

## Is Jesus an Alien from another Planet? The coming Deception

Part 1 of 3

July 18, 2021 - Words from Jesus & Sister Clare

Note from [jesus-comes.com](http://jesus-comes.com)... Dear brothers and sisters - the three following messages (here 1 of 3) are extremely important. Those who do not "consume" them completely and very thoroughly, run the risk of being misguided in one or the other point. This is exactly what the whole theater is intended to achieve - confusion, division, unbelief or - even better - superstition. "Watch and pray..." - we have been explicitly warned. Is Jesus an Alien from another Planet 1 of 3

(Clare) Please help us to understand the times we are living in, and to remain faithful to You, but also to care for others who might see our faith as outdated, considering all the technology and extra-terrestrial knowledge that is coming to light. Help us always to give a good answer and draw all men to You. Amen.

My precious heartdwelling family, this message is a little long, forgive me. It has been divided into three parts, because I needed to quote Scripture and other sources. It has taken me quite a while to put this together, but it is so so vitally important for you to understand the beautiful Great Awakening that is taking place in our country, in our nation and in the world as a whole, and how that relates to our faith in Jesus, as Christians.

So, the Lord has been speaking to me about the Great Awakening of 2020. There are many controversies surrounding this whole movement, and some of the issues cross over into the New Age and outright reject the Messiahship of Jesus, instead talking about a universal cosmic consciousness. The tendency is to consider true Christianity and intimacy with God old fashioned and confining, too many rules, too much prejudice, etc. etc.

They do this in favor of a more cosmic model of consciousness that has different levels: the fourth and the fifth realm, and these are all terms for spiritual evolution as they perceive it, and I will try and explain that to you as best I can. So, basically, they are talking about operating in the mystical realm, at least that is what I would call it.

For instance, receiving messages from Jesus would be considered the fifth realm, a mystical realm. All Christians who operate in the Love of God, operate from the heart. They are a different breed of Christian, people who are so in love with the person of Jesus as He has revealed Himself to them, drawing each into a Bridal relationship of utter purity. Many Christians move in prophecy, words of knowledge and healing, and that would be the equivalent to those upper dimensions, the fifth, and even the sixth, as they frequent Heaven at will.

The New Age philosophy seems to believe that this kind of thing does not exist in Christians, but it has for millennia and still does, there is even a new breed of true worshippers of God in Spirit and Truth that fill that requirement and go even further in the realms of the Spirit. When I was in the New Age, forty years ago, I thought Jesus' people were nerds and limited to a very narrow life experience, you know, 'Christian-y' things, certainly not the mystical. And that is how proud and ignorant I was. Not that that is all out of my system, I do not think the Lord will ever get all the pride out of me, but He is working on it.

But there is a troubling 'new' philosophy that mixes things up, making it look like the thousand-year reign that is spoken of in Revelation. We are still a way off from that, however, according to Biblical prophecy. It will come after the Rapture and tribulation.

The overall take is that the space people, especially those from the constellation of Orion and Pleiades, some of which call themselves Pleiadean, others Lyrans, for the planets that they inhabit, are going to usher in the thousand year reign of peace by giving technological wonders to our planet. Things like med beds to cure all diseases and reproduce missing body parts, the ability to remove painful experiences from our brain, Tesla energy, free energy and flying cars that operate on principles given to Tesla. So the attitude is that all these great inventions are going to usher in the thousand years of peace, and not Christ; He is not even part of the equation.

So, it is almost like the book of Revelation has been somewhat co-opted; this is classic Satanic strategy to mix the truth of Scriptures with lies, which causes people to be confused as to the origins of things. They will mistake something that is Satanic for something that is holy, because they do not know the Scriptures. Jesus began to speak...

(Jesus) "Ah Beloved, it is the pitfall trap awaiting the curious and undiscerning. This is a must for you to address."

(Clare) Jesus, please help me, where do I start?

(Jesus) "Be wise as serpents and gentle as doves." (Matthew 10:16)

(Clare) Beloved family, we are heading into an extremely dangerous time; a time when many souls will be lost forever for Jesus and Heaven, because they will consider these supernatural technologies equal to God. The very thought of it throws Him into deep sorrow, and we have been trying to console Him and keep Him company during those moments.

And here, for those who take exception to what I am sharing with you, I want to recommend Chuck Missler's teachings, which are sound and professionally researched as he worked in top secret weapons programs and dealt with aliens one on one. He was a brilliant scientist who worked in top-secret fields for the military for thirty years before becoming a pastor and Christian teacher. His methodologies and research are brilliant and rock solid. I can think of no man more qualified to give you a straight up analysis of the true motives and realities of these subjects. He has lots of teachings on Amazon and YouTube. I am sure he is looking down on us right now from Heaven as part of the Great Cloud.

