

It is My Job to convict a Soul to do or not do something

Rhema from October 18, 2021 - Excerpt of Jesus' Message from Nov 20, 2016 thru Sister Clare

(Clare) When I got into prayer, I said... 'I'm here, Lord.'

(Jesus) "I am here, too. My arm is around you. I am with you intently because I love you and no one is taking My place in your life. You are to be there for each other but no one else is your Jesus – only Me. Others are there to encourage you but not take over My job. You already know much of what you've been told. I send others merely to bring a confirmation. We do have our own relationship.

"No presumption My Children, assist one another but never insist to one another. Allow Me to work in the soul, allow Me My space in their hearts and spirits. If you are not comfortable with a direction, you should never do it. Rather wait on Me to confirm it. If I do not confirm it, you will be saved from going in the wrong direction. If I do confirm it, you will be more solid in that direction.

"But you must never overstep your boundaries and take over My job in the heart of a soul. If a soul resists a direction, one of three things is occurring...

1. That direction is incorrect.
2. That soul is resisting Me and doesn't want to go in that direction, even though I long to confirm it to them. Even if I do, they won't recognize it, because it's against their will. And I never force My way on anyone.
3. I have not confirmed to them that it is the right direction yet. And in this case, you are to wait, and they are to wait on Me. You may indeed be wrong – when you are sure you are right. This is where humility comes in. I am the only one who is infallible.

"Many elders in the church have overstepped their boundaries not understanding that their role is to confirm and instruct but not take over the responsibility of directing a soul to do this or that, and certainly never insisting that their way is right and the soul is wrong.

"It is My job to convict a soul to do or not do something. So be careful, dear ones, how you handle one another so you do not presume on My role in their life. Humility, gentleness and patience are always the virtues needed when one has questions about important issues in their lives.

"From the dawning of time, I have worked through the conscience of men, women and children. They need not be told what to do, they know it in their hearts. But you are there to help them discover that and get a confirmation from Me. Never insist that you alone have the answers. Pride is abhorrent to Me and much damage is done to tender souls when pressure is exerted inappropriately.

"One of the reasons, Clare, that you are gentle with souls in this area is that you have been presumed upon and underestimated so many, many times and you know well how hurtful, belittling and confusing that is. You are there as a shepherdess to guide and protect and teach others how to find their own way with Me, but never to replace Me."
