

## Messages from Jesus and Mother Mary on current Events & Rapture

October 7, 2021 - Thru Sister Clare and her Team

First Message (1 of 4)

(Clare) Loving God, please grant us peace of mind and calm our hearts. Give us the strength and clarity of mind to find our purpose and walk the path You've laid out for us. We trust in Your Love and know that You will heal any distress... Amen.

Beloved family, I never thought I would see the day when we were invaded by China. But people who live close to the border said that hundreds of Chinese were crossing the river and coming into America. I asked the Lord, where is President Trump? The answer I got was not a happy one...

(Jesus) "His movements are very limited, he has set into place strategies to work around situations, but he does not have the cooperation of all those surrounding him."

(Clare) Lord, please straighten me out so I can give a good answer to our followers, please.

(Jesus) "It is as I said, your President's movements are limited."

(Mother Mary) "My children, please pray for MORE SOULS, MORE PRAYERS AND MORE LOVE, as I have asked all of you to do. Don't allow your peace to be stolen. This is why the Lord said... Peace be with you.

"It is important that you maintain your peace and inspire others to rest in His peace. Many of you will be leaving soon. Others of you will begin a very special mission on this earth. But at no time should you give into fear and anxiety. The Lord will be with each one of you, leading, guiding, protecting, that you may still bring forth fruit in the midst of chaos. You are ambassadors of the Great King and as such you will be given opportunities to bring many into the kingdom.

"Do not fear, God is with you and each of you will be given the grace to succeed. And you my little one, grasp the love He has for you and stop worrying. His love is so great for you, even though you are a little nothing, He exults in caring for those of no account. He wants you to draw near to Him and rest in His radiant presence. From this place your great peace will come. I know you don't think you've done much, but He is extremely appreciative of what you did do and even what you intended to do. He misses no thought of yours and it does not please Him that you denigrate yourself.

"The truth is that you are of great worth, fit to be His Bride and when the demons disparage you, they are in fact disparaging His choice for His Bride. All righteousness resides within Him and as His Bride, you are clothed in His righteousness, and have no need to denigrate yourself. Please stop doing this. And put an end to it in the community.

"Dear children, it is not your righteousness that qualifies you to be His Bride, it is His grace poured over you that makes you fit to be His Bride. Whom He has called He will sanctify and justify. He has called you out from among men to be His Spouse. To disparage yourselves is not at all pleasing to Him. To stop doing this would be a very nice wedding gift. He has poured so many graces into you and you have used them wisely, so it is hurtful to Him when you agree with what the demons say to denigrate God's grace working through you.

“This is a concept that all of you are far removed from. But I want you to get it and to know that your righteousness is in Christ. Many are called, few are chosen and even fewer respond. You are of the company of souls that have responded and the devils do all in their power to make you feel unworthy, worthless and dirty, lacking in many virtues. This directly contradicts His picture of you as holy, righteous and sanctified to be His very own Bride.

“Remember this my children, and when you catch yourself saying 'stupid' or 'idiot' repent immediately and say... 'I am blessed of God, chosen to be His very own Bride.'

“Do this to counteract the poison that has been pumped into you for years both by humans and also by demons. You see this is one way the devils can attack God’s character, through His chosen Bride. It is truly an affront to Him. I will help you all, to keep your wedding gowns clean without spot, wrinkle or blemish, because your time to come before Him is near.”

#### Convergence of World Events Second Message (2 of 4)

(Clare) Lord, we thank You for the strength that You give. You embolden us with courage and cause us to stand upright. We are so grateful for Your presence and peace at all times... Amen

(Mother Mary) “Things are coming to a head. Convergence, are you ready? This is a very complicated operation and a failure on any part could result in disaster, so continue your prayers. Judgment is coming, but many things are being lessened by your sufferings and prayers. Ezekiel wishes above all to stay the course and finish the race, but Clare the pain is excruciating.”

(Clare) Mother, please, can He not lessen it?

(Mother Mary) “Your prayers are working on that end, but he is a very sick man, and only grace is keeping him alive because he does not want to abandon the battle, but it is costing him much.”

(Clare) Oh, please help him mother, please? I know you have the elixir of life and you could calm him.

(Mother Mary) “Stay in the saddle, Clare. I know how exhausted you are, I have not forgotten you and you are being given supernatural strength. It’s just very, very hard. Stay with it. We will come to your rescue, stay with it. This is a battle for life or death, and you’ve been feeling the extremes of both. Continue to hold up under pressure.”

(Clare) Thank you, Mother, I receive from you all you have for me, please lead and guide me with music, although it seems so far from necessary.

(Mother Mary) “In Heaven you will understand more about the necessity of your involvement in it. It is important for you to get a hold of your children and tell them what is going on and what the potentials for trouble are. Help them to understand that all of this is much bigger than Facebook being down. This is a worldwide crisis with predictions coming to pass. Wars and rumors of wars, famines, shortages, economic chaos, and political confusion. They know what is right, tell them to stay with the right program.

“This is no longer a time to sit on the fence. Fence sitting will not be tolerated, you are either for or against the Republic of this United States or your life is in the hands of a corrupt system and

Communism. You will either suffer by wanting to stay free or buy into the program to keep food in your stomachs. Please do not give in, hold fast to what has been taught you from childhood and manfully stand for your rights and faith.

“Those of you who want a comfy lifestyle at the expense of truth and righteousness, will be selling their souls to the devil for a morsel of bread. Later, after they have accepted the mark, terrible boils will break out on their bodies causing much pain and a desire for death which will evade them.

