place or orientation. This has been a difficult and painful lesson, but she's caught on. Now I want you to take a cue from her. This is how they play you. You have that time set apart; all of a sudden you get a call and have to change your plans. Or so you think."

"There are ways to inform relatives and friends that you're not in the babysitting business during certain hours and days. And they just have to cope or change THEIR plans. Your plans belong to Me for the Kingdom of God. Mostly, their plans belong to the them, for the world and the kingdom of the world. This is how Satan gets you to compromise and lose ground."

"Don't let him get away with it. Sooner or later, they are going to find out you are sold out to Me and that they come after Me. It's a painful and challenging way to get control of your life back, but you need to assess how much your relationship with Me means to you. And the longer you put it off, the more ground you lose. Holy ground."

"Hearken to Me, My people, and don't let the world steal our relationship away. Keep close to My heart and I will hold you tight. If you wiggle and squirm to get free and run with the world, I have no choice but to put you down and let you go. Therefore, be vigilant My loved ones. Be vigilant and pray for Clare and Ezekiel and their staff. The enemy truly hates them."

## **A Pastor's Letter to Clare & Jesus' Answer to His Son**

May 16, 2018

Clare began... Well, my dear Family, I want to share a letter with you from a pastor being plagued with failure by the enemy. And if the Lord is allowing it, there is a good reason, but that doesn't always make it easier. Rob wrote to me crying out for help.

He began... 'I didn't mean to come across so erratic in my comment. I just have been getting wave after wave of sickness, panic and discouragement. Being sick all the time is a very tough way to live. When I feel good, I'm like a rocket. But I am having so many unexplained health issues it feels like I am losing my mind. Not to mention, when I go to church and during the week, I have the terrible panic attacks and my nerves are so shot. I feel every noise and bang like an earthquake.'

'I feel every noise and bang like an earthquake. I am all my boys have and I'm only 39. But to be honest, some nights I wonder if I will die in my sleep. I know it has to be demonic... it's just not natural sickness. Not just the multiple panic attacks and the deep loneliness, but monumental stress that is taking its toll.'

'Also, there's the physical side. My body on the inside heats up and my hands feel like fire on my palms. I get pressure in my head and I have been having migraines weekly. I have also been having dreams that the doctor is telling me I am going to die. That I have terminal cancer.'

'More than once, the dreams were vivid. And I use the binding prayer. But I'm terrified of dying and going to Hell. I am terrified of something happening to my boys, or me not being around to take care of them. I am just buckling under the pressure. Feeling this way makes me feel so angry and irritable all the time, and my quality of life is so bad, it's effecting my boys and they deserve better than a sickly, irritable, angry dad.'

'I have come a long way's with the Lord, but I struggle with loneliness and sometimes I fall with self-pleasure. It is so hard to go full steam ahead for the Lord when I can't hear Him or spend time with Him and I am ashamed all the time—so I avoid rhemas most of the time, as well.'

'I am so scared of the doctor that I don't even want to go anymore. It's been 2 years. Lastly, I have been having lung issues. It started 2 days ago and it's like they are really burning, so I've been panicking. I asked for help, because I get so scared and don't want to die. I hate to bother you, but I been listening for 3 years almost now and I don't know what else to do.'

'Well, I know this was an extremely long reply, but if I could stop panicking and feel better, I could accomplish so much more for the Kingdom. Plus, I need the Lord close and I am sure He is done with me. Well, thank you for the email. It made this terrible day a bit better. Please tell Jesus I love Him and I'm sorry I failed Him.'

(Clare) That was the end of his letter. 'Jesus, do You have a word for him?'

Jesus began... "Hold on for dear life, My Son. Hold on to Me with all you have. This will not go on forever. I am indeed cleaning out the old to make room for the new. Submit to the indignancy of these trials with FAITH that I have allowed them for your spiritual growth. Do not be ashamed to share your struggles with those you pastor. They need to be jarred out of complacent Christianity and get real. The devil is fighting for keeps, and what you go through, your flock will also go through. So, you are paving the way. And as you handle your trials, so too will they handle theirs."

"I am asking you to lead, not by being crushed into oblivion — but by being honest about the attacks and rising above them with FAITH that I am with you and will not allow you to be tried beyond your capacity. You do not know your capacity until you reach your end. And since I am continually supporting you, there is always a safety net under your 'end'. Rise up and know that I am with you. Draw your trusted prayer warriors together and be honest with them. Have them hold you up in prayer and fasting and DO NOT, UNDER ANY CIRCUMSTANCES, RECEIVE A

WORD THAT I AM DISPLEASED WITH YOU. LIE. LIE. LIE. I am highly pleased with you, and therefore I am preparing you for the next level of ministry. But first, the old leaven must come out. And for that, there is much humbling."

"I am not upset with your falls. Rather, I forgive you and hold you by your right hand to help you get up again. People who think this is chastisement are misunderstanding My ways. Rather, I am pruning you, so you may bring forth more fruit

### **Jesus says... Focus on what is important! I am leading you out of the Box, so ponder these Truths**

May 18, 2018

Jesus began... "I don't want you to be so deeply disturbed. It is not anything earth-shaking, just difficult—and as always, you will navigate through it. In flying colors. Clare, I have heard your repentance and your feelings of hopelessness. You are nothing more than human. When these temptations assail you and you fall, you are just like the rest of humanity — no better, no worse. And you are suffering from posttraumatic stress disorder. That's why you cry so easily."

"But I have you covered, you and your family. Each and everyone of them is so precious to Me. I am guarding them as the apple of My eye. You have gone through a great deal of tragedy with them already — I could not make springtime bitter for you."

"When I say you are like the rest of humanity, you run for comfort from the nearest thing when you're feeling low. Once you have gotten over all this - and you will get over it — then you will be standing on solid ground again. I know your hurt and woundedness from all of this. I understand the depth of trial you have endured with your husband far better than you do. And let Me reassure you — this, too, will pass."

"You are going through a bit of a dark night right now. Do not despair. This, too, will soon be over. What I do need from you is consistency and faithfulness. Your voice is coming along painfully slowly, because you are drawn away by other things constantly. Some are necessary; some are not. But I want you to know that this, too, will be removed from your aching heart. Just work as hard as you can on hydration and practice. Practice does make perfect!"

"I long to see you doing what is in your heart, and you've had tremendous opposition. But you are becoming more and more aware of it during the day, of what is taking your time, as well. What needs to be added to that awareness is a conscious decision to go forward with some things, and forego others in favor of what is most important. I see you doing that. I just want you to do it more."

"Music is important. Other than prayer, and specific time with your husband, that should be first and foremost filling your day. And I do mean filling it."

(Clare) At that point, He stopped talking and He took me in His arms and started swaying back and forth with me.

(Jesus) "You just don't see the deep, deep wounds you have incurred during his sickness. And they have really taken a toll on you physically, spiritually, mentally. But I am turning the tables on this and healing you. And may I say? You will be better than new when I am finished?"

"Some things cannot be said with words, but only with hugs. I do love you, just as you are; full of flaws. I do forgive you. But I ask you to have more of a heart when it comes to sacrificing for the poor. Do with less, but take care of essentials."

"You are so desiring to go back to that state you were in, in Analomink, in Pennsylvania. When you were so very poor and happy with only Me. Yes, I understand that. I want you to have that now. But understand that you cannot go back. You must go forward, implementing the lessons of the past. And I will bestow on you the joys of that freedom you felt embracing holy poverty — free from so many likes and dislikes, wants and don't wants."

"But this will be a process — very little bits at a time. Do not embark on a project to empty your house, that would be so distracting. Instead, just cull things away as you see them, and stay first and foremost focused on singing and music."

"In the areas where you are concerned, I am protecting you from unjust circumstances. The camp of the enemy has already suffered many losses. And may I say, there is a certain reticence setting in about so many attacks against you. There are repercussions to attacking My servants, you know."

"Pray for them. Some are lying dead and others wounded. And My heart for them is that they renounce their lives in the darkness, and come into the Light to be restored to the fullness I intended for them at conception. A beauty and a life they could never imagine to be so good. So, please remember to pray for them with great tenderness."