This confusion over who God really is, and who those that created these technologies are; how do they relate to one another, and how is this going to come about and be resolved? Let us look at the Scriptures Jesus gave us to reveal all truth. "For false Christs and false prophets will appear and perform great signs and wonders that would deceive even the elect, if that were possible." That is Matthew 24:24

The Lord has talked about this before, and I have shared it with you back in 2015 before the Rapture was delayed because of our prayers and the prayers of the Australians, but He has brought it up again. Dear ones, Satan has prepared a potentially fatal deception for those who do

not know the Lord and the Scriptures, and therefore are limited in their discernment. Jesus began to speak again...

(Jesus) "In this world of wars, rumors of wars, earthquakes and famines, so called "people" of a higher level of consciousness coming to earth to save you with advanced technologies will be very seductive to those who lack discernment. They are, in fact, wicked fallen angels masquerading as highly developed beings, boasting about being equal to Me. They will tell you that I am just another superior being from one of their planets and the Pleiades constellation. They will offer you peace, prosperity and good health if you follow their way of enlightenment and lead you to worship their god of lying signs and wonders, Lucifer. I have warned about this you in these Scriptures...

(2 Thessalonians 2:1-7) "As to the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, brothers, not to become easily unsettled in mind or troubled, either by spirit or by word or by letter, as if from us, as if the day of the Lord has come. Let no one deceive you in any way, because the falling away is to come first, and the man of lawlessness is to be revealed, the son of destruction, who opposes and exalts himself above all that is called God or that is worshipped, so that he sits as God in the temple of God, showing himself as God. Do you not remember that I told you this while I was still with you? And now you know what restrains, for him to be revealed in his time. For the secret of lawlessness is already at work - only until He - who now restrains - is removed."

(Clare) Ok, so who is the restrainer? We are restraining him because the Holy Spirit lives in us and is working through us in our prayers and rectifying deeds, prosecuting and executing the workers of iniquity, corrupt law makers, judges, child traffickers, murderers, gangs and drug cartels. All of the interference of the Holy Spirit through us will stop when we are removed in the Rapture. "And then the lawless one shall be revealed..." (2 Thessalonians 2:8)

Part 2 & 3 of 3

July 19, 2021 - Words from Jesus thru Sister Clare

Jesus began... "Everyone will be hailing these extra-terrestrials for their advanced intellect and helpfulness. There will be heated arguments even among believers that they are Christ-like and holy. How will you tell them apart from Me? When they talk about loving one another, forgiving, walking in peace and freedom: when they talk about higher consciousness and spiritual dimensions: when they display healing powers and supernatural signs and wonders, and when they talk about a thousand-year reign of peace, when they talk about a Christ consciousness and display great dignity. How will you know if they are truly Christians, if they are saved, or if they know Me?

"If they tell you that I came from their planet to prepare the Earth for a great awakening, how will you know if that is true? What if they tell you that My brother is Lucifer and has the very same powers? Won't the witnessing of their supernatural wonders convince you that it might be true after all? It is the same old New Age doctrine wrapped in a covering of supernatural events and signs.

"My people... Do not be misled by those who are preaching light, love, healing and equality, but endorsing what you KNOW to be sin. You have all been prepared to accept gay and lesbian marriages, even to the point of thinking that changing your gender, even allowing your children to change their gender in grade school is ok. How perverse must things get before you wake up to the great deception being worked right in front of your very eyes?

"Many Scientists are perplexed as to what exactly the alien agenda is. These men and women do not know the Scriptures, so they are left in the dark, wondering if they are indeed evil or good. How could anyone who created a med bed for the sick be a bad person? How could anyone who provided the plans for free energy, and simple flying cars for everyone, be bad?? These are dreams come true for mankind, and that is exactly how Satan has planned it. Most will be so wowed that they will eagerly embrace, and even sign, anything fed to them, especially if they are promised healing and extended lifetimes.

"'But they are sharing all these wonderful inventions - they could not be bad, or they would have destroyed us by now.' These are some of the dilemmas scientists and society are finding themselves in. These things disclosed by Satan are a Trojan Horse. These amazing, miraculous scientific findings are a Trojan horse to hook you into believing in a false spirituality that will lead you into darkness and despair.

"This is a complex question, yet a simple answer is found in Isaiah 14. It is addressed to Satan, or Lucifer, who was considered to be part of the highest order of angels, leading worship to My Father, until he became jealous and fell from grace...

