Excerpt of the Message from July 5, 2019 – Words from Jesus thru Sister Clare

Jesus began... “I am waiting for you, My blessed ones. I am waiting for you to decide that I mean more to you than anything you now have in the world. I am waiting to see if you will press in on discernment and even discover what is written in your heart.

“I call you with a kiss. It is gentle and tender, because My heart for you is that way. I see your daily struggles in the world. I see your weariness as you build up the wealth of others while working for them. I see your longing to meditate on My Word for hours and to find the deeper meanings, the hidden treasures, for those who seek them. I am waiting for you to recognize that nothing in this world means as much to you as Me. When you get to that place, you won’t care what you lose.

“I have many things stored up for those who can and will let go of the world and all it has to offer. The greatest of these is fellowshiping time with Me. The freedom to rest in My presence for hours. The freedom to pray and repent for all those wasted years. And the inspiration I want to impart to you for a new life; work I want to give you as you cooperate with Me in saving souls. In Heaven, you will be rich. On this Earth, I can only guarantee you My Love and fellowship as we work together to bring in the harvest of souls.

“What Mother Clare is doing now is preparing a place, a place apart from the world, dedicated to prayer. Making it possible for you to create and expand your walk with Me. A place to deepen your commitment to Me, and to die to yourself and the world.

“This is not a sudden thing. It is more of a process that I am calling you to. It is from the natural outgrowth of your faithfulness on this Channel, your response to what I have given you so far. The hardest thing for you to do is to let go – let go of your life, let go of your peers and parents’ ideas on how you should live your life. In return for letting go, I can only promise you My Love and Faithfulness to care for you. To tell you what lies ahead would spoil the surprise. It is My heart for you and the fulfillment of what you’ve been given in this life. All that is needed is trust and commitment.

“I am not speaking only of the Refuge. I am speaking to all of you about the next step in your lives. Many of you listening on this Channel feel something unsettled in your spirit, something more to your life that seems around the next bend. That is what I am asking you to prepare for. Prepare for change, and know that change will be for the better.

“Many are called. Few are chosen. And even fewer respond. I love you all the same. But I ask for your response so that I can give you ALL that I have for you.”