"Clare, I am pleased with you. I do understand the pressures you've been under. I am here to comfort you, My Love, because your heart is for Me. Even Paul suffered from the same afflictions of heart and mind, and had his own way of seeking comfort in difficult times. There is not one on Earth who does not reach for a cup of cool water in their journeys through this very harsh and depleting world."

"You are all just human."

"And to you, My dear Heartdwellers, understand — she is no spiritual giant. Just a little girl with her hand planted firmly in Mine. She is assailed just as you are. She reaches for the chocolate, just like you do. And you are all so similarly endowed with temptations, that from My view and from the Great Cloud's view, you are all family. My family. Children growing to maturity, encountering the wilderness of this world."

"And when I say 'wilderness', I do not mean the beautiful places that are wild. I mean this Earth, it's cultures, it's habitations of demons — with or without some kind of body, as demon-aliens have. They are NOT family. I could not even say they are dogs, because I love and cherish dogs — and that would be an insult. They are more like poisonous vipers, continually looking for a place to inject discord, hatred, judgment and everything destructive."

"So, walking through this tangle of snakes is not easy, and only Virtue can protect you. And that is the path all My children are walking... learning the art of virtue, character, integrity. It is difficult at times, because trials must come to perfect you — and so, I permit them."

"But at the same time, you are constantly receiving instruction, prayers and encouragement from those who are around you — the visible and the invisible. But nonetheless, just as real as I am to you. Tell Me. How fair would it be to you if I allowed you to walk in the midst of vipers constantly giving you poisonous counsels, and did not at the same time give you angels and saints to instruct you through that mess?"

"Do you see? And I mean this question pointedly... do you SEE? For your own good, not only have I given you the lives of those who conquered themselves, written for you to study. I have even assigned them to you to help you overcome these trials. And that truly is the Great Cloud of Witnesses! Plus, I am always with you."

"Oh, how I detest this separation you must endure on Earth. How I long for your spiritual eyes to be opened, so you can see the friends that walk by your side and pray for you as well!"

"Certainly, the Devil has his advisors. His 'familiar spirits'. To try and poison your conscience. Would it be right for Me to allow the devils to outweigh the angels and saints in your lives? Of course not! And bear in mind, the devils have counterfeits for everything good and licit that I have established. He has nothing original in himself; all he can do is copy and pervert the good I have given My creation."

"I am leading you outside the box, My people. I am restoring you to the truths that were stolen by Satan through well-meaning men without thorough understanding. In truth, the Body does much more harm to itself than the enemy ever could. But that is because the enemy works through those with very good intentions and very limited understanding."

"So, ponder these Truths I am imparting to you. They are part of the path that you must walk to Holiness. You can stay where you want to stay. I will still work with you."

"But for those of you who want more and want the fullness of what I've provided for you, this is a difficult journey. And requires a great deal of discernment and courage."

"I bless you now, that you may go and bring forth fruit with greater and greater insight, understanding and spiritual vision. I am with you, because I love you."

## **Jesus says... Don't let the World draw you off course & Invitation to Satan's Assistants**

May 20, 2018

(Clare) Lord, only Your grace can protect me.

Jesus began... "Protect is the right word. But I cannot protect a mind that is stubbornly set on their own way. I must release them, so they can go off chasing endless rabbit trails that lead to nowhere."

"Even when you're looking for images for the messages, Clare. You go off, captivated by curiosity; finding just the right thing, and many times you pass it by just to look and see 'what else is there'. How many times do you end up coming back to the first image you saw?"

"By the way. Did you know My Holy Spirit chooses pictures for you and puts them right up in front, so you don't have to waste time? But you still do. See? There is a place you can save time, maybe even 45 minutes, to apply to music."

"Oh Dearest, there are so many rabbit trails in your life. I am so glad you are beginning to recognize them for what they are... hooks set in your jaw by the enemy. When you recognize them, don't play with them! Put them down and run from them, back to the security of prayer and work. Don't allow yourself to be played like a fish, Clare."

"Now, you see? You are sharing a truth with your brothers and sisters, and your enemies are listening in. And they're planning their next move as they catalog your weaknesses. But the good news is they just raised the bar for you, to get stronger in resisting temptation. Tomorrow and next week you will have more temptations. Bigger ones. Flashier ones. And if you've learned anything tonight, you will recognize them immediately and run from them."

"However, if you fall for them again... Well, it's a long, dry walk around the same mountain, day after day."

"My people, don't let the enemy play you! Keep your intimate prayer time with Me; allow Me to strengthen you for the day and prepare you for the challenges. Keep your hearts centered on My agenda."

"You see, Clare has allowed herself to be drawn off course by so many cares of the world, that she's not steeped in prayer and music as I would have her to be — but in the world. Now that she recognizes more clearly her errors, she can work her way back into the deep places with Me. And beautiful things will flow out from there, a virtual river of life."

"But it is almost impossible to want the choicest things in life when your appetites are set on your flesh. You suffer from this; you become weak and spiritually emaciated."

"And for you who still expect good things from Satan. You can learn all these techniques for entrapment and apply them in your curses — but you do not see the entrapment to the lies of Satan that you're living your lives by. You know what I am telling her is so true, because you use it against your enemies. But you cannot hear Me when I tell you that you are pitifully trapped by your passions, which Satan has promised to satisfy."

"He cares nothing for you! He's just using you to try and hurt Me. And his hell is NOT filled with delights, but fire and brimstone and endless torments."

"Do you think I rejoice over your end? I do not. I brought you forth in love, hoping for the best for you. But Satan used the weaknesses of man to wound you so deeply, that all you can think about is how to avoid pain and control others, and bring them down for a supposed reward from a demon who has nothing but temporary perks and eternal fire to reward you with."

"I call to you, those of you trapped in the darkness. I cry over you and I call to you... 'Turn around and come to Me, repenting before it is too late. Examine closely the character of the one who says he will reward you.'"

"He has resources on Earth to reward you with, because he is the god of this world. But it ends the day you die and his demons come for you, pulling you into the abyss with hooks and chains."

There you will be tormented with the foolish ones who sold their souls for the very same promises."

"Wake up! You're living a lie! Just like he has taught you how to lie and deceive others, he is lying and deceiving you. Why? Because he hates you!"

"You see, you still have a chance to inherit eternal life and live in Heaven with Me forever. He has lost that right and only has eternal torment to look forward to. He made his decision. So, to get even with Me for throwing him out of Heaven, he works day and night to take you with him to the fires I created only for him and his fallen angels. NOT for you."

"Yes, he will scream out at Me... 'Hey! I got this one! I got that one! I hate you Son of the most High God. I will take every one of your creations and pervert it, bringing it down to Hell with me!'"  
"Who do you think is responsible for destroying the Earth? Stripping it of its gardens and coral reefs, destroying the environment to create more suffering to My creatures. Yes, it is he, because he can only create a wasteland. He has no power to create a Garden of Life, because everything he touches turns to death."

"Is this who you want to spend your eternity with? Being burned, cut open and stripped of your skin — only to have it grow back again to be tortured eternally? This does not have to be your end!"

"Listen to the way I treat Clare, even on her worst days. Look at the way I protect her from you! 'You can go this far — and no further!' Look at the way I bless her. And while you are at it, look at the way she has grown, with thousands of others who have also grown closer to Me—because they overcame Satan's plans to destroy their lives."

"Really. Take the time to look, listen and think about who you are serving. I want you back, but you must make the choice. I don't care what you've done. I have seen every moment of your life. And yes, I was there with you when you did it."

"But I hung on a Cross to pay for your sins, because I love you and I want you back. Think on these things, souls steeped in darkness and lost to the Truth. Think on this. I loved you enough to die for your sins. Do you think Satan would do the same for you?"

"And for the rest of you, My family, who have gotten off track following your flesh. You will never have happiness down that road; it is a dead end. Make the decision now to circumcise and cut away the flesh and live for the abundant life I am offering to you in the spirit."

"Come to Me, just as you are. I will help you to see clearly to repent and be restored to the Kingdom. Then I will make of you a Vessel unto Honor and reward you with the work of your dreams, and clothe you in My salvation."

