

## Jesus says... Set aside your Opinions & Pray, for this is about Life & Death

March 16, 2020 - Message from Jesus thru Sister Clare

(Clare) Dear Heartdwellers. I have a very important, timely, and urgent message for you. And I pray you will hear it today, and don't delay to listen to it.

(Jesus) "I am calling upon you, My Church, to lay aside your man-made learning and set aside your opinions in this hour for a very specific life-and-death purpose. Many of you understand, based on the Scriptures - and an understanding I've imparted to Mother Clare - that My Mother's role is as the Greatest Intercessor you have in Heaven."

"The time right now you are living in is very much like the times of the Black Plague, when the prayer of the Rosary was completed. You cannot afford, My Brides, to ignore her role, which I went out of My way to underscore in Scripture, so you could obtain miracles and graces that would not normally be given you."

(Jackie) I've found the following regarding this topic on the Website [aleteia.org](http://aleteia.org)... Christians added "pray for us now and at the hour of our death" in the midst of the Black Plague. The "Hail Mary" prayer that Christians have been praying for centuries is composed of two main parts. The first part of the prayer is derived from the Annunciation, when the angel Gabriel greeted Mary by saying... "Hail, full of grace, the Lord is with you!" (Luke 1:28) The next part of the prayer is taken from the Visitation, when Elizabeth greeted Mary with the words... "Blessed are you among women, and blessed is the fruit of your womb!" (Luke 1:42) At first the prayer was known as the "Salutation of the Blessed Virgin", and only consisted of the two verses joined together. However, during the Black Plague (also known as the Black Death) the prayer was further developed and a second part was added to it "pray for us now and at the hour of our death". (The Link to this article is below this video)

(Jesus) "I want you to remember that I stooped down from Heaven to enter the Virgin's womb. And you would do well to stoop through this very same door to Heaven with your prayers. To reach the very center of My Heart and obtain miracles for you out of season.

"I would also ask you to come before My Holy Spirit and search your hearts, so you can repent of any selfishness, self-will, pride, anger, hoarding/acquisition, spiritual sloth, lust and rebellion.

"Come to Me. My arms are wide open. I long to hear your confession and wash you white as wool, in preparation for the Day ahead of you."

(Clare) And I just want to tell you, very quickly. Mike From Around the World, according to our core group, has a proven track record. Like...100% accuracy. And 20 years ago, he told a friend of his that his mother would be involved in a car accident. And as a result of that, complications would set in and she would die. And that was 20 years ago. He also told him that within days after her death, three missiles, three bombs, would be fired on America and explode. Three, I believe, nuclear bombs. They would be from Iran. They had Iranian symbols on them.

Well, just about 4 days ago, maybe five. This old friend of Mike From Around the World called him, shaking. Trembling in his voice. And he said, "My mother just passed away. And she died exactly as you said she would."

Now, I want to add to that, that when Ezekiel was in some of his worst trauma and pain a few days ago, at the same time he cried out, 'Black Tuesday!' And it was a time of unsurpassed suffering for our nation.

Now, I'm trying to put two and two together. I ask you. Take this before the Lord. But whether you get a confirmation or not, the one most important thing that you can do is to prepare your hearts to meet the Lord. Prepare your soul. Be clean before Him. Forgive those who offended you. And repent.

And I must add that, in the past, many of our core group have seen something happening on the East coast. In fact, I believe that Mike From Around the World may have mentioned people of the East Coast, but not what city. I think you can fill in the blanks on that one.

In addition, here are 2 experiences from the bombing of Hiroshima... Eight men were praying the rosary, the Hail Mary, at the exact time the atomic bomb went off in Hiroshima. And they were in a little Catholic chapel 600 yards from ground zero. Everything for 4 miles from ground zero was wiped out, most of it vaporized. And all 8 of these men died decades later of old age. And none of them got sick. None of them were injured. And there was a little woman in the Hiroshima library who was reading a book about Our Lady of Fatima. And she was 800 yards from ground zero. And when the bomb went off, the Library and everything all around her was vaporized, but she and the book were okay. And she died decades later of old age.

So, I'm asking you please. Take me very seriously. Call your friends. Have them listen to this message. And understand that within a few days we may be facing an incredibly difficult situation in our country.

(Jackie) Pray as you are led by The Spirit, pray from the depth of your heart and ask Mother Mary for intercession in these trying times. Also pray the Divine Mercy Prayer, Psalm 51 and Psalm 91 over the whole World. The Lord bless and protect you all. Thank you for all your prayers and support, we also pray for you. In His Love Jackie & Family