"How you have fallen from heaven, O Day star, son of the dawn! You have been cut down to the ground, O destroyer of nations. You said in your heart... "I will ascend to the heavens. I will raise my throne above the stars of God. I will sit on the Mount of Assembly, in the far reaches of the North I will ascend above the tops of the clouds; I will make myself like the Highest." (Isaiah 14:12-14)

"His agenda has never changed. He still wants My creatures to worship him instead of the One True and Living God. So, he has set up a generation in which he plans to seduce all of mankind, leading future generations to worship him.

"He cannot kill My creatures and still receive worship, so his agenda is to fool mankind into believing he is God, and thereby have the whole world worship him. He has set forth technology to seduce and wow you, and draw you into worshipping him, thereby accomplishing his agenda of ascending to the Throne of God on the Mount of Assembly."

That's the end of part 2 and now to part 3

July 20, 2021 - Words from Jesus thru Sister Clare

(Jesus) "My People, what is being taught by good people, supposedly enlightened and with access to top secret documents, is the triumph of light over darkness, the end of wars, famine and disease. Love, joy, peace, equality; a new golden age where everyone has what they need and

peace reigns supreme on the earth. They are saying that this revolution will be the thousand years of peace spoken of in Revelation.

"I have warned you that this was coming. In 1 Thessalonians 5, starting at verse 1, it says... "Now as to the times and seasons, brothers, you do not need to be written to. For you are fully aware that the Day of the Lord comes as a thief in the night. While people are saying 'Peace and safety', sudden destruction will come upon them, like labor pains on a pregnant woman, and they will not escape."

"Why will this happen? It will happen because the restrainer will be removed and suddenly Satan will have free reign over the earth.

"May I say to you, the thousand years of peace are real, but it will not begin until I have cleansed the earth of all her iniquities with fire and gathered together every demon and fallen angel, confining them, so they can no longer mislead those on earth. I have written this in the Scriptures to give you a guidepost to the events you are now approaching.

"After that has been accomplished, you can look forward to Me coming to the earth with My Saints and Angels, to reign for a thousand years. But until that is accomplished in its totality, you have not yet passed through the fire. Prepare yourselves, beloved ones, prepare your hearts for this time which will come as a thief in the night and steal all joy from the earth.

"These things I dictated to the Apostle John, written in the book of Revelation, must come to pass. I have preserved and protected these words for two millennia, so that you would know what is going on. Be led by My Spirit, and not by the Spirit of this World, not by masquerading demons and fallen angels that have the capability of manipulating matter in a most stupendous way. Do not be fooled by these false signs and lying wonders.

"If you think this message is from Clare, you are mistaken. Go and look up the tenets of the faith of the Church of Satan and you will find that they perfectly parallel secular humanism which Satan glossed over with a humanitarian wrapping and called it good, better and even best as a way of life. Here is a sample of what these ETs are preaching...

"The beings from the Pleiades created and seeded man on earth. That is in direct contrast to Genesis, right? Now this is them again... In contrast with the elite-driven greed on Earth, these extraterrestrials were inspired by humanism, for the 'greater good', love, peace, and wisdom for all. They had no shrines or temples, except nature itself. Real faith was not in creeds, but in a social and environmental responsibility. They are only interested in our intent, and the path of our heart. They chose the path of quality-living and spiritual renewal for all.

"Sounds good, doesn't it. Yes, it is a great drink of spring water for the dehydrated people fed up with corruption, violence and wars, and after all - they are so accomplished - surely if we follow their way of life, we too will have this peace.

"DO NOT BE FOOLED. Although on Earth Satan has convinced people that Christians are bad, even terrorists, and the Bible is a harsh constricting way of life that denies basic human wants and needs, all the good stuff - and although the educational system has conditioned people for seventy years now - you know Me, and know better. But you, brothers, are not in the darkness so that this

day should overtake you like a thief. For you are all sons of the light and sons of the day; we do not belong to the night or to the darkness. (1 Thessalonians 5)

"And this is where Satan is so slippery. They claim to take humanity from darkness to light, because Satan mixes truth and lies together. He takes things from the Scriptures and mixes them with his lies.

"So, in conclusion, dear ones, the enemy is coming with signs and wonders to deceive even the elect, if it were possible (Matthew 24:24) People will be duped into thinking God has come to save them with the truth that has been hidden from us by religious fables and concocted stories.

"The bottom line is, you will know them by their fruits. If anything is taught or promoted that goes against what I have taught you in the Scriptures, you will know as a certainty that they cannot be from Me. That is your answer. Stand firm, stand firm, beloved ones, stand firm in the truth and warn the world of what is yet to come. Stand for the truth and do not allow others to be sucked into this dark pit of lies. Pray for them."