"My Father will no longer see your failures and your filth; He will only see your glory. The glory that I dress you in. Come to Me. I will protect and bless you, and deliver you from the torments of Hell."

## Jesus says... Beware of Compromises & Abide in the Vine

May 23 & 29, 2018

(Clare) Thank You, Jesus, for the warning. Please grant us the vision and grace necessary to avoid these attacks. Amen.

To my most precious veteran Heartdwellers. There is an attack coming from the enemy against those of us who have been on the Channel for a very long time. But here's the warning: it is going to begin with something so small and subtle that you will not recognize it when it begins. At least, not without God's Grace. Please be on extreme alert for the little foxes that spoil the vine. One little decision can have HUGE repercussions, so be on the lookout for what the enemy's up to. Forewarned is forearmed.

Jesus began... "I love you so much, Clare. And I am committed to bringing you to the phase of spirituality that you desire with all your heart. This is why I allow these things. It is not to punish you, but as you said, to use as a steering fence to keep you safe from the vipers and scorpions."

"You and I have a truly beautiful relationship, and part of that beauty is My promise to keep you on the right track. Each one of you Heartdwellers have the same wonderful relationship, and you've spoken your hearts to Me so many times, that permission to correct you is a given. This way, I keep you tucked into My Heart where the abundant life of love and wisdom flow out upon the world."

"Do not compromise. As Clare learns again and again, there is nothing in this world worth having if it is against My will and best interests for you."

"You can fudge and manipulate, but sooner or later I will have to lower the boom, so to speak, and bring you back to My Heart—to your first love."

"Cleave to Me, dear ones, and reject the setups and temptations the enemy has laid for you. Understand he is very subtle. Examine the fruits in the long run. Is there a temptation hidden there? Never over-estimate your strength in the face of temptation."

"If you are listening very carefully, you will hear My warning either in your head or in your gut. Pay attention to that, and stop it at the entrance, and it will not expand to produce rotten fruit in your hearts."

"I am for you. I am with you. I am in love with each and every one of you! And there is nothing I will withhold from you if it is good for you to have it. Trust Me. Listen for My cautions. Consider the repercussions in the long run. And if there is a possibility of compromise, reject it straight out—close the door on it. Walk away from it. RUN away from it!"

"Don't I mean more to you than that? Be firm, be strong, be courageous. All the prayers in the world will be of no avail if you compromise and let it get a stronghold in your life. Beware of the young lions. This is a secret... when you are faithful to think through things and fully obey Me, I protect you from serious consequences. I love you. I am with you. I hold you. Only, be faithful to listen carefully and obey."

(Clare) Oh, my dear ones. I just couldn't resist! I was just 'bouncing' this to my desktop and going on the Net to look for an image for this, and this rhema came up.

"Persevere in the things you've begun with the Holy Spirit. Do not forsake your perfection, as happens with some souls. But avoid all the snares of darkness. Strive always for the more perfect things."

Amen? Amen! What a beautiful confirmation. Thank you, Holy Spirit.

### Message from May 29, 2018

Jesus began... "My dear ones, be patient with Clare as she applies herself to My mandate to sing. It will not be her voice alone that will be coming to you, but My very special anointing, to go deep into your souls and hold your attention. To the articles of our faith. To the battle plans of the enemy — which hinge almost totally on how well you protect Virtue in your lives and keep doors shut."

"All of you have had substantial losses over the past few months and much heartache. I am wanting to turn that around now. But I ask of you, please... keep up your prayers for your president and the world. Please be ruthless with yourselves in identifying lapses in virtue or compromising your faith. And especially making compromises with the world when you know in your hearts that I do not approve of certain things."

"Your safety and right to exercise your mission and ministry depend very much on the life of virtue you lead. If you have a wonderful gift to cultivate, understand it will not move forward very far if you are compromising. When you open doors, the enemy rushes in and you have to stop the creative work to brandish the sword and repent for failures. This sets the work back."

"It is a privilege to be used in ministry of any kind. But this privilege gets suspended when you have to drop everything to fight your way through each day."

"This is why I admonish you to stay pure and faithful to My known wishes for each of you, particularly, so that you keep the doors shut tight and your defense is seamless. The moment you compromise, gossip, judge, spend money you shouldn't, let duties get behind—when you do these things, you open doors and it makes it doubly hard for you to keep going, let alone expand into the beautiful callings on your lives."

"Oh, My Loves! Do spend ample time with Me. How I long for your company. The Branch can only bear fruit when it is attached to the Vine. And the enemy has made great inroads with many of you who have not been vigilant in protecting our trysting time."

"The more you long to be with Me, the more you give in to that longing—the deeper, wider and fuller your anointing becomes. Because we are One in each other and I labor through you to bring forth the fruits of salvation and sanctity in your lives and the lives of your families."

"So, if you are feeling flat or dry, please remember: the Branch can bring forth no fruit unless it remains healthy, drawing its life from the Vine."

"I am the vine and you are the branches. The one who remains in Me, and I in him, will bear much fruit. For apart from Me you can do nothing" John 15:5

## Jesus says... I so long for you, but Man in his Pride does not like to obey

June 4, 2018

Jesus began... "My precious family of Heartdwellers. Indeed, I love to dwell with you in your hearts. And those who do not yet understand what that is, it is the prayer of worship and delight you take in My presence."

"And how do you arrive there? By letting go of the World, your opinion about yourself, and longing for Me deeply in your heart. I do not disappoint good will. Obedience truly is the way to My Heart and to the Revelation of My Being."

"I long to reveal Myself to all of you, but some of you are not quite ready. You are still hanging on to the pleasures of the World. You're still resisting me in things I've asked you to do. And Clare struggles with this, as well. But when you resolve in your will that nothing is more important to you than Me, that's when I will be able to change your heart."

"Ask for this... 'Lord, change my heart, so that You are the only thing important to me.'"

"This does not come overnight. For most, it is a journey of letting go of the World and embracing what you think will please Me. It's a matter of deep integrity. To integrate your values as a Christian into your whole life, with no corners of darkness where the devils may exploit you."

"It is when you give permission to the little things, against what you imagine My will to be for you, that the enemy gets a toe-hold inside the door to your heart. When the door is barred, he cannot even begin to gain entrance into your heart — so he works on you. Playing you. Feeding you permissions to do what I would not have you do. Even as Satan did in the Garden, as he lied... 'Surely you will not die if you eat of this fruit.' Yes, he talked Eve into doing what she knew was wrong - and look at what it cost them."

"You do not see the monster trying to enter your heart. Rather, it looks more like a tiny mouse, the issue is so small. But understand it can become big and overwhelming in very little time. Just like a tiny match in the forest can destroy thousands of acres, so can a tiny compromise do the same."

"I am repeating Myself, because I long to have intimate fellowship with you all, and it hurts My heart just as much as it hurts yours when we are not communing together."

"Oh, how I miss you, My precious ones! This is why obedience to the 'little' things is so important. It takes you from one rung on the ladder to the next and the next and the next. And pretty soon, you are in My arms and we are having that sweet time of fellowship we have both longed for."

"You see, man in his Pride does not like to obey. He seeks independence, self-sufficiency, doing it his own way, his own prowess and devices. Making his own decisions. But in My world, it is the little ones who seek dependence on Me. Trusting Me, they find completeness in Me, and leave the prowess up to Me in dealing with the World and the devil. It is the worshipful heart that stirs Me to pity and longing for you."

"Is it not difficult to worship when you know you have transgressed or neglected My invitations?"

"I do not expect you to be perfect; just long to be perfect for Me. This moves My heart. Selfishness pushes Me away and I must take you through a series of lessons to learn how important selflessness is. You must meet yourself at rock bottom and discover how very vulnerable you are before you are totally willing to allow Me to be your everything, your provider, your all-in-all."

"And work with all your strength to resist the temptations and allurements of the World. And to work with all your strength, to do the things that I have asked you to do. That I hint at you to do. Things that you don't want to do, because of a hurtful past or difficulty in your environment. Things you just don't want to do, but yet you know deep down inside I want you to do them."

"Cleave to Me, My precious ones. Cry out in temptation and run from every occasion of sin. Beg Me to remove that stubborn self-will that stands in the way of you doing what you know I really do want you to do."

