

## Personal Message from June 29, 2019

Dear Brothers and Sisters, dear Heartdwellers of Jesus

We come to you with a short Explanation. We have received some queries as to why the News from Jesus through sister Clare would appear in our channel with such a delay.

Well, this is explained with one sentence. We need the english text files to be able to translate into german. And for a considerable time now, the texts appear with a delay of 5 - 15 days on the Heartdwellers Website. As soon as we have the texts, we can begin with the translation. After the translation is finished, it is being revised by a second person, then follow the search for images and their editing, the video preparation (EN & DE) in the video tool, the speaking and rework of the videos, rendering, uploading and publishing on Youtube and updating of the website, which requires all in all, depending on the length of message, one complete work day of 1 or 2 persons. This only for your information, because one cannot recognize all these steps in a published video of 10 - 15 minutes.

If there is a short urgent call for prayer, we will endeavour to get the english text out of the video as soon as possible in order to be able translate it into german. But for the regular teaching we will have to wait for the texts to appear on the website.

Wenn es einen kurzen dringenden Gebetsaufruf gibt, werden wir bemüht sein, den englischen Text so rasch wie möglich aus dem Video zu holen, um ihn dann ins Deutsche übersetzen zu können. Aber für die regulären Botschaften müssen wir darauf warten, bis die englischen Texte auf der Webseite erscheinen.

And regarding His messages through Clare, He also explains, how each of us can personally receive his or her own spiritual Nourishment directly from Him...

Jesus says... "You see, you don't want to become dependent on Clare for a word. No, become dependent on Me for a word. I am always with you, always. Have you forgotten I am omnipotent? That means having unlimited power; able to do anything. Do you think responding to you is outside My realm of skill? Of course not. What is lacking in you is faith, the faith to believe I am truly speaking to you. The faith to believe I really want to speak with you. I really do value your company and long to share in every facet of your lives.

"Go to your Scriptures, Rhema boxes or to the Online Rhemapage frequently, to see what I am thinking in any given moment. I will steer you through such means. I will inspire and reinforce you, encourage and even correct you when you need it. Without direction, you soon become a reed swaying in the wind and are easily thrown off track. But when you've taken the time to entreat Me, listening to Me, using the tools you've been given on this channel, you become rock solid. Your foundation is secure. No longer are you rooted in sand, your roots have now taken hold in the rock." (Link to this Message is below this Video)

In addition to this, our channel also serves to bring together the Divine Revelations through various vessels at different times. It is therefore not just a (german) copy of Clare's channel. We follow the guidance of the Lord for our channel and we publish as to how He leads and inspires us. Also the reprocessing of the older messages serves as fresh manna for the new arrivals and as repetition and refresher for those, who have been around for a while. The Lord definitely knows best, what the visitors of our channel need. We also let us be guided by Him, which of His new messages through

Sister Clare are relevant for our channel. One thing is certain, each Word of God is life, whether it was given 2000 years ago, 3 years ago or yesterday.

For those, who need to have the latest News immediately, Sister Clare's Vimeo Channel is available publicly to everyone. The link to her channel is below our videos on Youtube. You also find it on her website [heartdwellers.org](http://heartdwellers.org).

And we also recommend you to use the Online Rhemapage on our website [jesus-comes.com](http://jesus-comes.com), for a personal message from Jesus. We also try to keep the Rhema Database updated. You also can use it, so that the Lord may point out something important to pray for, if you belong to the intercessors and prayer warriors. Or create your own Rhema Box, f.i. with a shoe box and write down your own Rhemas. Bibleverses, hints or answers, so that the Lord can call your attention to something important.

We thank you from the heart for your understanding and your patience and we encourage everyone to not only watch the News, but to also receive the other teachings, exhortations and corrections of the Lord. In our channel, we have over 3000 videos with messages and teachings from the Lord, more than 1500 in english and on our websites there is even more in textform. There are also many translations into other languages, which have been sent to us by our brothers and sisters. A heartfelt thank you to all translators, who invest their time and energy to make the Lord's Word available to their countrymen. Your work is so valuable. The Lord bless you. Our son Pascal receives these translations and publishes them on our website [jesus-comes.com](http://jesus-comes.com).

We love our 'work', knowing, that it serves many of our brothers and sisters and brings them joy. The Lord gave us also the grace, that we have the time and energy necessary to do this now for several years already, without weekends or vacation. We thank you also from the heart for your prayers and financial support, for without them, we could not do this full-time. The Lord bless you all...

In His Love

Jackie & Theo
