

Prayer Alert... Rhema August 21, 2020... World War 3 is about to begin

Dear Heartdwellers... My Heart was quite heavy today and I asked the Lord for another hint. And I just received a few minutes ago - meaning Aug. 21, 2020 at 10:55 pm MESZ - the following Rhema 'World War 3 is about to begin...'

It really is very serious, please pray the Divine Mercy Prayer, Psalm 51 & Psalm 91 for the whole World, as much as you possibly can... Cleave to the Rock, as He has explained it in the message, published today... May the Lord protect you all