"And if you fall, return to Me with a docile and repentant heart and I shall restore you."

"But the greatest blessing of all is the sweet fellowship we will have, because you have chosen Me over all else in the World. Even over yourself. Remember... this is a journey, and I am committed to you all the way through to the end. Be committed to Me as well and I will fulfill those empty and aching places within you with My sweet presence."

## **Jesus speaks about hidden Motives, Pride, Avarice, Greed & The middle East**

June 6, 2018

Clare began... Thank you, Lord, for not giving up on us, but being there by our sides as we go from glory to glory, learning Your ways and conforming our lives to Your perfect will. Amen.

Well, just an update, dear ones. The Lord is so serious about keeping us on the straight and narrow, that at times we are bound to fall. Listening very carefully is so important. But sometimes He doesn't tell us when we are stepping into a trap, because He wants to draw out the deeper motives of our hearts and reveal them to us.

As you know, Ezekiel is growing stronger every day and excited about what the Lord is doing. Just after his healing, the Lord said He would leave a little bit for offering in times of international distress and need. And last night he was called into service again for President Donald Trump, President Assad, Israel, N. Korea, and of course, Kim.

But there are usually two aspects to a suffering. One is a door we opened. The other is a dire need for intercession.

And we did open a door. Actually, I've been seeking the Lord for three days on what door we might have opened, because symptoms started popping up that told me that something was going on. And over the years, we've noticed—very consistently—the Lord sometimes reveals things to us at a time when intercession is needed for the world. So, we may be skipping along merrily thinking everything is fine. And all of a sudden, the door gets opened. We get backlash. And then we seek Him on 'How in the world did I open this door??' But at the same time, whatever we're suffering in that moment is being used to forestall the situation and make it less dangerous. Or to disarm it

altogether. And sometimes that happens when we're praying for someone who is very sick, and the Lord wants to deliver them of that sickness.

You know, as intercessors, we just never know what it is the Lord is asking us to give ourselves for.

In preparing for a new recording season, we were missing a couple of instruments — or so we thought to fill out what we needed. We went to the Lord about it, and from the readings, everything was a green light and joyful.

Well, then the first instrument arrived. Ezekiel was attacked before he got out of bed that day. And when another one arrived the next day, the same thing happened. And finally, when the last one arrived which was an inexpensive bass guitar. He was not in any way indulging himself, you know. These were things he really needed, he felt, for production. But then, a BIG door was opened on the third day and the Pain and Torment demons piled right in.

For two days, we could not imagine what in the world this was about. One of our prayer partners got Pride, but we didn't equate it with Avarice, because we felt we had permission.

But this is what I noticed. He was really enjoying listening to other musicians and just generally getting caught up on new techniques, etc. It troubled me when I saw that a lot of time was being used that way. And I longed for the day when he would just sit down with his guitar and play from the heart. Because those are his most powerful songs. I could see the focus was shifting, and I prayed that it would be revealed to him. I prayed that carefully, because... what if it was the Lord allowing him to listen to different artists?

Presumption can truly ruin a marriage. Especially if you think you are the super-spiritual one and your husband is just lagging or lacking altogether. We've been around that mountain wilderness a few times, until the Lord convicted me of Pride and Presumption.

It's a delicate balance, ladies. You see, our husbands - whether they are converted or not— many times have wisdom from Above, nonetheless. So, we don't ever want to presume that God is not leading them. Well, to make a long story short. Finally, on the fourth day, I knew a door had been opened. Because he got very sick. So, I sought the Lord earnestly to find out what it was. And we discovered it was Avarice. Wow! I really thought we were acting within God's will.

Ouch! Poor Ezekiel! He repented immediately and was so crestfallen that he had hurt the Lord. Not to mention that the equipment had to go back. The refund would go to a ministry in need. But the other half of this suffering is for the life of President Trump, for our nation and world peace.

Praying for all the major players.

So, I would ask you all to please pray for these men and situations. And also, pray for Ezekiel as he recovers from this.

So, in the stillness of the night, I went to the Lord and He began to speak.

(Jesus) "Tell Him he is forgiven. Please, please, be ever so careful, Clare."

(Clare) I'm sorry, Lord. I could have been his fail-safe if I had realized.

(Jesus) "That's true. But you wanted him to have good things, just like any wife would supply for her husband. But you must go deeper in your discernment and not let your decisions be made by shallow thinking. Go deeper, Clare. Go deeper. Whenever you get a warning Rhema, pay attention. Pay VERY CLOSE ATTENTION. There are so many subtle shades of sin, and neither one of you are used to going that deep."

(Clare) He did give me a warning rhema that was pretty pointed. And it really disturbed me when I got it, but for the life of me, I couldn't figure out who it was about. And this is what it said... 'In the primitive Church, pastors and prelates were poor men, burning with Charity - not Greed.' Wow... I got that probably about two days ago, and I thought... 'What is this about??' He must be trying to warn me of something, and I just didn't have a clue.

(Jesus) "As I said, whenever you get a warning rhema, PAY ATTENTION."

And that, guys was from my box of, like... Oh, it's probably 1,500 cards by now.

(Jesus) "When I say deeper, I mean deeper, Franciscan deeper."

(Clare) What He means by that is to make do with only the essentials. Nothing more. Oh Lord, I don't have the strength and love it takes to go that deep right now. Will you please help me?

(Jesus) "That's why we are talking now, My Love. Oh, I want to put an end to these attacks; so badly do I want them to end! Although, as you have observed, 50% is also for an offering and always comes at an opportune time."

(Clare) Jesus, I am so sorry. I was blind—just as much by Pride and Avarice as he was.

(Jesus) "And yet your intentions towards him and towards Me were honorable. That is why I tell you to never, ever judge the motives of anyone. Only I know why they did something. Even the seemingly most detestable of men, those who promote the New World Order's thoughts on how to live. They are, in essence, just applying their intellects to cause life to be 'better' on Earth. They see it as a big improvement, an end to poverty and exploitation."

"However, they are using poverty and exploitation to put something together that will never stand. Iron and clay will never stand."

(Clare) And there, He's referring to Nebuchadnezzar's statue. Which, we are in the End Times. The feet of that statue.

(Jesus) "They have been raised to believe in a better world, using the tools of their intellect—but without Me. They see Religion as the problem. Which indeed it can be — but they do not see Me as the solution."

"So you see, if you were to examine their motives, you would find honorable ideas. What they do not acknowledge is the fallen state of sin that man is in. Which means greed and exploitation will always be used to steal from the weak."

"I am coming to liberate man from this system of slavery that those from the 'great halls of learning' have consigned them to. Where every man, woman and child has an opportunity to be fulfilled in their destiny. These people fear vision and freedom, because it cannot be forced into their game plan. Therefore, they will deal harshly with and eliminate the dissenters."

"But back to your situation, My Love. Be ever so careful, Clare. The heart of man has much wickedness that is not seen for what it is. From childhood, little ones are taught Avarice, Greed, Pride — and it goes so deep in a man or woman that deep ploughing and even sometimes dynamite, is needed to dislodge it and bring it to the surface to be dealt with."

"And I know that's your heart. That you want these faults dealt with. And that's why I continue to work with you on this level. You are both forgiven. And you're wiser now. Move ahead in joy, for I am with you. And by the way, I love the song we are working on."

(Clare) Thank you for your mercy, Lord. Please give Ezekiel some relief.

(Jesus) "It will come when My ends have been accomplished and secured. Be patient, Clare. He truly is carrying the world in his inward parts. For the time being, this IS his work."

(Clare) Oh, that's hard...

(Jesus) "Precious Dwellers in My Heart. All of you have good and bad, right and wrong set before you each day. If you have offered your bodies as a living sacrifice, there will be times when I require that of you. Please cleave to Me tightly and know that I suffer with you and will remove this season from you as quickly as possible."

"When you see the Middle East heating up, you know deep intercession is needed. You can pray to be relieved of pain. Or you can pray for the Middle East — and I will relieve the pain. But it is there to remind you that this World is a lit fuse, ready to explode at any moment. And you are the bucket of water."

"We are in a war, and you are in the front lines. Fear nothing! I am with you."

