

Devastation is coming! Both Coastlines are slated for Destruction

November 7, 2022 - Excerpt of Jesus' Message thru Sister Clare

(Clare) May the Lord bless you and keep you in the palm of His hand dear Heartdwellers.

(Jesus) "You have seen the ship, the submarine, the largest in the world and it is on its way here, to destroy America. This is the mega tsunami I was talking about. I want to talk to you. There is devastation ahead for your nation. Both coastlines are slated for destruction. It is a matter of prayer, what can be stopped or mitigated. Tell the innocent ones that it is in their hands to mitigate but not totally stop this. The dream Ezekiel had about the sea creatures flying was from this mega tsunami. Earthquakes for the west coast, Tsunami for the east coast."

(Clare) I don't understand how Russia could use the radioactive material.

(Jesus) "With this weapon he is not thinking rationally. He wants to put an end to America."

(Clare) Can't he do the tsunami without radioactivity?

(Jesus) "This is a matter of prayer for you, America. There will be massive destruction, but you can pray against the poisoning of the seas which will have drastic consequences on the earth, and that is not mentioning the shock wave and what it will do to the planet's alignment."

(Clare) Lord, what are we to do?

(Jesus) "Pray."

(Clare) Lord this is too terrible to even conceive of.

(Jesus) "This is one of the weapons Putin has been holding in reserve for such a time as this. It is sad, so very, very sad, apply yourselves to prayer for something to change."
