

## Cleanse your Heart of all Rancor... FOR I AM HOLY

May 10, 2023 - Words from Jesus thru Sister Clare

(Clare) Nothing is impossible to those who believe. I was musing on how wonderfully Alberto was playing the piano, and how I long to be like that. The Lord intercepted my thoughts...

(Jesus) "Nothing is impossible, don't limit Me with your finite human reasoning. Get your hands dirty, get your fingers on the keyboard. Put away judgment, finding fault with others and gossip. Cleanse your hearts of all rancor, for I AM HOLY. DO NOT BRING THESE THINGS INTO MY PRESENCE !

"Personal holiness empties all the heart attitudes that make you unclean... playing church instead of a real encounter. Keep calling, demanding, crying out for God and prepare a resting place for Him in your heart, free of the contamination of worldliness, jealousy, envy, criticism, backbiting, gossip, adultery and covetousness. For you cannot worship Me and stab your brother or sister in the back in the same breath!

"I want to do something unheard of in your midst. YES, in the midst of crippling drugs and witchcraft, adultery, stealing and all manner of evil. I want to cleanse you and fill you. I WANT TO REPLACE YOUR FILTHY RAGS WITH CLOAKS OF RIGHTEOUSNESS!

"I want to cleanse the inside of the cup, so I may pour in My anointing, to be spread to all the aching and suffering. I want to use every single one of you. You know what it is to suffer, you know what it is to be helpless and have no one to turn to, but I will fill you so full with My presence that it will spill over to those around you who are hurting and have no answers.

"Yes, YOU, not some minister full of learning, but you, the broken ones, your hearts having been broken, and now are healed, will hold gallons of healing water to flow out over your family. Extend your hand and ask... 'Jesus, heal, Jesus, touch my sister, my brother, these broken ones. Oh Jesus, flow out from within me to touch them.' Yes, YOU, the little, the broken, who know the pain, pour out into the hearts of those around you from My abundance poured into you.

"First, there must be a forsaking of sin. A cleansing in preparation for My habitation in your hearts. Oh, My precious ones, I have been with you on those lonely nights when it all seemed hopeless, you cried out and wondered if I had heard you. Yes, I heard, and I cried out with you and for you. I was there with you, listening to every word, catching every tear. That's how much you mean to Me."