**Jesus says... My People... Come to My aid! They will stop at NOTHING to destroy TRUMP & PUTIN**

June 7, 2018

Clare began... Precious Family, I'm coming to you with a request from the Lord for serious, serious prayer. Today in prayer, one of our intercessors saw that Holy Spirit is weeping over President Putin and Trump. Don't wait for the meeting with North Korea on Tuesday. Get busy NOW.

Somehow, the Lord is putting together Syria, North Korea, China, Russia, Israel and the U.S. to create a Revival of epic proportions. This cannot be done without President Trump and President Putin. And right now is a very, very serious attempt being planned to take them both out. Dear Ones, this is IT. This is the point of no return.

We have to fast and pray for President Trump and President Putin, with their families, to live. Holy Spirit is weeping, weeping, weeping over President Putin and President Trump.

Jesus began... "If you want your President to live, get on your knees. This is the most elaborate and serious attempt on his life that has ever been planned. There are a number of places I can and will snafu this - IF you are on your knees. THIS IS CRITICAL! Without your serious intercession, this evil plan will succeed."

"The Elite world powers are trying to throw the world into total confusion, because they have lost so much ground and will be losing more. I need every man, woman and child on vigil prayer for these men NOW. Please, My People. Come to My aid. Hear My cries and help Me save the world from certain disaster and calamity."

"These men are so evil and hell-bent they will stop at NOTHING to destroy these Presidents. This is unlike anything that has ever been planned before. That is why I want you all on high alert."

"On your knees and praying for the safety of these men, and that My plans will go through unhindered. I will be with you in these prayers. My Spirit will lead you."

**Jesus says... Come to Me, do not delay! This world is a wicked place & No one is guaranteed another day**

June 8, 2018

Clare began... Thank You, dear Jesus, for sharing with us the secrets of Your Heart. Amen. My dear ones, tonight I discovered something very precious about Heartdwellers. This Channel is not for everybody, because it leads right to the suffering heart of Jesus our Lord. We are not just a Christian gathering. We are called into the depths of His Passion and into travail over the World. That is why so many of us have physical pains: He is sharing with us something indescribably precious — His suffering Heart. But who embraces His pain?

My precious Heartdwellers, Brides and Victim souls, we are all called to comfort Him in His ongoing Passion over fallen man... even to the point where He grieves the loss of an unrepentant soul who did nothing but steal and murder his entire life. We will never truly know the agonies He goes through each day. But He may allow us to taste a drop of it to comfort Him. The fact that we sought Him out and wanted to keep Him company is all that matters to Him. He is totally smitten with the soul who has set their heart on His. You cannot dwell in His heart without experiencing His agonies. And yet, He calls us there to comfort Him, to hold Him, and be one with Him and all that matters to Him.

Jesus began... "My Brides, My precious ones. Eternity cannot even begin to disclose what your devotion to Me has meant."

"As the pages of your lives unfold, I hold a golden vial with the tears I collected from your eyes in your moments of grief. I have never left your side, My people. Oh, how I wish everyone to know My tender mercy that cannot bear to abandon a suffering soul."

"How I long for souls to know I am by their side! They are not alone. I am intimately involved in their lives, always trying to guide them in the right way. But they have been fed so many lies and twisted pictures of Who I Am, they cannot bear to approach Me, for fear of punishment. Yet I stand beside them, arms wide open, waiting for some sign of seeking Me."

"I approach them with great delicacy, place My hand upon their heads and allow them to sense a little of My Presence. To wake up their hearts. To know I am not going to smite them. On the contrary, I am going to comfort, forgive and pour new life into them. Not just any life, but the life they've always longed for."

"I do not care what you have done. Did I not pardon the adulterous woman? Did I not touch and comfort the prostitute who poured the precious oil over My feet in preparation for My burial? Did I not pardon the thief and murderer dying by My side? What did he say to Me? 'Jesus, remember me when you come into Your Kingdom.' Did I chastise and turn him away for the men, women and children he murdered and stole from?"

"It's not that I condone sin. It's that I came to set you free from sin, from the punishment of your sins, so you could be with Me in Heaven for eternity. I did this because of My passionate love for each and every one of you. But you will not believe this until you see the place I've prepared for you."

"Go now, My precious Heartdwellers, and dream sweet dreams about the day we will finally be together. And for those of you who do not yet know Me - dream of the most wonderful place on Earth for you. Then see Me standing there with My arms wide open to you, inviting you to step into the dream with Me."

"Even if Disney designed that setting, still it would not approach the beauty of what I've prepared for you when you finally come to Me. I am waiting for so many of you. Please do not delay. This world is a wicked place and no one is guaranteed another day. So, come. Come to Me now, while you can. I wait for you."

### **Jesus says... Giving up is not an Option! You are no Failures... Persevere & Carry on**

June 10, 2018

(Clare) Thank You, Precious Lord, for delivering me from evil. Amen.

Dear Heartdwellers, I awoke with the worst feeling of Failure I've ever experienced. I really viewed my work on this Channel as a major defeat, because I simply cannot quite get to things as quickly as I want to, no matter how hard I try. I was NOT a pretty sight!

So, I came into prayer... Actually, I was IN prayer and the Lord stopped me, 'cause He knew, how bad I was feeling and He began...

(Jesus) "I want to talk with you. This shroud of Condemnation you woke up with is NOT from Me. I can see that you ARE making efforts, and have I not rewarded you by taking away his pain?"

(Clare) 'Cause Ezekiel's been in intercession with pain since Friday.

(Jesus) "The guilt that you feel is NOT from Me. How many times must I repeat Myself, Clare? How many times?"

(Clare) 'Cause it wasn't getting through to me...

(Jesus) "This cloud was assigned to you to make you so disheartened you would give up. Satan knows you were making progress, and that you face many obstacles. So, he pelts you with Guilt over everything."

"If you will just take care of the most important things, I will bring you up slowly from this pit. Take heart, My Dear Bride. I have not condemned you. Far from it! We are working to bring you out of this Pit of Despair and into the Light once again. We will not abandon the work of Our Hearts. Not with you. Not with anyone."

"Do you see, My People? The enemy has demons trained in vicious attack, to rob you of your joy, your hope and most of all, your destiny. When you feel that it's hopeless, you're making no progress, but just going around in circles—THAT is when I am closest to you."

"The enemy uses 'coup de grâce' - the final blow, to do you in."

(Clare) It used to mean... the action or event that finally destroys or ends something. Such as in bull fighting. And that's what he's using. He's looking to that as the last resort, to put an end to me.

(Jesus) "Except there will be no 'final end' for you, but the Glories of Heaven and Eternity. He is dreaming. You are going nowhere. Do not allow yourself to even think it. You are not a failure. You are just burdened with many things right now. See to the most important things, Clare. And the rest can wait."

"Have I not told you to answer a handful of people a day, and you will eventually get caught up? To My satisfaction? There are such glories waiting for you in Heaven that you could not fathom, even if I tried to explain it. It is more than what you're expecting, because you persevere."

"Notice. I am using the present tense. That means you have persevered, you are persevering and you will persevere even more."

"In fact, there isn't any such thing as 'failure' in your life, now that you are doing your very best to live in Obedience and forsake your attractions for the World. Which is no small task with the opposition you are facing."

"None of you, Heartdwellers, realize how hot and heavy the opposition is, because they are using your own faults. To be sure that you come to the conclusion that you are one step away from reprobate, and it's all you and your character. Oh, these demons are clever! They dig deep until they hit a raw nerve, and then pile in their accusations until the tree withers."

"Do not listen to them, My people. You are facing monumental opposition. But I AM the Monumental God Who will carry you through."

"The devils also persevere, thinking you and all Heartdwellers will cave in, give up and fade away back into the World."

"No. That is not going to happen. Because they are Heartdwellers. They live their lives from My heart—sometimes unknown to them. They act from My heart. And so, from that place, they are strengthened from My very own Blood, to persevere and overcome. Giving up is not an option, for any of you, Heartdwellers."

"Where else would you go? From what place will you live this life of holiness? Certainly, you will not be pleased with the World after tasting the delights of Heaven!"