“Children, you see what is happening, you see the coming of the mark, you know the consequences for you and your children. Choose wisely, your eternal destination is at risk here, this is no longer just a political game, the real deal is here. God will provide for you at the refuge, if you choose wisely and you will be protected, but you cannot be a fence sitter.”

Third Message (3 of 4)

(Elisabeth) Almighty God, pour out Your Spirit of grace and of supplication on all who desire it. Turn the cold hearts away from unrighteousness and back to You Lord. Help us to draw near to You and trust in Your plan... Amen

Father Ezekiel was sick unto death all day and night, everyone was praying for him. He really felt like he was dying, but the Lord promised Mother Clare that they would be raptured together, so she stood on that promise. He finally improved and was out of danger. During that time, he experienced the hidden stigmata and passion of Christ, and it was so intense and painful. The next day the Lord said to him...

(Jesus) “You’re going to interrupt Me, when I am about to create My greatest work?”

(Ezekiel) “I thought creation was Your greatest work?”

(Jesus) “No. Raising My church from the dead will be My greatest work!”

(Elisabeth) So, Father sought a reading from the Bible Promises and got... “The same spirit that raised Jesus from the dead will give life also to your mortal bodies.” And he thought to himself, raising these mortal bodies in the Rapture or waking up the church with an outrageous revival and show of supernatural power? The next day Ezekiel saw Three Angels with Trumpets fly overhead going South/Southeast which would be the Mexican border. This year, The Feast of Trumpets began on September 7th or 8th. Trumpets were used to begin the battle. He has asked us to put up food for six months and Our Lady continues to talk about readiness.

(Clare) 'Lord, is there anything You would like to add?'

(Jesus) “My Dove, did I not tell you any minute now? But you still have reservations of fear that you are speaking those words. No, you didn’t speak those words, I spoke them, and I stand by them.”

(Ezekiel) 'Lord your minute or our minute?'

(Jesus) “Your Minute.”

(Clare) 'But Lord, what about the revival?'

(Jesus) "Oh, there will be revival alright, of that you can be sure."

(Clare) 'But we will not be a part of it?'

(Jesus) "Oh yes! You will be celebrating in Heaven for all the good work left behind that made the way to sustain and fuel the revival. It is your hard work that will be rewarded as revival takes place. I promise you front row seats at this event."

(Clare) 'Oh Lord, this is too wonderful!'

(Jesus) "It is from Me to My Bride. I am so excited, there are simply no words for what is going to happen."

(Clare) 'Thank you for the confirmation, Lord.'

(Jesus) "I understand your caution and it is a good example for all of My Heartdwellers."

(Clare) 'Is there anything else You want to say?'

(Jesus) "Any minute gives you a sense of timing, but the minute must be called by My Father, so hold on through all the turbulence, lift up your heads and see that your redemption draws nigh. Be a good witness, continue to pray and labor for souls, this is My greatest desire, so pray for conversions and that the laborers will be willing to work in the harvest fields."

(Clare) 'Lord, I do not understand the dreams and cards that conflict with an immediate Rapture. Can You please explain this to me?'

(Jesus) "I have given you visions of what I shall raise from the ashes that Satan has made of My people. He has murdered the purity of My church and the visions and dreams are an inspiration of how I will resurrect My people and church, from the ash heap. These are to give you a sense of forward motion, so you can feel the purity and see also the opposition. Your part in all of this is still to pray, pray now, pray in Heaven, pray always and forever until every soul is saved."

(Elisabeth) Mother Clare went to her card file with over 1,000 Rhema cards and pulled... 'Lord Jesus Christ, Son of God, Husband, receive Your Bride.' Amen!

Last Message (4 of 4)

(Elisabeth) Dear Lord, please give us strength when we are weak, courage when we are afraid, hope in Your promises and peace when we are in turmoil... Amen

(Mother Mary) "Convergence, a convergence of many different elements against America."

(Elisabeth) Just then Mother Clare saw a vision of Chinese soldiers in uniform, marching shoulder to shoulder, looking straight ahead.

(Mother Mary) "This is what you are facing, this is part of the convergence. They are working very hard to overthrow your country. This plan is just now coming to fruition, but has been in the works for decades."

(Clare) 'Will the Lord protect us, Mother?'

(Mother Mary) "He will always protect you, stay in obedience. Measures are being put in place and the president has not abandoned you, he is just dealing with working around situations that have been in place for some time now. His movements are limited, Clare."

(Clare) 'Mother I'm really having a hard time believing.'

(Mother Mary) "I know, it is not an easy time."

(Clare) Then Jesus came and said...

(Jesus) "Peace be with you. I have everything under control. Continue to pray because great difficulties are being forestalled and, in some instances, canceled."

(Clare) 'What can we do with such a formidable force?'

(Jesus) "The question should read... What can Jesus do because we prayed And the answer is plenty. Stay strong Clare. You must be strong for the community, even now."

(Clare) 'Oh Lord, how much longer?'

(Jesus) "Do you really want Me to answer that?"

(Clare) 'Yes.'

(Jesus) "Any minute now. I mean that seriously, any minute. Be ready to stand before Me, My beloved."

(Clare) 'You mean, I am not ready?'

(Jesus) "Well, for the moment, as ready as you can be, but as graces are added to you, use them to be ready and ready others. I know you are totally spent. Much is going into your prayers for this nation. Hold on, hold tight, do not give up. Do rest and pray. I'm coming for you soon. I am coming soon."

(Clare) 'Lord, is there any hope for America?'

(Jesus) "A remnant will remain, but when I come all will be set straight. Clare, look forward to this cleansing of the earth because it will make the earth ready for My reign. This is a good thing. Beloved, you will be with Me very soon, make the best of the time left to you."