"Do not give up! Persevere. Because I have put My Resurrection Power into your body, soul, and spirit. There is no way you can fail, as long as you keep trying."

"Get up each day and say... 'No matter how much of a failure I think I am, I will persevere and keep trying. Because my God is Faithful. He walks with me, giving me all I need to reach the Goal.'"

"Then, believe that when you say it. Believe it with all your heart."

"As for you, Clare. Beloved, carry on. You would not be assailed with these thoughts if you were no threat to the enemy. He reveals the measure by which you are doing damage, by assigning so many evil ones to you. He does not waste a shot, Clare. He has so many to shoot at. He sends his best Marksmen to the ministry that is doing the most harm to him. Be encouraged. You are in that lot. He wants to stamp you out. Discredit you. And rob Me of all the souls who have left the World to become My Bride."

"He hates you with a passion. Carry on. I am with you to protect and nourish you. We are in the Promise Land. Carry on."

## **Jesus speaks about Sin, Lust & its Consequences, Suffering, Hell, Traitors & New Beginning for America**

June 20, 2018

(Clare) Jesus, our Lord of Glory, You are turning the tides in America. Thank you for using even our weaknesses to make this happen... Amen.

My loved ones, some of you are suffering terribly, because you have not discovered and repented of an offense done to the Lord. Some of you are still walking around in sins and attitudes that are causing doors to be opened, so the demons can sift you.

If your weakness is things, please do a check list and see what you've spent money on that you shouldn't have. Better still, find out BEFORE you go to the store.

If your weakness is Pride or an independent attitude, disrespect, scorn or disagreement, looking down on others? Please, please, repent and ask the Lord to change you into a gentle, loving spirit. If your weakness is finding fault with others? Oh, dear Lord—please start finding fault with yourself and excuse the failures of others as if they were nothing!

If your weakness is selfishness with your time? Please repent and take care of those around you who are dependent on your attention, so they can grow up straight and strong, not crippled by neglect.

If your weakness is companionship and intimacy, and even Lust. And you know you've crossed a line... Please repent and ask the Lord to protect you from every occasion of sin. The enemy has hundreds of thousands of demons of lust sent out on Earth, especially during the summer months, when clothing barely covers the essentials.

And these demons have one thing in mind: get you to sin and separate you from God. And I am sure that, if you are a Christian, Satan gives them bonuses for bringing you down.

Ask your guardian angel to warn you when you are headed for disaster—then HEED that warning! RUN from it! He's the one who has to pick up the pieces once your shattered conscience overtakes you.

You see, the devils are SO clever. They lure you into an innocent conversation and feelings start to stir. They whisper in your head, 'It's ok! Just this time... God will forgive you'. Or, 'You need this. You've been hurting so badly. They really care for you'.

So, you dive into that relationship... or maybe slide into it ever so subtly. And then the condemnation demons come. The Condemnation Crew is what I want to call them. They have all kinds of accusations: 'You've sinned!! You can't pray—God doesn't listen to you, you sinner.' And day after day you feel worse, so you go deeper into the relationship for relief. And pretty soon you're so entrenched and addicted, you can't make a decision to get out anymore. Or perhaps it's resulted in a pregnancy. And you know this is not the person you want to raise a family with. The Lord is SO serious about our sanctity and getting the spots and wrinkles out of our wedding gowns, that He will not let us slide in our faults. He most of all does not want to leave us to suffer in the Tribulation. So, He is allowing these misfortunes to happen to get our attention. And as always, part of the suffering is for correction, and the other part for timely world events that need to be backed up with fasting prayer.

Lord, I know they are longing to hear from You. Please, Jesus, share Your heart with us.

Jesus began... "Indeed, it truly is My heart I want to share. Oh, how I love each and every one! And it causes Me more grief to correct you and get your attention than it causes you."

"When I have to correct you, there are many factors involved. First of all — I loathe to see you suffering! Second of all, it delays the reception of graces and opportunities and promotions in My Kingdom. I must wait for you to conquer that vice or sin before I can promote you to an area where there will be even more heat, more temptations, and more occasions of sin — along with great spiritual responsibilities."

"Clare, when you are lazy like you have been for two days now, I see the souls who check the Channel for My messages, and I grieve with them that there is no comfort because a message did not come up. Really, My dearest, I know your work load has been very heavy. I have seen your efforts when you are falling asleep answering correspondence. And I am very pleased with you. And I appreciate all you do for your husband and those around you—it does have merit."

"But I would prefer you get a message up first. And then I will help you save time and energy with the other things, so you aren't 'toast' the next day, as you were today. Would you please, Clare, put that priority ahead of the others?"

"And I don't mean a letter from someone who is suffering. That counts. But you could post that letter, you know. And that way, others would benefit. I know you will do this now. I can see your heart and I forgive you."

"And let this be a lesson to all of you, My little ones. Do not neglect those who are hurting or aching for your company, for your comfort or counsel. Be vigilant, because you do not know who is about to commit suicide—that you prevented by going out of your way to spend time with them."

(Clare) Forgive me, Lord.

(Jesus) "You are forgiven. Just take Me very seriously. You know how you feel when people do not take you seriously. So please, take Me ever so seriously."

"What you have shared about Lust is totally overlooked in this culture, because you're supposed to be sinning in the summertime — that's what it's gauged for. Lust and an increase in carnal appetites."

"An occasion of sin should be called an occasion of disaster, because it affects so many aspects of your life and walk when you allow yourself to fall into it. It sets back the timeline on blessings and opportunities I had planned for you."

"Because you were engaged in this sin, valuable people in your life suffered deeply and you may have even lost the good wife or husband that I had prepared for you. On the heels of that, you marry the wrong person, have children with them and find out 10 years later it all was a big mistake. Now you suffer with a broken home and children who are permanently scarred by rejection."

"Oh, My People, make no mistake. LUST has very serious, long-range consequences. Sin rots away at your integrity, your purpose in life, all the promotions you were denied—and I am not talking about money. And worst of all, the children you love are alienated and compromised, coming into the world looking for a replacement for their mothers and their fathers. And they repeat the cycle of sin."

"Now, some of you will listen to Me; others will ignore this warning that you are headed, not only for disaster, but very possibly Hell—because this sin has mastered you and robbed you of all you could have been. Don't you see? I am not a 'mean', chastising God! I am loving, forgiving, and merciful. Warning you that you will ruin many lives by selfishly ignoring My commandments and going your own head-strong way."

"And what coincides with these testings and corrections is the need for prayers and graces to be released on behalf of your government and citizens of America who have been blinded by the mainstream media. Blinded eyes are about to be opened, and your sufferings are being applied to this cause as you discover the things in your lives that have blocked My graces and resulted in various illnesses and suffering."

"I want to heal you, My people. Walk justly before Me and refuse compromise at every turn. Many of you who have fallen, if not all, have been set up by the enemy using your weak points to entrap you. But I am throwing you the rope of Grace to climb out of your pits."

"Now, to add to this. I just want to say that, even in the midst of your sufferings, much grace is being applied to your country's turn-around. And nothing you suffer goes to waste. This is the time to promote the Truth and stand behind your President (Trump). Doors of corruption are being flung open for all to see how the traitors have been destroying America."

"The Swamp is indeed being drained. But even better than that, I am about to release a tide of fresh, pure Water from Heaven that will cause you all to forget the days of the past. For I am doing a new thing in America, and we will go from Victory to Victory."

"Fresh, new Living Waters will be flowing down the Channels of Heaven into the lakes and restoring clean reservoirs. Springs of Living Waters will come up from the ground and cleanse the filth that has been, bringing with them a new anointing for government with capable leaders who

are dedicated to righteousness. This will call for a whole new crop of politicians, and many Patriots have taken up the cause to invest in the government as officials who will do God's will and truly be servants of the people and the nation."

"I am calling all willing men and women to the public sector to replace the corrupted ones. I am asking some of you to invest your life in this country, while there is yet time. I will be with those who commit to changing the nation. All of you have something to contribute to your government, and there are going to be an unprecedented number of vacancies for you to fill. I can equip you. All I need is your consent and desire to become a part of what I am doing in this world."

"My people, truly this is a time of new beginnings. Not easy beginnings. But new beginnings."

## **The Deep State blackmails President Trump with planted Nukes**

June 24, 2018

(Clare) Dear Heartdwellers. This is a serious call to prayer again. May the Lord give us strength and courage. We have just been given news of a tragic plot to keep President Trump from disclosing and arresting hundreds of traitors in this country. The Deep State is trying to blackmail the President with suitcase nukes planted in different cities, threatening him that they will detonate them if he continues to disclose the guilty. This information comes from a highly trusted, military intelligence source. I felt a heaviness during my communion service. And I couldn't wait to ask the Lord...

'Is this true?'

Jesus began... "It is. And I am calling everyone who has taken My Name and calls themselves a Christian to pray and fast as they can to prevent this tragedy of all tragedies. I cannot say America will go unscathed, but I can say that your prayers will make the decisive difference. This is why I have called Ezekiel into suffering prayer."

"My people, there are those who will stop at nothing to cover their trail in the public eye. To escape incarceration and disclosure of the network that has had this country by the throat for decades. They have worked too hard to see it destroyed. At least, that is what they think. My thoughts are not theirs. I am defending this Nation, which has done an about-face and is now listening to Me and working towards My goals for America."

"What you are dealing with is an evil regime that will devour every man, woman and child to achieve its ends."

"So, again I come to you, My People. I ask you to go to your knees and pray that the bombs will not be detonated; that they will fail, be discovered and disarmed. Pray for those who are working to stop this, that they will be sensitive to the Holy Spirit, and receive from Him the information they need to stop this. "

"Pray for the safety of all involved. I want to see this plan totally destroyed and disarmed, but it will take a great deal of prayer and suffering for some. Fast as much as you can, My faithful ones. Do not collapse in fatigue, but make it count. And do not feel condemned if you can't fast for longer times. Do what you can. Wrap your heart around this. It's desperately important to Me.

"I will move and intervene on behalf of My people, because they prayed. This Deep State is desperate and in their death throes in this country. And yet many will be arrested outside of America for their complicity. This is why they have devised such a despicable plan"

"Pray, pray, pray that they fail. My Father is watching over you, America, and this is not what He wants for you. My Spirit will travail from within you against this insidious and wicked destruction of all that is right."

## **Jesus speaks about the Delay of the Demise of America, the Antichrist & The Salvation of Muslims**

June 27, 2018

Clare began... Lord Jesus, please give us Your courage and strength to run this race and to stay on our knees until we have the breakthrough. Amen.

Well, the last 5 days have been very difficult for us, Heartdwellers. And I know some of you are expressing the same things. Each one of us has had painfully difficult burdens to carry. And were it not for the Lord's words of encouragement, we would have wondered if we were being severely chastised for some unrecognized sin. But He has made it clear... this is what it will take to bring this evil kingdom to a temporary halt. By that I mean, the ruling elite will rise up when Father God allows the Tribulation to begin. But until then, He's holding it back. So, I sought the Lord for a word for tonight....

Jesus began... "My precious children, all this suffering is adding up to a stunning victory over those who thought they would continue to reign by subterfuge. I know your miseries are many in this hour. I see how you are cleaving to the Hope I've given you. I hear the meditations of your heart that you would gladly suffer to avert a civil nuclear war. I still cannot guarantee you that no harm will come to this nation. But I can assure you, it will be the end of the season of the reign of terror these dark ones were counting on to destroy America."

"The hour of America's demise has been pushed back, yet there are still many in this country totally ignorant of what's really been going on. It is written that the Antichrist will gain office by deceit. This he has already done. But because of your prayers, he has been dethroned and will continue to be held in abeyance until the time is ripe. Your prayers have crippled his plans and given you a window of opportunity to gather in souls."

"Oh, how I have longed for this time! How I have longed to see the Muslim people brought into My Kingdom."

"The plan to disperse the people around the world, enabling Islam to take over the world, has backfired. Because many have left Islam—and that is but the beginning. Deep inside they know that the God that created them could not possibly be so brutal and cruel, and it has brought them to a crisis in faith. My Father calls them to Me, and I will continue to give them dreams, visions and miracles to bring My children Home to Me. What great comfort I have in their return. This is why the Antichrist has been detained."

"Work while you have the light, My People. Do not become vain and self-indulgent with increase, rather wrap your resources around the poor and those hungering for justice. Bring them to Me; they are ready. So very ready."

(Clare) Jesus, do You want me to share the Scripture You gave me?

(Jesus) "Yes. Share it. I will inspire Hope and Endurance."

(Clare) I felt led to pick up my Bible and go for a Rhema. I opened to the fall of Nineveh. And I'll read you the part that really struck me.

(Rhema) The Lord is a jealous and avenging God; the Lord takes vengeance and is filled with wrath. The Lord takes vengeance on his foes and vents his wrath against his enemies. The Lord is slow to anger but great in power; the Lord will not leave the guilty unpunished.

His way is in the whirlwind and the storm, and clouds are the dust of his feet. He rebukes the sea and dries it up; he makes all the rivers run dry. Bashan and Carmel wither and the blossoms of Lebanon fade. The mountains quake before him and the hills melt away.

The earth trembles at his presence, the world and all who live in it. Who can withstand his indignation? Who can endure his fierce anger? His wrath is poured out like fire; the rocks are shattered before him. The Lord is good, a refuge in times of trouble. He cares for those who trust in him, but with an overwhelming flood he will make an end of Nineveh; he will pursue his foes into the realm of darkness.

Whatever they plot against the Lord he will bring to an end; Trouble will not come a second time. They will be entangled among thorns and drunk from their wine; they will be consumed like dry stubble. From you, Nineveh, has one come forth who plots evil against the Lord and devises wicked plans.

This is what the Lord says... "Although they have allies and are numerous, they will be destroyed and pass away. Although I have afflicted you, Judah, I will afflict you no more. Now I will break their yoke from your neck and tear your shackles away."

(Clare) Yes — the yoke of the New World Order has been so heavy! All of the trade agreements and the way this country has been robbed. The lying that's been going on. All the trafficking. The human trafficking—SO cruel! So terribly cruel. And the practice of Satanic ritual murder... ALL of this, all of this. The Lord is going to break this yoke from our necks.

Well, you know we pray for these people, for their salvation and change of heart. Just like we prayed for the dictator of N. Korea. And we will continue to pray. But we want to bring a stop to the evil practices, and these prayers are what's doing it. All of our prayers around the world.

(Jesus) "Persevere in prayer, My people, you are moving mountains aside. You are crippling deadly attacks, you are changing the tide with your supplications. Your intercessions are holding the Staff of Righteousness over the raised hands of your President. Over the Amalekites. And we will have the victory."

"Yet there is much darkness in the land. Those who have led worldly, busy lives have fed themselves on superficial lies of the media. Just as in the days of Hitler—a popular man backed by Satan and his generals, has won the confidence of the people — though they can see his abysmal

failures. A shroud of blindness has been pulled over their eyes and they are responding to feelings being fed by Satanic forces."

"This is how certain movie stars climb the ladder to fame. They sell themselves to Satan and out of anonymity they are raised up into stardom. This works in politics, as well, and this is the cult that has enabled Obama and Hillary to rise and control the blinded masses."

"The day is coming where eyes will be opened, but not without a struggle. You, My People, must defend the Truth and stand for what is right. At the very least, it will sink in when you are Raptured and they will remember that you warned them. This will not make you popular. But then... I was not popular either."

### **Jesus says... Learn the Difference between My Conviction & Satans Condemnation**

June 30, 2018

(Clare) Jesus! You have broken through to me. You ARE communicating with me all day long. Please, give us the grace to hear and see what You are saying to us... Amen.

Well, the Lord approached me right away after prayer, and He said...

(Jesus) "It's been a long time since you've talked about dancing with Me, and some wonder if you still have that relationship with Me. Please tell them you do."

"Please tell them that I love to dance with them, sing over them and tenderly rest their heads over My heart. Nothing has changed in the way I have approached you, Clare, but you do not share that. So, it would please Me very much if you would."

(Clare) Okay. What can I say to that?

Oh, dear family, what a sweet gentleman He is when He wants to dance with His Bride! I always see myself in a formal gown, in the evening, on a ballroom floor. There were people milling around tonight as we danced and it reminded me of a scene from 'The Princess Diaries'.

Later, as the music changed to one of the garden songs with a playful tempo. We were dancing in a spacious garden with islands of flowers all around us. Jesus so gracefully took my hand and joyfully twirled me around and around to this joyful music. And then He played several worship songs and I entered into worship, lifting my hands, but ever so aware of His Majesty. And how He comes to us so humbly, but is still the God of all Glory.

When He approaches me, I am smitten by His natural grace and stately demeanor! And His penetrating eyes. Yet He is so approachable, so kindly, so intensely taken by a single-minded gaze from His Bride.

I've always struggled with this concept. One moment, He is my spouse and we are dancing. And other moments, I am in the midst of those who are lifting hands and worshipping Him.

And then, there is the Presence of Father God. And a song that He frequently plays for me, called 'Oh, Daddy God', a cover song by Dominic Chin. It is so moving! And it puts me right into His

presence in the Throne Room. Oh, dear ones, don't be afraid to put your songs on shuffle and allow Holy Spirit to lead you into deeper worship.

(Jesus) "What My Father and I enjoy to no end is your sincere worship and gratitude when you sing from the heart, Clare. I wish for you all to sing to Me from your hearts! And this practice of letting Us pick the songs, and the order in which they are played, is very fruitful. I long to express My love for all of you in this way."

"I do want to say to every one of you: I am with you all the time. I am communicating with you all the time. I am NEVER distant. This is a lie of the enemy to cause you to feel rejected, so you will look for comfort from him. Or things of the world, that do nothing to bring you closer to Me, but eventually can cause you to turn away from Me."

"When I say, 'closer to Me', I mean closer to being able to see and understand Me clearly. Beloved ones, there is no way you can get 'closer to Me'. I live in your hearts; we are already SO very close! What is missing is your ability to hear and see Me. This is a matter of stillness of heart and mind, and a matter of prayer and training to perceive My voice from your own, the world's, and the enemy's."

(Jesus) "If you have given Me your life, repented of your sins, and sought Me with all your heart — know that I am there. If you have given Me your heart, I have taken up residence, even as it is written in Scripture... 'If you love Me, keep My commands. And I will ask the Father, and He will give you another advocate to help you and be with you forever — the Spirit of Truth.'"

"The world cannot accept Him, because it neither sees Him nor knows Him. But you know Him, for He lives with you and will be in you."

"I will not leave you as orphans; I will come to you. Before long, the world will not see me anymore, BUT YOU WILL SEE ME. Because I live, you also will live."

"On that day you will realize that I am in my Father, and you are in me, and I am in you. Whoever has my commands and keeps them is the one who loves me. The one who loves me will be loved by my Father, and I, TOO, WILL LOVE THEM AND SHOW MYSELF TO THEM." John 14:15-21

(Jesus) "Because we are dwelling together, I hear every beat of your heart, every thought from your mind, every painful loss, and every joyful moment. Once more: I waste no time trying to get your attention and speak to you. Sometimes, it is an outward sign. At other times, it is an inner stirring and a desire that leads you."

"The problem comes when you doubt. The devils are masters at manipulating Doubt in your minds. After all, they've been at it for 6,000 years, beginning with Eve."

"Yes, that is good. Get a picture of Eve. She doubted My goodness and look where it led her and the rest of humanity? And look at where her unbelief led Me? To be crucified on the Cross."

"I dwell in the garden of your hearts, My People. And if you doubt My word to you, how can you perceive that I am there? Yet you blame Me and accuse Me of forsaking you! Don't you see? It is your unbelief that is blocking you from experiencing Me."

"What does Scripture say is the duty of a Christian? Then they inquired... What must we do to perform the works of God? Jesus replied... The work of God is this... to believe in the One He has sent." (John 6:28-29)

"And, My People, this is indeed work, very hard work. Because the Accuser of the Brethren is hard at work with his devils, night and day, accusing you to yourselves and accusing you to Me. And accusing Me to you! So that you believe the lie that I have rejected you, I am not with you. That's a lie!"

"Is it not written... Then war broke out in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back. But he was not strong enough, and they lost their place in heaven. The great dragon was hurled down—that ancient serpent called the devil, or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him. Then I heard a loud voice in heaven say: "Now have come the salvation and the power and the kingdom of our God, and the authority of his Messiah. For the accuser of our brothers and sisters, who accuses them before our God day and night, has been hurled down." (Revelation 12:7-10)

"Yes, My people, I wrote this for you, so you would know where accusations come from. Accusations always, 100% of the time, without any doubts whatsoever, come from Satan and his demons. I never, never, never accuse you. NEVER."

"I do, however, convict you—and you need to learn to discern the difference between Accusation and Conviction. I have spoken on this before, but it's always good to have a refresher. Conviction happens IN THE HEART. You feel something isn't quite right, you feel unsettled. It's an uneasy feeling of compromise, like maybe... you've missed Me."

"Condemnation almost always happens in the head and it starts like this... 'You shouldn't have done that. You are bad. You are stupid and foolish. What were you thinking? Now God is angry with you. You blew it. Now He won't hear your prayers. He's rejected you.'"

"Now, there is a reaction to those words that DOES happen inside of you, immediately. So, you must catch it at the outset, because the enemy will try to duplicate that feeling of conviction, when you are under conviction."

"But the major feeling is condemnation. Feeling badly about yourself, feeling rejected by God, unable to pray, lack of faith that you will be heard. These are all signs of demonic twists to cause you to draw away from Me, to cause you to give up on seeing or hearing Me, so you will hunger inside for any kind of relationship to fill the empty place inside. The place where all your unanswered questions and insecurities land."

"A soul can have an entire warehouse of doubts and questions — and I promise you, Satan has an answer for every single one. So, he leads you into the New Age, or Islam, or Eastern Religion, or Secular Humanism — which has been used to indoctrinate children into error from a very early age. And these children are now adults in influential positions."

"I want you to know, beyond a shadow of a doubt, that these thoughts DID NOT & NEVER WILL come from Me. EVER. If you have identified these feelings in yourself, they are from Satan, not Me."

"My reaction to you, doing something you shouldn't have done, is to come to you tenderly and hold you. Because I know how badly you feel for betraying My trust or failing in your efforts to please Me. And when you do embrace me, confession and conviction will come spilling out of your heart. I will forgive you, and you will finally have peace, along with the resolution not to make that mistake again."

"Lessons are not easily learned, My precious ones. Habit patterns tend to dominate your actions, and these habits must be retrained to correspond with Godly behavior. And this takes time."

"You are so hard on yourselves when you fail! I am not that hard on you, because I know how weak you are."

"You can be made stronger by My Grace, but it requires you to NEVER criticize or judge another soul. The actions of a soul may be wrong, and it is permitted to disclose that. Only. In extreme necessity. But as far as the person goes, never judge them. You just don't know what kind of pressures they are under or what their thinking is. I am the only One who knows those things."

"So, to review what I want you to retain, dear ones. If you feel badly about yourself or that I will no longer hear your prayers, recognize... this is from the enemy and renounce such lying thoughts."

"Then turn to Me with your whole heart and beg forgiveness. Ask for the strength not to repeat this sin. And if you are working with other souls, be sure to return them, and put them back on the right path. Otherwise, you will spread error and make the problem of self-condemnation much worse."

"Remember... I dearly love you, each and every one. You can never be replaced in My heart by anyone else. And I am always communicating with you."

"Please, learn to hear Me. Pay attention to a 'heart' rock, lying in your path. Pay attention to a balloon blowing right into you. Pay attention to a scrap of paper from a candy bar saying... 'Joy'. Pay attention to the song in the supermarket when you're shopping. Pay attention to the songs I shuffle to speak to your heart."

"Please. Pay attention, My dearly Beloved ones, and listen very carefully. Then you will know beyond a shadow of a doubt. I am truly there with you in your heart, by your side, and forever holding you close to My heart. You can never be replaced. You are one-of-a-kind..."

"Oh, bless Me with your love! The world is dark and cruel. And I need your love, just as you need Mine."
